Civil Aviation Safety Authority

Instrument number CASA EX101/18

I, CHRISTOPHER PAUL MONAHAN, Executive Manager, National Operations & Standards, a delegate of CASA, make this instrument under regulations 11.160 and 11.205 of the *Civil Aviation Safety Regulations 1998*.

[Signed Christopher P. Monahan]

Christopher P. Monahan

Executive Manager, National Operations & Standards

28 August 2018

CASA EX101/18 – Foreign Cadet Pilots (Medical Certificate for CPL Flight Test) Exemption 2018

1 Name

This instrument in the *CASA EX101/18 – Foreign Cadet Pilots (Medical Certificate for CPL Flight Test) Exemption 2018*.

2 Duration

This instrument:

- (a) commences on 1 September 2018; and
- (b) is repealed at the end of 31 August 2021.

3 Definition

In this instrument:

medical assessment means the evidence issued by a national aviation authority (*NAA*) that the licence holder meets specific requirements of medical fitness.

4 Application

This instrument applies to each person (*foreign cadet pilot*) who:

- (a) is not a citizen of Australia; and
- (b) is not a permanent resident of Australia; and
- (c) is a student registered to undergo flight training with 1 of the following persons (the *operator*):
 - (i) a Part 141 operator;
 - (ii) a Part 142 operator; and
- (d) is undertaking training for a commercial pilot licence (*CPL*) under the sponsorship of a foreign aircraft operator; and
- (e) takes a flight test for a CPL.

5 Exemption

- (1) The foreign cadet pilot is exempt from the requirement in paragraph 61.235 (2) (c) of CASR to the extent that it requires the pilot to hold a current class 1 medical certificate to be eligible to take a flight test for a CPL.
- (2) The exemption is subject to the conditions in section 6.

6 Conditions

- (1) The foreign cadet pilot must:
 - (a) hold a current class 2 medical certificate; and
 - (b) hold, or have held, a class 1 medical assessment (however described or administered) issued by the NAA of the pilot's country of residence.

Note For paragraph (1) (b), NAAs may administer the requirement to hold a class 1 medical assessment by issuing a class 1 medical certificate or, if a certificate is not issued, by requiring that the pilot pass a class 1 medical examination to show that the pilot meets the class 1 medical standard.

- (2) The foreign cadet pilot must not undertake a flight test for a CPL unless the flight test is organised by the operator as part of the foreign cadet pilot's registration with the operator.
-
