Schedule 1 Amendments

(section 3)

[1] Schedule 1, definition of *PTS licence*

substitute

PTS licence means an apparatus licence:

- (a) issued for a service that consists of 1 or more stations that are operated for the provision of a public mobile telecommunications service; or
- (b) that authorises the operation of 1 or more stations (the ***licensed stations***), where:
 - (i) the licensed stations communicate with mobile stations; and
 - (ii) the mobile stations are ordinarily used for or in relation to the supply of a public mobile telecommunications service, but when used in conjunction with the licensed stations, do not involve the use of the mobile stations for or in relation to the supply of a public mobile telecommunications service.

Note Paragraph (b) of the definition of *PTS licence* recognises that some stations may be used to deliver a carriage service to an end-user's mobile device, but that service will not be a *public mobile telecommunications service* within the meaning of the *Telecommunications Act 1997*.
