Overview of the Legislative Instrument

Subsections 46-40(2), (3) and (4) of the Higher Education Support Act 2003 (the Act) provide that, the Minister may, by legislative instrument, determine the total payments made under Part 2-4 in respect of a year starting on or after 1 January 2013 but before 1 January 2017 and the Minister must determine, by legislative instrument, the total payments made under that Part in respect of a year starting on or after 1 January 2017 before the start of that year.

The determination sets out the maximum amounts of all grants for Commonwealth Scholarships for the 2015 to 2018 calendar years.

Human Rights implications

Right to Education

The Instrument engages the right to education contained in Article 13 of the International Covenant on Economic, Social and Cultural Rights.

The Minister has the power to determine maximum amounts payable for Commonwealth Scholarships for the 2015 to 2016 calendar years that differ from those already prescribed in the table in subsection 46-40(1) of the Act. The Minister is required to determine the maximum amounts payable for the 2017 and 2018 calendar years. By doing so, the Legislative Instrument will support the payments of the Commonwealth Scholarships in accordance with the table in subsection 46-40(1) of the Act. As the purposes of the Commonwealth Scholarships include the payment of scholarships to students either directly, indirectly or for post graduate research scholarships, the Legislative Instrument enables access to education and therefore will be compatible with human rights. The maximum amounts are capped having regard to reasonable, necessary and proportionate constraints on spending.

To the extent that the right to education is engaged, this right is promoted by the Instrument as the Instrument aims to improve the integrity of the higher education sector.

Conclusion

This Legislative Instrument enables access to education and therefore will be compatible with human rights.
