Part 1A—National VET Regulator annual registration charge

7A General

(1) For the purposes of section 6B of the Charges Act, this Part determines an amount, or amounts, of National VET Regulator annual registration charge for a person.

(2) The following amounts of National VET Regulator annual registration charge are determined for a person:
   (a) any amount or amounts of charge determined for the person under section 7B;
   (b) any amount or amounts of charge determined for the person under section 7C.

7B Amount determined for registration as an NVR registered training organisation

Scope

(1) This section applies to a person if the person starts or continues to be registered during a financial year as an NVR registered training organisation, in relation to a particular registration.

(2) If this section applies to a person in relation to 2 or more different registrations of the person as an NVR registered training organisation, this section applies in relation to each such registration.
Amount determined

(3) An amount of National VET Regulator annual registration charge for the registration is determined for the person for the financial year in accordance with the following table (subject to subsection (5)):

<table>
<thead>
<tr>
<th>Item</th>
<th>For this number of qualifications …</th>
<th>the amount of charge for the financial year in relation to the registration is as follows …</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>0 to 4 qualifications</td>
<td>$1,130.</td>
</tr>
<tr>
<td>2</td>
<td>5 to 10 qualifications</td>
<td>$3,220.</td>
</tr>
<tr>
<td>3</td>
<td>11 to 60 qualifications</td>
<td>$6,975.</td>
</tr>
<tr>
<td>4</td>
<td>61 or more qualifications</td>
<td>$10,730.</td>
</tr>
</tbody>
</table>

(4) For the purposes of subsection (3), the number of qualifications is the number of qualifications registered in the scope of registration that applies to the registration on:

(a) the first day of the financial year; or

(b) if the registration starts after the first day of the financial year — the first day of the first whole month after the registration starts.

If registration as an NVR registered training organisation starts during financial year

(5) If the registration starts after the first day of a financial year, the amount of charge is the amount worked out as follows:

\[
\text{Subsection (3) amount} \times \frac{\text{Number of remaining months}}{12}
\]

where:

- number of remaining months means the number of whole months remaining in the financial year after the start of the registration.

- subsection (3) amount means the amount that would otherwise be determined for the registration for the financial year under subsection (3).

Note: If a person’s registration as mentioned in subsection (1) ends during a financial year, a pro rata refund worked out on the same basis is payable to the person: see subsection 232A(4) of the NVETR Act.
7C Amount determined for registration as a registered provider if the National VET Regulator is an ESOS agency for the provider

Scope

(1) This section applies to a person if:
   (a) the person starts or continues to be registered during a financial year as a registered provider in relation to a particular registration; and
   (b) the National VET Regulator is the ESOS agency (within the meaning of the Education Services for Overseas Students Act 2000) for the registered provider in relation to a course (or courses) covered by that registration.

Note: A registered provider is a provider registered under Part 2 of the Education Services for Overseas Students Act 2000 (see section 3 of the NVETR Act).

(2) If this section applies to a person in relation to 2 or more different registrations of the person as a registered provider, this section applies in relation to each such registration.

Amount determined

(3) An amount of National VET Regulator annual registration charge for the registration is determined for the person for the financial year in accordance with the following table (subject to subsection (5)):

<table>
<thead>
<tr>
<th>Item</th>
<th>For this number of qualifications</th>
<th>the amount of charge for the financial year in relation to the registration is as follows</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>0 to 2 qualifications</td>
<td>$950.</td>
</tr>
<tr>
<td>2</td>
<td>3 to 4 qualifications</td>
<td>$1,645.</td>
</tr>
<tr>
<td>3</td>
<td>5 to 50 qualifications</td>
<td>$4,375.</td>
</tr>
<tr>
<td>4</td>
<td>51 or more qualifications</td>
<td>$7,100.</td>
</tr>
</tbody>
</table>

(4) For the purposes of subsection (3), the number of qualifications is the number of courses in relation to which this section applies that are covered by the registration on:
   (a) the first day of the financial year; or
(b) if the registration starts after the first day of the financial year—the first day of the first whole month after the registration starts.

Note: This section applies in relation to a course only if the National VET Regulator is the ESOS agency for the registered provider in relation to the course (see paragraph (1)(b)).

If registration as a registered provider starts during financial year

(5) If the registration starts after the first day of a financial year, the amount of charge is the amount worked out as follows:

Subsection (3) amount \[ \times \frac{\text{Number of remaining months}}{12} \]

where:

**number of remaining months** means the number of whole months remaining in the financial year after the start of the registration.

**subsection (3) amount** means the amount that would otherwise be determined for the registration for the financial year under subsection (3).

Note: If the person’s registration as mentioned in subsection (1) ends during a financial year, a pro rata refund worked out on the same basis is payable to the person: see subsection 232A(4) of the NVETR Act.

7D Waiver of National VET Regulator annual registration charge

(1) For the purposes of paragraph 13(b) of the Charges Act, a National VET Regulator annual registration charge may be waived, in whole or in part, if, in the opinion of ASQA’s Chief Commissioner:

(a) special or unusual circumstances exist which would cause the charge to be unreasonable or inequitable; or

(b) the amount of the charge that remains unpaid is so small that its recovery would be uneconomical to pursue.

(2) However, the following circumstances do not constitute grounds for granting a waiver:

(a) the person liable to pay the charge is a body that has ceased to exist;

(b) the person liable to pay the charge stops being registered as an NVR registered training organisation, or as a registered provider;

(c) the person liable to pay the charge stops carrying on business as an NVR registered training organisation, or as a registered provider.
Part 2—Compliance audit and investigation charges

8 Calculation Formulas

(1) For the purpose of subsection 9(1) of the Charges Act, a charge under Part 2 of that Act is to be calculated according to the following formula:

(a) the costs and expenses incurred by ASQA in conducting a compliance audit:

(i) $1,000; plus

(ii) for a compliance audit that exceeds four hours in length - $250 per hour; plus

(iii) ASQA official travel costs; plus

(b) if any part of a compliance audit is conducted outside Australia, and commenced on or after 1 January 2014, then in addition to costs and expenses in accordance with paragraph 8(1)(a), any additional reasonable expenses incurred by ASQA relating to that part of the audit.

(2) For the purpose of subsection 12(1) of the Charges Act, a charge under Part 3 of that Act is to be calculated according to the following formula:

(a) the costs and expenses incurred by ASQA in conducting:

(i) an investigation into a complaint about a NVR registered training organisation, which is found to be substantiated - $250 per hour; plus

(ii) ASQA official travel costs; plus

(iii) a compliance audit – the charges as prescribed in paragraph 8(1)(a) of this Determination; plus

(b) if any part of the investigation or compliance audit is conducted outside Australia, and commenced on or after 1 January 2014, then in addition to costs and expenses in accordance with paragraph 8(2)(a), any additional reasonable expenses incurred by ASQA in relation to that part of the investigation or audit.
Circumstances in which a charge may be waived in whole or in part

(1) For the purpose of subsection 13(b) of the Charges Act, a charge that would otherwise be payable under that Act may be waived, in whole or in part where, in the opinion of ASQA’s Chief Commissioner;

(a) special or unusual circumstances exist which cause the charge to be unreasonable or inequitable; or

(b) the amount of the charge that remains unpaid is so small that its recovery would be uneconomical to pursue.

(2) For the purposes of paragraph 9(1)(a), the following circumstances do not constitute grounds for granting a waiver:

(a) where the NVR registered training organisation required to pay the charge did not consent to the compliance audit or complaint investigation that resulted in the imposition of a charge; or

(b) where the NVR registered training organisation required to pay the charge does not agree with the outcome of the compliance audit or complaint investigation that resulted in the imposition of a charge; or

(c) where the NVR registered training organisation required to pay the charge ceases to exist, or ceases to be an NVR registered training organisation, or ceases to carry on business as a registered training organisation.

Rounding

(1) When determining, for the purposes of subsections 8(1) and 8(2), the amount of the charge payable for an investigation or compliance audit where the hourly rate is $250 per hour, the following amounts will apply in the following circumstances:

(a) if the time taken to complete the investigation or compliance audit is less than 30 minutes, the total amount payable will be zero dollars; and

(b) if the time taken to complete the investigation or compliance audit is less than one hour but equal to or greater than 30 minutes, the total amount payable will be $125.
