## Part I                      Introductory

### 1                      **Name of Regulations** [see Note 1]

These Regulations are the *Spirits Regulations 1926*.

### 2                      **Definitions**

In these Regulations:

*Act* means the *Spirits Act 1906*.

*methylator* means a person licensed to make methylated spirits under these Regulations.

*permission* means written permission of the CEO or Collector, as the case requires.

**Regulation 4**

---

**Part II                      Certificates and Marking of  
Spirits****4                      Application by Distiller or Blender for certificate**

Any Distiller or Blender who desires a certificate in respect of any Spirits shall make application in writing to the principal officer doing duty at the time and place in relation to such Spirits.

**5                      Issue of certificate**

An officer may, upon receipt of an application, issue to a distiller or blender a certificate in accordance with Form 1.

**6                      Spirits removed from CEO's control**

A certificate must not be issued in respect of spirits after removal of the spirits from the CEO's control.

## **Part III                      Licences — Methylated Spirits**

### **10            Application for licence**

Application for a licence to make Methylated Spirits shall be in accordance with Form 2.

### **11            Licence fee and security for compliance with regulations**

The applicant for a licence to make Methylated Spirits shall pay to the Collector the prescribed licence-fee, if any, and give security in accordance with Form 3 in the sum of Two hundred dollars (with two approved sureties or an approved guarantee company or bank) for compliance with these Regulations.

### **12            Grant of licence**

The Collector, if satisfied that the applicant is a fit and proper person to hold a licence and if the Collector approves of the security given, may grant to the applicant a licence in accordance with Form 4, but if the application is refused the licence fee shall be returned to the applicant.

### **13            Fee payable for licence**

The fee payable by a methylator for every licence granted or to be granted in respect of the making and selling of Methylated Spirits is nil.

### **14            Fresh security may be required**

The Collector may at any time require any Methylator to give fresh security, and fresh security shall be given accordingly, and in default the licence may be cancelled by the CEO.

**Regulation 15**

---

**15 Period of licence**

A methylator's licence comes into force on the day the licence is granted and remains in force until 31 December following that day, unless cancelled by the CEO.

**16 Cancellation of licence**

If the holder of a licence to make Methylated Spirits is convicted of any contravention of the Act or of these Regulations the licence may be cancelled by the CEO.

## Part IV                      Standards

### 17                      Standards for methylated spirits

- (1) The standard for the class of methylated spirits called industrial spirits is that the spirit before methylation is to contain not less than 94 per centum by volume of alcohol and is to be methylated by the addition of:
  - (a) 0.25 per centum of wood naphtha or methyl alcohol, 0.5 per centum of pyridine and 0.5 per centum of any one of the following substances, namely, petrol, gasoline, petroleum benzine, petroleum naphtha, coal tar naphtha or shale naphtha;
  - (b) 0.25 per centum of wood naphtha or methyl alcohol, 0.125 per centum of pyridine and 1 per centum of any one of the following substances, namely, petrol, gasoline, petroleum benzine, petroleum naphtha, coal tar naphtha or shale naphtha; or
  - (c) 6.6 parts per million by weight of bitrex, 0.25 per centum by weight of methyl-isobutyl-ketone and 1 part per million by weight of fluorescein.
- (2) The standard for the class of methylated spirits called mineralized spirits is that the spirit before methylation is to contain not less than 94 per centum by volume of alcohol and is to be methylated by the addition of:
  - (a) 0.25 per centum of wood naphtha or methyl alcohol, 0.05 per centum of pyridine and not less than 2 per centum of any one of the following substances, namely, petrol, gasoline, petroleum benzine, petroleum naphtha, coal tar naphtha, shale naphtha, benzol or a like substance; or
  - (b) 6.6 parts per million by weight of bitrex, 0.25 per centum by weight of methyl-isobutyl-ketone and 1 part per million by weight of fluorescein.

**Regulation 19**

---

## **Part V                      Methylated Spirits or special                                     manufacture or special                                     purpose**

### **19                      Standard for special purpose**

- (1) A person may methylate spirits for special manufacture or special purpose only if:
  - (a) the spirits contain at least:
    - (i) 94% by volume of alcohol; or
    - (ii) if the CEO approved a lower percentage — that percentage; and
  - (b) it is done by adding, in the proportions directed by the CEO, methyl alcohol or any other substance as directed by the CEO.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For **strict liability**, see section 6.1 of the *Criminal Code*.

### **20                      Application to vary standard**

Any manufacturer desiring to use Methylated Spirits in any manufacture in which the manufacturer proves to the satisfaction of the Collector that Industrial Spirits would be unsuitable or detrimental, may make application in writing to the Collector stating the means by which it is proposed to methylate such Spirits.

### **21                      Particulars required in application**

The manufacturer shall give full particulars of the situation of the premises in which, and the purposes for which, the Spirits are to be used, together with a description of the process of manufacture.

---

**Regulation 26**

---

**22 Procedure upon approval of application**

Upon approval of the application and upon the Spirits being methylated in such manner as the CEO directs, an entry shall be made and shall specify the purpose for which the Methylated Spirits are to be used, and upon the passing of the entry the Methylated Spirits may be delivered to the manufacturer.

**23 Manufactured for approved purpose**

Before the entry is passed the manufacturer shall, if required by the Collector, give approved security in an amount, not exceeding Two hundred dollars, to be fixed by the Collector that the Methylated Spirits shall not, unless by permission, be used for any purpose other than the manufacture specified in the entry.

**24 Removal of methylated spirits**

The Methylated Spirits shall forthwith, after the passing of the entry, be removed to the premises of the manufacturer in which they are to be used.

**26 Removal of methylated spirits**

- (1) A person must not remove methylated spirits from the premises of a manufacturer where their use is authorised.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For **strict liability**, see section 6.1 of the *Criminal Code*.

- (3) It is a defence to a prosecution under subregulation (1) that the person had the permission of the Collector.

*Note* A defendant bears an evidential burden for the matter mentioned in subregulation (3) (see section 13.3 of the *Criminal Code*).

**Regulation 26A**

---

**26A Use of methylated spirits**

- (1) A person may use methylated spirits only for a purpose approved by the Collector.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For **strict liability**, see section 6.1 of the *Criminal Code*.

**27 Record of use of methylated spirits**

- (1) A manufacturer must keep a daily record, in accordance with Form 5, of:

- (a) the quantity of methylated spirits received into the manufacturer's premises; and
- (b) the quantity of methylated spirits used by the manufacturer; and
- (c) the purpose for which the spirits are used; and
- (d) the nature, and quantity, of the products manufactured from the spirits.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For **strict liability**, see section 6.1 of the *Criminal Code*.

**28 Recovery of methylated spirits**

- (1) A person may wholly or partially recover methylated spirits used in manufacturing operations only in premises approved by the Collector.

Penalty: 1 penalty unit.

- (2) A person who wholly or partly recovers methylated spirits used in manufacturing operations must comply with:

- (a) any conditions imposed by the CEO; and

---

**Regulation 30B**

---

- (b) directions from the Collector about the proportion of fresh methylating substance to be mixed with the methylated spirits recovered.

Penalty: 1 penalty unit.

- (3) An offence under subregulation (1) or (2) is an offence of strict liability.

*Note* For *strict liability*, see section 6.1 of the *Criminal Code*.

**30 Fee for supervision by officer**

If, in the opinion of the Collector, the services of an officer are necessary to supervise wholly or partially the manufacture of any product in which Methylated Spirits are used, the manufacturer shall pay to the Collector \$16.75 per hour, or part thereof, for the time the services of such officer are required.

**30A Particulars required in application**

Any person desiring to use Methylated Spirits for any special purpose for which the person proves to the satisfaction of the Collector that Industrial Spirits would be unsuitable may make application in writing to the Collector, stating therein:

- (a) the means by which it is desired the spirits should be methylated;
- (b) the premises in which it is intended to use the methylated spirits;
- (c) full particulars of the purposes for which the methylated spirits are to be used.

**30B Procedure upon approval of application**

Upon approval of the application and upon the spirits being methylated in such manner as the CEO approves, an entry shall be made and shall specify the purpose for which the methylated spirits are to be used, and upon the passing of the entry the methylated spirits may be delivered to the applicant.

**Regulation 30C**

---

**30C Removal and use of methylated spirits**

- (1) As soon as possible after the passing of the entry, the applicant must move the methylated spirits, or cause them to be moved, to the premises where they are to be used.

Penalty: 1 penalty unit.

- (2) The applicant must not remove the methylated spirits from the premises where they are to be used.

Penalty: 1 penalty unit.

- (3) It is a defence to a prosecution under subregulation (2) that the Collector has permitted the removal.

*Note* A defendant bears an evidential burden for the matter mentioned in subregulation (3) (see section 13.3 of the *Criminal Code*).

- (4) The applicant may use the methylated spirits on the premises where they are to be used only for a purpose approved by the Collector.

Penalty: 1 penalty unit.

- (5) An offence under subregulation (1), (2) or (4) is an offence of strict liability.

*Note* For *strict liability*, see section 6.1 of the *Criminal Code*.

**30F Record of use of methylated spirits**

- (1) The applicant must keep a record of:
- (a) the particulars of the methylated spirits received; and
  - (b) how the methylated spirits have been used.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For *strict liability*, see section 6.1 of the *Criminal Code*.

- (3) It is a defence to a prosecution under subregulation (1) that the Collector has authorised the person not to keep the record.

*Note* A defendant bears an evidential burden for the matter mentioned in subregulation (3) (see section 13.3 of the *Criminal Code*).

## **Part V**

# **Methylated Spirits for scientific investigation**

### **31 Standard for purposes under this Part**

- (1) A methylator may methylate spirit only if:
  - (a) it contains at least 94% by volume of alcohol; and
  - (b) the methylation is done in accordance with any directions by the CEO.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For *strict liability*, see section 6.1 of the *Criminal Code*.

### **32 Application for use in scientific investigation**

Any responsible officer of a University or Public Institution desiring to use Methylated Spirits for scientific investigation in connexion with a University or Public Institution may make application in writing to the Collector, stating the quantity required and the premises in which it is intended to keep and use such Methylated Spirits.

### **33 Approval of application**

Upon approval of the application, the Spirits shall be treated as directed by the CEO, an entry shall be made and shall specify the purpose for which the Methylated Spirits are to be used, and upon the passing of the entry the Methylated Spirits may be delivered to the responsible officer of a University or Public Institution.

### **34 Removal of methylated spirits**

- (1) The responsible officer of a university or public institution must, as soon as possible after the passing of the entry, make

**Regulation 36**

---

sure that the methylated spirits are removed to the premises for which approval is given.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For *strict liability*, see section 6.1 of the *Criminal Code*.

**36 Record of use of methylated spirits**

- (1) The responsible officer of a university or public institution must keep a record of:
- (a) the particulars of the methylated spirits received; and
  - (b) how the methylated spirits have been used.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For *strict liability*, see section 6.1 of the *Criminal Code*.

- (3) It is a defence to a prosecution under subregulation (1) if the Collector has authorised the person not to keep the record.

*Note* A defendant bears an evidential burden for the matter mentioned in subregulation (3) (see section 13.3 of the *Criminal Code*).

**37 Security for compliance with regulations**

The Collector may at any time require the responsible officer of a University or Public Institution to give security for compliance with these Regulations to such amount as may be fixed by the Collector.

## **Part VII                      Methylated Spirits generally**

### **Division 1                      Methylators**

#### **39                      Method of making**

Upon approval of the application, the Spirits shall be methylated as provided by these Regulations.

#### **41                      Capacity of mixing vat**

When required by the Collector, a mixing vat shall be provided, of sufficient capacity to admit of the Spirits being properly methylated.

#### **42                      Fee for services of special officer**

If the quantity of Methylated Spirits to be made is such as to require, in the opinion of the Collector, the services of a special officer, the Methylator shall pay to the Collector \$16.75 per hour, or part thereof, for the time the services of such officer are required.

#### **44                      Delivery of methylated spirits**

- (1) A methylator may deliver methylated spirits for special manufacture, special purpose or scientific investigation to a person only if the Collector has approved the delivery.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For **strict liability**, see section 6.1 of the *Criminal Code*.

#### **45                      Marking of particulars on containers**

- (1) Upon every vessel containing Methylated Spirits and every package covering such vessels the Methylator shall legibly cut or brand or paint in oils the following particulars:

**Regulation 48**

---

- (a) The name of the Methylator and the place where the Methylated Spirits were made.
- (b) The words Industrial Methylated Spirits or Mineralized Methylated Spirits or Methylated Spirits for Special Manufacture or Methylated Spirits for Special Purpose, or Methylated Spirits for Scientific Investigation, according to the class of Methylated Spirits contained therein:

Provided that, in regard to Mineralized Spirits which are marketed under a distinctive trade name which has been registered with the CEO, the latter may allow the use of such trade name in lieu of the marking provided for in (a) and (b) above.

Penalty: 1 penalty unit.

- (2) A person must not alter or erase particulars mentioned in subregulation (1) on a container of methylated spirits.

Penalty: 1 penalty unit.

- (3) An offence under subregulation (1) or (2) is an offence of strict liability.

*Note* For **strict liability**, see section 6.1 of the *Criminal Code*.

## **Division 2                      Officers, powers of**

### **48                      Powers of officers**

Officers may examine and take copies of, or extracts from, all books kept in relation to the making, or sale, or removal, or use of Methylated Spirits under these Regulations.

## **Division 3                      Imported Methylated Spirits**

### **49                      Samples to be taken**

Imported methylated spirits must not be delivered from the CEO's control unless samples of the spirits are taken and submitted for analysis to an analyst approved by the Collector.

**50 Analysis of samples**

If upon analysis of Imported Methylated Spirits the analyst certifies that such Methylated Spirits are not sufficiently methylated, such Spirits shall not be delivered for home consumption until so methylated.

**Division 4 Miscellaneous**

**51 Authority and place to methylate spirits**

- (1) Spirits may be methylated with the permission of the Collector.
- (2) A person must apply for permission in accordance with Form 6.
- (3) A person may methylate spirits only in:
  - (a) a customs warehouse; or
  - (b) the spirit store of a spirit maker's distillery; or
  - (c) the premises specified in the methylator's licence; or
  - (d) a place approved by the Collector.

Penalty: 1 penalty unit.

- (3A) An offence under subregulation (3) is an offence of strict liability.

*Note* For **strict liability**, see section 6.1 of the *Criminal Code*.

- (4) If the Collector is satisfied that it is necessary for the protection of revenue, the Collector may, in writing, order a methylator not to methylate spirits except under the supervision of an officer.
- (5) In deciding whether supervision of methylation is necessary for the protection of revenue, the Collector may take into account the following:
  - (a) whether the methylator keeps records that show details of:
    - (i) the receipt and disposal of materials capable of being used in methylation; and
    - (ii) materials used in methylation; and
    - (iii) methylated spirits produced, stored or disposed of;

**Regulation 53**

---

- (b) the methods adopted, and the precautions taken, by the methylator in, and after, carrying out methylation.

**53            Possession must be authorised**

- (1) A person who is not a methylator must not receive or possess methylated spirits for special manufacture, special purpose or scientific investigation.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For *strict liability*, see section 6.1 of the *Criminal Code*.

- (3) It is a defence to a prosecution under subregulation (1) if the Collector has authorised the person to receive or possess the methylated spirits.

*Note* A defendant bears an evidential burden for the matter mentioned in subregulation (3) (see section 13.3 of the *Criminal Code*).

**54            Method of taking samples**

- (1) A sample taken or obtained by an officer under the provisions of section 22 of the Act shall be dealt with in the following manner:
  - (a) The officer taking or obtaining the sample shall, in the presence of the person or the agent or servant of the person, from whom the sample is taken or obtained divide the sample into three equal parts and label or mark and securely seal each part; and
  - (b) The officer shall hand one part to the owner or an agent or servant of the owner, deliver for report another part to an analyst approved by the Collector, and retain the third part, for further examination, if necessary.
- (2) Delivery of the part to the analyst may be effected personally or by sending the part by registered post addressed to the analyst at the analyst's usual address, or in such other manner as the Collector approves.

- (3) In the event of any dispute as to the identity of the part received by the analyst the burden of proof shall lie upon the person complaining.
- (4) The production of a certificate of analysis of the part purporting to be signed by the analyst shall be sufficient evidence of the identity of the part and of the result of the analysis without proof of the signature of the person purporting to have signed the certificate.

## **57 Containers to be distinctively labelled**

- (1) A methylator must label each container of methylated spirits produced by the methylator with the words 'Methylated Spirits' in prominent letters.

Penalty: 1 penalty unit.

- (2) A person may sell a container of methylated spirits only if it is labelled in accordance with subregulation (1).

Penalty: 1 penalty unit.

- (3) A person must not remove or alter a label of a container of methylated spirits.

Penalty: 1 penalty unit.

- (4) An offence under subregulation (1), (2) or (3) is an offence of strict liability.

*Note* For **strict liability**, see section 6.1 of the *Criminal Code*.

## **58 Methylating substances to be approved**

- (1) A person may use a methylating substance to make methylated spirits only if the Collector has approved the use.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For **strict liability**, see section 6.1 of the *Criminal Code*.

**Regulation 59**

---

**59            Samples may be taken for analysis**

- (1) A methylator must, if required by the Collector:
- (a) take samples of methylated spirits made by the methylator; and
  - (b) submit the samples for analysis to an analyst approved by the Collector.

Penalty: 1 penalty unit.

- (2) An offence under subregulation (1) is an offence of strict liability.

*Note* For *strict liability*, see section 6.1 of the *Criminal Code*.

**61            Spirit maker's general licence**

A Distiller holding a Spirit Maker's general licence under the *Distillation Act 1901*, shall be subject to the provisions of these Regulations relating to Methylators to the same extent as if the distiller were a Methylator under these Regulations.

**64            Forms**

The forms prescribed in these Regulations are those in the Schedule to these Regulations.

**65            Repeal**

The Spirits Act Regulations 1913 (Statutory Rules 1913, No. 344 as amended by Statutory Rules 1922, No. 132; 1924, No. 75, and 1925, No. 88) are repealed.
