## **PART 2 — PURPOSE**

### **Provision of financial assistance**

5. This determination is made, in accordance with section 16 of the Act, for the purpose of providing grants of financial assistance to a State to:

8. ‘Schedule D — Payment Arrangements’ to the *Intergovernmental Agreement* provides that the Commonwealth will make National Partnership payments to the States to support the delivery of specified outputs or projects, to facilitate reforms or to reward those jurisdictions that deliver on nationally significant reforms.

9. National Partnerships will clearly set out the payment profile in respect of each State.

10. Where the achievement of pre-determined milestones or performance benchmarks is required before a payment is made to a State:

- (a) in the case of payments to reward nationally significant reforms, the relevant Commonwealth Minister or delegate will make a determination as to whether the incentive payment will be paid following receipt of a recommendation from the COAG Reform Council as to whether a pre-determined performance benchmark has been achieved; and
- (b) in the case of payments to facilitate reform and to support the delivery of specified outputs or projects, the relevant Commonwealth Minister or delegate will make a determination, based upon expenditure and

performance reporting arrangements set out in the National Partnership, as to whether the facilitation or project payment will be paid.

11. Where the achievement of a performance benchmark is not required before a payment is made to a State, payments will be scheduled in accordance with the payment profile set out in the National Partnership.
