EXPLANATORY STATEMENT

Issued by the Authority of the Delegate for the Minister for Education and Training

Higher Education Support Act 2003

Higher Education Support (Impel Solutions Pty Ltd as Trustee for the Hall Investment Trust) VET Provider Approval Revocation 2016

Authority

The Higher Education Support Act 2003 (the Act) provides the Commonwealth with powers to give financial support for higher education and certain vocational education and training (VET) through grants and other payments to providers, and through financial assistance to students (in the form of loans).

Schedule 1A to the Act provides for loans, called VET FEE-HELP assistance, to be made available to students enrolled in certain VET courses. A body has to be approved by the Minister as a VET provider before its students can receive VET FEE-HELP.

A body’s approval as a VET provider may be revoked by the Minister in certain circumstances, some of which are set out in Subdivision 5-B of Schedule 1A to the Act.

Clause 33 of Schedule 1A to the Act provides that the Minister may revoke a body’s approval as a VET provider for a breach of the VET quality and accountability requirements or conditions. Before doing so, the Minister must comply with the requirements of clause 34, which sets out the process for revoking approval.

Under paragraph 238-5(1)(b) of the Act, the Minister has delegated his or her powers under clauses 33 and 34 of Schedule 1A to the Act to an APS employee with a classification of SES Employee Band 1 or higher with responsibility for the administration of the VET FEE-HELP scheme.

Purpose

The purpose of this legislative instrument (the Instrument) is

(a) to provide notice to Impel Solutions Pty Ltd as Trustee for the Hall Investment Trust (Impel) of the decision to revoke its approval as a VET provider; and
(b) to revoke the legislative instrument Higher Education Support Act 2003 - VET Provider Approval (No. 11 of 2014) (F2014L00217).

Background

Impel was approved by the Minister’s delegate as a VET provider pursuant to Higher Education Support Act 2003 - VET Provider Approval (No 11 of 2014) which was registered on the Federal Register of Legislation on 4 March 2014 (F2014L00217).
On 14 October 2016 a delegate of the Minister gave Impel notice in writing of an intention to revoke Impel as a VET provider on the basis that it did not meet the VET financial viability requirements. Administrators were appointed to Impel and the company was placed in liquidation on 2 August 2016. The notice was issued in accordance with subclause 34(1) of Schedule 1A to the Act and invited Impel to make written submissions within 28 days concerning why its approval should not be revoked.

Impel did not make any written submissions within the 28 day period.

In accordance with paragraph 29(a) of Schedule 1A to the Act, a body ceases to be approved as a VET provider if a decision to revoke the approval is in effect under Subdivision 5-AA, 5-B or 5-D.

This Instrument is a notice of revocation given under clause 34 of Schedule 1A to the Act.

Consistent with the requirements of subclause 34(5) of Schedule 1A to the Act, the revocation takes effect on the day that the Instrument is registered.

Consultation

Consultation was undertaken with Impel in accordance with the process established under subclause 34(1) of Schedule 1A to the Act. No written submissions were made by Impel within the prescribed statutory timeframe in response to the proposed notice of intention to revoke it as a VET provider. As Impel is the only body affected by the Instrument, further consultation with other entities was considered not necessary.

The Instrument is a legislative instrument for the purposes of the Legislation Act 2003 (subclause 34(3A) of Schedule 1A to the Act).

The Instrument is compatible with the human rights and freedoms recognised or declared under section 3 of the Human Rights (Parliamentary Scrutiny) Act 2011. A full statement of compatibility is set out in the Attachment.

Statement of Compatibility with Human Rights

prepared in accordance with Part 3 of the Human Rights (Parliamentary Scrutiny) Act 2011

Higher Education Support (Impel Solutions Pty Ltd as Trustee for the Hall Investment Trust) VET Provider Approval Revocation 2016

This Instrument is compatible with the human rights and freedoms recognised or declared in the international instruments listed in section 3 of the Human Rights (Parliamentary Scrutiny) Act 2011.

Overview of the Instrument

Clauses 33 and 34 of Schedule 1A to the Higher Education Support Act 2003 (the Act) provides that the Minister may, by legislative instrument, revoke a body’s approval as a VET provider under Subdivision 5-B of Schedule 1A to the Act.

The purpose of this Instrument is to provide notice to Impel Solutions Pty Ltd as Trustee for the Hall Investment Trust (Impel) of a decision to revoke its approval as a VET provider under subclause 33(1) of Schedule 1A to the Act (Revocation of approval as a provider for a breach of the VET quality and accountability requirements or of conditions).

Human rights implications

This Instrument engages the right to education, contained in Article 13 of the International Covenant on Economic, Social, and Cultural Rights.

In particular, this Instrument may affect the provision of vocational education and training (VET) by Impel as it revokes its approval as a VET provider for the purposes of VET FEE-HELP under the Act which removes its ability to offer VET FEE-HELP assistance to certain students.

However, this instrument does not affect the capacity of Impel to continue to deliver education and training, it only removes its ability to offer VET FEE-HELP to students enrolled in its courses; existing and prospective students may obtain VET FEE-HELP training from another VET provider. Consequently, the right to education for affected students remains engaged.

Conclusion

This Instrument is compatible with human rights as it does not raise any human rights issues.

Delegate of the Minister for Education and Training
