## 5 Application to participate in the Scheme

- (1) A person may apply to the Chief Executive Medicare to participate in this Scheme.
- (2) The Chief Executive Medicare must approve a person to participate in this Scheme if:
  - (a) the applicant meets the eligibility criteria; and
  - (b) the application is made on the approved form; and
  - (c) the application:
    - (i) includes a statement prepared and signed by a health professional certifying that the applicant has been diagnosed by a doctor with an eligible neurological condition or eligible other condition, as the case may be, which has caused permanent and severe incontinence; and  
Note: Health professional is defined in subsection 3(1).
    - (ii) includes any other document or information required by the approved form.

**Section 6**

Note: Section 14 of the Amendment Act provides that if an application is refused the Chief Executive Medicare must give the applicant a signed notice that includes the reasons for the decision and advising that the person may apply to the Chief Executive Medicare for a review of the decision. The application for review of the decision is dealt with in section 24 of this Scheme.

- (3) If a person has provided a completed application, in the approved form, to the Chief Executive Medicare before this Scheme commences, the application is taken to have been made under this section on the day this Scheme commences.

**6 Notification to Chief Executive Medicare**

- (1) A participating person, legal representative or authorised representative must notify the Chief Executive Medicare promptly on becoming aware that the participating person does not meet the eligibility criteria.

Example: A participating person must notify the Chief Executive Medicare if the person begins receiving a high level of residential care in a residential care facility: see subparagraph 4(2)(c)(i).

- (2) A legal representative or authorised representative must notify the Chief Executive Medicare promptly on becoming aware that the participating person has died.

**7 Decision that a person has ceased to be eligible**

If notification has not been given under subsection 6(1), but the Chief Executive Medicare is satisfied that a participating person does not meet the eligibility criteria, the Chief Executive Medicare must decide, by determination in writing, that the person is not eligible to participate in this Scheme and the date on which the person ceased to be eligible.

Note 1: Item 3 of the Amendment Act provides that, until 1 July 2011, the Chief Executive Medicare cannot make a decision about ineligibility in respect of a person to whom that item applies.

Note 2: Section 15 of the Amendment Act provides that if the Chief Executive Medicare decides that a participating person is not eligible to participate in the scheme, he or she must give the person a signed notice that includes the reasons for the decision and advising that the person may apply to the Chief Executive Medicare for a review of the decision. The application for review of the decision is dealt with in section 24 of this Scheme.

**8 When participation ceases to have effect**

A person's participation in this Scheme ceases to have effect:

- (a) if notification is given under paragraph 6(1)—from the date the person ceased to meet the eligibility criteria; or
- (b) if the Chief Executive Medicare decides that the person is not eligible to participate—from the date specified in the determination under section 7.

Note: Where a person entitled to a CAPS payment has died, payment will be made to the estate: see paragraph 10(1)(c).

## Part 3—Payments

### 9 Amount of CAPS payment

- (1) The amount of the CAPS payment for a financial year is \$558.90.
- (2) However, if a person is approved under section 5 as a participating person after the beginning of a financial year, the CAPS payment for the person for that financial year is calculated on a pro rata basis, being the period starting on the date the application under section 5 was received and ending on 30 June (inclusive) of the financial year.

Example: A person applies on 1 August 2010. The person's CAPS payment is calculated for the period 1 August to 30 June 2011 (inclusive).

- (3) A participating person may not receive:
  - (a) more than the amount of the CAPS payment for a financial year in any one financial year;
  - (b) more than one payment for the same period in a financial year.

### 10 Payment procedure

- (1) The Chief Executive Medicare must pay a CAPS payment, or an instalment of a CAPS payment, to which a participating person has become entitled under this Scheme to:
  - (a) the person; or
  - (b) if there is an authorised payment recipient for the person—the authorised payment recipient; or
  - (c) if the person has died, the person's estate.
- (2) The CAPS payment must be made:
  - (a) in one transaction unless the person has elected, in the approved form, to receive the payment in two instalments (except where subsection 11(4) applies); and
  - (b) by way of electronic funds transfer to the bank account notified, in the approved form, to the Chief Executive Medicare.

### 11 Payment by instalments

- (1) A person may elect to receive the CAPS payment in two instalments, worked out in accordance with this section, in a financial year.
- (2) If the person is a participating person on 1 July in the financial year:
  - (a) the first instalment is half of the CAPS payment specified in subsection 9(1), to be paid no later than 30 July in the financial year; and
  - (b) the second instalment is the remaining half of the CAPS payment, to be paid on or after 1 January but no later than 31 January in the financial year.

## Section 12

- (3) If an application under section 5 is received after 1 July but before 1 January in the financial year and is approved, the CAPS payment for the financial year is the amount calculated in accordance with subsection 9(2) with:
  - (a) the first instalment a pro rata amount calculated for the period starting on the day the application was received and ending on 31 December (inclusive) in that financial year, to be paid within 30 days of approval of the application; and
  - (b) the second instalment is the remaining amount of the CAPS payment, to be paid on or after 1 January but no later than 31 January in the financial year.
- (4) If an application under section 5 is received after 31 December in the financial year and is approved, the CAPS payment for that financial year is the amount calculated in accordance with 9(2), to be paid within 30 days of approval of the application.
- (5) However, despite anything in this Scheme, a second instalment must not be paid if the person's participation has ceased to have effect before January in the financial year.

**12 Payment to transferred person**

- (1) This section applies to a person who is a participating person because of item 3 of the Amendment Act (*transferred person*).
- (2) The transferred person is entitled to the CAPS payment specified in subsection 9(1):
  - (a) for the 2010–11 financial year;
  - (b) and each subsequent financial year as long as the person's participation has not ceased on a date before 1 July of that financial year.
- (3) For the financial year beginning on 1 July 2010, the Chief Executive Medicare must:
  - (a) make the CAPS payment for the person no later than 30 days after receiving the completed transfer form (*transfer form*) mentioned in item 3 of the Amendment Act; or
  - (b) if the person elects to receive the CAPS payment in two instalments, pay half the CAPS payment no later than 30 days after receiving the transfer form and half after 1 January 2011 but no later than 31 January 2011.
- (4) For a financial year after 30 June 2011, the CAPS payment for the person must be paid no later than 31 July in that financial year or, if the person has elected to receive the CAPS payment in two instalments, in the manner specified in paragraph 11(2).
- (5) If the person gives the transfer form to the Chief Executive Medicare before 1 July 2010, the form is taken to have been provided on 1 July 2010.

## Section 13

---

### 13 Payment to approved person

- (1) This section applies to a person who is a participating person because of an approval under section 5 of this Scheme (*approved person*).
- (2) The approved person is entitled to:
  - (a) the CAPS payment specified in subsection 9(1) or 9(2), whichever applies in the circumstances, in the financial year in which the application is approved; and
  - (b) the CAPS payment specified in subsection 9(1) in each subsequent financial year as long as the person's participation has not ceased on a date before 1 July of that financial year.
- (3) The Chief Executive Medicare must make a CAPS payment for the approved person:
  - (a) if the person is a participating person on 1 July in the financial year:
    - (i) by 30 July in the financial year; or
    - (ii) if the payment is by instalments, in the manner specified in subsection 11(2); or
  - (b) if an application under section 5 is received after 1 July but before 31 December in the financial year and is approved:
    - (i) within 30 days of approving the application; or
    - (ii) if the payment is by instalments, in the manner specified in subsection 11(3); or
  - (c) if an application under section 5 is received after 31 December in the financial year and is approved—within 30 days of approving the application.

### 14 Notification of details of payments

- (1) The Chief Executive Medicare, as soon as practicable after making a CAPS payment, must give a written statement containing details about the payment to:

- (b) a participating person,  
who is unable to act on his or her own behalf because of a physical or mental impairment.

### 16 Ceasing representation of a person

In this Part:

- (a) if a person is recognised as representing another person because of a particular status under the social security law or veterans' entitlements law, and the person ceases to hold that status, the person's representation of the other person under this Scheme is also taken to cease;
- (b) if a person may authorise, in accordance with this Part, another to do something, the person may also revoke the authorisation by notice in writing to the Chief Executive Medicare;
- (c) if a person is authorised, in accordance with this Part, to do something and wishes to end the arrangement, the person may cease the arrangement by notice in writing to the Chief Executive Medicare.

### 17 Authorised representative

- (1) This section applies to an assisted person who does not have a legal representative.
- (2) The assisted person may be represented for the purposes of this Scheme, other than to receive payments, by one of the following, subject to subsection (3):

- (3) A person mentioned in subsection (2) who signs the application form for an assisted person, or nominates him or herself, in the approved form, after the application has been made, as the person authorised to represent the assisted person is taken to be the assisted person's authorised representative.

## Section 18

---

- (4) An authorised representative must act in the interests of the assisted person at all times.

### 18 Correspondence recipient

- (a) as an authorised representative to act for the person; or
  - (b) as an authorised payment recipient to receive payments as agent of the person; or
  - (c) as both (a) and (b).
- (2) However, the Secretary must not approve an individual unless the Secretary is satisfied that:
- (a) if the assisted person has a legal representative, or representation by a person referred to in paragraph 17(2)(a) or (b) or 19(1)(a) or (b)—the representative does not oppose the approval; and

- (b) the individual provides care or assistance to the person; and
  - (c) the arrangement for the receipt of CAPS payments is for the benefit of the person; and
  - (d) the individual seeking approval will use the funds only for the purpose for which they are provided.
- (3) The Secretary may revoke an approval if satisfied that it is appropriate to do so in the circumstances, having regard to the matters mentioned in this section.

## **21 Organisations authorised to receive CAPS payments**

- (2) An applicant, participating person, or assisted person’s legal representative, authorised representative or authorised payment recipient, other than an organisation, may authorise, in the approved form, an organisation to receive CAPS payments, or instalments of CAPS payments, as the authorised payment recipient for a person entitled to the payment.
- (3) If the organisation agrees to receive the CAPS payments as agent, the organisation must provide details to the Chief Executive Medicare for the payments in the approved form.

## Endnotes

### Endnote 1—About the endnotes

The endnotes provide information about this compilation and the compiled law.

The following endnotes are included in every compilation:

Endnote 1—About the endnotes

Endnote 2—Abbreviation key

Endnote 3—Legislation history

Endnote 4—Amendment history

### Abbreviation key—Endnote 2

The abbreviation key sets out abbreviations that may be used in the endnotes.

### Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

### Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

### Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can be given effect as intended, the amendment is incorporated into the compiled law and the abbreviation “(md)” added to the details of the amendment included in the amendment history.

If a misdescribed amendment cannot be given effect as intended, the abbreviation “(md not incorp)” is added to the details of the amendment included in the amendment history.
