Schedule 1 Amendment (section 3)

[1] Schedule 1, Dictionary, *cordless telephone service*

substitute

cordless telephone service means a radiocommunications service that:

- (a) consists of one or more land stations, each of which:
 - (i) does not form part of a cellular mobile telephone service; and
 - (ii) is able to communicate by means of radiocommunications with, or is connected indirectly or directly to, a telecommunications network operated by a carrier or a carriage service provider; and
- (b) may consist of one or more handsets, each of which:
 - (i) is not connected by a line to a land station; and
 - (ii) enables communication with other users of the public telecommunications network through transmission of radio signals between the handset and the land station.
