EXPLANATORY STATEMENT

Select Legislative Instrument No. 117, 2015

Issued by the Authority of the Minister for Foreign Affairs

_Autonomous Sanctions Act 2011_

_Autonomous Sanctions Amendment (Suspension of Sanctions) Regulation 2015_

Section 28 of the _Autonomous Sanctions Act_ (the Act) provides that the Governor-General may make regulations prescribing matters required or permitted by the Act to be prescribed, or necessary or convenient to be prescribed for carrying out or giving effect to the Act.

The _Autonomous Sanctions Regulations 2011_ (the Principal Regulations) facilitate the conduct of Australia’s relations with certain countries, and with specific entities or persons outside of Australia, through the imposition of autonomous sanctions in relation to those countries, or targeting those entities or persons.

The purpose of the proposed _Autonomous Sanctions Amendment (Suspension of Sanctions) Regulation 2015_ (the Regulation) is to enable the Minister for Foreign Affairs to temporarily suspend autonomous sanctions and to re-impose sanctions, should this be required, to influence a foreign government entity, a member of a foreign government entity or another person or entity outside Australia. This will provide the Minister with additional flexibility in the conduct of Australia’s international relations.

Specifically, the proposed Regulation would insert a new regulation 5D. Regulation 5D would provide that if the Minister is satisfied that it is in the national interest to do so, the Minister may, by legislative instrument, specify that an activity mentioned in regulations 4, 4A, 5, 5A, 5B and 5C is not a sanctioned supply, sanctioned import, sanctioned service or sanctioned commercial activity.

In accordance with subsection 18(2) of the _Legislative Instruments Act 2003_, no public consultation was undertaken in relation to the Amendment Regulation, as it is an instrument that is of minor regulatory impact. The Department of Foreign Affairs and Trade conducts regular outreach to the Australian business community to explain sanction laws implementing Australia’s autonomous sanctions.

Details of the Regulation are set out in the Attachment.
