- (b) prescribes, on the one form, a *Pharmaceutical benefit* that is a drug of addiction and another *Pharmaceutical benefit*, and directs that the supply of either *Pharmaceutical benefit* is to be repeated (but, if no repeats of either item are ordered, the *prescription* may be accepted provided that this is in accordance with the relevant State or Territory law); or
- (c) prescribes a narcotic drug for the *Medical Practitioner*, *Authorised Nurse Practitioner* or *Authorised Midwife* writing the *prescription*; or

15 Medical Practitioner subject to this Scheme

Where a *Medical Practitioner*, *Authorised Nurse Practitioner* or *Authorised Midwife* prescribes for an *Eligible Person*, the *Medical Practitioner*, *Authorised Nurse Practitioner* or *Authorised Midwife* shall be subject to the terms and conditions of this *Scheme* and the *Explanatory Notes*.

Note: an RPBS prescriber who is an *Authorised Midwife* or an *Authorised Nurse Practitioner* may only prescribe a *Pharmaceutical benefit* listed on the *PBS* and a prescription by an *Authorised Midwife* or an *Authorised Nurse Practitioner* for a *Pharmaceutical benefit* that is not available on the *PBS* is not recognised under the *Scheme*, even if the *Pharmaceutical benefit* is available under the *Scheme* on the prescription of, say, an *Approved Medical Practitioner*.

Note: a failure to observe these requirements means the supply is not a *continued dispensing supply*.
- (5) For a *continued dispensing supply* a *Community Pharmacist* or *Approved Medical Practitioner* must collect the following information at the time of supply:
 - (a) information about whether the patient is, at the time of the supply:
 - (i) a *concessional beneficiary* or a dependant of a *concessional beneficiary*; or
 - (ii) the holder of a *concession card* or *entitlement card*;

 - (c) for a person mentioned in subparagraph (a)(ii)—the number of the *concession card* or *entitlement card*.
- (6) The *Community Pharmacist* or *Approved Medical Practitioner* must include the information collected under subsection (5) in the claim for a payment from the Commonwealth in relation to the supply using the Claims Transmission System,

within the meaning given by subsection 99AAA(1) of the *National Health Act 1953*.

Note: a failure to observe these requirements means the supply is not a *continued dispensing supply*.

- (7) For the supply of a *Pharmaceutical benefit* by a *Community Pharmacist* on the basis of a previous *prescription* from a *PBS prescriber* or *RPBS prescriber*, if the *PBS prescriber* or *RPBS prescriber* directed in the *prescription* the supply on one occasion of a quantity or number of units of the *Pharmaceutical benefit* allowable under subsection 88(6) of the *National Health Act 1953*, instead of directing a repeated supply, the direction does not apply for the purposes of the *continued dispensing supply*.
- (8) If, for a *continued dispensing supply*, a *Pharmaceutical benefit* is supplied a number of times greater than the number specified in the *prescription*, then subject to subsection 51(2) of the *National Health (Pharmaceutical Benefits) Regulations 2017* (the regulations), subregulation (3) or (4) of those regulations applies as if:
 - (a) the person had presented the supplier with a *prescription* that:
 - (i) had been written by a *PBS prescriber* or *RPBS prescriber* in accordance with the *National Health Act 1953*, the regulations and the *Scheme*; and
 - (ii) did not include a *medicare number*; and
 - (iii) did not direct a repeated supply of a *Pharmaceutical benefit*; and
 - (b) subparagraphs (3)(b)(ii) and (c)(ii) or (4)(b)(ii) and (c)(ii), of the regulations, were omitted, and the words ‘immediate supply necessary’ were required to be written on the repeat authorisation form for the supply; and

- (9) A *Community Pharmacist* must use a *repeat authorisation form* for the purposes of making a claim for a payment from the Commonwealth under section 99AAA of the Act in relation to a *continued dispensing supply*, however, the pharmacist must not use the form for authorising a repeated supply of the pharmaceutical benefit under this section.
- (10) For a *continued dispensing supply* a *Community Pharmacist* is to obtain, from the person receiving the *Pharmaceutical benefit* (whether or not for the person’s own use), a written acknowledgement that the person has received the benefits but if it is not practicable for the pharmacist to obtain, from the person a written acknowledgement, the pharmacist must write on the *repeat authorisation form* for the supply:
 - (a) the date on which the *Pharmaceutical benefit* were supplied by the pharmacist; and
 - (b) the reason why it was not practicable for the pharmacist to obtain the written acknowledgement.

 - (c) for a person mentioned in subparagraph (a)(ii)—the number of the *concession card* or *entitlement card*.
- (3) The supplier must include the information collected under subsection (2) in the claim for a payment from the Commonwealth in relation to the supply using the Claims Transmission System, within the meaning given by subsection 99AAA(1) of the *National Health Act 1953*.

17 Substitution of lesser priced alternative brand of drug

Where a valid *prescription*, issued by a *Medical Practitioner*, *Authorised Nurse Practitioner* or *Authorised Midwife*, prescribes a brand of drug listed on the *PBS* or *RPBS Schedule*, a *Community Pharmacist* may substitute, with the approval of the prescriber, a lesser priced alternative *PBS* or *RPBS* listed brand of the drug in lieu of the brand prescribed and shall endorse the original, duplicate and repeat authorisation accordingly.

Note: an *RPBS* prescriber who is an *Authorised Midwife* or an *Authorised Nurse Practitioner* may only prescribe a *Pharmaceutical benefit* listed on the *PBS* and a prescription by an *Authorised Midwife* or an *Authorised Nurse Practitioner* for a *Pharmaceutical benefit* that is not available on the *PBS* is not recognised under the *Scheme*, even if the *Pharmaceutical benefit* is available under the *Scheme* on the prescription of, say, an *Approved Medical Practitioner*.

Note (3): sections 4 and 5 explain the process of notification for the purposes of the *Scheme*.

- (2) The *dispensed price* in (1) is to be comprised of:

- (a) the ex manufacturer price – being the price the *Commission* and the responsible person for the brand of the *Pharmaceutical benefit* have agreed, by reference to the quantity of the *Pharmaceutical benefit*, is to be the price at which the manufacturer sells the *Pharmaceutical benefit* in the context of the *Scheme* (approved ex manufacturer price); and

Note: in practice a delegate of the *Commission* could enter into the agreement.

- (b) the following amounts worked out as if the *Pharmaceutical benefit* is included in the *PBS* and the amount worked out under the *PBS* and the Seventh Community Pharmacy Agreement except that the approved ex manufacturer price is ascertained under the *Scheme*:

- (i) the wholesale mark-up – being the mark-up on the approved ex manufacturer price of a ready-prepared *Pharmaceutical benefit* (approved wholesale price);

the person:

- (c) was not in receipt of that allowance during that period; and
- (d) has incurred expenses in obtaining *Pharmaceutical benefits* during that period which could be obtained under this *Scheme*; and
- (e) has provided material which satisfies the *Commission* that the person has incurred those expenses,

the *Commission* may reimburse the person for any or all of those expenses. The maximum amount which may be reimbursed is the amount that the person would have been entitled to receive by way of pharmaceutical allowance during that period had the *Department* had the information needed to enable the *Commission* to make payment of the allowance.

Part 4—Claims by Community Pharmacists

24 Lodgement of Claims by Community Pharmacists

Claims by *Community Pharmacists* under this Part shall be made in accordance with section 99AAA of the *National Health Act 1953* as though references in that section, and in the rules made under that section which relate to the supply of and payment for *Pharmaceutical benefits* under that Act and its Regulations, were references to the supply of, and payment for, *Pharmaceutical benefits*, except that:

- (b) these *prescriptions* shall be collected into one bundle, separate to the four bundles provided for in those rules, with the prescriptions sorted into the order of the serial numbers allocated under subparagraph (a), with the least serial number at the top of the bundle; and
- (c) the information to be provided to the Secretary to the Department that administers the *National Health Act 1953*, in respect of each supply of a *Pharmaceutical benefit* shall include a Form Category (within the meaning of the schedule to those rules) with a value of “8” where the *Pharmaceutical benefit* was supplied on an original authority prescription or “9” where the *Pharmaceutical benefit* was supplied on a repeat authority prescription, and a Payment Category (within the meaning of that schedule) with a value of “4”.

Note (1): this provision incorporates into the *Scheme*, among other relevant “*National Health Act 1953* requirements” (particularly the requirements in the *claims rules* made under subsections 98AC(4) and 99AAA(8) of the *National Health Act 1953*), the requirement for a claimant to include a “supply certification form” with a claim (manual and electronic).

Note (2): if a claim is made electronically, the supply certification form is to be given electronically (*claims rules*).

Note (3): for electronic claims, prescriptions need not be provided (*claims rules*).

25 Claims Requirements and Payment

- (1) The payment of a claim under the *Scheme* is subject to:
 - (a) compliance with the *Scheme*, in particular section 24; and
 - (b) submission of a completed supply certification form under the *claims rules*.

Part 5—Payments to Community Pharmacists

26 Payment of Dispensed Price

The amount payable to a *Community Pharmacist* for the supply of a *Pharmaceutical benefit* under the *Scheme* is the *dispensed price*.

Note: the dispensed price includes a dispensing fee.

30 Fees not payable in some circumstances

The *dispensed price* may not be payable to a *Community Pharmacist* where that person does not satisfy the requirements of paragraph 18 and supplies *Pharmaceutical benefits* to a person who is not an *Eligible Person*.

31 Community Pharmacist not entitled to demand or receive payments

A *Community Pharmacist* is not entitled to demand of, or receive from, a person in receipt of a *Pharmaceutical benefit*, payment in money or a valuable consideration for goods and services rendered under this *Scheme* except:

- (a) for goods or services that are provided in an emergency; or

- (e) where payment represents the difference between the Commonwealth's financial responsibility for the provision of the *Pharmaceutical benefit* and the dispensed price of the *Pharmaceutical benefit* supplied.

32 Community Pharmacist to issue receipt where certain payments received

Where a payment is received, under any of subparagraphs 31(a), (b), (c) or (d), from a person in receipt of a *Pharmaceutical benefit*, the *Community Pharmacist* is required to issue that person an official receipt which states:

- (b) the date of receipt of those goods and/or services by the person.

Part 5A—Pharmaceutical Reimbursement

Definitions:

In this Part:

member means a person eligible under the *MRCA Pharmaceutical Benefits Scheme* for the payment known as the “pharmaceutical reimbursement”.

veteran means an *Eligible Person* eligible for payment of a *pharmaceutical reimbursement*.

33

The *Commission* may, subject to this Part, accept financial responsibility for the *pharmaceutical reimbursement*.

Note: if the *Commission* accepts financial responsibility for a cost in relation to the provision of a *Pharmaceutical benefit* to an *Eligible Person*, the Commonwealth pays that cost.

34

The pharmaceutical reimbursement is a financial amount that would compensate an *Eligible Person* for out-of-pocket expenses:

- (a) that the person incurred in respect of a *Pharmaceutical benefit* provided under this *Scheme*; or
- (b) that the person incurred in respect of a *Pharmaceutical benefit* provided other than under this *Scheme* but provided on or from a date when the *Commission* accepted liability to provide treatment to the person under the *Act*.

Note 1: under the *Acts Interpretation Act 1901* words in the singular number (e.g. *Pharmaceutical benefit*) include the plural and words in the plural number include the singular.

Note 2: paragraph (b) covers what are known as “MEPIs” (Medical Expenses Privately Incurred). Under the *Act* eligibility for treatment can be backdated for 3 months before a claim for pension is received and treatment costs incurred in that period e.g. *co-payments* for *Pharmaceutical benefits*, may be met by the *Department*.

35

The amount of pharmaceutical reimbursement is worked out under 39.

36 Eligibility for Payment of Pharmaceutical Reimbursement

- (1) To be eligible for payment of the pharmaceutical reimbursement an *Eligible Person* must:
 - (a) have rendered qualifying service; and
 - (b) suffer from an *accepted disability*; and
 - (c) receive pension under Part II or Part IV of the *Act* in respect of the *accepted disability*.

- (2) For the purposes of (1)(c), a person is taken to receive pension under Part II or Part IV of the *Act* if, apart from section 25A, Division 5A of Part II and section 74 of the *Act*, the person would receive a rate of pension greater than nil.

37 Calculation of annual value of pharmaceutical allowance component of Pension Supplement, Veterans Supplement, MRCA supplement

The annual value of the pharmaceutical allowance component is calculated as follows:

- (a) for a *veteran* in receipt of *veterans supplement* or *MRCA supplement* at different times throughout the year, the amount of \$6 per fortnight, indexed according to section 198F of the *Act*:
 - (i) as if the amount of \$6 is the dollar amount in subsection 198F(1);
 - (ii) since September 2009 (i.e. once annually since 1 January 2010), calculated at a daily rate and valued according to the number of days in the calendar year *veterans supplement* or *MRCA supplement* was payable;
- (b) subject to (c), for a *veteran* in receipt of an *income support payment* or an *income support payment under the Social Security Act 1991* that, respectively, attracts *pension supplement*, or *social security pension supplement* greater than the basic amount of *pension supplement*, the amount of \$6 per fortnight, indexed according to Division 18 of Part IIIB of the *Act*:
 - (i) as if the amount of \$6 is an amount of PS rate (pension supplement rate) in Item 1A of the CPI Indexation Table in section 59B;
 - (ii) since September 2009 (i.e. each 20 March and 20 September commencing 20 March 2010), calculated at a daily rate and valued according to the number of days in the calendar year *pension supplement* was payable;

Note: this provision could also apply to a veteran who is a member of a couple.

- (c) for a *veteran* in receipt of *pension supplement* who is a member of a couple:
 - (i) if the veteran's partner does not receive an *income support payment* that attracts *pension supplement* or an *income support payment under the Social Security Act 1991* that attracts *social security pension supplement* greater than the basic amount of *pension supplement*—50% of the amount in (b); or
 - (ii) if the veteran and partner are an illness separated couple—the amount in (b); or
 - (iii) if the veteran and partner are not an illness separated couple but the veteran's partner is a *veteran* or a *member*—50% of the amount in (b);
- (d) for a *veteran* who is a war widow/war widower—pensioner, the amount of \$6 per fortnight, indexed according to Division 18 of Part IIIB of the *Act*:
 - (i) as if the amount of \$6 is an amount of PS rate (pension supplement rate) in Item 1A of the CPI Indexation Table in section 59B;
 - (ii) since September 2009 (i.e. each 20 March and 20 September commencing 20 March 2010), calculated at a daily rate and valued according to the number of days in the calendar year the person was a war widow/war-widower—pensioner.

Note: a pharmaceutical allowance component calculated under (d) may be in addition to a pharmaceutical allowance component calculated under (b) or (c) and the sum of all the

pharmaceutical allowance components could reduce the amount of the pharmaceutical reimbursement.

Note: the following terms are defined in the *Act*:

member of a couple—5E(2).

partner—5E(1).

war widow/war-widower—pensioner—5Q(1).

38 Payment of Pharmaceutical Reimbursement

- (1) On and after 1 January 2013 the *pharmaceutical reimbursement* is payable to a person eligible for it under this Part.
- (2) Subject to (3), the *pharmaceutical reimbursement* is payable in the first quarter in each calendar year in respect of *co-payments* the person made for a *Pharmaceutical benefit* under this *Scheme* in the previous calendar year – not being a calendar year before 1 January 2012.

Note: calendar year is defined in section 2B of the *Acts Interpretation Act 1901*.

- (3) The *pharmaceutical reimbursement* is not payable for a person in the first quarter in a calendar year as mentioned in (2) if the data necessary to calculate the payment for the person is not available to the *Department* in which case the *pharmaceutical reimbursement* is payable to the person as soon as practicable after the data is available.

38A Five Year Limit on Payment of Pharmaceutical Reimbursement

- (1) Unless the *Commission* is of the opinion that there are special circumstances, a *pharmaceutical reimbursement* shall not be paid in respect of *co-payments* incurred by a person more than 5 calendar years before the *Commission* decision to accept financial responsibility for the *pharmaceutical reimbursement* for the person.
- (2) If the *Commission* decides there are special circumstances in relation to a person, then it is to determine a date on and from which *co-payments* are to be counted for the *pharmaceutical reimbursement* for the person.

39 Pharmaceutical Reimbursement Calculator

- (1) The *pharmaceutical reimbursement* for an *Eligible Person* is worked out as follows:

Step 1 add the *co-payments* for the *Pharmaceutical benefits* incurred by the person in the previous calendar year (sum of *co-payments*) up to the threshold of payments according to the *safety net* and disregarding any uncounted *co-payment*.

Step 2 compare the sum of *co-payments* with the sum of the pharmaceutical allowance component of the *veterans supplement*, *MRCA supplement*, *pension supplement* and *war widow/war widower pension* payable to the person in respect of the previous calendar year.

Step 3 if the sum of *co-payments* (amount 1) exceeds the sum of the pharmaceutical allowance component of the *veterans supplement*, *MRCA*

supplement, pension supplement and war widow/war widower pension payable (amount 2), the amount by which amount 1 exceeds amount 2 is the pharmaceutical reimbursement for the person.

Note: the amount of any of these payments may be zero.

40 Uncounted Co-Payment

- (1) For the Pharmaceutical Reimbursement Calculator an uncounted *co-payment* is a *co-payment* for a *Pharmaceutical benefit* where the *co-payment* is not counted for the purposes of the *safety net* applying to the person.

Note: included here are co-payments for *Pharmaceutical benefits* dispensed under the “Safety Net 20 Day Rule” (subsection 84C(4AA)) of the *National Health Act 1953*.

Part 5B—Under Co-payment Data Collection

40A Giving information

- (1) A *Community Pharmacist* who gives information to the *Secretary* in relation to the supply, under the *Scheme*, of a *Pharmaceutical benefit* by the pharmacist to an *Eligible Person*, is taken to have given that information under, and for the purposes of, the *Scheme*, provided that:
- (a) no claim for payment is made by the *Community Pharmacist* on the *Commission* or *Department* for dispensing the *Pharmaceutical benefit*; and
 - (b) the dispensing price of the *pharmaceutical benefit* is less than, or equal to, the *co-payment* that would have been paid by the *Eligible Person* for the *pharmaceutical benefit* if it had been dispensed at a price for which a *co-payment* is payable; and
 - (c) the information is given in accordance with the requirements, to the extent applicable, that apply under section 98AC of the *National Health Act 1953* to an *approved supplier* giving information to the *Secretary* in relation to the supply to a person of a pharmaceutical benefit, as if references in section 98AC to an *approved supplier* and a pharmaceutical benefit are references to, respectively, a *Community Pharmacist* and a *Pharmaceutical benefit* and the pharmaceutical benefit has been supplied under the *Scheme*.

Note: a *Community Pharmacist* includes an *Approved Hospital Authority*.

Endnotes

Endnote 1—About the endnotes

The endnotes provide information about this compilation and the compiled law.

The following endnotes are included in every compilation:

Endnote 1—About the endnotes

Endnote 2—Abbreviation key

Endnote 3—Legislation history

Endnote 4—Amendment history

Abbreviation key—Endnote 2

The abbreviation key sets out abbreviations that may be used in the endnotes.

Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can be given effect as intended, the amendment is incorporated into the compiled law and the abbreviation “(md)” added to the details of the amendment included in the amendment history.

If a misdescribed amendment cannot be given effect as intended, the abbreviation “(md not incorp)” is added to the details of the amendment included in the amendment history.
