Approval and Notice of Approval under clauses 6 and 11 of Schedule 1A to the Higher Education Support Act 2003

VET Provider Approval No. 11 of 2012

Issued by the authority of the Minister for Tertiary Education, Skills, Science and Research

Subject: Higher Education Support Act 2003 (HESA)
VET Provider approval and Notice of Approval under clauses 6 and 11 of Schedule 1A to HESA

Authority
Schedule 1A to HESA makes provision for the VET FEE-HELP Assistance Scheme. Clause 6 of Schedule 1A provides for the approval of bodies as VET Providers by the Minister, while clause 11 of Schedule 1A provides that the Minister must decide an application for approval as a VET Provider (paragraph 11(1)(a)) and cause the applicant to be notified in writing whether or not the applicant is approved as a VET provider (paragraph 11(1)(b)).
Subclause 12(1) Schedule 1A to HESA stipulates that a Notice of Approval of a body as a VET Provider is a legislative instrument.
Under section 238-5 of HESA the Minister has delegated his powers under clauses 6 and 11 of Schedule 1A to HESA to an APS employee in the Department.

Purpose
This instrument approves Australian Nursing & Midwifery Federation (SA Branch) ABN: 95 969 485 175 as a VET Provider under Clause 6 of Schedule 1A to HESA and as a consequence decides the application of Australian Nursing & Midwifery Federation (SA Branch) for the purposes of paragraph 11(1)(a) of Schedule 1A to HESA. The instrument also gives Australian Nursing & Midwifery Federation (SA Branch) notice of that approval for the purposes of paragraph 11(1)(b) of Schedule 1A to HESA.

Background
VET FEE-HELP is an income contingent loan scheme for the vocational education and training (VET) sector that is part of the Higher Education Loan Program (HELP). It is an extension of the higher education FEE-HELP arrangements.
VET FEE-HELP assists eligible students to pay for all or part of their VET tuition fees when studying one or more of the following eligible accredited VET courses of study: diploma; advanced diploma; graduate certificate; and graduate diploma.
Bodies corporate that are also Registered Training Organisations (RTOs) are able to apply to become approved as VET providers. If approved, a VET provider will be able to offer VET FEE-HELP assistance to its eligible students.

**Commencement**

In accordance with subclause 12(2) of Schedule 1A to HESA and paragraph 12(1)(d) of the *Legislative Instruments Act 2003*, the notice and the decision to approve Australian Nursing & Midwifery Federation (SA Branch) as a VET provider take effect on the day after the notice is registered on the Federal Register of Legislative Instruments.

**Consultation**

Consultation was not undertaken and was not considered necessary in this case because the notice confers a benefit on Australian Nursing & Midwifery Federation (SA Branch) and this body is the only body affected by the notice. This notice will not have a direct or substantial indirect effect on business, nor will it restrict competition.

Human rights implications

Right to education

The Instrument engages the right to education, contained in Article 13 of the International Covenant on Economic, Social, and Cultural Rights. In particular, this Instrument has an effect on the provision of vocational education and training by Australian Nursing & Midwifery Federation (SA Branch) by approving it as a VET provider for the purposes of the VET FEE-HELP Assistance Scheme under the Act, enabling it to offer VET FEE-HELP Assistance to its eligible students.

The objective of the Instrument is to approve Australian Nursing & Midwifery Federation (SA Branch) as a VET provider under the Act and thereby enable eligible students of Australian Nursing & Midwifery Federation (SA Branch) to access VET FEE-HELP Assistance for VET courses of study.

To the extent that the right to education is engaged, this right is promoted by the Instrument as the Instrument approves Australian Nursing & Midwifery Federation (SA Branch) as a VET provider, thereby extending VET FEE-HELP Assistance and the availability of education to its eligible students.

Conclusion

This Instrument is compatible with human rights because it advances the protection of human rights.
