1. Name of Directions

These Directions are the *Seafarers Safety Rehabilitation and Compensation Directions 2006 (1)*.

2. Commencement

This instrument commences on the day after it is registered on the Federal Register of Legislative Instruments.

3. Directions

I direct that the Seacare Authority amend its Exemption Guidelines so that if workers' compensation insurance is available to a relevant employer under a State or Territory scheme, at a cost lower than that available under the Seacare scheme, then this is a primary factor in determining an application for exemption under section 20A of the Seafarers Act.
