EXPLANATORY STATEMENT

Environment Protection and Biodiversity Conservation Act, 1999

Amendment of the List of Exempt Native Specimens in accordance with Section 303DC

Section 303DB of the Environment Protection and Biodiversity Conservation Act 1999 (EPBC Act) provides for the establishment of a list of exempt native specimens. Specimens included in the list are exempt from the trade control provisions that apply to regulated native specimens.

The effect of this instrument is to delete from the list of exempt native specimens the following specimens and any associated notations:

- Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Torres Strait Prawn Fishery, as defined in the Torres Strait Prawn Fishery Management Plan 2009 in force under the Torres Strait Fisheries Act 1984 and Torres Strait Fisheries Regulation 1985.

Subsection 303DC(3) of the EPBC Act provides that before amending the list, the Minister for Sustainability, Environment, Water, Population and Communities must consult such other Commonwealth Minister or Ministers and such other Minister or Ministers of each State and self-governing Territory, as the Minister considers appropriate. The Minister may also consult with such other persons and organisations as the Minister considers appropriate. In this instance, the Delegate of the Minister for Sustainability, Environment, Water, Population and Communities consulted with the Australian Fisheries Management Authority acting on behalf of the Protected Zone Joint Authority, whom administers the management responsibilities for the fishery concerned. In addition, the proposal to amend the list of exempt native specimens was advertised on the Department of Sustainability, Environment, Water, Population and Communities’ website and comment was invited from interested people for a period of 22 business days. No comments were received.

This legislative instrument does not engage any of the applicable rights or freedoms. This legislative instrument is compatible with the human rights and freedoms recognised or declared in the international instruments listed in section 3 of the Human Rights (Parliamentary Scrutiny) Act 2011.
