Declaration

4. Part 7.6 (other than Divisions 4 and 8) of the Act applies in relation to all persons as if that Part were modified or varied by, after subsection 912A, inserting:

**“Section 912AB Adequate financial resources for financial services licensees
that issue derivatives to retail clients**

- (1) This section applies to a financial services licensee that:
 - (a) holds an Australian financial services licence covering the provision of the following financial services:
 - (i) dealing in a financial product by issuing derivatives;
 - (ii) making a market for derivatives; and
 - (b) incurs actual or contingent liabilities by issuing derivatives to persons as a retail client; and
 - (c) is not:

- (i) a body regulated by APRA; or
 - (ii) a market participant; or
 - (iii) a clearing participant.
- (2) A financial services licensee covered by subsection (1) that complies with this section is taken to comply with conditions (if any) of its licence that relate to:
- (a) a cash needs requirement;
 - (b) financial requirements for licensees transacting with clients;
 - (c) reporting triggers and requirements for financial requirement conditions; and
 - (d) the obligation to lodge an audit opinion on the financial requirements to the extent the opinion is for a part of a financial year or other period during which the licensee was covered by subsection (1).

Note: The conditions on the licence may include other requirements that relate to having available adequate financial resources.

Cash needs requirement

- (3) The licensee must:
- (a) in each March, June, September and December, prepare a projection of the licensee's cash flows over at least the next 12 months based on the licensee's reasonable estimate of revenues and expenses over this period; and
 - (b) have the projection approved in writing by the following persons as being based on the licensee's reasonable estimate of revenues and expenses over the relevant period:
 - (i) if the licensee is a body corporate—the directors of the licensee;
 - (ii) if the licensee is a partnership or the trustees of a trust—the partners of the licensee or the trustees;
 - (iii) if the licensee is a natural person—the person; and
 - (c) document the calculations and assumptions used in preparing the projection, and describe in writing why the assumptions are appropriate; and

- (d) update the projection of the licensee's cash flows if there is reason to suspect that an updated projection would show that the licensee was not meeting the requirements in subparagraphs (i) and (ii) of paragraph (e); and
- (e) have the persons mentioned in the subparagraphs (as applicable) of paragraph (b) certify in writing that, based on the projection of the licensee's cash flows, the licensee:
 - (i) will have access when needed to enough financial resources to meet its liabilities over the projected term of at least the next 12 months; and
 - (ii) will hold at all times during the period to which the projection relates in cash or cash equivalents, an amount equal to or greater than the current amount the licensee is required to hold in cash or cash equivalents under subsection (5); and
- (f) make the projections available to ASIC on request.

Net tangible assets

- (4) The licensee must:
 - (a) until 31 January 2014—have at all times NTA (the *required NTA*) of at least the greater of:
 - (i) \$500,000; or
 - (ii) 5% of average revenue of the licensee; and
 - (b) from 1 February 2014—have at all times NTA (the *required NTA*) of at least the greater of:
 - (i) \$1,000,000; or
 - (ii) 10% of average revenue of the licensee.
- (5) The licensee must hold at all times:
 - (a) cash and cash equivalents in an amount that is at least 50% of the required NTA; and
 - (b) liquid assets in an amount that is at least 50% of the required NTA.

Money that is in an account held by the licensee for the purposes of section 981B or other cash or cash equivalents that are held in respect of any liability or obligation to clients cannot be counted towards either requirement.

Note: For the avoidance of doubt, any other cash and cash equivalents cannot be counted for both paragraph (a) and (b).

- (6) The licensee must lodge with ASIC a statement in writing setting out:
- (a) its NTA as at the end of the licensee's financial year; and
 - (b) details of how this was worked out.

The statement must be lodged no later than when the licensee is required to lodge a balance sheet with ASIC under section 989B for the financial year.

Reporting triggers and requirements for financial requirement conditions

- (7) Where the NTA of the licensee decreases (a **notifiable event**) from an amount greater than 110% of the required NTA to a lower amount, the licensee must, by the following times, lodge a written report with ASIC that specifies the NTA of the licensee as at the date of the report:
- (a) within 3 business days after becoming aware of the notifiable event; and
 - (b) on the first day of every month after becoming aware until, as at the last day of the preceding month, the NTA is greater than 110% of the required NTA.
- (8) Where the NTA of the licensee is less than the required NTA for a continuous period of 2 months, the licensee must, within 3 business days after that 2 month period and in the form approved by ASIC in writing for the purposes of this subsection, disclose the deficiency to:
- (a) each person to whom it provides financial services; and
 - (b) each person for the benefit of whom it holds money or property on trust under Divisions 2 or 3 of Part 7.8.
- (9) Subject to subsection (10), where the NTA of the licensee is at any time less than the required NTA, the licensee must not enter into a transaction with any person to whom it provides financial services that could give rise to further liabilities, contingent liabilities or other financial obligations of the licensee unless the persons specified in the subparagraphs (as applicable) of paragraph (3)(b) have certified in writing that, having conducted reasonable

enquiries into the financial position of the licensee, there is no reason to believe that:

- (a) the licensee will not comply with section 912A except to the extent that paragraph 912A(1)(c) requires compliance with subsections (4) and (5) of this section; and
 - (b) there is or will be a deficiency in any accounts maintained by the licensee for the purposes of section 981B.
- (10) Where the NTA of the licensee is at any time equal to or less than 75% of the required NTA, the licensee must not enter into a transaction with any person to whom it provides financial services that could give rise to further liabilities, contingent liabilities or other financial obligations of the licensee.

Audit opinion on financial requirements

- (11) The licensee must lodge with ASIC a report by a registered company auditor addressed to the licensee and ASIC for each financial year of the licensee and any other period that ASIC directs that states whether, during any part of the period for which the licensee was covered by subsection (1):
- (a) in the auditor's opinion, the licensee:
 - (i) complied with subsections (4) and (5) and other financial requirements in conditions on its licence; and
 - (ii) had at all times a projection that purports to, and appears on its face to, comply with paragraph (3)(a); and
 - (iii) correctly calculated the projection in paragraph (3)(a) on the basis of the assumptions the licensee adopted for the projection; and
 - (b) following an examination of the calculations, assumptions and description prepared under paragraph (3)(c) and relied on by the licensee in complying with paragraph (3)(a), the auditor has no reason to believe that:
 - (i) the licensee did not satisfy paragraph 912A(1)(h) for managing the risk of having insufficient financial resources to comply with subsections (4) and (5) of this section and other financial requirements in conditions on its licence; or
 - (ii) the licensee failed to comply with paragraphs (3)(b), (c) or (d); or

(iii) the assumptions the licensee adopted for its projection in paragraph (3)(a) were inappropriate.

(12) The audit opinion must be lodged by no later than:

- (a) for each financial year of the licensee—the day the licensee is required to lodge a balance sheet under section 989B; and
- (b) for any period of time that ASIC directs—the date ASIC directs the audit opinion to be lodged.
