

# Southern and Eastern Scalefish and Shark Fishery (Additional Quota Species) Temporary Order 2005

---

I, RICHARD MCLOUGHLIN, Managing Director of the Australian Fisheries Management Authority, make this Temporary Order under section 43 of the *Fisheries Management Act 1991*.

Dated 4 May 2005

RICHARD MCLOUGHLIN  
Managing Director of the Australian Fisheries Management Authority

---

## **1 Name of Temporary Order**

This Temporary Order is the *Southern and Eastern Scalefish and Shark Fishery (Additional Quota Species) Temporary Order 2005*.

## **2 Commencement**

This Temporary Order commences on the day after it is registered.

*Note* An order made under section 43 of the *Fisheries Management Act 1991* ceases to have effect on a day specified in the order or on being cancelled by another order or at the end of 6 months after the order is made, whichever is the soonest.

### 3 Additional quota species

Schedule 2 of the *Southern and Eastern Scalefish and Shark Fishery Management Plan 2003* is taken to be amended by the insertion of the following items:

- |    |                                  |                                                                                                                                                                       |
|----|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 25 | Deepwater shark<br>(eastern)     | Species of the genus <i>Deania</i> , <i>Centroscymnus</i> ,<br><i>Dalatias</i> , <i>Etmopterus</i><br><br><i>Centroscyllium kamoharai</i>                             |
| 26 | Deepwater shark<br>(western)     | Species of the genus <i>Deania</i> , <i>Centroscymnus</i> ,<br><i>Dalatias</i> , <i>Etmopterus</i><br><br><i>Centroscyllium kamoharai</i>                             |
| 27 | Ribaldo                          | <i>Mora moro</i>                                                                                                                                                      |
