- (2) The amount must be worked out in accordance with:
 - (a) the average exchange rate for the foreign currency for the financial year in which the income was derived, being the average of the telegraphic transfer rates published by the Commonwealth Bank of Australia for that currency for that financial year; or
 - (b) if no such rate is available for the foreign currency for that financial year—an exchange rate for the foreign currency that the Registrar considers appropriate.

- (d) in the case of a monthly amount—in accordance with the following formula: $\frac{PA \times 365.25}{30.4375} = AR$; and
- (e) in the case of a periodic amount that is in respect of a period that is a multiple of one month—in accordance with the following formula: $\frac{PA \times 365.25}{30.4375 \times NM} = AR$; and
