2 Commencement

This Determination commences on gazettal.

3 Amendment of *Radiocommunications (Interpretation) Determination 2000*

Schedule 1 amends the *Radiocommunications (Interpretation) Determination 2000*.

Schedule 1 Amendment (section 3)

[1] Schedule 1, Dictionary, after *cordless telephone service*

insert

datacasting licence means a licence issued for a radiocommunications service comprising one or more stations that are operated for the purpose of delivering a datacasting service by means other than satellite.

datacasting service station means a station operated for the purpose of providing a datacasting service in the broadcasting services bands only.

[2] Schedule 1, Dictionary, definition of *PMTS Class A*

substitute

PMTS Class A means a Public Mobile Telecommunications Service Class A, being a service that consists of 2 or more land stations that are operated:

- (a) under a PTS licence; and
- (b) by a person who:
 - (i) holds a carrier licence; or
 - (ii) is declared by the ACA to be a nominated carrier under section 81 of the *Telecommunications Act 1997*; and
- (c) for providing a public mobile telecommunications service; and
- (d) on a frequency or frequencies in the range 870 megahertz to 890 megahertz; and
- (e) if using AMPS technology, in accordance with an agreement that applies in an external Territory made under section 362 of the *Telecommunications Act 1997*.
