Environment Protection and Biodiversity Conservation (Commonwealth Marine Reserves) Proclamation 2012

I, QUENTIN BRYCE, Governor-General of the Commonwealth of Australia, acting with the advice of the Federal Executive Council, make the following Proclamation under subsections 344 (1), 350 (1) and 390J (1) of the Environment Protection and Biodiversity Conservation Act 1999.

Signed and sealed with the Great Seal of Australia on 8 November 2012

QUENTIN BRYCE
Governor-General

By Her Excellency’s Command

TONY BURKE
Minister for Sustainability, Environment, Water, Population and Communities

Federal Register of Legislative Instruments F2012L02188

Section 1

1 Name of Proclamation

This Proclamation is the Environment Protection and Biodiversity Conservation (Commonwealth Marine Reserves) Proclamation 2012.

2 Commencement

This Proclamation commences on the day after it is registered.

3 Definitions

In this Proclamation:

Fisheries Jurisdiction Line means the line described in annex 8 of the Torres Strait Treaty.

Norfolk Island has the same meaning as Territory in subsection 4 (1) of the Norfolk Island Act 1979.

Protected Zone means the zone established under article 10 of the Torres Strait Treaty.

Note The Protected Zone is bounded by the line described in annex 9 of the Torres Strait Treaty.

scheduled area has the same meaning as in section 7 of the Offshore Petroleum and Greenhouse Gas Storage Act 2006.

State waters has the same meaning as coastal waters of the State in subsection 3 (1) of the Coastal Waters (State Powers) Act 1980.

territorial sea baseline means the baseline from which the breadth of the territorial sea is measured under section 7 of the Seas and Submerged Lands Act 1973.
Section 7

**Territory waters** has the same meaning as **coastal waters of the Territory** in subsection 3 (1) of the **Coastal Waters (Northern Territory Powers) Act 1980**.

**Torres Strait Treaty** means the Treaty between Australia and the Independent State of Papua New Guinea concerning Sovereignty and Maritime Boundaries in the area between the two Countries, including the area known as Torres Strait, and Related Matters, done at Sydney on 18 December 1978.

*Note 1* A number of terms used in this Proclamation are defined in the Act, including:
- Commonwealth reserve
- continental shelf
- exclusive economic zone
- Great Barrier Reef Marine Park
- IUCN category
- territorial sea.

*Note 2* A copy of an Agreement or Treaty mentioned in this section is available at www.dfat.gov.au/treaties.

4 **Declaration of Commonwealth reserves**

The areas described in Schedules 1 to 5 are declared to be Commonwealth reserves.

5 **Names of Commonwealth reserves**

For paragraph 346 (1) (a) of the Act, the name of each Commonwealth reserve is the name given for the reserve in Schedules 1 to 5.

6 **Purposes for Commonwealth reserves**

For paragraph 346 (1) (b) of the Act, each Commonwealth reserve mentioned in Schedules 1 to 5 has the following purposes:

(a) to protect and maintain biological diversity in the reserve;
(b) to contribute to the objectives of the national representative system of marine protected areas.

*Note* The national representative system of marine protected areas (**NRSMPA**) is an Australian Government marine conservation program that ensures the conservation and sustainable use of Australia’s marine and estuarine environments. Further information about the NRSMPA is available at www.environment.gov.au.

7 **Depth of land included in Commonwealth reserves**

For paragraph 346 (1) (c) of the Act, if a Commonwealth reserve mentioned in Schedules 1 to 5 includes land, the land is included to a depth of 1 000 metres.
8 Depth of seabed included in Commonwealth reserves

For paragraph 346 (1) (d) of the Act, each Commonwealth reserve mentioned in Schedules 1 to 5 includes the seabed to a depth of 1 000 metres.

9 IUCN categories of Commonwealth reserves

For paragraph 346 (1) (e) of the Act, the IUCN category of each Commonwealth reserve is the IUCN category given for the reserve in Schedules 1 to 5.

10 Zones of Commonwealth reserves

For subsection 346 (2) of the Act, if a Commonwealth reserve mentioned in Schedules 1 to 5 is divided into zones:

(a) the zones are identified in the Schedule; and
(b) each zone is assigned an IUCN category.

11 Geographic coordinates

(1) Geographic coordinates in this Proclamation are expressed in terms of the Geocentric Datum of Australia 1994.

Note The Geocentric Datum of Australia 1994 (also known as GDA94) was published in Gazette No. GN 35 of 6 September 1995.

(2) However, the geographic coordinates in the following items in tables of this Proclamation are expressed in terms of the Australian Geodetic Datum 1966:

(a) item 1 of clause 8.3 of Schedule 3;
(b) item 1 of clause 8.5 of Schedule 3;
(c) items 1 and 2 of clause 1.3 of Schedule 4;
(d) items 1 and 2 of clause 1.5 of Schedule 4;
(e) item 38 of clause 1.6 of Schedule 4;
(f) item 1 of clause 1.13 of Schedule 4;
(g) item 2 of clause 1.13 of Schedule 4 (latitude coordinate only);
(h) item 5 of clause 1.14 of Schedule 4;
(i) item 2 of clause 1.17 of Schedule 4 (latitude coordinate only).

Note The Australian Geodetic Datum 1966 (also known as AGD66) was published in Gazette No. 84 of 6 October 1966.
12 Revocations

The following instruments are revoked:

- Proclamation—Cod Grounds Commonwealth Marine Reserve (Federal Register of Legislative Instruments (FRLI) No. F2007L01333)
- Proclamation—Coral Sea Conservation Zone (FRLI No. F2009L01796)
- Proclamation—Great Australian Bight Marine Park (Commonwealth Waters) (FRLI No. F2007B00723)
- Amendment Proclamation—Great Australian Bight Marine Park (Commonwealth Waters) (FRLI No. F2007B00718)
- Proclamation—Lord Howe Island Marine Park (FRLI No. F2007B00686)
- Proclamation—Solitary Islands Marine Reserve (Commonwealth Waters) (FRLI No. F2007B00687)

Note Each Reserve, Zone or Marine Park mentioned in section 12 is part of a Commonwealth Reserve declared by this Proclamation.
Schedule 1  South-west network of Commonwealth Marine Reserves  
(sections 4 to 10)

Part 1  Southern Kangaroo Island Commonwealth Marine Reserve  

1.1 Name of reserve  
This reserve is the Southern Kangaroo Island Commonwealth Marine Reserve.  

Note  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

1.2 IUCN category  
The Southern Kangaroo Island Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).  

Note  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

1.3 Area of reserve  
The Southern Kangaroo Island Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>The point of latitude 36° 13’ 00” S, longitude 137° 15’ 00.86” E</td>
</tr>
<tr>
<td>2</td>
<td>North along the meridian of longitude 137° 15’ 00.86” E to its intersection by the outer limit of the State waters of South Australia</td>
</tr>
<tr>
<td>3</td>
<td>Generally south-easterly and north-easterly along that outer limit to its intersection by the meridian of longitude 137° 43’ 30.36” E</td>
</tr>
<tr>
<td>4</td>
<td>South along that meridian to its intersection by the parallel of latitude 36° 13’ 00” S</td>
</tr>
<tr>
<td>5</td>
<td>West along that parallel to the point of commencement</td>
</tr>
</tbody>
</table>
Part 2  Western Kangaroo Island Commonwealth Marine Reserve

2.1 Name of reserve
This reserve is the Western Kangaroo Island Commonwealth Marine Reserve.

Note  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

2.2 IUCN category
The Western Kangaroo Island Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

2.3 Area of reserve
The Western Kangaroo Island Commonwealth Marine Reserve consists of an area in the Southern Ocean, excluding any State waters of South Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>The point of latitude 35° 39’ 50.15” S, longitude 136° 06’ 00” E</td>
</tr>
<tr>
<td>2</td>
<td>East along the parallel of latitude 35° 39’ 50.15” S to its intersection by the outer limit of the State waters of South Australia</td>
</tr>
<tr>
<td>3</td>
<td>Generally south-easterly and easterly along that outer limit to its intersection by the meridian of longitude 136° 54’ 00” E</td>
</tr>
<tr>
<td>4</td>
<td>South along that meridian to its intersection by the parallel of latitude 36° 13’ 00” S</td>
</tr>
<tr>
<td>5</td>
<td>West along that parallel to its intersection by the meridian of longitude 136° 06’ 00” E</td>
</tr>
<tr>
<td>6</td>
<td>North along that meridian to the point of commencement</td>
</tr>
</tbody>
</table>

2.4 Zones for reserve
(1) The Western Kangaroo Island Commonwealth Marine Reserve is divided into the following zones:
   (a) the marine national park zone described in clause 2.5 of this Part;
   (b) the special purpose zone described in clause 2.6 of this Part.
(2) The marine national park zone is assigned to IUCN category II (national park).

(3) The special purpose zone is assigned to IUCN category VI (managed resource protected area).

### 2.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>The point of latitude 35° 39′ 50.15″ S, longitude 136° 14′ 00″ E</td>
</tr>
<tr>
<td>2</td>
<td>East along the parallel of latitude 35° 39′ 50.15″ S to its intersection by the outer limit of the State waters of South Australia</td>
</tr>
<tr>
<td>3</td>
<td>South-easterly along that outer limit to its intersection by the meridian of longitude 136° 23′ 00″ E</td>
</tr>
<tr>
<td>4</td>
<td>South along that meridian to its intersection by the parallel of latitude 35° 49′ 00″ S</td>
</tr>
<tr>
<td>5</td>
<td>West along that parallel to its intersection by the meridian of longitude 136° 14′ 00″ E</td>
</tr>
<tr>
<td>6</td>
<td>North along that meridian to the point of commencement</td>
</tr>
</tbody>
</table>

### 2.6 Zone 2 of reserve—special purpose zone

Zone 2 of the reserve consists of an area, excluding any State waters of South Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>The point of latitude 35° 39′ 50.15″ S, longitude 136° 06′ 00″ E</td>
</tr>
<tr>
<td>2</td>
<td>East along the parallel of latitude 35° 39′ 50.15″ S to its intersection by the meridian of longitude 136° 14′ 00″ E</td>
</tr>
<tr>
<td>3</td>
<td>South along that meridian to its intersection by the parallel of latitude 35° 49′ 00″ S</td>
</tr>
<tr>
<td>4</td>
<td>East along that parallel to its intersection by the meridian of longitude 136° 23′ 00″ E</td>
</tr>
<tr>
<td>5</td>
<td>North along that meridian to its intersection by the outer limit of the State waters of South Australia</td>
</tr>
<tr>
<td>6</td>
<td>Generally south-easterly and easterly along that outer limit to its intersection by the meridian of longitude 136° 54′ 00″ E</td>
</tr>
<tr>
<td>7</td>
<td>South along that meridian to its intersection by the parallel of latitude 36° 13′ 00″ S</td>
</tr>
<tr>
<td>8</td>
<td>West along that parallel to its intersection by the meridian of longitude 136° 06′ 00″ E</td>
</tr>
<tr>
<td>9</td>
<td>North along that meridian to the point of commencement</td>
</tr>
</tbody>
</table>
Part 3 Western Eyre Commonwealth Marine Reserve

3.1 Name of reserve
This reserve is the Western Eyre Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

3.2 IUCN category
The Western Eyre Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

3.3 Area of reserve
The Western Eyre Commonwealth Marine Reserve consists of an area in the Southern Ocean, excluding any State waters of South Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>

### 3.4 Zones for reserve

(1) The Western Eyre Commonwealth Marine Reserve is divided into the following zones:

(a) the special purpose zone described in clause 3.5 of this Part;
(b) the marine national park zones described in clauses 3.6, 3.7 and 3.9 of this Part;
(c) the multiple use zone described in clause 3.8 of this Part.

(2) The special purpose zone described in clause 3.5 of this Part is assigned to IUCN category VI (managed resource protected area).

(3) The marine national park zones described in clauses 3.6, 3.7 and 3.9 of this Part are each assigned to IUCN category II (national park).

(4) The multiple use zone described in clause 3.8 of this Part is assigned to IUCN category VI (managed resource protected area).

3.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area, excluding the zone described in clause 3.6, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

Part 4  Murat Commonwealth Marine Reserve

4.1  Name of reserve

This reserve is the Murat Commonwealth Marine Reserve.

*Note* Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

4.2  IUCN category

The Murat Commonwealth Marine Reserve is assigned to IUCN category II (national park).

*Note* Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

4.3  Area of reserve

The Murat Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Part 5  Great Australian Bight Commonwealth Marine Reserve

5.1 Name of reserve
This reserve is the Great Australian Bight Commonwealth Marine Reserve.

Note  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

5.2 IUCN category
The Great Australian Bight Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

5.3 Area of reserve
The Great Australian Bight Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

5.4 Zones for reserve

(1) The Great Australian Bight Commonwealth Marine Reserve is divided into the following zones:
   (a) the special purpose zones described in clauses 5.5, 5.7 and 5.8 of this Part;
   (b) the marine national park zone described in clause 5.6 of this Part;
   (c) the multiple use zone described in clause 5.9 of this Part.

(2) The marine national park zone is assigned to IUCN category II (national park).

(3) The special purpose zones are each assigned to IUCN category VI (managed resource protected area).

(4) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

5.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Part 6  
Twilight Commonwealth Marine Reserve

6.1 Name of reserve

This reserve is the Twilight Commonwealth Marine Reserve.

Note  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

6.2 IUCN category

The Twilight Commonwealth Marine Reserve is assigned to IUCN category II (national park).

Note  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

6.3 Area of reserve

The Twilight Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

8.4 Zones for reserve

(1) The South-west Corner Commonwealth Marine Reserve is divided into the following zones:
   (a) the marine national park zones described in clauses 8.5, 8.8, 8.9, 8.11, 8.13 and 8.17 of this Part;
   (b) the multiple use zones described in clauses 8.6 and 8.15 of this Part;
   (c) the special purpose zones (oil and gas exclusion) described in clauses 8.7 and 8.10 of this Part;
   (d) the special purpose zones described in clauses 8.14 and 8.16 of this Part;
   (e) the habitat protection zone described in clause 8.12 of this Part.

(2) The marine national park zones are each assigned to IUCN category II (national park).

(3) The multiple use zones, special purpose zones (oil and gas exclusion) and special purpose zones are each assigned to IUCN category VI (managed resource protected area).

(4) The habitat protection zone is assigned to IUCN category IV (habitat/species management area).

8.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>The point of latitude 33° 30’ 00” S, longitude 111° 42’ 00” E</td>
</tr>
</tbody>
</table>
**Item** | **Description**
--- | ---
2 | South along the meridian of longitude 111° 42’ 00” E to its intersection by the parallel of latitude 35° 12’ 00” S
3 | West along that parallel to its intersection by the outer limit of the exclusive economic zone
4 | Generally northerly along that outer limit to its intersection by the parallel of latitude 33° 30’ 00” S
5 | East along that parallel to the point of commencement

### 8.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

**Item** | **Description**
--- | ---
1 | The point of latitude 33° 30’ 00” S, longitude 111° 42’ 00” E
2 | East along the parallel of latitude 33° 30’ 00” S to its intersection by the meridian of longitude 113° 54’ 00” E
3 | South along that meridian to its intersection by the parallel of latitude 34° 09’ 00” S
4 | West along that parallel to its intersection by the meridian of longitude 113° 06’ 00” E
5 | South along that meridian to its intersection by the parallel of latitude 35° 12’ 00” S
6 | West along that parallel to its intersection by the meridian of longitude 111° 42’ 00” E
7 | North along that meridian to the point of commencement

### 8.7 Zone 3 of reserve—special purpose zone (oil and gas exclusion)

Zone 3 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

**Item** | **Description**
--- | ---
1 | The point of latitude 33° 30’ 00” S, longitude 113° 54’ 00” E
2 | East along the parallel of latitude 33° 30’ 00” S to its intersection by the meridian of longitude 114° 24’ 00” E
3 | South along that meridian to its intersection by the parallel of latitude 33° 42’ 00” S
4 | East along that parallel to its intersection by the meridian of longitude 114° 36’ 00” E
5 | North along that meridian to its intersection by the parallel of latitude 33° 30’ 00” S
6 | East along that parallel to its intersection by the outer limit of the State waters of Western Australia

Part 9 Bremer Commonwealth Marine Reserve

9.1 Name of reserve

This reserve is the Bremer Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

9.2 IUCN category

The Bremer Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

9.3 Area of reserve

The Bremer Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>

</tbody>
</table>

10.4 Zones for reserve

(1) The Geographe Commonwealth Marine Reserve is divided into the following zones:
   (a) the special purpose zone described in clause 10.5 of this Part;
   (b) the multiple use zone described in clause 10.6 of this Part;
   (c) the marine national park zones described in clauses 10.7 and 10.8 of this Part.

(2) The special purpose zone and multiple use zone are each assigned to IUCN category VI (managed resource protected area).

(3) The marine national park zones are each assigned to IUCN category II (national park).
10.5 **Zone 1 of reserve—special purpose zone**

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

Part 11  Perth Canyon Commonwealth Marine Reserve

11.1 Name of reserve

This reserve is the Perth Canyon Commonwealth Marine Reserve.

Note  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

11.2 IUCN category

The Perth Canyon Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

11.3 Area of reserve

The Perth Canyon Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

</table>
11.4 Zones for reserve

(1) The Perth Canyon Commonwealth Marine Reserve is divided into the following zones:
   (a) the habitat protection zones described in clauses 11.5 and 11.7 of this Part;
   (b) the marine national park zones described in clauses 11.6 and 11.9 of this Part;
   (c) the multiple use zone described in clause 11.8 of this Part.

(2) The habitat protection zones are each assigned to IUCN category IV (habitat/species management area).

(3) The marine national park zones are each assigned to IUCN category II (national park).

(4) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

11.5 Zone 1 of reserve—habitat protection zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

12.4  Zones for reserve
(1) The Two Rocks Commonwealth Marine Reserve is divided into the following zones:
   (a) the multiple use zone described in clause 12.5 of this Part;
   (b) the marine national park zone described in clause 12.6 of this Part.

(2) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

(3) The marine national park zone is assigned to IUCN category II (national park).
### 12.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>

Schedule 2 North-west network of Commonwealth Marine Reserves

(sections 4 to 10)

Part 1 Shark Bay Commonwealth Marine Reserve

1.1 Name of reserve

This reserve is the Shark Bay Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

1.2 IUCN category

The Shark Bay Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

1.3 Area of reserve

The Shark Bay Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>

Part 2 Carnarvon Canyon Commonwealth Marine Reserve

2.1 Name of reserve
This reserve is the Carnarvon Canyon Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

2.2 IUCN category
The Carnarvon Canyon Commonwealth Marine Reserve is assigned to IUCN category IV (habitat/species management area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

2.3 Area of reserve
The Carnarvon Canyon Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>

</table>
Part 3 Gascoyne Commonwealth Marine Reserve

3.1 **Name of reserve**
This reserve is the Gascoyne Commonwealth Marine Reserve.

*Note* Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

3.2 **IUCN category**
The Gascoyne Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

*Note* Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

3.3 **Area of reserve**
The Gascoyne Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

</table>
North-west network of Commonwealth Marine Reserves
Gascoyne Commonwealth Marine Reserve

3.4 Zones for reserve

(1) The Gascoyne Commonwealth Marine Reserve is divided into the following zones:
   (a) the marine national park zone described in clause 3.5;
   (b) the habitat protection zones described in clauses 3.6 and 3.8;
   (c) the multiple use zone described in clause 3.7.

(2) The marine national park zone is assigned to IUCN category II (national park).

(3) The habitat protection zones are each assigned to IUCN category IV (habitat/species management area).

(4) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

3.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

Part 6  Eighty Mile Beach Commonwealth Marine Reserve

6.1 Name of reserve
This reserve is the Eighty Mile Beach Commonwealth Marine Reserve.

Note  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

6.2 IUCN category
The Eighty Mile Beach Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

6.3 Area of reserve
The Eighty Mile Beach Commonwealth Marine Reserve consists of an area in the Indian Ocean, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Part 7 Roebuck Commonwealth Marine Reserve

7.1 Name of reserve
This reserve is the Roebuck Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

7.2 IUCN category
The Roebuck Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

7.3 Area of reserve
The Roebuck Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Part 8  Argo-Rowley Terrace Commonwealth Marine Reserve

8.1 Name of reserve
This reserve is the Argo-Rowley Terrace Commonwealth Marine Reserve.

Note  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

8.2 IUCN category
The Argo-Rowley Terrace Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

8.3 Area of reserve
The Argo-Rowley Terrace Commonwealth Marine Reserve consists of an area in the Indian Ocean, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

### 8.4 Zones for reserve

(1) The Argo-Rowley Terrace Commonwealth Marine Reserve is divided into the following zones:  
   (a) the marine national park zone described in clause 8.5;  
   (b) the multiple use zone described in clause 8.6.

(2) The marine national park zone is assigned to IUCN category II (national park).
(3) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

**8.5 Zone 1 of reserve—marine national park zone**

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Part 9 Kimberley Commonwealth Marine Reserve

9.1 Name of reserve

This reserve is the Kimberley Commonwealth Marine Reserve.

*Note* Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

9.2 IUCN category

The Kimberley Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

*Note* Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

9.3 Area of reserve

The Kimberley Commonwealth Marine Reserve consists of an area in the Indian Ocean, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

9.4 Zones for reserve

(1) The Kimberley Commonwealth Marine Reserve is divided into the following zones:

(a) the multiple use zone described in clause 9.5;
(b) the marine national park zones described in clauses 9.6 and 9.8;
(c) the habitat protection zone described in clause 9.7.

(2) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

(3) The marine national park zones are each assigned to IUCN category II (national park).

(4) The habitat protection zone is assigned to IUCN category IV (habitat/species management area).

9.5 **Zone 1 of reserve—multiple use zone**

Zone 1 of the reserve consists of an area, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Schedule 3 North network of Commonwealth Marine Reserves
(sections 4 to 10)

Part 1 Joseph Bonaparte Gulf Commonwealth Marine Reserve

1.1 Name of reserve
This reserve is the Joseph Bonaparte Gulf Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

1.2 IUCN category
The Joseph Bonaparte Gulf Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

1.3 Area of reserve
The Joseph Bonaparte Gulf Commonwealth Marine Reserve consists of an area in the Joseph Bonaparte Gulf bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

1.4 **Zones for reserve**

(1) The Joseph Bonaparte Gulf Commonwealth Marine Reserve is divided into the following zones:

   (a) the special purpose zone described in clause 1.5 of this Part;
   (b) the multiple use zone described in clause 1.6 of this Part.

(2) The special purpose zone and multiple use zone are each assigned to IUCN category VI (managed resource protected area).

1.5 **Zone 1 of reserve—special purpose zone**

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Part 2  Oceanic Shoals Commonwealth Marine Reserve

2.1  Name of reserve

This reserve is the Oceanic Shoals Commonwealth Marine Reserve.

*Note*  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

2.2  IUCN category

The Oceanic Shoals Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

*Note*  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

2.3  Area of reserve

The Oceanic Shoals Commonwealth Marine Reserve consists of an area in the Timor Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Part 4  

Arnhem Commonwealth Marine Reserve

4.1 Name of reserve

This reserve is the Arnhem Commonwealth Marine Reserve.

*Note*  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

4.2 IUCN category

The Arnhem Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

*Note*  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

4.3 Area of reserve

The Arnhem Commonwealth Marine Reserve consists of an area in the Arafura Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

</tbody>
</table>

5.4 Zones for reserve
(1) The Wessel Commonwealth Marine Reserve is divided into the following zones:
   (a) the marine national park zone described in clause 5.5 of this Part;
   (b) the multiple use zone described in clause 5.6 of this Part.

Environment Protection and Biodiversity Conservation (Commonwealth Marine Reserves) Proclamation 2012

Federal Register of Legislative Instruments F2012L02188
(2) The marine national park zone is assigned to IUCN category II (national park).

(3) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

### 5.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

Part 7  Gulf of Carpentaria Commonwealth Marine Reserve

Schedule 3

North network of Commonwealth Marine Reserves

7.4 Zones for reserve

(1) The Gulf of Carpentaria Commonwealth Marine Reserve is divided into the following zones:
   (a) the multiple use zones described in clauses 7.5 and 7.6 of this Part;
   (b) the marine national park zone described in clause 7.7 of this Part.

(2) The multiple use zones are each assigned to IUCN category VI (managed resource protected area).

(3) The marine national park zone is assigned to IUCN category II (national park).

7.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

Part 8 West Cape York Commonwealth Marine Reserve

8.1 Name of reserve
This reserve is the West Cape York Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

8.2 IUCN category
The West Cape York Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

8.3 Area of reserve
The West Cape York Commonwealth Marine Reserve consists of an area in the Gulf of Carpentaria bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>

</tr>
<tr>
<td>8</td>
<td>North-easterly along that line to the point of commencement</td>
</tr>
</tbody>
</table>

Note AGD66 applies to the coordinate described in item 1 of this table.

8.4 Zones for reserve
(1) The West Cape York Commonwealth Marine Reserve is divided into the following zones:
   (a) the marine national park zone described in clause 8.5 of this Part;
   (b) the multiple use zones described in clauses 8.6 and 8.8 of this Part;

Environment Protection and Biodiversity Conservation (Commonwealth Marine Reserves) Proclamation 2012

Federal Register of Legislative Instruments F2012L02188
(c) the special purpose zone described in clause 8.7 of this Part.

(2) The marine national park zone is assigned to IUCN category II (national park).

(3) The multiple use zones and special purpose zone are each assigned to IUCN category VI (managed resource protected area).

8.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>
</thead>
<tbody>

Schedule 4  Coral Sea Commonwealth Marine Reserve  
(sections 4 to 10)

1.1 Name of reserve  
This reserve is the Coral Sea Commonwealth Marine Reserve.  
*Note*  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

1.2 IUCN category  
The Coral Sea Commonwealth Marine Reserve is assigned to IUCN category II (national park).  
*Note*  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

1.3 Area of reserve  
The Coral Sea Commonwealth Marine Reserve consists of an area in the Coral Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>

</tr>
<tr>
<td>9</td>
<td>Easterly, southerly and generally south-easterly along that outer limit to the point of commencement</td>
</tr>
</tbody>
</table>

*Note*  AGD66 applies to the coordinates described in items 1 and 2 of this table.
1.4 Zones for reserve

(1) The Coral Sea Commonwealth Marine Reserve is divided into the following zones:
   (a) the multiple use zones described in clauses 1.5, 1.13 and 1.17 of this Schedule;
   (b) the marine national park zones described in clauses 1.6, 1.8 and 1.12 of this Schedule;
   (c) the habitat protection zone (Coral Sea) described in clause 1.7 of this Schedule;
   (d) the habitat protection zone (Seamount) described in clause 1.14 of this Schedule;
   (e) the conservation park zones described in clauses 1.9, 1.10, 1.11 and 1.15 of this Schedule;
   (f) the general use zone described in clause 1.16 of this Schedule.

(2) The multiple use zones are each assigned to IUCN category VI (managed resource protected area).

(3) The marine national park zones are each assigned to IUCN category II (national park).

(4) The habitat protection zone (Coral Sea), habitat protection zone (Seamount) and conservation park zones are each assigned to IUCN category IV (habitat/species management area).

(5) The general use zone is assigned to IUCN category VI (managed resource protected area).

1.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

</tr>
<tr>
<td>4</td>
<td>Generally north-westerly along that line to its intersection by the parallel of latitude 21° 37' 00&quot; S</td>
</tr>
<tr>
<td>5</td>
<td>West along that parallel to the point of commencement</td>
</tr>
</tbody>
</table>

*Note*  AGD66 applies to the latitude coordinate described in item 2 of this table.
Schedule 5  
Temperate East network of Commonwealth Marine Reserves  
(sections 4 to 10)  

Part 1  
Gifford Commonwealth Marine Reserve  

1.1  
Name of reserve  
This reserve is the Gifford Commonwealth Marine Reserve.  

Note  
Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.  

1.2  
IUCN category  
The Gifford Commonwealth Marine Reserve is assigned to IUCN category IV (habitat/species management area).  

Note  
Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.  

1.3  
Area of reserve  
The Gifford Commonwealth Marine Reserve consists of an area in the South Pacific Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.  

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>

<tbody>
<tr>
<td>1</td>
<td>The point of latitude 27° 09’ 00” S, longitude 159° 09’ 00” E</td>
</tr>
<tr>
<td>2</td>
<td>North along the meridian of longitude 159° 09’ 00” E to its intersection by the outer limit of the exclusive economic zone</td>
</tr>
<tr>
<td>3</td>
<td>Generally easterly along that outer limit to its intersection by the meridian of longitude 159° 39’ 00” E</td>
</tr>
<tr>
<td>4</td>
<td>South along that meridian to its intersection by the parallel of latitude 27° 09’ 00” S</td>
</tr>
<tr>
<td>5</td>
<td>West along that parallel to the point of commencement</td>
</tr>
</tbody>
</table>
Part 2 Norfolk Commonwealth Marine Reserve

2.1 Name of reserve
This reserve is the Norfolk Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

2.2 IUCN category
The Norfolk Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

2.3 Area of reserve
The Norfolk Commonwealth Marine Reserve consists of an area in the South Pacific Ocean, excluding Norfolk Island, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>

2.4 Zones for reserve

(1) The Norfolk Commonwealth Marine Reserve is divided into the following zones:
   (a) the marine national park zone described in clause 2.5 of this Part;
   (b) the multiple use zone described in clause 2.6 of this Part;
   (c) the habitat protection zone described in clause 2.7 of this Part.

(2) The marine national park zone is assigned to IUCN category II (national park).

(3) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

(4) The habitat protection zone is assigned to IUCN category IV (habitat/species management area).

2.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>

Part 3  Lord Howe Commonwealth Marine Reserve

3.1  Name of reserve
This reserve is the Lord Howe Commonwealth Marine Reserve.

Note  Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

3.2  IUCN category
The Lord Howe Commonwealth Marine Reserve is assigned to IUCN category IV (habitat/species management area).

Note  Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

3.3  Area of reserve
The Lord Howe Commonwealth Marine Reserve consists of an area in the South Pacific Ocean, excluding any State waters of New South Wales, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>The point of latitude 28° 53′ 00″ S, longitude 158° 12′ 00″ E</td>

<td>Generally westerly along that outer limit to its intersection by the meridian of longitude 158° 12′ 00″ E</td>
</tr>
<tr>
<td>5</td>
<td>North along that meridian to the point of commencement</td>
</tr>
</tbody>
</table>

3.4  Zones for reserve
(1) The Lord Howe Commonwealth Marine Reserve is divided into the following zones:
(a) the multiple use zone described in clause 3.5 of this Part;
(b) the marine national park zones described in clauses 3.6, 3.9 and 3.10 of this Part;
(c) the recreational use zone described in clause 3.7 of this Part;
(d) the habitat protection zone (Lord Howe) described in clause 3.8 of this Part;
(e) the habitat protection zone described in clause 3.11 of this Part.
(2) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

(3) The marine national park zones are each assigned to IUCN category II (national park).

(4) The recreational use zone, habitat protection zone (Lord Howe) and habitat protection zone are each assigned to IUCN category IV (habitat/species management area).

### 3.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area, excluding the zones described in clauses 3.6 and 3.7, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>

Part 4 Central Eastern Commonwealth Marine Reserve

4.1 Name of reserve

This reserve is the Central Eastern Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

4.2 IUCN category

The Central Eastern Commonwealth Marine Reserve is assigned to IUCN category IV (habitat/species management area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

4.3 Area of reserve

The Central Eastern Commonwealth Marine Reserve consists of an area in the South Pacific Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

<table>

4.4 Zones for reserve

(1) The Central Eastern Commonwealth Marine Reserve is divided into the following zones:
   (a) the habitat protection zones described in clauses 4.5 and 4.8 of this Part;
   (b) the multiple use zone described in clause 4.6 of this Part;
   (c) the marine national park zone described in clause 4.7 of this Part.

(2) The habitat protection zones are each assigned to IUCN category IV (habitat/species management area).

(3) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

(4) The marine national park zone is assigned to IUCN category II (national park).

4.5 Zone 1 of reserve—habitat protection zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Part 5 Solitary Islands Commonwealth Marine Reserve

5.1 Name of reserve

This reserve is the Solitary Islands Commonwealth Marine Reserve.

Note Section 6 states the purposes of the reserve, section 7 states the depth of any land that may be included in the reserve and section 8 states the depth of the seabed included in the reserve.

5.2 IUCN category

The Solitary Islands Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

5.3 Area of reserve

The Solitary Islands Commonwealth Marine Reserve consists of an area in the South Pacific Ocean, excluding any State waters of New South Wales, bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
<th>Item</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>The intersection of the parallel of latitude 29° 40' 18.28&quot; S by the coastline of New South Wales at mean low water</td>
</tr>
<tr>
<td>2</td>
<td>East along that parallel to its intersection by the line corresponding with the 50 metre isobath below mean high water on the coast of New South Wales</td>
</tr>
<tr>
<td>3</td>
<td>Generally southerly along that isobath to its intersection by the parallel of latitude 30° 18' 19.27&quot; S</td>
</tr>
<tr>
<td>4</td>
<td>West along that parallel to its intersection by the coastline of New South Wales at mean low water</td>
</tr>
<tr>
<td>5</td>
<td>Generally northerly along that low water mark to the point of commencement</td>
</tr>
</tbody>
</table>

5.4 Zones for reserve

(1) The Solitary Islands Commonwealth Marine Reserve is divided into the following zones:
   (a) the multiple use zone described in clause 5.5 of this Part;
   (b) the marine national park zone described in clause 5.6 of this Part;
   (c) the special purpose zone described in clause 5.7 of this Part.

(2) The multiple use zone and special purpose zone are each assigned to IUCN category VI (managed resource protected area).
(3) The marine national park zone is assigned to IUCN category II (national park).

5.5 **Zone 1 of reserve—multiple use zone**

Zone 1 of the reserve consists of an area, excluding the zone described in clause 5.6 and any State waters of New South Wales, bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

<table>
<thead>
<tr>
