

SCHEDULE OF AIRWORTHINESS DIRECTIVES

---

**AIRWORTHINESS DIRECTIVE**

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CESSNA 550/11.

---

**Cessna 550 (Citation II) Series Aeroplanes**

**AD/CESSNA 550/11      TKS Proportioning Unit Connections      12/2009**

Requirement:      CANCELLED.

This AD is cancelled on 19 November 2009.

Background:      This AD, raised in 1986 against Cessna Citation Alert Service Letter (SL) SLAS 550-30-05, required inspections that would ensure that the TKS fluid tube assemblies of the anti-ice system were correctly identified and routed. Compliance was required before issue of a certificate of airworthiness.

As all affected aircraft will have been inspected and modified long ago, this AD is no longer required.
