Variation to Licence Area Plan for Cooma Radio – No.1 of 2011

1. Enabling legislation

The Australian Communications and Media Authority makes this instrument under subsection 26(2) of the Broadcasting Services Act 1992.

2. Name of Instrument

This instrument is the Variation to the Licence Area Plan for Cooma Radio – No. 1 of 2011.

3. Commencement

This instrument commences on the day after it is registered.

Note: An instrument is registered when it is recorded on the Federal Register of Legislative Instruments (FRLI) in electronic form: see the Legislative Instruments Act 2003, s4 (definition of register). The FRLI may be accessed at: http://www.comlaw.gov.au/

4. Variation

The Licence Area Plan for Cooma Radio determined by the Australian Broadcasting Authority on 29 July 1999 is varied as follows:

(a) omit the words “JULY 1999” on the title page;

(b) omit the heading ‘DETERMINATION’ on page two;

(c) number each of the paragraphs in the plan consecutively as clauses (1), (2), (3), (4) and (5);

(d) omit clause (2), (3), (4) and (5) and substitute the following clauses;

(2) Eight national radio broadcasting services are to be available in the area described at Attachment 1.1 to this plan with the use of the broadcasting services bands. The characteristics, including technical specifications, of the national radio services that are to be available in the area described at Attachment 1.1 are set out in Schedule One and Attachments 1.2 – 1.9 to this plan.

(3) Two commercial radio broadcasting services are to be available in the area described at Attachment 1.1 to this plan with the use of the broadcasting services bands. The characteristics, including technical specifications, of the services that are to be available in the area described at Attachment 1.1 are set out in Schedule One and Attachments 1.10 – 1.25 and 1.31 – 1.32 to this plan.

(4) Five open narrowcasting radio services are to be available in the area described at Attachment 1.1 to this plan with the use of the broadcasting services bands. The characteristics, including technical specifications, of the services that are to be available in the area
described at Attachment 1.1 are set out in Schedule One and attachments 1.26 – 1.30 to this plan.

(5) One community radio broadcasting service is to be available in the area described at Attachment 2.1 to this plan with the use of the broadcasting services bands. The characteristics, including technical specifications, of the service that is to be available in the area described at Attachment 2.1 are set out in Schedule Two and attachments 2.2 – 2.5 to this plan.

(6) A reference in this plan to a schedule or an attachment includes a reference to a schedule or attachment as amended from time to time.

(e) immediately before Schedule One;

(i) omit the heading “SCHEDULES”;

(ii) omit the words “Each of the Schedules sets out” and all nine paragraphs marked with dots points that follow;

(f) omit Schedule One and Schedule Two and substitute in the corresponding places the schedules to this instrument having those same numbers;

(g) immediately after Schedule Two;

(i) omit the hash (#) and the paragraph immediately following the hash;

(ii) omit the heading “Status Column” and the text immediately following the heading;

(iii) omit the heading “Frequency Column” and the paragraph marked with a dot point immediately following the heading;

(h) omit attachments 1.1 to 2.4; and

(i) insert in numerical order attachments 1.1 to 2.5 of this instrument.

The Common Seal of the
Australian Communications and Media Authority
was affixed to this document
in the presence of:
