**Authority**

Subclause 39(1) of Schedule 1A to the *Higher Education Support Act 2003* (the Act) provides for the revocation of approval of a body as a VET provider by the Minister if the body requests in writing that the Minister revoke its approval. Subclause 39(3) of Schedule 1A to the Act specifies that the Minister must cause the body to be notified of the revocation in writing at least 14 days before the day on which the revocation is to take effect.

Under paragraph 238-5(1)(b) of the Act, the Minister has delegated his powers under subclause 39(1) and 39(3) of Schedule 1A to the Act to the position of General Manager of the Student Support Branch in the Tertiary Quality and Student Support Division of the Department of Industry, Innovation, Climate Change, Science, Research and Tertiary Education.

This legislative instrument (the Instrument) revokes the approval of Careers Australia College of Healthcare Pty Ltd as a VET provider under subclause 39(1) of Schedule 1A to the Act.

Statement of Compatibility with Human Rights

Prepared in accordance with Part 3 of the Human Rights (Parliamentary Scrutiny) Act 2011

Notice of Revocation of approval as a provider on application

The Instrument is compatible with the human rights and freedoms recognised or declared in the international instruments listed in section 3 of the Human Rights (Parliamentary Scrutiny) Act 2011.

Overview of the Legislative Instrument

The Instrument is made by the Minister under subclause 39(1) of the Act. The purpose of the Instrument is to revoke the approval of Careers Australia College of Healthcare Pty Ltd as a VET provider for the purposes of the VET FEE-HELP under the Act. Under subsection 39(1) of Schedule 1A to the Act an approved VET provider must request in writing that their approval be revoked.

Human rights implications

The Instrument engages the right to education, contained in Article 13 of the International Covenant on Economic, Social, and Cultural Rights. In particular, the Instrument has an effect on the provision of vocational education and training by Careers Australia College of Healthcare Pty Ltd as it revokes its approval as a VET provider for the purposes of VET FEE-HELP under the Act, removing its ability to offer VET FEE-HELP assistance to its eligible students.

The right to education is engaged, as the Instrument removes the approval of Careers Australia College of Healthcare Pty Ltd as a VET provider for the purposes of VET FEE-HELP under the Act. However the right is unaffected as it does not remove Careers Australia College of Healthcare Pty Ltd’s approval to deliver education and training to students.

Conclusion

This Instrument is compatible with human rights because it does not affect the protection of human rights.
