

Environment Protection and Biodiversity Conservation (Commonwealth Marine Reserves) Proclamation 2013

I, Quentin Bryce AC CVO, Governor-General of the Commonwealth of Australia, acting with the advice of the Federal Executive Council, make the following Proclamation under subsections 344(1) and 350(1) of the *Environment Protection and Biodiversity Conservation Act 1999*.

Signed and sealed with the Great Seal
of Australia on 12 December 2013

Quentin Bryce
Governor-General

By Her Excellency's Command

Greg Hunt
Minister for the Environment

-----	--	-----

1 Name of Proclamation

This Proclamation is the *Environment Protection and Biodiversity Conservation (Commonwealth Marine Reserves) Proclamation 2013*.

2 Commencement

This Proclamation commences on the day after it is registered.

3 Authority

This Proclamation is made under subsections 344(1) and 350(1) of the *Environment Protection and Biodiversity Conservation Act 1999*.

4 Definitions

In this Proclamation:

Act means the *Environment Protection and Biodiversity Conservation Act 1999*.

Fisheries Jurisdiction Line means the line described in annex 8 of the Torres Strait Treaty.

Maritime boundary (French Republic) Agreement means the Agreement on Maritime Delimitation between the Government of Australia and the Government of the French Republic, done at Melbourne on 4 January 1982.

Note: The Agreement is in Australian Treaty Series 1983 No. 3 ([1983] ATS 3) and could in 2013 be viewed in the Australian Treaties Library on the AustLII website (<http://www.austlii.edu.au>).

Maritime boundary (New Zealand) Treaty means the Treaty between the Government of Australia and the Government of New Zealand Establishing Certain Exclusive Economic Zone Boundaries and Continental Shelf Boundaries, done at Adelaide on 25 July 2004.

Note: The Treaty is in Australian Treaty Series 2006 No. 4 ([2006] ATS 4) and could in 2013 be viewed in the Australian Treaties Library on the AustLII website (<http://www.austlii.edu.au>).

Maritime boundary (Solomon Islands) Agreement means the Agreement between the Government of Australia and the Government of Solomon Islands establishing Certain Sea and Seabed Boundaries, done at Honiara on 13 September 1988.

Note: The Agreement is in Australian Treaty Series 1989 No. 12 ([1989] ATS 12) and could in 2013 be viewed in the Australian Treaties Library on the AustLII website (<http://www.austlii.edu.au>).

Norfolk Island has the same meaning as **Territory** in subsection 4(1) of the *Norfolk Island Act 1979*.

Protected Zone means the zone established under article 10 of the Torres Strait Treaty.

Section 5

Note: The Protected Zone is bounded by the line described in annex 9 of the Torres Strait Treaty.

regulations means the *Environment Protection and Biodiversity Conservation Regulations 2000*.

scheduled area has the same meaning as in section 7 of the *Offshore Petroleum and Greenhouse Gas Storage Act 2006*.

State waters has the same meaning as **coastal waters of the State** in subsection 3(1) of the *Coastal Waters (State Powers) Act 1980*.

territorial sea baseline means the baseline from which the breadth of the territorial sea is measured under section 7 of the *Seas and Submerged Lands Act 1973*.

Territory waters has the same meaning as **coastal waters of the Territory** in subsection 3(1) of the *Coastal Waters (Northern Territory Powers) Act 1980*.

Torres Strait Treaty means the Treaty between Australia and the Independent State of Papua New Guinea concerning Sovereignty and Maritime Boundaries in the area between the two Countries, including the area known as Torres Strait, and Related Matters, done at Sydney on 18 December 1978.

Note 1: The Treaty is in Australian Treaty Series 1985 No. 4 ([1985] ATS 4) and could in 2013 be viewed in the Australian Treaties Library on the AustLII website (<http://www.austlii.edu.au>).

Note 2: A number of terms used in this Proclamation are defined in the Act, including the following:

- (a) Commonwealth reserve;
- (b) continental shelf;
- (c) exclusive economic zone;
- (d) Great Barrier Reef Marine Park;
- (e) IUCN category;
- (f) territorial sea.

5 Declaration of Commonwealth reserves

The areas described in Schedules 1 to 5 are declared to be Commonwealth reserves.

6 Names of Commonwealth reserves

For paragraph 346(1)(a) of the Act, the name of each Commonwealth reserve is the name given for the reserve in Schedules 1 to 5.

7 Purposes for Commonwealth reserves

For paragraph 346(1)(b) of the Act, each Commonwealth reserve mentioned in Schedules 1 to 5 has the following purposes:

- (a) to protect and maintain biological diversity in the reserve;
- (b) to contribute to the objectives of the national representative system of marine protected areas.

Note: The national representative system of marine protected areas (*NRSMPA*) is an Australian Government marine conservation program that ensures the conservation and sustainable use of Australia's marine and estuarine environments. In 2013 further information about the NRSMPA was available at <http://www.environment.gov.au>.

8 Depth of land included in Commonwealth reserves

- (1) For paragraph 346(1)(c) of the Act, if a Commonwealth reserve mentioned in Schedules 1 to 5 includes land, the land is included to a depth of 1 000 metres.
- (2) However, for Ashmore Reef Commonwealth Marine Reserve, the reserve includes the land to a depth of 200 metres.

9 Depth of seabed included in Commonwealth reserves

- (1) For paragraph 346(1)(d) of the Act, each Commonwealth reserve mentioned in Schedules 1 to 5 includes the seabed to a depth of 1 000 metres.
- (2) However, for Ashmore Reef Commonwealth Marine Reserve, the reserve includes the seabed to a depth of 200 metres.

10 IUCN categories of Commonwealth reserves

For paragraph 346(1)(e) of the Act, the IUCN category of each Commonwealth reserve is the IUCN category given for the reserve in Schedules 1 to 5.

11 Zones of Commonwealth reserves

For subsection 346(2) of the Act, if a Commonwealth reserve mentioned in Schedules 1 to 5 is divided into zones:

- (a) the zones are identified in the Schedule; and
- (b) each zone is assigned an IUCN category.

12 Geographic coordinates

- (1) Geographic coordinates in this Proclamation are expressed in terms of the Geocentric Datum of Australia 1994.

Note: The Geocentric Datum of Australia 1994 (also known as GDA94) was published in Gazette No. GN 35 of 6 September 1995.

- (2) However, the geographic coordinates in the following items in tables of this Proclamation are expressed in terms of the Australian Geodetic Datum 1966:
 - (a) item 1 of clause 8.3 of Schedule 3;
 - (b) item 1 of clause 8.5 of Schedule 3;
 - (c) items 1 and 2 of clause 1.3 of Schedule 4;
 - (d) items 1 and 2 of clause 1.5 of Schedule 4;
 - (e) item 38 of clause 1.6 of Schedule 4;
 - (f) item 1 of clause 1.13 of Schedule 4;
 - (g) item 2 of clause 1.13 of Schedule 4 (latitude coordinate only);
 - (h) item 5 of clause 1.14 of Schedule 4;

- (i) item 2 of clause 1.17 of Schedule 4 (latitude coordinate only).

Note: The Australian Geodetic Datum 1966 (also known as AGD66) was published in Gazette No. 84 of 6 October 1966.

13 Revocations

The following instruments are revoked:

- (a) Proclamation—Environment Protection and Biodiversity Conservation (Commonwealth Marine Reserves) Proclamation 2012 (Federal Register of Legislative Instruments (*FRLI*) No. F2012L02188);
- (b) Proclamation—Cartier Island Commonwealth Marine Reserve (FRLI No. F2012C00818);
- (c) Proclamation—Cartier Island Marine Reserve (07/06/2000) (FRLI No. F2007B00721);
- (d) Proclamation—Ashmore Reef Commonwealth Marine Reserve (FRLI No. F2012C00819);
- (e) Amendment Proclamation—Ashmore Reef National Nature Reserve (04/11/2004) (FRLI No. F2007B00722);
- (f) Proclamation—Ashmore Reef Commonwealth Marine Reserve (28/07/1983) (FRLI No. F2007B00729);
- (g) Proclamation—Mermaid Reef Commonwealth Marine Reserve (FRLI No. F2012C00820);
- (h) Amendment Proclamation—Mermaid Reef Marine National Nature Reserve (04/11/2004) (FRLI No. F2007B00724);
- (i) Proclamation—Mermaid Reef Marine National Nature Reserve (21/03/1991) (FRLI No. F2007B00727);
- (j) Proclamation—Ningaloo Commonwealth Marine Reserve (FRLI No. F2012C00821);
- (k) Amendment Proclamation—Ningaloo Marine Park (Commonwealth Waters) (21/07/1992) (FRLI No. F2007B00720);
- (l) Amendment Proclamation—Ningaloo Marine Park (Commonwealth Waters) (14/08/2003) (FRLI No. F2007B00728);
- (m) Proclamation—Ningaloo Marine Park (Commonwealth Waters) (07/05/1987) (FRLI No. F2007B00725).

Schedule 1—South-west network of Commonwealth Marine Reserves

Note: See sections 5 to 11.

Part 1—Southern Kangaroo Island Commonwealth Marine Reserve

1.1 Name of reserve

This reserve is the Southern Kangaroo Island Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

1.2 IUCN category

The Southern Kangaroo Island Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

1.3 Area of reserve

The Southern Kangaroo Island Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 36° 13' 00" S, longitude 137° 15' 00.86" E
2	North along the meridian of longitude 137° 15' 00.86" E to its intersection by the outer limit of the State waters of South Australia
3	Generally south-easterly and north-easterly along that outer limit to its intersection by the meridian of longitude 137° 43' 30.36" E
4	South along that meridian to its intersection by the parallel of latitude 36° 13' 00" S
5	West along that parallel to the point of commencement

Part 2—Western Kangaroo Island Commonwealth Marine Reserve

2.1 Name of reserve

This reserve is the Western Kangaroo Island Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

2.2 IUCN category

The Western Kangaroo Island Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

2.3 Area of reserve

The Western Kangaroo Island Commonwealth Marine Reserve consists of an area in the Southern Ocean, excluding any State waters of South Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 35° 39' 50.15" S, longitude 136° 06' 00" E
2	East along the parallel of latitude 35° 39' 50.15" S to its intersection by the outer limit of the State waters of South Australia
3	Generally south-easterly and easterly along that outer limit to its intersection by the meridian of longitude 136° 54' 00" E
4	South along that meridian to its intersection by the parallel of latitude 36° 13' 00" S
5	West along that parallel to its intersection by the meridian of longitude 136° 06' 00" E
6	North along that meridian to the point of commencement

2.4 Zones for reserve

- (1) The Western Kangaroo Island Commonwealth Marine Reserve is divided into the following zones:
 - (a) the marine national park zone described in clause 2.5 of this Part;
 - (b) the special purpose zone described in clause 2.6 of this Part.
- (2) The marine national park zone is assigned to IUCN category II (national park).
- (3) The special purpose zone is assigned to IUCN category VI (managed resource protected area).

2.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—marine national park zone	
Item	Description
1	The point of latitude 35° 39' 50.15" S, longitude 136° 14' 00" E
2	East along the parallel of latitude 35° 39' 50.15" S to its intersection by the outer limit of the State waters of South Australia
3	South-easterly along that outer limit to its intersection by the meridian of longitude 136° 23' 00" E
4	South along that meridian to its intersection by the parallel of latitude 35° 49' 00" S
5	West along that parallel to its intersection by the meridian of longitude 136° 14' 00" E
6	North along that meridian to the point of commencement

2.6 Zone 2 of reserve—special purpose zone

Zone 2 of the reserve consists of an area, excluding any State waters of South Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—special purpose zone	
Item	Description
1	The point of latitude 35° 39' 50.15" S, longitude 136° 06' 00" E
2	East along the parallel of latitude 35° 39' 50.15" S to its intersection by the meridian of longitude 136° 14' 00" E
3	South along that meridian to its intersection by the parallel of latitude 35° 49' 00" S
4	East along that parallel to its intersection by the meridian of longitude 136° 23' 00" E
5	North along that meridian to its intersection by the outer limit of the State waters of South Australia
6	Generally south-easterly and easterly along that outer limit to its intersection by the meridian of longitude 136° 54' 00" E
7	South along that meridian to its intersection by the parallel of latitude 36° 13' 00" S
8	West along that parallel to its intersection by the meridian of longitude 136° 06' 00" E
9	North along that meridian to the point of commencement

Clause 3.1

Part 3—Western Eyre Commonwealth Marine Reserve

3.1 Name of reserve

This reserve is the Western Eyre Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

3.2 IUCN category

The Western Eyre Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

3.3 Area of reserve

The Western Eyre Commonwealth Marine Reserve consists of an area in the Southern Ocean, excluding any State waters of South Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 32° 23' 00" S, longitude 133° 00' 00" E
2	East along the parallel of latitude 32° 23' 00" S to its intersection by the meridian of longitude 133° 07' 20.89" E
3	North along that meridian to its intersection by the outer limit of the State waters of South Australia
4	Generally south-easterly, westerly, southerly, easterly and south-easterly along that outer limit to its intersection by the parallel of latitude 33° 15' 42.09" S
5	West along that parallel to its intersection by the meridian of longitude 134° 12' 00" E
6	South along that meridian to its intersection by the parallel of latitude 33° 48' 00" S
7	East along that parallel to its westernmost intersection by the outer limit of the State waters of South Australia, adjacent to Ward Islands
8	Generally easterly along that outer limit to its easternmost intersection by the parallel of latitude 33° 48' 00" S
9	East along that parallel of latitude to its westernmost intersection by the outer limit of the State waters of South Australia, adjacent to Flinders Island
10	Generally easterly along that outer limit to its easternmost intersection by the parallel of latitude 33° 48' 00" S
11	East along that parallel to its intersection by the meridian of longitude 134° 42' 00" E
12	South along that meridian to its intersection by the parallel of latitude 34° 23' 00" S
13	West along that parallel to its intersection by the meridian of longitude 134° 12' 00" E

Area of reserve	
Item	Description
14	South along that meridian to its intersection by the parallel of latitude 35° 03' 00" S
15	South-easterly along the geodesic to the point of latitude 35° 12' 00" S, longitude 134° 30' 00" E
16	South along the meridian of longitude 134° 30' 00" E to its intersection by the parallel of latitude 35° 36' 00" S
17	East along that parallel to its intersection by the meridian of longitude 135° 03' 00" E
18	South-easterly along the geodesic to the point of latitude 35° 55' 30" S, longitude 135° 30' 00" E
19	South along the meridian of longitude 135° 30' 00" E to its intersection by the parallel of latitude 36° 18' 00" S
20	West along that parallel to its intersection by the meridian of longitude 134° 30' 00" E
21	South along that meridian to its intersection by the parallel of latitude 37° 00' 00" S
22	South-easterly along the geodesic to the intersection of the meridian of longitude 134° 54' 00" E by the outer limit of the exclusive economic zone
23	Generally north-westerly along that outer limit to its intersection by the meridian of longitude 133° 36' 00" E
24	North-easterly along the geodesic to the point of latitude 37° 00' 00" S, longitude 134° 00' 00" E
25	North along the meridian of longitude 134° 00' 00" E to its intersection by the parallel of latitude 35° 08' 00" S
26	North-westerly along the geodesic to the point of latitude 35° 02' 00" S, longitude 133° 45' 00" E
27	North along the meridian of longitude 133° 45' 00" E to its intersection by the parallel of latitude 34° 24' 00" S
28	West along that parallel to its intersection by the meridian of longitude 133° 00' 00" E
29	North along that meridian to the point of commencement

3.4 Zones for reserve

- (1) The Western Eyre Commonwealth Marine Reserve is divided into the following zones:
 - (a) the special purpose zone described in clause 3.5 of this Part;
 - (b) the marine national park zones described in clauses 3.6, 3.7 and 3.9 of this Part;
 - (c) the multiple use zone described in clause 3.8 of this Part.
- (2) The special purpose zone described in clause 3.5 of this Part is assigned to IUCN category VI (managed resource protected area).
- (3) The marine national park zones described in clauses 3.6, 3.7 and 3.9 of this Part are each assigned to IUCN category II (national park).
- (4) The multiple use zone described in clause 3.8 of this Part is assigned to IUCN category VI (managed resource protected area).

Clause 3.5

3.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area, excluding the zone described in clause 3.6, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—special purpose zone	
Item	Description
1	The point of latitude 32° 23' 00" S, longitude 133° 00' 00" E
2	East along the parallel of latitude 32° 23' 00" S to its intersection by the meridian of longitude 133° 07' 20.89" E
3	North along that meridian to its intersection by the outer limit of the State waters of South Australia
4	Generally south-easterly, westerly, southerly, easterly and south-easterly along that outer limit to its intersection by the parallel of latitude 33° 15' 42.09" S
5	West along that parallel to its intersection by the meridian of longitude 134° 12' 00" E
6	South along that meridian to its intersection by the parallel of latitude 33° 48' 00" S
7	East along that parallel to its westernmost intersection by the outer limit of the State waters of South Australia, adjacent to Ward Islands
8	Generally easterly along that outer limit to its easternmost intersection by the parallel of latitude 33° 48' 00" S
9	East along that parallel of latitude to its westernmost intersection by the outer limit of the State waters of South Australia, adjacent to Flinders Island
10	Generally easterly along that outer limit to its easternmost intersection by the parallel of latitude 33° 48' 00" S
11	East along that parallel to its intersection by the meridian of longitude 134° 42' 00" E
12	South along that meridian to its intersection by the parallel of latitude 34° 23' 00" S
13	West along that parallel to its intersection by the meridian of longitude 134° 32' 00" E
14	North along that meridian to its intersection by the parallel of latitude 34° 06' 00" S
15	West along that parallel to its intersection by the meridian of longitude 134° 24' 00" E
16	North along that meridian to its intersection by the parallel of latitude 33° 59' 36" S
17	West along that parallel to its intersection by the outer limit of the State waters of South Australia, adjacent to Pearson Isles
18	Generally south-westerly and north-westerly along that outer limit to its intersection by the meridian of longitude 134° 12' 00" E
19	South along that meridian to its intersection by the parallel of latitude 35° 00' 00" S
20	West along that parallel to its intersection by the meridian of longitude 133° 45' 00" E
21	North along that meridian to its intersection by the parallel of latitude 34° 24' 00" S
22	West along that parallel to its intersection by the meridian of longitude 133° 00' 00" E
23	North along that meridian to the point of commencement

3.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone	
Item	Description
1	The point of latitude 33° 12' 00" S, longitude 133° 39' 00" E
2	East along the parallel of latitude 33° 12' 00" S to its intersection by the meridian of longitude 133° 54' 00" E
3	South along that meridian to its intersection by the parallel of latitude 33° 27' 00" S
4	West along that parallel to its intersection by the meridian of longitude 133° 39' 00" E
5	North along that meridian to the point of commencement

3.7 Zone 3 of reserve—marine national park zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—marine national park zone	
Item	Description
1	The point of latitude 33° 59' 36" S, longitude 134° 24' 00" E
2	South along the meridian of longitude 134° 24' 00" E to its intersection by the parallel of latitude 34° 06' 00" S
3	East along that parallel to its intersection by the meridian of longitude 134° 32' 00" E
4	South along that meridian to its intersection by the parallel of latitude 34° 23' 00" S
5	West along that parallel to its intersection by the meridian of longitude 134° 12' 00" E
6	North along that meridian to its intersection by the outer limit of the State waters of South Australia, adjacent to Pearson Isles
7	Generally south-easterly and north-easterly along that outer limit to its intersection by the parallel of latitude 33° 59' 36" S
8	East along that parallel to the point of commencement

3.8 Zone 4 of reserve—multiple use zone

Zone 4 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—multiple use zone	
Item	Description
1	The point of latitude 35° 00' 00" S, longitude 133° 45' 00" E
2	East along the parallel of latitude 35° 00' 00" S to its intersection by the meridian of longitude 134° 12' 00" E
3	South along that meridian to its intersection by the parallel of latitude 35° 03' 00" S

Schedule 1 South-west network of Commonwealth Marine Reserves
Part 3 Western Eyre Commonwealth Marine Reserve

Clause 3.9

Zone 4 of reserve—multiple use zone

Item	Description
4	South-easterly along the geodesic to the point of latitude 35° 12' 00" S, longitude 134° 30' 00" E
5	South along the meridian of longitude 134° 30' 00" E to its intersection by the parallel of latitude 35° 36' 00" S
6	East along that parallel to its intersection by the meridian of longitude 135° 03' 00" E
7	South-easterly along the geodesic to the point of latitude 35° 55' 30" S, longitude 135° 30' 00" E
8	South along the meridian of longitude 135° 30' 00" E to its intersection by the parallel of latitude 36° 18' 00" S
9	West along that parallel to its intersection by the meridian of longitude 134° 30' 00" E
10	South along that meridian to its intersection by the parallel of latitude 37° 00' 00" S
11	West along that parallel to its intersection by the meridian of longitude 134° 00' 00" E
12	North along that meridian to its intersection by the parallel of latitude 35° 08' 00" S
13	North-westerly along the geodesic to the point of latitude 35° 02' 00" S, longitude 133° 45' 00" E
14	North along the meridian of longitude 133° 45' 00" E to the point of commencement

3.9 Zone 5 of reserve—marine national park zone

Zone 5 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 5 of reserve—marine national park zone

Item	Description
1	The point of latitude 37° 00' 00" S, longitude 134° 00' 00" E
2	East along the parallel of latitude 37° 00' 00" S to its intersection by the meridian of longitude 134° 30' 00" E
3	South-easterly along the geodesic to the intersection of the meridian of longitude 134° 54' 00" E by the outer limit of the exclusive economic zone
4	Generally north-westerly along that outer limit to its intersection by the meridian of longitude 133° 36' 00" E
5	North-easterly along the geodesic to the point of commencement

Part 4—Murat Commonwealth Marine Reserve

4.1 Name of reserve

This reserve is the Murat Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

4.2 IUCN category

The Murat Commonwealth Marine Reserve is assigned to IUCN category II (national park).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

4.3 Area of reserve

The Murat Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 32° 22' 00" S, longitude 132° 30' 00" E
2	East along the parallel of latitude 32° 22' 00" S to its intersection by the meridian of longitude 132° 48' 00" E
3	South along that meridian to its intersection by the parallel of latitude 32° 40' 00" S
4	West along that parallel to its intersection by the meridian of longitude 132° 30' 00" E
5	North along that meridian to the point of commencement

Part 5—Great Australian Bight Commonwealth Marine Reserve

5.1 Name of reserve

This reserve is the Great Australian Bight Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

5.2 IUCN category

The Great Australian Bight Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

5.3 Area of reserve

The Great Australian Bight Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 32° 12' 00" S, longitude 132° 08' 00" E
2	West along the parallel of latitude 32° 12' 00" S to its intersection by the meridian of longitude 131° 14' 06" E
3	South along that meridian to its intersection by the parallel of latitude 32° 28' 00" S
4	West along that parallel to its intersection by the meridian of longitude 130° 51' 58" E
5	South along that meridian to its intersection by the parallel of latitude 34° 18' 00" S
6	East along that parallel to its intersection by the meridian of longitude 131° 30' 00" E
7	South along that meridian to its intersection by the outer limit of the exclusive economic zone
8	Generally north-westerly along that outer limit to its intersection by the meridian of longitude 130° 28' 02" E
9	North along that meridian to its intersection by the parallel of latitude 32° 28' 00" S
10	West along that parallel to its intersection by the meridian of longitude 130° 22' 00" E
11	North along that meridian to its intersection by the parallel of latitude 32° 12' 00" S
12	West along that parallel to its intersection by the boundary between the scheduled areas of Western Australia and South Australia
13	North along that boundary to the westernmost point on the outer limit of the State waters of South Australia
14	Generally easterly and south-easterly along that outer limit to its intersection by the meridian

Area of reserve	
Item	Description
	of longitude 132° 08' 00" E
15	South along that meridian to the point of commencement

5.4 Zones for reserve

- (1) The Great Australian Bight Commonwealth Marine Reserve is divided into the following zones:
 - (a) the special purpose zones described in clauses 5.5, 5.7 and 5.8 of this Part;
 - (b) the marine national park zone described in clause 5.6 of this Part;
 - (c) the multiple use zone described in clause 5.9 of this Part.
- (2) The marine national park zone is assigned to IUCN category II (national park).
- (3) The special purpose zones are each assigned to IUCN category VI (managed resource protected area).
- (4) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

5.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—special purpose zone	
Item	Description
1	The point of latitude 32° 12' 00" S, longitude 132° 08' 00" E
2	West along the parallel of latitude 32° 12' 00" S to its intersection by the meridian of longitude 131° 14' 06" E
3	North along that meridian to its intersection by the outer limit of the State waters of South Australia
4	Generally south-easterly along that outer limit to its intersection by the meridian of longitude 132° 08' 00" E
5	South along that meridian to the point of commencement

5.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone	
Item	Description
1	The point of latitude 32° 28' 00" S, longitude 130° 22' 00" E
2	North along the meridian of longitude 130° 22' 00" E to its intersection by the outer limit of the State waters of South Australia

Schedule 1 South-west network of Commonwealth Marine Reserves
Part 5 Great Australian Bight Commonwealth Marine Reserve

Clause 5.7

Zone 2 of reserve—marine national park zone

Item	Description
3	Generally easterly along that outer limit to its intersection by the meridian of longitude 131° 14' 06" E
4	South along that meridian to its intersection by the parallel of latitude 32° 28' 00" S
5	West along that parallel to the point of commencement

5.7 Zone 3 of reserve—special purpose zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—special purpose zone

Item	Description
1	The point of latitude 32° 12' 00" S, longitude 130° 22' 00" E
2	West along the parallel of latitude 32° 12' 00" S to its intersection by the boundary between the scheduled areas of Western Australia and South Australia
3	North along that boundary to the westernmost point on the outer limit of the State waters of South Australia
4	Generally easterly along that outer limit to its intersection by the meridian of longitude 130° 22' 00" E
5	South along that meridian to the point of commencement

5.8 Zone 4 of reserve—special purpose zone

Zone 4 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—special purpose zone

Item	Description
1	The point of latitude 32° 28' 00" S, longitude 130° 28' 02" E
2	East along the parallel of latitude 32° 28' 00" S to its intersection by the meridian of longitude 130° 51' 58" E
3	South along that meridian to its intersection by the parallel of latitude 33° 24' 00" S
4	West along that parallel to its intersection by the meridian of longitude 130° 28' 02" E
5	North along that meridian to the point of commencement

5.9 Zone 5 of reserve—multiple use zone

Zone 5 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 5 of reserve—multiple use zone

Item	Description
1	The point of latitude 33° 24' 00" S, longitude 130° 28' 02" E
2	East along the parallel of latitude 33° 24' 00" S to its intersection by the meridian of longitude 130° 51' 58" E
3	South along that meridian to its intersection by the parallel of latitude 34° 18' 00" S
4	East along that parallel to its intersection by the meridian of longitude 131° 30' 00" E
5	South along that meridian to its intersection by the outer limit of the exclusive economic zone
6	Generally north-westerly along that outer limit to its intersection by the meridian of longitude 130° 28' 02" E
7	North along that meridian to the point of commencement

Part 6—Twilight Commonwealth Marine Reserve

6.1 Name of reserve

This reserve is the Twilight Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

6.2 IUCN category

The Twilight Commonwealth Marine Reserve is assigned to IUCN category II (national park).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

6.3 Area of reserve

The Twilight Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 33° 06' 00" S, longitude 125° 48' 00" E
2	North along the meridian of longitude 125° 48' 00" E to its intersection by the outer limit of the State waters of Western Australia
3	Generally north-easterly and easterly along that outer limit to its intersection by the meridian of longitude 126° 26' 24" E
4	South along that meridian to its intersection by the parallel of latitude 32° 58' 00" S
5	South-westerly along the geodesic to the point of commencement

Part 7—Eastern Recherche Commonwealth Marine Reserve

7.1 Name of reserve

This reserve is the Eastern Recherche Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

7.2 IUCN category

The Eastern Recherche Commonwealth Marine Reserve is assigned to IUCN category II (national park).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

7.3 Area of reserve

The Eastern Recherche Commonwealth Marine Reserve consists of an area in the Southern Ocean, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 33° 36' 00" S, longitude 124° 18' 00" E
2	South along the meridian of longitude 124° 18' 00" E to its intersection by the parallel of latitude 34° 12' 00" S
3	West along that parallel to its intersection by the meridian of longitude 124° 00' 00" E
4	South along that meridian to its intersection by the parallel of latitude 36° 00' 00" S
5	West along that parallel to its intersection by the meridian of longitude 123° 40' 00" E
6	South along that meridian to its intersection by the outer limit of the exclusive economic zone
7	Westerly along that outer limit to its intersection by the meridian of longitude 123° 20' 00" E
8	North along that meridian to its southernmost intersection by the outer limit of the State waters of Western Australia, adjacent to Dome Island
9	Generally easterly, northerly, and westerly along that outer limit to its northernmost intersection by the meridian of longitude 123° 20' 00" E
10	North along that meridian to its intersection by the outer limit of the State waters of Western Australia
11	Generally north-easterly along that outer limit to its intersection by the parallel of latitude 33° 36' 00" S
12	East along that parallel to the point of commencement

Clause 7.4

7.4 Zones for reserve

- (1) The Eastern Recherche Commonwealth Marine Reserve is divided into the following zones:
 - (a) the special purpose zone described in clause 7.5 of this Part;
 - (b) the marine national park zones described in clauses 7.6 and 7.7 of this Part.
- (2) The special purpose zone is assigned to IUCN category VI (managed resource protected area).
- (3) The marine national park zones are each assigned to IUCN category II (national park).

7.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—special purpose zone	
Item	Description
1	The point of latitude 34° 39' 00" S, longitude 123° 20' 00" E
2	North along the meridian of longitude 123° 20' 00" E to its southernmost intersection by the outer limit of the State waters of Western Australia, adjacent to Dome Island
3	Generally easterly, northerly, and westerly along that outer limit to its northernmost intersection by the meridian of longitude 123° 20' 00" E
4	North along that meridian to its intersection by the outer limit of the State waters of Western Australia
5	Generally north-easterly along that outer limit to its intersection by the meridian of longitude 124° 00' 00" E
6	South along that meridian to its intersection by the outer limit of the State waters of Western Australia, adjacent to Ford Island
7	Generally south-westerly and south-easterly along that outer limit to its intersection by the meridian of longitude 124° 00' 00" E, adjacent to Rodondo Island
8	South along that meridian to its intersection by the parallel of latitude 34° 39' 00" S
9	West along that parallel to the point of commencement

7.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone	
Item	Description
1	The point of latitude 33° 36' 00" S, longitude 124° 18' 00" E
2	South along the meridian of longitude 124° 18' 00" E to its intersection by the parallel of latitude 34° 12' 00" S
3	West along that parallel to its intersection by the meridian of longitude 124° 00' 00" E

Zone 2 of reserve—marine national park zone

Item	Description
4	North along that meridian to its intersection by the outer limit of the State waters of Western Australia, adjacent to Rodondo Island
5	Generally easterly, northerly, and westerly along that outer limit to its intersection by the meridian of longitude 124° 00' 00" E, adjacent to Ford Island
6	North along that meridian to its intersection by the outer limit of the State waters of Western Australia
7	Generally easterly and northerly along that outer limit to its intersection by the parallel of latitude 33° 36' 00" S
8	East along that parallel to the point of commencement

7.7 Zone 3 of reserve—marine national park zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—marine national park zone

Item	Description
1	The point of latitude 34° 39' 00" S, longitude 123° 20' 00" E
2	East along the parallel of latitude 34° 39' 00" S to its intersection by the meridian of longitude 124° 00' 00" E
3	South along that meridian to its intersection by the parallel of latitude 36° 00' 00" S
4	West along that parallel to its intersection by the meridian of longitude 123° 40' 00" E
5	South along that meridian to its intersection by the outer limit of the exclusive economic zone
6	Westerly along that outer limit to its intersection by the meridian of longitude 123° 20' 00" E
7	North along that meridian to the point of commencement

Part 8—South-west Corner Commonwealth Marine Reserve

8.1 Name of reserve

This reserve is the South-west Corner Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

8.2 IUCN category

The South-west Corner Commonwealth Marine Reserve is assigned to IUCN category II (national park).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

8.3 Area of reserve

The South-west Corner Commonwealth Marine Reserve consists of an area in the Indian and Southern Oceans, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 36° 42' 00" S, longitude 116° 36' 00" E
2	North along the meridian of longitude 116° 36' 00" E to its intersection by the outer limit of the State waters of Western Australia
3	Generally easterly along that outer limit to its intersection by the meridian of longitude 117° 06' 00" E
4	South along that meridian to its intersection by the parallel of latitude 36° 42' 00" S
5	East along that parallel to its intersection by the meridian of longitude 120° 38' 00" E
6	North along that meridian to its intersection by the outer limit of the State waters of Western Australia
7	Generally easterly along that outer limit to its intersection by the meridian of longitude 121° 24' 00" E
8	South along that meridian to its intersection by the parallel of latitude 34° 40' 00" S
9	East along that parallel to its intersection by the meridian of longitude 122° 00' 00" E
10	South along that meridian to its intersection by the outer limit of the exclusive economic zone
11	Generally westerly, north-westerly and northerly along that outer limit to its intersection by the parallel of latitude 33° 30' 00" S
12	East along that parallel to its intersection by the outer limit of the State waters of Western Australia
13	Generally southerly and south-easterly along that outer limit to its intersection by the

Area of reserve	
Item	Description
	meridian of longitude 115° 42' 00" E
14	South along that meridian to its intersection by the parallel of latitude 34° 36' 00" S
15	West along that parallel to its intersection by the meridian of longitude 114° 24' 00" E
16	North along that meridian to its intersection by the parallel of latitude 34° 09' 00" S
17	West along that parallel to its intersection by the meridian of longitude 113° 06' 00" E
18	South along that meridian to its intersection by the parallel of latitude 35° 12' 00" S
19	South-easterly along the geodesic to the point of commencement

8.4 Zones for reserve

- (1) The South-west Corner Commonwealth Marine Reserve is divided into the following zones:
 - (a) the marine national park zones described in clauses 8.5, 8.8, 8.9, 8.11, 8.13 and 8.17 of this Part;
 - (b) the multiple use zones described in clauses 8.6 and 8.15 of this Part;
 - (c) the special purpose zones (oil and gas exclusion) described in clauses 8.7 and 8.10 of this Part;
 - (d) the special purpose zones described in clauses 8.14 and 8.16 of this Part;
 - (e) the habitat protection zone described in clause 8.12 of this Part.
- (2) The marine national park zones are each assigned to IUCN category II (national park).
- (3) The multiple use zones, special purpose zones (oil and gas exclusion) and special purpose zones are each assigned to IUCN category VI (managed resource protected area).
- (4) The habitat protection zone is assigned to IUCN category IV (habitat/species management area).

8.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—marine national park zone	
Item	Description
1	The point of latitude 33° 30' 00" S, longitude 111° 42' 00" E
2	South along the meridian of longitude 111° 42' 00" E to its intersection by the parallel of latitude 35° 12' 00" S
3	West along that parallel to its intersection by the outer limit of the exclusive economic zone
4	Generally northerly along that outer limit to its intersection by the parallel of latitude 33° 30' 00" S
5	East along that parallel to the point of commencement

Clause 8.6

8.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 33° 30' 00" S, longitude 111° 42' 00" E
2	East along the parallel of latitude 33° 30' 00" S to its intersection by the meridian of longitude 113° 54' 00" E
3	South along that meridian to its intersection by the parallel of latitude 34° 09' 00" S
4	West along that parallel to its intersection by the meridian of longitude 113° 06' 00" E
5	South along that meridian to its intersection by the parallel of latitude 35° 12' 00" S
6	West along that parallel to its intersection by the meridian of longitude 111° 42' 00" E
7	North along that meridian to the point of commencement

8.7 Zone 3 of reserve—special purpose zone (oil and gas exclusion)

Zone 3 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—special purpose zone (oil and gas exclusion)	
Item	Description
1	The point of latitude 33° 30' 00" S, longitude 113° 54' 00" E
2	East along the parallel of latitude 33° 30' 00" S to its intersection by the meridian of longitude 114° 24' 00" E
3	South along that meridian to its intersection by the parallel of latitude 33° 42' 00" S
4	East along that parallel to its intersection by the meridian of longitude 114° 36' 00" E
5	North along that meridian to its intersection by the parallel of latitude 33° 30' 00" S
6	East along that parallel to its intersection by the outer limit of the State waters of Western Australia
7	Generally southerly along that outer limit to its intersection by the parallel of latitude 34° 03' 00" S
8	West along that parallel to its intersection by the meridian of longitude 114° 24' 00" E
9	South along that meridian to its intersection by the parallel of latitude 34° 09' 00" S
10	West along that parallel to its intersection by the meridian of longitude 113° 54' 00" E
11	North along that meridian to the point of commencement

8.8 Zone 4 of reserve—marine national park zone

Zone 4 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—marine national park zone

Item Description

1	The point of latitude 33° 30' 00" S, longitude 114° 24' 00" E
2	East along the parallel of latitude 33° 30' 00" S to its intersection by the meridian of longitude 114° 36' 00" E
3	South along that meridian to its intersection by the parallel of latitude 33° 42' 00" S
4	West along that parallel to its intersection by the meridian of longitude 114° 24' 00" E
5	North along that meridian to the point of commencement

8.9 Zone 5 of reserve—marine national park zone

Zone 5 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 5 of reserve—marine national park zone

Item Description

1	The point of latitude 34° 03' 00" S, longitude 114° 24' 00" E
2	East along the parallel of latitude 34° 03' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally southerly along that outer limit to its intersection by the parallel of latitude 34° 09' 00" S
4	West along that parallel to its intersection by the meridian of longitude 114° 24' 00" E
5	North along that meridian to the point of commencement

8.10 Zone 6 of reserve—special purpose zone (oil and gas exclusion)

Zone 6 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 6 of reserve—special purpose zone (oil and gas exclusion)

Item Description

1	The point of latitude 34° 09' 00" S, longitude 114° 24' 00" E
2	East along the parallel of latitude 34° 09' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally southerly and south-easterly along that outer limit to its intersection by the meridian of longitude 115° 33' 00" E
4	South along that meridian to its intersection by the parallel of latitude 34° 36' 00" S
5	West along that parallel to its intersection by the meridian of longitude 114° 24' 00" E
6	North along that meridian to the point of commencement

Clause 8.11

8.11 Zone 7 of reserve—marine national park zone

Zone 7 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 7 of reserve—marine national park zone

Item	Description
1	The point of latitude 34° 36' 00" S, longitude 115° 33' 00" E
2	North along the meridian of longitude 115° 33' 00" E to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-easterly along that outer limit to its intersection by the meridian of longitude 115° 42' 00" E
4	South along that meridian to its intersection by the parallel of latitude 34° 36' 00" S
5	West along that parallel to the point of commencement

8.12 Zone 8 of reserve—habitat protection zone

Zone 8 of the reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 8 of reserve—habitat protection zone

Item	Description
1	The point of latitude 35° 12' 00" S, longitude 113° 06' 00" E
2	South-easterly along the geodesic to the point of latitude 36° 42' 00" S, longitude 116° 36' 00" E
3	South-westerly along the geodesic to the intersection of the meridian of longitude 115° 48' 00" E by the outer limit of the exclusive economic zone
4	Generally north-westerly along that outer limit to its intersection by the parallel of latitude 35° 12' 00" S
5	East along that parallel to the point of commencement

8.13 Zone 9 of reserve—marine national park zone

Zone 9 of the reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 9 of reserve—marine national park zone

Item	Description
1	The point of latitude 36° 42' 00" S, longitude 116° 36' 00" E
2	North along the meridian of longitude 116° 36' 00" E to its intersection by the parallel of latitude 35° 24' 00" S
3	East along that parallel to its intersection by the meridian of longitude 117° 02' 00" E
4	North along that meridian to its intersection by the outer limit of the State waters of Western Australia
5	Generally easterly along that outer limit to its intersection by the meridian of longitude 117°

Zone 9 of reserve—marine national park zone

Item	Description
	06' 00" E
6	South along that meridian to its intersection by the parallel of latitude 36° 42' 00" S
7	East along that parallel to its intersection by the meridian of longitude 120° 38' 00" E
8	North along that meridian to its intersection by the parallel of latitude 35° 22' 00" S
9	North-easterly along the geodesic to the point of latitude 35° 04' 00" S, longitude 121° 46' 00" E
10	North along the meridian of longitude 121° 46' 00" E to its intersection by the parallel of latitude 34° 40' 00" S
11	East along that parallel to its intersection by the meridian of longitude 122° 00' 00" E
12	South along that meridian to its intersection by the outer limit of the exclusive economic zone
13	Generally westerly along that outer limit to its intersection by the meridian of longitude 115° 48' 00" E
14	North-easterly along the geodesic to the point of commencement

8.14 Zone 10 of reserve—special purpose zone

Zone 10 of the reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 10 of reserve—special purpose zone

Item	Description
1	The point of latitude 35° 24' 00" S, longitude 116° 36' 00" E
2	North along the meridian of longitude 116° 36' 00" E to its intersection by the outer limit of the State waters of Western Australia
3	Generally easterly along that outer limit to its intersection by the meridian of longitude 117° 02' 00" E
4	South along that meridian to its intersection by the parallel of latitude 35° 24' 00" S
5	West along that parallel to the point of commencement

8.15 Zone 11 of reserve—multiple use zone

Zone 11 of the reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 11 of reserve—multiple use zone

Item	Description
1	The point of latitude 34° 33' 00" S, longitude 120° 38' 00" E
2	East along the parallel of latitude 34° 33' 00" S to its intersection by the meridian of longitude 121° 24' 00" E
3	South along that meridian to its intersection by the parallel of latitude 34° 40' 00" S
4	East along that parallel to its intersection by the meridian of longitude 121° 46' 00" E

Clause 8.16

Zone 11 of reserve—multiple use zone

Item	Description
5	South along that meridian to its intersection by the parallel of latitude 35° 04' 00" S
6	South-westerly along the geodesic to the point of latitude 35° 22' 00" S, longitude 120° 38' 00" E
7	North along the meridian of longitude 120° 38' 00" E to the point of commencement

8.16 Zone 12 of reserve—special purpose zone

Zone 12 of the reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 12 of reserve—special purpose zone

Item	Description
1	The point of latitude 34° 33' 00" S, longitude 120° 38' 00" E
2	North along the meridian of longitude 120° 38' 00" E to its intersection by the outer limit of the State waters of Western Australia
3	Generally easterly along that outer limit to its intersection by the meridian of longitude 120° 52' 00" E
4	South along that meridian to its northernmost intersection by the outer limit of the State waters of Western Australia, adjacent to Investigator Island
5	Generally westerly, southerly and easterly along that outer limit to its southernmost intersection by the meridian of longitude 120° 52' 00" E
6	South along that meridian to its intersection by the parallel of latitude 34° 18' 00" S
7	East along that parallel to its intersection by the meridian of longitude 121° 10' 00" E
8	North along that meridian to its intersection by the outer limit of the State waters of Western Australia
9	Generally easterly along that outer limit to its intersection by the meridian of longitude 121° 24' 00" E
10	South along that meridian to its intersection by the parallel of latitude 34° 33' 00" S
11	West along that parallel to the point of commencement

8.17 Zone 13 of reserve—marine national park zone

Zone 13 of the reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 13 of reserve—marine national park zone

Item	Description
1	The point of latitude 34° 18' 00" S, longitude 120° 52' 00" E
2	East along the parallel of latitude 34° 18' 00" S to its intersection by the meridian of longitude 121° 10' 00" E
3	North along that meridian to its intersection by the outer limit of the State waters of Western Australia

Zone 13 of reserve—marine national park zone

Item	Description
4	Generally westerly along that outer limit to its intersection by the meridian of longitude 120° 52' 00" E
5	South along that meridian to its northernmost intersection by the outer limit of the State waters of Western Australia, adjacent to Investigator Island
6	Generally easterly, southerly and westerly along that outer limit to its southernmost intersection by the meridian of longitude 120° 52' 00" E
7	South along that meridian to the point of commencement

Part 9—Bremer Commonwealth Marine Reserve

9.1 Name of reserve

This reserve is the Bremer Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

9.2 IUCN category

The Bremer Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

9.3 Area of reserve

The Bremer Commonwealth Marine Reserve consists of an area in the Southern Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 34° 24' 00" S, longitude 120° 06' 00" E
2	South along the meridian of longitude 120° 06' 00" E to its intersection by the parallel of latitude 35° 12' 00" S
3	West along that parallel to its intersection by the meridian of longitude 119° 36' 00" E
4	North along that meridian to its intersection by the outer limit of the State waters of Western Australia
5	Generally easterly and northerly along that outer limit to its intersection by the meridian of longitude 119° 40' 48" E or, or closest to, the parallel of latitude 34° 22' 20" S
6	North along that meridian to its intersection by the outer limit of the State waters of Western Australia
7	Generally north-easterly along that outer limit to its intersection by the meridian of longitude 119° 49' 30" E
8	South along that meridian to its intersection by the parallel of latitude 34° 24' 00" S
9	East along that parallel to the point of commencement

9.4 Zones for reserve

- (1) The Bremer Commonwealth Marine Reserve is divided into the following zones:
- the marine national park zone described in clause 9.5 of this Part;
 - the special purpose zone described in clauses 9.6 of this Part;
 - the multiple use zone described in clause 9.7 of this Part.

- (2) The marine national park zone is assigned to IUCN category II (national park).
- (3) The special purpose zone and multiple use zone are each assigned to IUCN category VI (managed resource protected area).

9.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—marine national park zone	
Item	Description
1	The point of latitude 34° 18' 00" S, longitude 119° 49' 30" E
2	West along the parallel of latitude 34° 18' 00" S to its intersection by the meridian of longitude 119° 40' 48" E
3	North along that meridian to its intersection by the outer limit of the State waters of Western Australia
4	Generally north-easterly along that outer limit to its intersection by the meridian of longitude 119° 49' 30" E
5	South along that meridian to the point of commencement

9.6 Zone 2 of reserve—special purpose zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—special purpose zone	
Item	Description
1	The point of latitude 34° 24' 00" S, longitude 120° 06' 00" E
2	South along the meridian of longitude 120° 06' 00" E to its intersection by the parallel of latitude 34° 36' 00" S
3	West along that parallel to its intersection by the meridian of longitude 120° 00' 00" E
4	South-westerly along the geodesic to the point of latitude 34° 42' 00" S, longitude 119° 36' 00" E
5	North along the meridian of longitude 119° 36' 00" E to its intersection by the outer limit of the State waters of Western Australia
6	Generally easterly and northerly along that outer limit to its intersection by the meridian of longitude 119° 40' 48" E on, or closest to, the parallel of latitude 34° 22' 20" S
7	North along that meridian to its intersection by the parallel of latitude 34° 18' 00" S
8	East along that parallel to its intersection by the meridian of longitude 119° 49' 30" E
9	South along that meridian to its intersection by the parallel of latitude 34° 24' 00" S
10	East along that parallel to the point of commencement

Clause 9.7

9.7 Zone 3 of reserve—multiple use zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—multiple use zone	
Item	Description
1	The point of latitude 34° 36' 00" S, longitude 120° 06' 00" E
2	West along the parallel of latitude 34° 36' 00" S to its intersection by the meridian of longitude 120° 00' 00" E
3	South-westerly along the geodesic to the point of latitude 34° 42' 00" S, longitude 119° 36' 00" E
4	South along the meridian of longitude 119° 36' 00" E to its intersection by the parallel of latitude 35° 12' 00" S
5	East along that parallel to its intersection by the meridian of longitude 120° 06' 00" E
6	North along that meridian to the point of commencement

Part 10—Geographe Commonwealth Marine Reserve

10.1 Name of reserve

This reserve is the Geographe Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

10.2 IUCN category

The Geographe Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

10.3 Area of reserve

The Geographe Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 33° 21' 00" S, longitude 115° 03' 00" E
2	East along the parallel of latitude 33° 21' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-westerly, westerly and north-westerly along that outer limit to its intersection by the meridian of longitude 115° 03' 00" E
4	North along that meridian to the point of commencement

10.4 Zones for reserve

- (1) The Geographe Commonwealth Marine Reserve is divided into the following zones:
 - (a) the special purpose zone described in clause 10.5 of this Part;
 - (b) the multiple use zone described in clause 10.6 of this Part;
 - (c) the marine national park zones described in clauses 10.7 and 10.8 of this Part.
- (2) The special purpose zone and multiple use zone are each assigned to IUCN category VI (managed resource protected area).
- (3) The marine national park zones are each assigned to IUCN category II (national park).

Clause 10.5

10.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—special purpose zone	
Item	Description
1	The point of latitude 33° 21' 00" S, longitude 115° 03' 00" E
2	East along the parallel of latitude 33° 21' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 33° 29' 00" S
4	West along that parallel to its intersection by the meridian of longitude 115° 03' 00" E
5	North along that meridian to the point of commencement

10.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 33° 29' 00" S, longitude 115° 03' 00" E
2	South along the meridian of longitude 115° 03' 00" E to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-easterly along that outer limit to its intersection by the meridian of longitude 115° 12' 00" E
4	North along that meridian to its intersection by the parallel of latitude 33° 34' 00" S
5	East along that parallel to its intersection by the meridian of longitude 115° 14' 00" E
6	South along that meridian to its intersection by the outer limit of the State waters of Western Australia
7	Generally easterly along that outer limit to its intersection by the meridian of longitude 115° 22' 57" E
8	North-easterly along the geodesic to the point of latitude 33° 29' 00" S, longitude 115° 25' 00" E
9	West along the parallel of latitude 33° 29' 00" S to the point of commencement

10.7 Zone 3 of reserve—marine national park zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—marine national park zone	
Item	Description
1	The point of latitude 33° 29' 00" S, longitude 115° 25' 00" E

Zone 3 of reserve—marine national park zone

Item	Description
2	East along the parallel of latitude 33° 29' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-westerly along that outer limit to its intersection by the meridian of longitude 115° 22' 57" E
4	North-easterly along the geodesic to the point commencement

10.8 Zone 4 of reserve—marine national park zone

Zone 4 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—marine national park zone

Item	Description
1	The point of latitude 33° 34' 00" S, longitude 115° 12' 00" E
2	East along the parallel of latitude 33° 34' 00" S to its intersection by the meridian of longitude 115° 14' 00" E
3	South along that meridian to its intersection by the outer limit of the State waters of Western Australia
4	Generally north-westerly along that outer limit to its intersection by the meridian of longitude 115° 12' 00" E
5	North along the meridian to the point of commencement

Part 11—Perth Canyon Commonwealth Marine Reserve

11.1 Name of reserve

This reserve is the Perth Canyon Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

11.2 IUCN category

The Perth Canyon Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

11.3 Area of reserve

The Perth Canyon Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 31° 42' 00" S, longitude 114° 00' 00" E
2	East along the parallel of latitude 31° 42' 00" S to its intersection by the meridian of longitude 114° 45' 00" E
3	South-easterly along the geodesic to the point of latitude 31° 54' 00" S, longitude 114° 54' 00" E
4	East along the parallel of latitude 31° 54' 00" S to its intersection by the meridian of longitude 115° 15' 00" E
5	South along that meridian to its intersection by the parallel of latitude 32° 06' 00" S
6	West along that parallel to its intersection by the meridian of longitude 115° 06' 00" E
7	South-westerly along the geodesic to the point of latitude 32° 24' 00" S, longitude 114° 51' 00" E
8	West along the parallel of latitude 32° 24' 00" S to its intersection by the meridian of longitude 114° 00' 00" E
9	North along that meridian to the point of commencement

11.4 Zones for reserve

- (1) The Perth Canyon Commonwealth Marine Reserve is divided into the following zones:
 - (a) the habitat protection zones described in clauses 11.5 and 11.7 of this Part;

- (b) the marine national park zones described in clauses 11.6 and 11.9 of this Part;
 - (c) the multiple use zone described in clause 11.8 of this Part.
- (2) The habitat protection zones are each assigned to IUCN category IV (habitat/species management area).
 - (3) The marine national park zones are each assigned to IUCN category II (national park).
 - (4) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

11.5 Zone 1 of reserve—habitat protection zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—habitat protection zone	
Item	Description
1	The point of latitude 31° 42' 00" S, longitude 114° 00' 00" E
2	East along the parallel of latitude 31° 42' 00" S to its intersection by the meridian of longitude 114° 30' 00" E
3	South along that meridian to its intersection by the parallel of latitude 32° 06' 00" S
4	West along that parallel to its intersection by the meridian of longitude 114° 00' 00" E
5	North along that meridian to the point of commencement

11.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone	
Item	Description
1	The point of latitude 31° 42' 00" S, longitude 114° 30' 00" E
2	East along the parallel of latitude 31° 42' 00" S to its intersection by the meridian of longitude 114° 45' 00" E
3	South along that meridian to its intersection by the parallel of latitude 32° 06' 00" S
4	West along that parallel to its intersection by the meridian of longitude 114° 30' 00" E
5	North along that meridian to the point of commencement

11.7 Zone 3 of reserve—habitat protection zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Schedule 1 South-west network of Commonwealth Marine Reserves
Part 11 Perth Canyon Commonwealth Marine Reserve

Clause 11.8

Zone 3 of reserve—habitat protection zone

Item	Description
1	The point of latitude 31° 42' 00" S, longitude 114° 45' 00" E
2	South-easterly along the geodesic to the point of latitude 31° 54' 00" S, longitude 114° 54' 00" E
3	South along the meridian of longitude 114° 54' 00" E to its intersection by the parallel of latitude 32° 06' 00" S
4	West along that parallel to its intersection by the meridian of longitude 114° 45' 00" E
5	North along that meridian to the point of commencement

11.8 Zone 4 of reserve—multiple use zone

Zone 4 of the reserve, excluding the zone described in clause 11.9 of this Part, consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—multiple use zone

Item	Description
1	The point of latitude 31° 54' 00" S, longitude 114° 54' 00" E
2	East along the parallel of latitude 31° 54' 00" S to its intersection by the meridian of longitude 115° 15' 00" E
3	South along that meridian to its intersection by the parallel of latitude 32° 06' 00" S
4	West along that parallel to its intersection by the meridian of longitude 115° 06' 00" E
5	South-westerly along the geodesic to the point of latitude 32° 24' 00" S, longitude 114° 51' 00" E
6	West along the parallel of latitude 32° 24' 00" S to its intersection by the meridian of longitude 114° 00' 00" E
7	North along that meridian to its intersection by the parallel of latitude 32° 06' 00" S
8	East along that parallel to its intersection by the meridian of longitude 114° 54' 00" E
9	North along that meridian to the point of commencement

11.9 Zone 5 of reserve—marine national park zone

Zone 5 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 5 of reserve—marine national park zone

Item	Description
1	The point of latitude 31° 55' 00" S, longitude 115° 03' 00" E
2	East along the parallel of latitude 31° 55' 00" S to its intersection by the meridian of longitude 115° 08' 00" E
3	South along that meridian to its intersection by the parallel of latitude 31° 59' 00" S
4	West along that parallel to its intersection by the meridian of longitude 115° 03' 00" E
5	North along that meridian to the point of commencement

Part 12—Two Rocks Commonwealth Marine Reserve

12.1 Name of reserve

This reserve is the Two Rocks Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

12.2 IUCN category

The Two Rocks Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

12.3 Area of reserve

The Two Rocks Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 31° 30' 00" S, longitude 115° 09' 00" E
2	East along the parallel of latitude 31° 30' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-easterly along that outer limit to its intersection by the parallel of latitude 31° 43' 22.8" S
4	West along that parallel to its intersection by the meridian of longitude 115° 15' 00" E
5	North-westerly along the geodesic to the point of commencement

12.4 Zones for reserve

- (1) The Two Rocks Commonwealth Marine Reserve is divided into the following zones:
 - (a) the multiple use zone described in clause 12.5 of this Part;
 - (b) the marine national park zone described in clause 12.6 of this Part.
- (2) The multiple use zone is assigned to IUCN category VI (managed resource protected area).
- (3) The marine national park zone is assigned to IUCN category II (national park).

Clause 12.5

12.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—multiple use zone	
Item	Description
1	The point of latitude 31° 30' 00" S, longitude 115° 09' 00" E
2	East along the parallel of latitude 31° 30' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-easterly along that outer limit to its intersection by the parallel of latitude 31° 42' 00" S
4	West along that parallel to its intersection by the meridian of longitude 115° 36' 00" E
5	South along that meridian to its intersection by the parallel of latitude 31° 43' 22.8" S
6	West along that parallel to its intersection by the meridian of longitude 115° 15' 00" E
7	North-westerly along the geodesic to the point of commencement

12.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone	
Item	Description
1	The point of latitude 31° 42' 00" S, longitude 115° 36' 00" E
2	East along the parallel of latitude 31° 42' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-easterly along that outer limit to its intersection by the parallel of latitude 31° 43' 22.8" S
4	West along that parallel to its intersection by the meridian of longitude 115° 36' 00" E
5	North along that meridian to the point of commencement

Part 13—Jurien Commonwealth Marine Reserve

13.1 Name of reserve

This reserve is the Jurien Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

13.2 IUCN category

The Jurien Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

13.3 Area of reserve

The Jurien Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 30° 10' 26.796" S, longitude 114° 36' 00" E
2	East along the parallel of latitude 30° 10' 26.796" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-easterly and southerly along that outer limit to its intersection by the parallel of latitude 30° 43' 00" S
4	West along that parallel to its intersection by the meridian of longitude 114° 43' 00" E
5	North-westerly along the geodesic to the point of latitude 30° 40' 00" S, longitude 114° 42' 05" E
6	North-westerly along the geodesic to the point of latitude 30° 20' 00" S, longitude 114° 36' 00" E
7	North along the meridian of longitude 114° 36' 00" E to the point of commencement

13.4 Zones for reserve

- (1) The Jurien Commonwealth Marine Reserve is divided into the following zones:
 - (a) the special purpose zone described in clause 13.5 of this Part;
 - (b) the marine national park zone described in clause 13.6 of this Part.
- (2) The special purpose zone is assigned to IUCN category VI (managed resource protected area).
- (3) The marine national park zone is assigned to IUCN category II (national park).

Clause 13.5

13.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—special purpose zone	
Item	Description
1	The point of latitude 30° 10' 26.796" S, longitude 114° 36' 00" E
2	East along the parallel of latitude 30° 10' 26.796" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-easterly and southerly along that outer limit to its intersection by the parallel of latitude 30° 43' 00" S
4	West along that parallel to its intersection by the meridian of longitude 114° 46' 00" E
5	North along that meridian to its intersection by the parallel of latitude 30° 40' 00" S
6	West along that parallel to its intersection by the meridian of longitude 114° 42' 05" E
7	North-westerly along the geodesic to the point of latitude 30° 20' 00" S, longitude 114° 36' 00" E
8	North along the meridian of longitude 114° 36' 00" E to the point of commencement

13.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone	
Item	Description
1	The point of latitude 30° 40' 00" S, longitude 114° 46' 00" E
2	South along the meridian of longitude 114° 46' 00" E to its intersection by the parallel of latitude 30° 43' 00" S
3	West along that parallel to its intersection by the meridian of longitude 114° 43' 00" E
4	North-westerly along the geodesic to the point of latitude 30° 40' 00" S, longitude 114° 42' 05" E
5	East along the parallel of latitude 30° 40' 00" S to the point of commencement

Part 14—Abrolhos Commonwealth Marine Reserve

14.1 Name of reserve

This reserve is the Abrolhos Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

14.2 IUCN category

The Abrolhos Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

14.3 Area of reserve

The Abrolhos Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 28° 06' 00" S, longitude 111° 06' 00" E
2	East along the parallel of latitude 28° 06' 00" S to its intersection by the meridian of longitude 113° 14' 42" E
3	North along that meridian to its intersection by the parallel of latitude 27° 25' 00" S
4	West along that parallel to its intersection by the meridian of longitude 113° 02' 00" E
5	North along that meridian to its intersection by the parallel of latitude 26° 42' 00" S
6	East along that parallel to its intersection by the outer limit of the State waters of Western Australia
7	Generally south-easterly along that outer limit to its intersection by the parallel of latitude 27° 25' 00" S
8	West along that parallel to its intersection by the meridian of longitude 113° 34' 00" E
9	South along that meridian to its intersection by the outer limit of the State waters of Western Australia, adjacent to the Abrolhos Islands
10	Generally south-westerly, south-easterly and north-easterly along that outer limit to its intersection by the parallel of latitude 28° 54' 00" S on, or closest to, the meridian of longitude 114° 04' 09" E
11	East along the parallel of latitude 28° 54' 00" S to its intersection by the meridian of longitude 114° 24' 00" E
12	South along that meridian to its intersection by the parallel of latitude 29° 18' 00" S
13	West along that parallel to its intersection by the meridian of longitude 113° 48' 00" E

Schedule 1 South-west network of Commonwealth Marine Reserves
Part 14 Abrolhos Commonwealth Marine Reserve

Clause 14.4

Area of reserve	
Item	Description
14	North-westerly along the geodesic to the point of latitude 28° 48' 00" S, longitude 113° 18' 00" E
15	West along the parallel of latitude 28° 48' 00" S to its intersection by the outer limit of the exclusive economic zone
16	Generally northerly along that outer limit to its intersection by the parallel of latitude 24° 18' 00" S
17	East along that parallel to its intersection by the meridian of longitude 110° 24' 00" E
18	South along that meridian to its intersection by the parallel of latitude 26° 12' 00" S
19	South-easterly along the geodesic to the point of commencement

14.4 Zones for reserve

- (1) The Abrolhos Commonwealth Marine Reserve is divided into the following zones:
 - (a) the habitat protection zone described in clause 14.5 of this Part;
 - (b) the multiple use zones described in clauses 14.6, 14.8 and 14.12 of this Part;
 - (c) the marine national park zones described in clauses 14.7, 14.10 and 14.13 of this Part;
 - (d) the special purpose zones described in clauses 14.9 and 14.11 of this Part.
- (2) The habitat protection zone is assigned to IUCN category IV (habitat/species management area).
- (3) The multiple use zones and special purpose zones are each assigned to IUCN category VI (managed resource protected area).
- (4) The marine national park zones are each assigned to IUCN category II (national park).

14.5 Zone 1 of reserve—habitat protection zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—habitat protection zone	
Item	Description
1	The point of latitude 24° 18' 00" S, longitude 110° 24' 00" E
2	South along the meridian of longitude 110° 24' 00" E to its intersection by the parallel of latitude of 26° 12' 00" S
3	West along that parallel to its intersection by the outer limit of the exclusive economic zone
4	Generally northerly along that outer limit to its intersection by the parallel of latitude 24° 18' 00" S
5	East along that parallel to the point of commencement

14.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 26° 12' 00" S and longitude 110° 24' 00" E
2	South-easterly along the geodesic to the point of longitude 111° 06' 00" E, latitude 28° 06' 00" S
3	East along the parallel of latitude 28° 06' 00" S to its intersection by the meridian of longitude 112° 49' 30" E
4	South-westerly along the geodesic to the point latitude 28° 40' 30" S, longitude 112° 21' 00" E
5	South along the meridian of longitude 112° 21' 00" E to its intersection by the parallel of latitude 28° 48' 00" S
6	West along that parallel to its intersection by the outer limit of the exclusive economic zone
7	Generally northerly along that outer limit to its intersection by the parallel of latitude 26° 12' 00" S
8	East along that parallel to the point of commencement

14.7 Zone 3 of reserve—marine national park zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—marine national park zone	
Item	Description
1	The point of latitude 28° 06' 00" S, longitude 112° 49' 30" E
2	East along the parallel of latitude 28° 06' 00" S to its intersection by the meridian of longitude 112° 57' 00" E
3	South along that meridian to its intersection by the parallel of latitude 28° 19' 30" S
4	South-westerly along the geodesic to the point of latitude 28° 48' 00" S, longitude 112° 34' 30" E
5	West along the parallel of latitude 28° 48' 00" S to its intersection by the meridian of longitude 112° 21' 00" E
6	North along that meridian to its intersection by the parallel of latitude 28° 40' 30" S
7	North-easterly along the geodesic to the point of commencement

14.8 Zone 4 of reserve—multiple use zone

Zone 4 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Schedule 1 South-west network of Commonwealth Marine Reserves
Part 14 Abrolhos Commonwealth Marine Reserve

Clause 14.9

Zone 4 of reserve—multiple use zone

Item	Description
1	The point of latitude 28° 48' 00" S and longitude 113° 18' 00" E
2	South-easterly along the geodesic to the point of latitude 29° 18' 00" S, longitude 113° 48' 00" E
3	East along the parallel of latitude 29° 18' 00" S to its intersection by the meridian of longitude 113° 54' 00" E
4	North-westerly along the geodesic to the point latitude 28° 06' 00" S, longitude 113° 14' 42" E
5	West along the parallel of latitude 28° 06' 00" S to its intersection by the meridian of longitude 112° 57' 00" E
6	South along that meridian to its intersection by the parallel of latitude 28° 19' 30" S
7	South-westerly along the geodesic to the point of latitude 28° 48' 00" S, longitude 112° 34' 30" E
8	East along the parallel of latitude 28° 48' 00" S to the point of commencement

14.9 Zone 5 of reserve—special purpose zone

Zone 5 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 5 of reserve—special purpose zone

Item	Description
1	The point of latitude 28° 06' 00" S, longitude 113° 14' 42" E
2	East along the parallel of latitude 28° 06' 00" S to its intersection by the meridian of longitude 113° 34' 00" E
3	South along that meridian to its intersection by the outer limit of the State waters of Western Australia, adjacent to the Abrolhos Islands
4	Generally south-westerly, south-easterly and north-easterly along that outer limit to its intersection by the parallel of latitude 28° 54' 00" S on, or closest to, the meridian of longitude 114° 04' 09" E
5	East along that parallel to its intersection by the meridian of longitude 114° 24' 00" E
6	South along that meridian to its intersection by the parallel of latitude 29° 18' 00" S
7	West along that parallel to its intersection by the meridian of longitude 113° 54' 00" E
8	North-westerly along the geodesic to the point of commencement

14.10 Zone 6 of reserve—marine national park zone

Zone 6 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 6 of reserve—marine national park zone

Item	Description
1	The point of latitude 28° 02' 00" S, longitude 113° 14' 42" E

Zone 6 of reserve—marine national park zone

Item	Description
2	East along the parallel of latitude 28° 02' 00" S to its intersection by the meridian of longitude 113° 34' 00" E
3	South along that meridian to its intersection by the parallel of latitude 28° 06' 00" S
4	West along that parallel to its intersection by the meridian of longitude 113° 14' 42" E
5	North along that meridian to the point of commencement

14.11 Zone 7 of reserve—special purpose zone

Zone 7 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 7 of reserve—special purpose zone

Item	Description
1	The point of latitude 27° 25' 00" S, longitude 113° 14' 42" E
2	East along the parallel of latitude 27° 25' 00" S to its intersection by the meridian of longitude 113° 34' 00" E
3	South along that meridian to its intersection by the parallel of latitude 28° 02' 00" S
4	West along that parallel to its intersection by the meridian of longitude 113° 14' 42" E
5	North along that meridian to the point of commencement

14.12 Zone 8 of reserve—multiple use zone

Zone 8 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 8 of reserve—multiple use zone

Item	Description
1	The point of latitude 26° 42' 00" S, longitude 113° 02' 00" E
2	East along the parallel of latitude 26° 42' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-easterly along that outer limit to its intersection by the parallel of latitude 27° 25' 00" S
4	West along that parallel to its intersection by the meridian of longitude 113° 02' 00" E
5	North along that meridian to its intersection by the parallel of latitude 27° 10' 00" S
6	East along that parallel to its intersection by the meridian of longitude 113° 17' 00" E
7	North along that meridian to its intersection by the parallel of latitude 27° 05' 30" S
8	West along that parallel to its intersection by the meridian of longitude 113° 02' 00" E
9	North along that meridian to the point of commencement

Clause 14.13

14.13 Zone 9 of reserve—marine national park zone

Zone 9 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 9 of reserve—marine national park zone	
Item	Description
1	The point of latitude 27° 10' 00" S, longitude 113° 02' 00" E
2	East along the parallel of latitude 27° 10' 00" S to its intersection by the meridian of longitude 113° 17' 00" E
3	North along that meridian to its intersection by the parallel of latitude 27° 05' 30" S
4	West along that parallel to its intersection by the meridian of longitude 113° 02' 00" E
5	South along that meridian to the point of commencement

Schedule 2—North-west network of Commonwealth Marine Reserves

Note: See sections 5 to 11.

Part 1—Shark Bay Commonwealth Marine Reserve

1.1 Name of reserve

This reserve is the Shark Bay Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

1.2 IUCN category

The Shark Bay Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

1.3 Area of reserve

The Shark Bay Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 24° 18' 00" S, longitude 112° 30' 00" E
2	East along the parallel of latitude 24° 18' 00" S to its intersection by the meridian of longitude 113° 06' 24" E
3	South along that meridian to its intersection by the outer limit of the State waters of Western Australia
4	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 25° 30' 00" S
5	West along that parallel to its intersection by the meridian of longitude 112° 30' 00" E
6	North along that meridian to the point of commencement

Part 2—Carnarvon Canyon Commonwealth Marine Reserve

2.1 Name of reserve

This reserve is the Carnarvon Canyon Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

2.2 IUCN category

The Carnarvon Canyon Commonwealth Marine Reserve is assigned to IUCN category IV (habitat/species management area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

2.3 Area of reserve

The Carnarvon Canyon Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 23° 19' 00" S, longitude 110° 36' 00" E
2	East along the parallel of latitude 23° 19' 00" S to its intersection by the meridian of longitude 111° 24' 00" E
3	South along that meridian to its intersection by the parallel of latitude 24° 00' 00" S
4	West along that parallel to its intersection by the meridian of longitude 110° 36' 00" E
5	North along that meridian to the point of commencement

Part 3—Ningaloo Commonwealth Marine Reserve

3.1 Name of reserve

This reserve is the Ningaloo Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

3.2 IUCN category

The Ningaloo Commonwealth Marine Reserve is assigned to IUCN category II (national park).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

3.3 Area of reserve

The Ningaloo Commonwealth Marine Reserve consists of an area in the Indian Ocean, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 21° 39' 55.36" S, longitude 114° 00' 04.72" E
2	South-westerly along the geodesic to the point of latitude 21° 46' 55.37" S, longitude 113° 50' 04.73" E
3	South-westerly along the geodesic to the point of latitude 22° 39' 55.39" S, longitude 113° 29' 04.76" E
4	South-easterly along the geodesic to the point of latitude 22° 56' 55.39" S, longitude 113° 37' 04.75" E
5	South-westerly along the geodesic to the point of latitude 23° 05' 55.40" S, longitude 113° 34' 04.76" E
6	South along the meridian of longitude 113° 34' 04.76" E to its intersection by the parallel of latitude 23° 33' 55.42" S
7	East along that parallel to its intersection by the outer limit of the State waters of Western Australia
8	Generally north-easterly, northerly and north-easterly along that outer limit to its intersection by the geodesic line between the point of latitude 21° 46' 55.36" S, longitude 114° 19' 04.69" E, and the point of latitude 21° 39' 55.36" S, longitude 114° 13' 04.70" E
9	North-westerly along that geodesic to the point of latitude 21° 39' 55.36" S, longitude 114° 13' 04.70" E
10	West along the parallel of latitude 21° 39' 55.36" S to the point of commencement

Part 4—Gascoyne Commonwealth Marine Reserve

4.1 Name of reserve

This reserve is the Gascoyne Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

4.2 IUCN category

The Gascoyne Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

4.3 Area of reserve

The Gascoyne Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 20° 42' 00" S, longitude 113° 45' 00" E
2	South along the meridian of longitude 113° 45' 00" E to its intersection by the parallel of latitude 21° 39' 55.36" S
3	East along that parallel to its intersection by the meridian of longitude 114° 00' 04.72" E
4	South-westerly along the geodesic to the point of latitude 21° 46' 55.37" S, longitude 113° 50' 04.73" E
5	South-westerly along the geodesic to the point of latitude 22° 39' 55.39" S, longitude 113° 29' 04.76" E
6	South-easterly along the geodesic to the point of latitude 22° 56' 55.39" S, longitude 113° 37' 04.75" E
7	South-westerly along the geodesic to the point of latitude 23° 05' 55.40" S, longitude 113° 34' 04.76" E
8	South along the meridian of longitude 113° 34' 04.76" E to its intersection by the parallel of latitude 23° 33' 55.42" S
9	East along that parallel to its intersection by the outer limit of the State waters of Western Australia
10	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 24° 01' 52.816" S
11	West along that parallel to its intersection by the meridian of longitude 113° 20' 00" E
12	North along that meridian to its intersection by the parallel of latitude 22° 39' 55.39" S
13	West along that parallel to its intersection by the outer limit of the exclusive economic zone

Area of reserve	
Item	Description
14	Generally northerly and north-westerly along that outer limit to its intersection by the parallel of latitude 20° 42' 00" S
15	East along that parallel to the point of commencement

4.4 Zones for reserve

- (1) The Gascoyne Commonwealth Marine Reserve is divided into the following zones:
 - (a) the marine national park zone described in clause 4.5;
 - (b) the habitat protection zones described in clauses 4.6 and 4.8;
 - (c) the multiple use zone described in clause 4.7.
- (2) The marine national park zone is assigned to IUCN category II (national park).
- (3) The habitat protection zones are each assigned to IUCN category IV (habitat/species management area).
- (4) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

4.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—marine national park zone	
Item	Description
1	The point of latitude 21° 30' 00" S, longitude 111° 55' 00" E
2	South along the meridian of longitude 111° 55' 00" E to its intersection by the parallel of latitude 22° 39' 55.39" S
3	West along that parallel to its intersection by the outer limit of the exclusive economic zone
4	Generally northerly and north-westerly along that outer limit to its intersection by the parallel of latitude 20° 42' 00" S
5	East along that parallel to its intersection by the meridian of longitude 110° 55' 00" E
6	South-easterly along the geodesic to the point of commencement

4.6 Zone 2 of reserve—habitat protection zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—habitat protection zone	
Item	Description
1	The point of latitude 22° 39' 55.39" S, longitude 111° 55' 00" E

Schedule 2 North-west network of Commonwealth Marine Reserves
Part 4 Gascoyne Commonwealth Marine Reserve

Clause 4.7

Zone 2 of reserve—habitat protection zone

Item	Description
2	North along the meridian of longitude 111° 55' 00" E to its intersection by the parallel of latitude 21° 30' 00" S
3	East along that parallel to its intersection by the meridian of longitude 112° 36' 00" E
4	South along that meridian to its intersection by the parallel of latitude 22° 39' 55.39" S
5	West along that parallel to the point of commencement

4.7 Zone 3 of reserve—multiple use zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—multiple use zone

Item	Description
1	The point of latitude 20° 42' 00" S, longitude 113° 45' 00" E
2	South along the meridian of longitude 113° 45' 00" E to its intersection by the parallel of latitude 21° 39' 55.36" S
3	East along that parallel to its intersection by the meridian of longitude 114° 00' 04.72" E
4	South-westerly along the geodesic to the point of latitude 21° 46' 55.37" S, longitude 113° 50' 04.73" E
5	South-westerly along the geodesic to the point of latitude 22° 39' 55.39" S, longitude 113° 29' 04.76" E
6	South-easterly along the geodesic to the point of latitude 22° 56' 55.39" S, longitude 113° 37' 04.75" E
7	South-westerly along the geodesic to the point of latitude 23° 05' 55.40" S, longitude 113° 34' 04.76" E
8	South along the meridian of longitude 113° 34' 04.76" E to its intersection by the parallel of latitude 23° 33' 55.42" S
9	East along that parallel to its intersection by the outer limit of the State waters of Western Australia
10	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 23° 50' 00" S
11	West along that parallel to its intersection by the meridian of longitude 113° 20' 00" E
12	North along that meridian to its intersection by the parallel of latitude 22° 39' 55.39" S
13	West along that parallel to its intersection by the meridian of longitude 112° 36' 00" E
14	North along that meridian to its intersection by the parallel of latitude 21° 30' 00" S
15	West along that parallel to its intersection by the meridian of longitude 111° 55' 00" E
16	North-westerly along the geodesic to the point of latitude 20° 42' 00" S, longitude 110° 55' 00" E
17	East along the parallel of latitude 20° 42' 00" S to the point of commencement

4.8 Zone 4 of reserve—habitat protection zone

Zone 4 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—habitat protection zone	
Item	Description
1	The point of latitude 23° 50' 00" S, longitude 113° 20' 00" E
2	East along the parallel of latitude 23° 50' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 24° 01' 52.816" S
4	West along that parallel to its intersection by the meridian of longitude 113° 20' 00" E
5	North along that meridian to the point of commencement

Part 5—Montebello Commonwealth Marine Reserve

5.1 Name of reserve

This reserve is the Montebello Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

5.2 IUCN category

The Montebello Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

5.3 Area of reserve

The Montebello Commonwealth Marine Reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 20° 00' 00" S, longitude 115° 15' 06" E
2	East along the parallel of latitude 20° 00' 00" S to its intersection by the meridian of longitude 115° 42' 00" E
3	South along that meridian to its intersection by the parallel of latitude 20° 05' 00" S
4	East along that parallel to its intersection by the meridian of longitude 116° 00' 00" E
5	South along that meridian to its intersection by the outer limit of the State waters of Western Australia
6	Generally westerly and south-westerly along that outer limit to its intersection by the parallel of latitude 20° 50' 00" S
7	West along that parallel to its intersection by the meridian of longitude 115° 15' 06" E
8	North along that meridian to the point of commencement

Part 6—Dampier Commonwealth Marine Reserve

6.1 Name of reserve

This reserve is the Dampier Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

6.2 IUCN category

The Dampier Commonwealth Marine Reserve is assigned to IUCN category IV (habitat/species management area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

6.3 Area of reserve

The Dampier Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 20° 18' 00" S, longitude 116° 50' 00" E
2	East along the parallel of latitude 20° 18' 00" S to its intersection by the meridian of longitude 117° 31' 00" E
3	South along that meridian to its intersection by the parallel of latitude 20° 34' 00" S
4	West along that parallel to its intersection by the outer limit of the State waters of Western Australia
5	Generally north-westerly and westerly along that outer limit to its intersection by the meridian of longitude 116° 50' 00" E
6	North along that meridian to the point of commencement

6.4 Zones for reserve

- (1) The Dampier Commonwealth Marine Reserve is divided into the following zones:
 - (a) the marine national park zone described in clause 6.5;
 - (b) the habitat protection zone described in clause 6.6.
- (2) The marine national park zone is assigned to IUCN category II (national park).
- (3) The habitat protection zone is assigned to IUCN category IV (habitat/species management area).

Clause 6.5

6.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—marine national park zone	
Item	Description
1	The point of latitude 20° 18' 00" S, longitude 116° 50' 00" E
2	East along the parallel of latitude 20° 18' 00" S to its intersection by the meridian of longitude 117° 05' 00" E
3	South along that meridian to its intersection by the outer limit of the State waters of Western Australia
4	Generally westerly along that outer limit to its intersection by the meridian of longitude 116° 50' 00" E
5	North along that meridian to the point of commencement

6.6 Zone 2 of reserve—habitat protection zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—habitat protection zone	
Item	Description
1	The point of latitude 20° 18' 00" S, longitude 117° 05' 00" E
2	East along the parallel of latitude 20° 18' 00" S to its intersection by the meridian of longitude 117° 31' 00" E
3	South along that meridian to its intersection by the parallel of latitude 20° 34' 00" S
4	West along that parallel to its intersection by the outer limit of the State waters of Western Australia
5	Generally north-westerly along that outer limit to its intersection by the meridian of longitude 117° 05' 00" E
6	North along that meridian to the point of commencement

Part 7—Eighty Mile Beach Commonwealth Marine Reserve

7.1 Name of reserve

This reserve is the Eighty Mile Beach Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

7.2 IUCN category

The Eighty Mile Beach Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

7.3 Area of reserve

The Eighty Mile Beach Commonwealth Marine Reserve consists of an area in the Indian Ocean, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 19° 30' 00" S, longitude 118° 54' 00" E
2	East along the parallel of latitude 19° 30' 00" S to its intersection by the meridian of longitude 120° 20' 00" E
3	North-easterly along the geodesic to the point of latitude 18° 42' 00" S, longitude 121° 30' 00" E
4	East along the parallel of latitude 18° 42' 00" S to its intersection by the outer limit of the State waters of Western Australia
5	Generally southerly, south-westerly and westerly along that outer limit to its intersection by the meridian of longitude 119° 28' 18" E
6	North along that meridian to its intersection by the parallel of latitude 19° 42' 00" S
7	West along that parallel to its intersection by the meridian of longitude 118° 54' 00" E
8	North along that meridian to the point of commencement

Part 8—Roebuck Commonwealth Marine Reserve

8.1 Name of reserve

This reserve is the Roebuck Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

8.2 IUCN category

The Roebuck Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

8.3 Area of reserve

The Roebuck Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 17° 58' 24" S, longitude 122° 01' 21" E
2	East along the parallel of latitude 17° 58' 24" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally southerly and south-westerly along that outer limit to its intersection by the meridian of longitude 122° 01' 21" E
4	North along that meridian to the point of commencement

Part 9—Mermaid Reef Commonwealth Marine Reserve

9.1 Name of reserve

This reserve is the Mermaid Reef Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

9.2 IUCN category

The Mermaid Reef Commonwealth Marine Reserve is assigned to IUCN category Ia (strict nature reserve).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

9.3 Area of reserve

The Mermaid Reef Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 16° 58' 00" S, longitude 119° 32' 00" E
2	East along the parallel of latitude 16° 58' 00" S to its intersection by the meridian of longitude 119° 43' 00" E
3	South along that meridian to its intersection by the parallel of latitude 17° 13' 00" S
4	West along that parallel to its intersection by the meridian of longitude 119° 32' 00" E
5	North along that meridian to the point of commencement

Part 10—Argo-Rowley Terrace Commonwealth Marine Reserve

10.1 Name of reserve

This reserve is the Argo-Rowley Terrace Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

10.2 IUCN category

The Argo-Rowley Terrace Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

10.3 Area of reserve

The Argo-Rowley Terrace Commonwealth Marine Reserve consists of an area in the Indian Ocean, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 17° 45' 00" S, longitude 116° 24' 00" E
2	North along the meridian of longitude 116° 24' 00" E to its intersection by the outer limit of the exclusive economic zone
3	Generally north-easterly and northerly along that outer limit to its intersection by the parallel of latitude 13° 16' 10" S
4	Northerly along the geodesic to the point of latitude 13° 14' 33.6148" S, longitude 118° 24' 44.0819" E
5	South-easterly along the arc of a circle of radius 200 nautical miles, passing through the following points: (a) 13° 18' 43.8147" S, 118° 32' 28.2819" E; (b) 13° 22' 34.0147" S, 118° 40' 23.3819" E; (c) 13° 26' 03.7147" S, 118° 48' 28.3819" E; (d) 13° 29' 12.5147" S, 118° 56' 42.3819" E; (e) 13° 32' 00.1146" S, 119° 05' 04.3818" E; (f) 13° 34' 26.1146" S, 119° 13' 33.4818" E
6	South-easterly along that arc to the point of latitude 13° 36' 30.2146" S, longitude 119° 22' 08.6818" E
7	South-easterly along the geodesic to the point of latitude 13° 40' 34.1146" S, longitude 119° 28' 46.0818" E

Area of reserve	
Item	Description
8	South-easterly along the arc of a circle of radius 200 nautical miles, passing through the following points: (a) 13° 45' 04.5145" S, 119° 36' 29.2818" E; (b) 13° 49' 14.5145" S, 119° 44' 24.4817" E; (c) 13° 53' 03.7145" S, 119° 52' 30.6817" E
9	South-easterly along that arc to the point of latitude 13° 56' 31.7145" S, longitude 120° 00' 46.8817" E
10	North-easterly along the geodesic to the point of latitude 13° 49' 13.7266" S, longitude 120° 20' 00" E
11	South along the meridian of longitude 120° 20' 00" E to its intersection by the parallel of latitude 14° 48' 00" S
12	West along that parallel to its intersection by the meridian of longitude 119° 43' 00" E
13	South along that meridian to its intersection by the parallel of latitude 16° 58' 00" S
14	West along that parallel to its intersection by the meridian of longitude 119° 32' 00" E
15	South along that meridian to its intersection by the parallel of latitude 17° 13' 00" S
16	East along that parallel to its intersection by the meridian of longitude 119° 43' 00" E
17	South along that meridian to its intersection by the parallel of latitude 17° 45' 00" S
18	West along that parallel to its intersection by the meridian of longitude 118° 48' 24" E
19	North along that meridian to its intersection by the parallel of latitude 17° 24' 00" S
20	West along that parallel to its intersection by the meridian of longitude 118° 12' 00" E
21	South along that meridian to its intersection by the parallel of latitude 17° 45' 00" S
22	West along that parallel to the point of commencement

10.4 Zones for reserve

- (1) The Argo-Rowley Terrace Commonwealth Marine Reserve is divided into the following zones:
 - (a) the marine national park zone described in clause 10.5;
 - (b) the multiple use zone described in clause 10.6.
- (2) The marine national park zone is assigned to IUCN category II (national park).
- (3) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

10.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—marine national park zone	
Item	Description
1	The point of latitude 16° 29' 00" S, longitude 116° 24' 00" E

Schedule 2 North-west network of Commonwealth Marine Reserves
Part 10 Argo-Rowley Terrace Commonwealth Marine Reserve

Clause 10.6

Zone 1 of reserve—marine national park zone

Item	Description
2	North along the meridian of longitude 116° 24' 00" E to its intersection by the outer limit of the exclusive economic zone
3	Generally north-easterly and northerly along that outer limit to its intersection by the parallel of latitude 13° 16' 10" S
4	Northerly along the geodesic to the point of latitude 13° 14' 33.6148" S, longitude 118° 24' 44.0819" E
5	South-easterly along the arc of a circle of radius 200 nautical miles, passing through the following points: (a) 13° 18' 43.8147" S, 118° 32' 28.2819" E; (b) 13° 22' 34.0147" S, 118° 40' 23.3819" E; (c) 13° 26' 03.7147" S, 118° 48' 28.3819" E; (d) 13° 29' 12.5147" S, 118° 56' 42.3819" E; (e) 13° 32' 00.1146" S, 119° 05' 04.3818" E; (f) 13° 34' 26.1146" S, 119° 13' 33.4818" E
6	South-easterly along that arc to the point of latitude 13° 36' 30.2146" S, longitude 119° 22' 08.6818" E
7	South-easterly along the geodesic to the point of latitude 13° 40' 34.1146" S, longitude 119° 28' 46.0818" E
8	South-easterly along the arc of a circle of radius 200 nautical miles, passing through the following points: (a) 13° 45' 04.5145" S, 119° 36' 29.2818" E; (b) 13° 49' 14.5145" S, 119° 44' 24.4817" E;
9	South-easterly along that arc to the point of latitude 13° 51' 27.5684" S, longitude 119° 49' 00" E
10	South along the meridian of longitude 119° 49' 00" to its intersection by the parallel of latitude 14° 24' 00" South
11	West along that parallel to its intersection by the meridian of longitude 118° 59' 00" E
12	South along that meridian to its intersection by the parallel of latitude 15° 10' 00" S
13	West along that parallel to its intersection by the meridian of longitude 118° 12' 00" E
14	South along that meridian to its intersection by the parallel of latitude 15° 54' 51" S
15	West along that parallel to its intersection by the meridian of longitude 118° 00' 00" E
16	South along that meridian to its intersection by the parallel of latitude 16° 29' 00" S
17	West along that parallel to the point of commencement

10.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone

Item	Description
1	The point of latitude 17° 45' 00" S, longitude 116° 24' 00" E

Zone 2 of reserve—multiple use zone

Item	Description
2	North along the meridian of longitude 116° 24' 00" E to its intersection by the parallel of latitude 16° 29' 00" S
3	East along that parallel to its intersection by the meridian of longitude 118° 00' 00" E
4	North along that meridian to its intersection by the parallel of latitude 15° 54' 51" S
5	East along that parallel to its intersection by the meridian of longitude 118° 12' 00" E
6	North along that meridian to its intersection by the parallel of latitude 15° 10' 00" S
7	East along that parallel to its intersection by the meridian of longitude 118° 59' 00" E
8	North along that meridian to its intersection by the parallel of latitude 14° 24' 00" S
9	East along that parallel to its intersection by the meridian of longitude 119° 49' 00" E
10	North along that meridian to the point of latitude 13° 51' 27.5684" S, longitude 119° 49' 00" E
11	South-easterly along the arc of a circle of radius 200 nautical miles passing through the point of latitude 13° 53' 03.7145" S, longitude 119° 52' 30.6817" E
12	South-easterly along that arc to the point of latitude 13° 56' 31.7145" S, longitude 120° 00' 46.8817" E
13	North-easterly along the geodesic to the point of latitude 13° 49' 13.7266" S, longitude 120° 20' 00" E
14	South along that meridian to its intersection by the parallel of latitude 14° 48' 00" S
15	West along that parallel to its intersection by the meridian of longitude 119° 43' 00" E
16	South along that meridian to its intersection by the parallel of latitude 16° 58' 00" S
17	West along that parallel to its intersection by the meridian of longitude 119° 32' 00" E
18	South along that meridian to its intersection by the parallel of latitude 17° 13' 00" S
19	East along that parallel to its intersection by the meridian of longitude 119° 43' 00" E
20	South along that meridian to its intersection by the parallel of latitude 17° 45' 00" S
21	West along that parallel to its intersection by the meridian of longitude 118° 48' 24" E
22	North along that meridian to its intersection by the parallel of latitude 17° 24' 00" S
23	West along that parallel to its intersection by the meridian of longitude 118° 12' 00" E
24	South along that meridian to its intersection by the parallel of latitude 17° 45' 00" S
25	West along that parallel to the point of commencement

Part 11—Kimberley Commonwealth Marine Reserve

11.1 Name of reserve

This reserve is the Kimberley Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

11.2 IUCN category

The Kimberley Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

11.3 Area of reserve

The Kimberley Commonwealth Marine Reserve consists of an area in the Indian Ocean, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 15° 00' 00" S, longitude 121° 00' 00" E
2	East along the parallel of latitude 15° 00' 00" S to its intersection by the meridian of longitude 123° 30' 00" E
3	North-easterly along the geodesic to the point of latitude 13° 13' 00" S, longitude 125° 26' 00" E
4	East along the parallel of latitude 13° 13' 00" S to its intersection by the meridian of longitude 126° 26' 00" E
5	South along that meridian to its intersection by the outer limit of the State waters of Western Australia
6	Generally westerly and south-westerly along that outer limit to its intersection by the parallel of latitude 17° 00' 00" S
7	West along that parallel to its intersection by the meridian of longitude 121° 00' 00" E
8	North along that meridian to the point of commencement

11.4 Zones for reserve

- (1) The Kimberley Commonwealth Marine Reserve is divided into the following zones:
 - (a) the multiple use zone described in clause 11.5;
 - (b) the marine national park zones described in clauses 11.6 and 11.8;

- (c) the habitat protection zone described in clause 11.7.
- (2) The multiple use zone is assigned to IUCN category VI (managed resource protected area).
 - (3) The marine national park zones are each assigned to IUCN category II (national park).
 - (4) The habitat protection zone is assigned to IUCN category IV (habitat/species management area).

11.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—multiple use zone	
Item	Description
1	The point of latitude 15° 00' 00" S, longitude 121° 00' 00" E
2	East along the parallel of latitude 15° 00' 00" S to its intersection by the meridian of longitude 123° 30' 00" E
3	North-easterly along the geodesic to the point of latitude 13° 13' 00" S, longitude 125° 26' 00" E
4	East along the parallel of latitude 13° 13' 00" S to its intersection by the meridian of longitude 126° 26' 00" E
5	South along that meridian to its intersection by the outer limit of the State waters of Western Australia
6	Generally westerly and south-westerly along that outer limit to its intersection by the parallel of latitude 15° 10' 00" S
7	West along that parallel to its intersection by the meridian of longitude 124° 00' 00" E
8	South along that meridian to its intersection by the parallel of latitude 15° 26' 00" S
9	East along that parallel to its intersection by the outer limit of the State waters of Western Australia
10	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 15° 40' 00" S
11	West along that parallel to its intersection by the meridian of longitude 122° 21' 00" E
12	South along that meridian to its intersection by the parallel of latitude 16° 19' 00" S
13	East along that parallel to its intersection by the outer limit of the State waters of Western Australia
14	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 17° 00' 00" S
15	West along that parallel to its intersection by the meridian of longitude 121° 00' 00" E
16	North along that meridian to the point of commencement

Clause 11.6

11.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area, excluding any State waters of Western Australia, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone

Item	Description
1	The point of latitude 15° 40' 00" S, longitude 122° 21' 00" E
2	East along the parallel of latitude 15° 40' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 15° 53' 54" S
4	West along that parallel to its intersection by the meridian of longitude 122° 55' 33" E
5	South along that meridian to its intersection by the parallel of latitude 16° 19' 00" S
6	West along that parallel to its intersection by the meridian of longitude 122° 21' 00" E
7	North along that meridian to the point of commencement

11.7 Zone 3 of reserve—habitat protection zone

Zone 3 of the reserve consists of an area, excluding the zone described in clause 11.5, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—habitat protection zone

Item	Description
1	The point of latitude 15° 53' 54" S, longitude 122° 55' 33" E
2	East along the parallel of latitude 15° 53' 54" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-westerly along that outer limit to its intersection by the meridian of longitude 122° 55' 33" E
4	North along that meridian to the point of commencement

11.8 Zone 4 of reserve—marine national park zone

Zone 4 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—marine national park zone

Item	Description
1	The point of latitude 15° 10' 00" S, longitude 124° 00' 00" E
2	East along the parallel of latitude 15° 10' 00" S to its intersection by the outer limit of the State waters of Western Australia
3	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 15° 26' 00" S
4	West along that parallel to its intersection by the meridian of longitude 124° 00' 00" E

Zone 4 of reserve—marine national park zone

Item Description

5 North along that meridian to the point of commencement

Part 12—Ashmore Reef Commonwealth Marine Reserve

12.1 Name of reserve

This reserve is the Ashmore Reef Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, subsection 8(2) states the depth of any land that may be included in the reserve and subsection 9(2) states the depth of the seabed included in the reserve.

12.2 IUCN category

The Ashmore Reef Commonwealth Marine Reserve is assigned to IUCN category Ia (strict nature reserve).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

12.3 Area of reserve

The Ashmore Reef Commonwealth Marine Reserve consists of an area in the Indian Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 12° 09' 55" S, longitude 123° 00' 04.5" E
2	East along the parallel of latitude 12° 09' 55" S to its intersection by the meridian of longitude 123° 14' 04.5" E
3	South-easterly along the geodesic to the point of latitude 12° 12' 55" S, longitude 123° 16' 04.5" E
4	South along the meridian of longitude 123° 16' 04.5" E to its intersection by the parallel of latitude 12° 15' 55" S
5	South-westerly along the geodesic to the point of latitude 12° 19' 55" S, longitude 123° 10' 04.5" E
6	Westerly along the geodesic to the point of latitude 12° 18' 55" S, longitude 123° 00' 04.5" E
7	North-westerly along the geodesic to the point of latitude 12° 13' 55" S, longitude 122° 53' 04.5" E
8	North-easterly along the geodesic to the point of latitude 12° 11' 55" S, longitude 122° 55' 04.5" E
9	North-easterly along the geodesic to the point of commencement

12.4 Zones for reserve

- (1) The Ashmore Reef Commonwealth Marine Reserve is divided into the following zones:

- (a) the sanctuary zone described in clause 12.5;
 - (b) the marine national park zone described in clause 12.6.
- (2) The sanctuary zone is assigned to IUCN category Ia (strict nature reserve).
 - (3) The marine national park zone is assigned to IUCN category II (national park).

12.5 Zone 1 of reserve—sanctuary zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—sanctuary zone	
Item	Description
1	The point of latitude 12° 09' 55" S, longitude 123° 00' 04.5" E
2	Southerly along the geodesic to the point of latitude 12° 12' 51" S, longitude 122° 59' 36" E
3	South-easterly along the geodesic to the point of latitude 12° 13' 06" S, longitude 123° 00' 26" E
4	East along the parallel of latitude 12° 13' 06" S to its intersection by the meridian of longitude 123° 00' 44" E
5	South along that meridian to its intersection by the parallel of latitude 12° 13' 13" S
6	South-westerly along the geodesic to the point of latitude 12° 13' 23" S, longitude 123° 00' 26" E
7	South along the meridian of longitude 123° 00' 26" E to its intersection by the parallel of latitude 12° 13' 44" S
8	East along that parallel to its intersection by the meridian of longitude 123° 01' 15" E
9	South-westerly along the geodesic to the point of latitude 12° 14' 33" S, longitude 123° 00' 17" E
10	West along the parallel of latitude 12° 14' 33" S to its intersection by the meridian of longitude 122° 59' 05" E
11	Westerly along the geodesic to the south-easternmost point on the coastline of West Island at mean high water
12	Generally north-westerly along that high water mark to the point closest to the point of latitude 12° 14' 29.2" S, longitude 122° 58' 08.1" E
13	South-westerly along the geodesic to the point of latitude 12° 14' 33.7" S, longitude 122° 58' 01.1" E
14	North-westerly along the geodesic to the point of latitude 12° 14' 32.3" S, longitude 122° 58' 00.2" E
15	North-easterly along the geodesic to the point on the coastline of West Island at mean high water closest to the point of latitude 12° 14' 27.8" S, longitude 122° 58' 07.1" E
16	Generally north-westerly along that high water mark to the north easternmost point of the West Island
17	Easterly along the geodesic to the point of latitude 12° 14' 16" S, longitude 122° 58' 55" E
18	North-easterly along the geodesic to the point of latitude 12° 14' 12" S, longitude 122° 59' 03" E
19	Easterly along the geodesic to the point of latitude 12° 14' 11" S, longitude 122° 59' 10" E

Schedule 2 North-west network of Commonwealth Marine Reserves
Part 12 Ashmore Reef Commonwealth Marine Reserve

Clause 12.6

Zone 1 of reserve—sanctuary zone

Item	Description
20	North-easterly along the geodesic to the point of latitude 12° 13' 37" S, longitude 123° 00' 02" E
21	North along the meridian of longitude 123° 00' 02" E to its intersection by the parallel of latitude 12° 13' 23" S
22	Westerly along the geodesic to the point of latitude 12° 13' 12" S, longitude 122° 59' 02" E
23	North-westerly along the geodesic to the point of latitude 12° 11' 55" S, longitude 122° 55' 04.5" E
24	South-westerly along the geodesic to the point of latitude 12° 13' 55" S, longitude 122° 53' 04.5" E
25	South-easterly along the geodesic to the point of latitude 12° 18' 55" S, longitude 123° 00' 04.5" E
26	Easterly along the geodesic to the point of latitude 12° 19' 55" S, longitude 123° 10' 04.5" E
27	North-easterly along the geodesic to the point of latitude 12° 15' 55" S, longitude 123° 16' 04.5" E
28	North along the meridian of longitude 123° 16' 04.5" E to its intersection by the parallel of latitude 12° 12' 55" S
29	North-westerly along the geodesic to the point of latitude 12° 09' 55" S, longitude 123° 14' 04.5" E
30	East along the parallel of latitude 12° 09' 55" S to the point of commencement

12.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone

Item	Description
1	The point of latitude 12° 09' 55" S, longitude 123° 00' 04.5" E
2	Southerly along the geodesic to the point of latitude 12° 12' 51" S, longitude 122° 59' 36" E
3	South-easterly along the geodesic to the point of latitude 12° 13' 06" S, longitude 123° 00' 26" E
4	East along the parallel of latitude 12° 13' 06" S to its intersection by the meridian of longitude 123° 00' 44" E
5	South along that meridian to its intersection by the parallel of latitude 12° 13' 13" S
6	South-westerly along the geodesic to the point of latitude 12° 13' 23" S, longitude 123° 00' 26" E
7	South along the meridian of longitude 123° 00' 26" E to its intersection by the parallel of latitude 12° 13' 44" S
8	East along that parallel to its intersection by the meridian of longitude 123° 01' 15" E
9	South-westerly along the geodesic to the point of latitude 12° 14' 33" S, longitude 123° 00' 17" E

Zone 2 of reserve—marine national park zone	
Item	Description
10	West along the parallel of latitude 12° 14' 33" S to its intersection by the meridian of longitude 122° 59' 05" E
11	Westerly along the geodesic to the south-easternmost point on the coastline of West Island at mean high water
12	Generally north-westerly along that high water mark to the point closest to the point of latitude 12° 14' 29.2" S, longitude 122° 58' 08.1" E
13	South-westerly along the geodesic to the point of latitude 12° 14' 33.7" S, longitude 122° 58' 01.1" E
14	North-westerly along the geodesic to the point of latitude 12° 14' 32.3" S, longitude 122° 58' 00.2" E
15	North-easterly along the geodesic to the point on the coastline of West Island at mean high water closest to the point of latitude 12° 14' 27.8" S, longitude 122° 58' 07.1" E
16	Generally north-westerly along that high water mark to the north easternmost point of the West Island
17	Easterly along the geodesic to the point of latitude 12° 14' 16" S, longitude 122° 58' 55" E
18	North-easterly along the geodesic to the point of latitude 12° 14' 12" S, longitude 122° 59' 03" E
19	Easterly along the geodesic to the point of latitude 12° 14' 11" S, longitude 122° 59' 10" E
20	North-easterly along the geodesic to the point of latitude 12° 13' 37" S, longitude 123° 00' 02" E
21	North along the meridian of longitude 123° 00' 02" E to its intersection by the parallel of latitude 12° 13' 23" S
22	Westerly along the geodesic to the point of latitude 12° 13' 12" S, longitude 122° 59' 02" E
23	North-westerly along the geodesic to the point of latitude 12° 11' 55" S, longitude 122° 55' 04.5" E
24	North-easterly along the geodesic to the point of commencement

Part 13—Cartier Island Commonwealth Marine Reserve

13.1 Name of reserve

This reserve is the Cartier Island Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

13.2 IUCN category

The Cartier Island Commonwealth Marine Reserve is assigned to IUCN category Ia (strict nature reserve).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

13.3 Area of reserve

The Cartier Island Commonwealth Marine Reserve consists of an area in the Indian Ocean enclosed within the circumference of a circle of radius 4 nautical miles, the centre of which is at the point of latitude 12° 31' 50.8" S, longitude 123° 33' 18.8" E.

Schedule 3—North network of Commonwealth Marine Reserves

Note: See sections 5 to 11.

Part 1—Joseph Bonaparte Gulf Commonwealth Marine Reserve

1.1 Name of reserve

This reserve is the Joseph Bonaparte Gulf Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

1.2 IUCN category

The Joseph Bonaparte Gulf Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

1.3 Area of reserve

The Joseph Bonaparte Gulf Commonwealth Marine Reserve consists of an area in the Joseph Bonaparte Gulf bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 13° 44' 00" S, longitude 128° 54' 00" E
2	East along the parallel of latitude 13° 44' 00" S to its intersection by the outer limit of the Territory waters
3	Generally south-westerly along that outer limit to the easternmost point on the outer limit of the State waters of Western Australia
4	Generally westerly and north-westerly along that outer limit to its intersection by the parallel of latitude 14° 24' 00" S
5	East along that parallel to its intersection by the meridian of longitude 128° 54' 00" E
6	North along that meridian to the point of commencement

1.4 Zones for reserve

- (1) The Joseph Bonaparte Gulf Commonwealth Marine Reserve is divided into the following zones:
- (a) the special purpose zone described in clause 1.5 of this Part;

Clause 1.5

(b) the multiple use zone described in clause 1.6 of this Part.

- (2) The special purpose zone and multiple use zone are each assigned to IUCN category VI (managed resource protected area).

1.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—special purpose zone	
Item	Description
1	The point of latitude 13° 44' 00" S, longitude 128° 54' 00" E
2	East along the parallel of latitude 13° 44' 00" S to its intersection by the outer limit of the Territory waters
3	Generally south-westerly along that outer limit to its intersection by the parallel of latitude 14° 00' 00" S
4	West along that parallel to its intersection by the meridian of longitude 128° 54' 00" E
5	North along that meridian to the point of commencement

1.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 14° 00' 00" S, longitude 128° 54' 00" E
2	East along the parallel of latitude 14° 00' 00" S to its intersection by the outer limit of the Territory waters
3	Generally south-westerly along that outer limit to the easternmost point on the outer limit of the State waters of Western Australia
4	Generally westerly and north-westerly along that outer limit to its intersection by the parallel of latitude 14° 24' 00" S
5	East along that parallel to its intersection by the meridian of longitude 128° 54' 00" E
6	North along that meridian to the point of commencement

Part 2—Oceanic Shoals Commonwealth Marine Reserve

2.1 Name of reserve

This reserve is the Oceanic Shoals Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

2.2 IUCN category

The Oceanic Shoals Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

2.3 Area of reserve

The Oceanic Shoals Commonwealth Marine Reserve consists of an area in the Timor Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 12° 42' 00" S, longitude 126° 04' 00" E
2	North along the meridian of longitude 126° 04' 00" E to its intersection by the parallel of latitude 11° 29' 20.0799" S
3	North-easterly along the geodesic to the point of latitude 11° 26' 00.0144" S, longitude 126° 11' 59.9804" E
4	North-easterly along the geodesic to the point of latitude 11° 21' 00.0144" S, longitude 126° 27' 59.9803" E
5	North-easterly along the geodesic to the point of latitude 11° 20' 00.0144" S, longitude 126° 30' 59.9803" E
6	Easterly along the geodesic to the point of latitude 11° 20' 02.9144" S, longitude 126° 31' 58.3803" E
7	Easterly along the geodesic to the point of latitude 11° 20' 02.9000" S, longitude 126° 31' 58.4024" E
8	Easterly along the geodesic to the point of latitude 11° 19' 40.8957" S, longitude 126° 47' 08.3977" E
9	Easterly along the geodesic to the point of latitude 11° 17' 30.8929" S, longitude 126° 57' 11.3939" E
10	Easterly along the geodesic to the point of latitude 11° 17' 24.8925" S, longitude 126° 58' 17.3935" E
11	Easterly along the geodesic to the point of latitude 11° 14' 18.8833" S, longitude 127° 31' 37.3819" E

Schedule 3 North network of Commonwealth Marine Reserves
Part 2 Oceanic Shoals Commonwealth Marine Reserve

Clause 2.3

Area of reserve	
Item	Description
12	North-easterly along the geodesic to the point of latitude 10° 55' 20.8798" S, longitude 127° 47' 08.3715" E
13	North-easterly along the geodesic to the point of latitude 10° 53' 36.8794" S, longitude 127° 48' 49.3704" E
14	North-easterly along the geodesic to the point of latitude 10° 43' 37.8772" S, longitude 127° 59' 20.3642" E
15	North-easterly along the geodesic to the point of latitude 10° 29' 11.8746" S, longitude 128° 12' 28.3559" E
16	North-easterly along the geodesic to the point of latitude 10° 28' 00.0143" S, longitude 128° 13' 59.9798" E
17	North-easterly along the geodesic to the point of latitude 10° 26' 00.0143" S, longitude 128° 17' 59.9798" E
18	North-easterly along the geodesic to the point of latitude 10° 20' 00" S, longitude 128° 27' 34.7560" E
19	East along the parallel of latitude 10° 20' 00" S to its intersection by the meridian of longitude 130° 26' 00" E
20	North-easterly along the geodesic to the point of latitude 09° 46' 23.8253" S, longitude 130° 59' 00" E
21	North-easterly along the geodesic to the point of latitude 09° 44' 16.7884" S, longitude 131° 13' 00" E
22	South-westerly along the geodesic to the point of latitude 10° 36' 00" S, longitude 130° 31' 00" E
23	West along the parallel of latitude 10° 36' 00" S to its intersection by the meridian of longitude 130° 06' 00" E
24	South along that meridian to its intersection by the parallel of latitude 11° 06' 48" S
25	South-westerly along the geodesic to the point of latitude 11° 45' 00" S, longitude 129° 35' 00" E
26	West along the parallel of latitude 11° 45' 00" S to its intersection by the meridian of longitude 128° 06' 00" E
27	South along that meridian to its intersection by the parallel of latitude 12° 42' 00" S
28	West along that parallel to the point of commencement

Part 3—Arafura Commonwealth Marine Reserve

3.1 Name of reserve

This reserve is the Arafura Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

3.2 IUCN category

The Arafura Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

3.3 Area of reserve

The Arafura Commonwealth Marine Reserve consists of an area in the Arafura Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 09° 54' 00" S, longitude 132° 58' 00" E
2	South along the meridian of longitude 132° 58' 00" E to its intersection by the outer limit of the Territory waters
3	Generally north-westerly and westerly along that outer limit to its intersection by the meridian of longitude 132° 36' 00" E
4	North along that meridian to its intersection by the parallel of latitude 09° 12' 09.3050" S
5	North-easterly along the geodesic to the point of latitude 09° 06' 00.0139" S, longitude 132° 45' 59.9787" E
6	North-easterly along the geodesic to the point of latitude 08° 52' 54.8149" S, longitude 133° 23' 04.2121" E
7	South-easterly along the geodesic to the point of latitude 09° 24' 54.7893" S, longitude 134° 50' 04.1796" E
8	South-westerly along the geodesic to the point of latitude 09° 54' 00" S, longitude 133° 45' 00" E
9	West along the parallel of latitude 09° 54' 00" S to the point of commencement

Part 4—Arnhem Commonwealth Marine Reserve

4.1 Name of reserve

This reserve is the Arnhem Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

4.2 IUCN category

The Arnhem Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

4.3 Area of reserve

The Arnhem Commonwealth Marine Reserve consists of an area in the Arafura Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 11° 00' 00" S, longitude 133° 30' 00" E
2	East along the parallel of latitude 11° 00' 00" S to its intersection by the meridian of longitude 134° 18' 00" E
3	South along that meridian to its intersection by the outer limit of the Territory waters
4	Generally north-westerly, westerly and northerly along that outer limit to its intersection by the meridian of longitude 133° 30' 00" E on, or closest to, the parallel of latitude 11° 25' 30" S
5	North along that meridian to the point of commencement

Part 5—Wessel Commonwealth Marine Reserve

5.1 Name of reserve

This reserve is the Wessel Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

5.2 IUCN category

The Wessel Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

5.3 Area of reserve

The Wessel Commonwealth Marine Reserve consists of an area in the Arafura Sea and the Gulf of Carpentaria bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 10° 50' 00" S, longitude 136° 45' 00" E
2	East along the parallel of latitude 10° 50' 00" S to its intersection by the meridian of longitude 137° 15' 00" E
3	South along that meridian to its intersection by the parallel of latitude 11° 54' 00" S
4	West along that parallel to its intersection by the meridian of longitude 137° 06' 00" E
5	South along that meridian to its intersection by the parallel of latitude 12° 25' 00" S
6	West along that parallel to its intersection by the outer limit of the Territory waters
7	Generally northerly along that outer limit to its intersection by the meridian of longitude 136° 45' 00" E
8	North along that meridian to the point of commencement

5.4 Zones for reserve

- (1) The Wessel Commonwealth Marine Reserve is divided into the following zones:
 - (a) the marine national park zone described in clause 5.5 of this Part;
 - (b) the multiple use zone described in clause 5.6 of this Part.
- (2) The marine national park zone is assigned to IUCN category II (national park).
- (3) The multiple use zone is assigned to IUCN category VI (managed resource protected area).

Clause 5.5

5.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—marine national park zone	
Item	Description
1	The point of latitude 10° 50' 00" S, longitude 136° 57' 00" E
2	East along the parallel of latitude 10° 50' 00" S to its intersection by the meridian of longitude 137° 15' 00" E
3	South along that meridian to its intersection by the parallel of latitude 11° 17' 00" S
4	West along that parallel to its intersection by the meridian of longitude 136° 57' 00" E
5	North along that meridian to the point of commencement

5.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 10° 50' 00" S, longitude 136° 45' 00" E
2	East along the parallel of latitude 10° 50' 00" S to its intersection by the meridian of longitude 136° 57' 00" E
3	South along that meridian to its intersection by the parallel of latitude 11° 17' 00" S
4	East along that parallel to its intersection by the meridian of longitude 137° 15' 00" E
5	South along that meridian to its intersection by the parallel of latitude 11° 54' 00" S
6	West along that parallel to its intersection by the meridian of longitude 137° 06' 00" E
7	South along that meridian to its intersection by the parallel of latitude 12° 25' 00" S
8	West along that parallel to its intersection by the outer limit of the Territory waters
9	Generally northerly along that outer limit to its intersection by the meridian of longitude 136° 45' 00" E
10	North along that meridian to the point of commencement

Part 6—Limmen Commonwealth Marine Reserve

6.1 Name of reserve

This reserve is the Limmen Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

6.2 IUCN category

The Limmen Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

6.3 Area of reserve

The Limmen Commonwealth Marine Reserve consists of an area in the Gulf of Carpentaria bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 15° 00' 00" S, longitude 136° 18' 00" E
2	South along the meridian of longitude 136° 18' 00" E to its intersection by the outer limit of the Territory waters
3	Generally north-westerly along that outer limit to its intersection by the parallel of latitude 15° 00' 00" S
4	East along that parallel to the point of commencement

Part 7—Gulf of Carpentaria Commonwealth Marine Reserve

7.1 Name of reserve

This reserve is the Gulf of Carpentaria Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

7.2 IUCN category

The Gulf of Carpentaria Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

7.3 Area of reserve

The Gulf of Carpentaria Commonwealth Marine Reserve consists of an area in the Gulf of Carpentaria bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 15° 00' 00" S, longitude 139° 54' 00" E
2	East along the parallel of latitude 15° 00' 00" S to its intersection by the meridian of longitude 140° 45' 24" E
3	South along that meridian to its intersection by the parallel of latitude 16° 24' 00" S
4	West along that parallel to its intersection by the meridian of longitude 140° 36' 00" E
5	South along that meridian to its intersection by the parallel of latitude 16° 42' 00" S
6	West along that parallel to its intersection by the outer limit of the State waters of Queensland
7	Generally northerly, north-westerly and southerly along that outer limit to its intersection by the parallel of latitude 16° 28' 45" S on, or closest to, the meridian of longitude 139° 11' 30" E
8	North-westerly along the geodesic to the point of latitude 16° 08' 00" S, longitude 138° 30' 06" E
9	North along the meridian of longitude 138° 30' 06" E to its intersection by the parallel of latitude 15° 34' 00" S
10	East along that parallel to its intersection by the meridian of longitude 138° 50' 00" E
11	South-easterly along the geodesic to the point of latitude 15° 59' 00" S, longitude 139° 14' 00" E

Area of reserve	
Item	Description
12	South-easterly along the geodesic to the point of latitude 16° 13' 18" S, longitude 139° 54' 00" E
13	North along the meridian of longitude 139° 54' 00" E to the point of commencement

7.4 Zones for reserve

- (1) The Gulf of Carpentaria Commonwealth Marine Reserve is divided into the following zones:
 - (a) the multiple use zones described in clauses 7.5 and 7.6 of this Part;
 - (b) the marine national park zone described in clause 7.7 of this Part.
- (2) The multiple use zones are each assigned to IUCN category VI (managed resource protected area).
- (3) The marine national park zone is assigned to IUCN category II (national park).

7.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—multiple use zone	
Item	Description
1	The point of latitude 15° 34' 00" S, longitude 138° 30' 06" E
2	East along the parallel of latitude 15° 34' 00" S to its intersection by the meridian of longitude 138° 50' 00" E
3	South-easterly along the geodesic to the point of latitude 15° 59' 00" S, longitude 139° 14' 00" E
4	South-easterly along the geodesic to the point of latitude 16° 13' 18" S, longitude 139° 54' 00" E
5	South along the meridian of longitude 139° 54' 00" E to its intersection by the outer limit of the State waters of Queensland
6	Generally north-westerly and southerly along that outer limit to its intersection by the parallel of latitude 16° 28' 45" S on, or closest to, the meridian of longitude 139° 11' 30" E
7	North-westerly along the geodesic to the point of latitude 16° 08' 00" S, longitude 138° 30' 06" E
8	North along the meridian of longitude 138° 30' 06" E to the point of commencement

7.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Schedule 3 North network of Commonwealth Marine Reserves
Part 7 Gulf of Carpentaria Commonwealth Marine Reserve

Clause 7.7

Zone 2 of reserve—multiple use zone

Item	Description
1	The point of latitude 15° 00' 00" S, longitude 139° 54' 00" E
2	East along the parallel of latitude 15° 00' 00" S to its intersection by the meridian of longitude 140° 45' 24" E
3	South along that meridian to its intersection by the parallel of latitude 16° 24' 00" S
4	West along that parallel to its intersection by the meridian of longitude 140° 36' 00" E
5	North along that meridian to its intersection by the parallel of latitude 15° 48' 00" S
6	West along that parallel to its intersection by the meridian of longitude 139° 54' 00" E
7	North along that meridian to the point of commencement

7.7 Zone 3 of reserve—marine national park zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—marine national park zone

Item	Description
1	The point of latitude 15° 48' 00" S, longitude 139° 54' 00" E
2	East along the parallel of latitude 15° 48' 00" S to its intersection by the meridian of longitude 140° 36' 00" E
3	South along that meridian to its intersection by the parallel of latitude 16° 42' 00" S
4	West along that parallel to its intersection by the outer limit of the State waters of Queensland
5	Generally northerly along that outer limit to its intersection by the meridian of longitude 139° 54' 00" E
6	North along that meridian to the point of commencement

Part 8—West Cape York Commonwealth Marine Reserve

8.1 Name of reserve

This reserve is the West Cape York Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

8.2 IUCN category

The West Cape York Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

8.3 Area of reserve

The West Cape York Commonwealth Marine Reserve consists of an area in the Gulf of Carpentaria bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The intersection of the Fisheries Jurisdiction Line by the meridian of longitude 141° 20' 00" E
2	South along that meridian to its intersection by the parallel of latitude 10° 48' 00" S
3	East along that parallel to its intersection by the outer limit of the State waters of Queensland
4	Generally southerly along that outer limit to its intersection by the parallel of latitude 11° 42' 00" S
5	West along that parallel to its intersection by the meridian of longitude 141° 06' 00" E
6	North along that meridian to its intersection by the parallel of latitude 10° 59' 00" S
7	West along that parallel to its intersection by the Fisheries Jurisdiction Line
8	North-easterly along that line to the point of commencement

Note: AGD66 applies to the coordinate described in item 1 of this table.

8.4 Zones for reserve

- (1) The West Cape York Commonwealth Marine Reserve is divided into the following zones:
 - (a) the marine national park zone described in clause 8.5 of this Part;
 - (b) the multiple use zones described in clauses 8.6 and 8.8 of this Part;
 - (c) the special purpose zone described in clause 8.7 of this Part.

Clause 8.5

- (2) The marine national park zone is assigned to IUCN category II (national park).
- (3) The multiple use zones and special purpose zone are each assigned to IUCN category VI (managed resource protected area).

8.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—marine national park zone	
Item	Description
1	The intersection of the Fisheries Jurisdiction Line by the meridian of longitude 141° 20' 00" E
2	South along that meridian to its intersection by the parallel of latitude 10° 48' 00" S
3	East along that parallel to its intersection by the outer limit of the State waters of Queensland
4	Generally southerly along that outer limit to its intersection by the parallel of latitude 10° 59' 00" S
5	West along that parallel to its intersection by the Fisheries Jurisdiction Line
6	North-easterly along that line to the point of commencement

Note: AGD66 applies to the coordinate described in item 1 of this table.

8.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 10° 59' 00" S, longitude 141° 06' 00" E
2	East along the parallel of latitude 10° 59' 00" S to its intersection by the meridian of longitude 141° 42' 00" E
3	South along that meridian to its intersection by the parallel of latitude 11° 42' 00" S
4	West along that parallel to its intersection by the meridian of longitude 141° 06' 00" E
5	North along that meridian to the point of commencement

8.7 Zone 3 of reserve—special purpose zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—special purpose zone	
Item	Description
1	The point of latitude 10° 59' 00" S, longitude 141° 42' 00" E
2	East along the parallel of latitude 10° 59' 00" S to its intersection by the line every point of

Zone 3 of reserve—special purpose zone

Item	Description
	which is at a distance of 7 nautical miles seaward from the nearest point of the Territorial Sea Baseline
3	Generally southerly along that line to its intersection by the parallel of latitude 11° 42' 00" S
4	West along that parallel to its intersection by the meridian of longitude 141° 42' 00" E
5	North along that meridian to the point of commencement

8.8 Zone 4 of reserve—multiple use zone

Zone 4 of the reserve consists of an area bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—multiple use zone

Item	Description
1	The intersection of the parallel of latitude 10° 59' 00" S by the outer limit of the State waters of Queensland, on, or closest to, the meridian of longitude 141° 59' 39" E
2	Generally southerly along that outer limit to its intersection by the parallel of latitude 11° 42' 00" S
3	West along that parallel to its intersection by the line every point of which is at a distance of 7 nautical miles seaward from the nearest point of the Territorial Sea Baseline
4	Generally northerly along that line to its intersection by the parallel of latitude 10° 59' 00" S
5	East along that parallel to the point of commencement

Schedule 4—Coral Sea Commonwealth Marine Reserve

Note: See sections 5 to 11.

1.1 Name of reserve

This reserve is the Coral Sea Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

1.2 IUCN category

The Coral Sea Commonwealth Marine Reserve is assigned to IUCN category II (national park).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

1.3 Area of reserve

The Coral Sea Commonwealth Marine Reserve consists of an area in the Coral Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 24° 30' 00" S, longitude 154° 00' 00" E
2	East along the parallel of latitude 24° 30' 00" S to its intersection by the line described by article 1 of the Maritime boundary (French Republic) Agreement
3	Generally north-westerly and north-easterly along that line to the southernmost point on the line described by article 1 of the Maritime boundary (Solomon Islands) Agreement
4	Generally north-westerly along that line to its intersection by the outer limit of the exclusive economic zone
5	Generally north-westerly along that outer limit to its intersection by the Fisheries Jurisdiction Line
6	Generally westerly and north-westerly along that line to its intersection by the outer limit of the Protected Zone
7	South, generally south-westerly, and west along that outer limit to its intersection by the meridian of longitude 144° 00' 00" E
8	South along that meridian to its intersection by the outer limit of the Great Barrier Reef Marine Park
9	Easterly, southerly and generally south-easterly along that outer limit to the point of commencement

Note: AGD66 applies to the coordinates described in items 1 and 2 of this table.

1.4 Zones for reserve

- (1) The Coral Sea Commonwealth Marine Reserve is divided into the following zones:
 - (a) the multiple use zones described in clauses 1.5, 1.13 and 1.17 of this Schedule;
 - (b) the marine national park zones described in clauses 1.6, 1.8 and 1.12 of this Schedule;
 - (c) the habitat protection zone (Coral Sea) described in clause 1.7 of this Schedule;
 - (d) the habitat protection zone (Seamount) described in clause 1.14 of this Schedule;
 - (e) the conservation park zones described in clauses 1.9, 1.10, 1.11 and 1.15 of this Schedule;
 - (f) the general use zone described in clause 1.16 of this Schedule.
- (2) The multiple use zones are each assigned to IUCN category VI (managed resource protected area).
- (3) The marine national park zones are each assigned to IUCN category II (national park).
- (4) The habitat protection zone (Coral Sea), habitat protection zone (Seamount) and conservation park zones are each assigned to IUCN category IV (habitat/species management area).
- (5) The general use zone is assigned to IUCN category VI (managed resource protected area).

1.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—multiple use zone	
Item	Description
1	The point of latitude 10° 41' 00" S, longitude 145° 00' 00" E
2	East along the parallel of latitude 10° 41' 00" S to its intersection by the Fisheries Jurisdiction Line
3	Generally north-westerly along that line to its intersection by the outer limit of the Protected Zone
4	South, generally south-westerly, and west along that outer limit to its intersection by the meridian of longitude 144° 00' 00" E
5	South along that meridian to its intersection by the outer limit of the Great Barrier Reef Marine Park
6	Easterly along that outer limit to the point of commencement

Note: AGD66 applies to the coordinates described in items 1 and 2 of this table.

Clause 1.6

1.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone	
Item	Description
1	The point of latitude 13° 18' 30.36" S, longitude 146° 25' 00" E
2	South along the meridian of longitude 146° 25' 00" E to its intersection by the parallel of latitude 13° 46' 00" S
3	South-easterly along the geodesic to the point of latitude 13° 48' 00" S, longitude 146° 32' 30" E
4	South-easterly along the geodesic to the point of latitude 13° 50' 00" S, longitude 146° 33' 42" E
5	South-westerly along the geodesic to the point of latitude 13° 52' 12" S, longitude 146° 33' 06" E
6	South along the meridian of longitude 146° 33' 06" E to its intersection by the parallel of latitude 13° 53' 33" S
7	South-easterly along the geodesic to the point of latitude 13° 54' 06" S, longitude 146° 33' 39" E
8	South-easterly along the geodesic to the point of latitude 13° 54' 50" S, longitude 146° 33' 58" E
9	South-easterly along the geodesic to the point of latitude 13° 55' 21" S, longitude 146° 34' 27" E
10	South-easterly along the geodesic to the point of latitude 13° 55' 54" S, longitude 146° 35' 09" E
11	South-easterly along the geodesic to the point of latitude 13° 56' 30" S, longitude 146° 35' 45" E
12	South-easterly along the geodesic to the point of latitude 13° 57' 21" S, longitude 146° 36' 00" E
13	South-easterly along the geodesic to the point of latitude 13° 57' 51" S, longitude 146° 36' 30" E
14	South-easterly along the geodesic to the point of latitude 13° 58' 36" S, longitude 146° 37' 27" E
15	South-easterly along the geodesic to the point of latitude 13° 59' 33" S, longitude 146° 38' 57" E
16	South-easterly along the geodesic to the point of latitude 13° 59' 54" S, longitude 146° 39' 42" E
17	South-easterly along the geodesic to the point of latitude 14° 01' 24" S, longitude 146° 40' 57" E
18	South-easterly along the geodesic to the point of latitude 14° 06' 36" S, longitude 146° 47' 12" E
19	South-easterly along the geodesic to the point of latitude 14° 07' 54" S, longitude 146° 48' 09" E
20	South-easterly along the geodesic to the point of latitude 14° 09' 57" S, longitude 146° 49' 06" E

Zone 2 of reserve—marine national park zone	
Item	Description
21	South-easterly along the geodesic to the point of latitude 14° 18' 18" S, longitude 146° 55' 00" E
22	South along the meridian of longitude 146° 55' 00" E to its intersection by the parallel of latitude 14° 30' 00" S
23	South-easterly along the geodesic to the point of latitude 15° 38' 00" S, longitude 149° 00' 00" E
24	East along the parallel of latitude 15° 38' 00" S to its intersection by the meridian of longitude 149° 48' 00" E
25	South-easterly along the geodesic to the point of latitude 16° 03' 00" S, longitude 150° 12' 00" E
26	South along the meridian of longitude 150° 12' 00" E to its intersection by the parallel of latitude 16° 23' 00" S
27	South-westerly along the geodesic to the point of latitude 16° 46' 00" S, longitude 149° 48' 00" E
28	West along the parallel of latitude 16° 46' 00" S to its intersection by the meridian of longitude 149° 00' 00" E
29	South along that meridian to its intersection by the parallel of latitude 17° 11' 00" S
30	East along that parallel to its intersection by the meridian of longitude 151° 08' 00" E
31	South along that meridian to its intersection by the parallel of latitude 17° 54' 00" S
32	East along that parallel to its intersection by the meridian of longitude 155° 33' 00" E
33	South along that meridian to its intersection by the parallel of latitude 21° 37' 00" S
34	East along that parallel to its intersection by the line described by article 1 of the Maritime boundary (French Republic) Agreement
35	Generally north-westerly and north-easterly along that line to the southernmost point on the line described by article 1 of the Maritime boundary (Solomon Islands) Agreement
36	Generally north-westerly along that line to its intersection by the outer limit of the exclusive economic zone
37	Generally north-westerly along that outer limit to its intersection by the Fisheries Jurisdiction Line
38	Generally westerly and north-westerly along that line to its intersection by the parallel of latitude 10° 41' 00" S
39	West along that parallel to the north-easternmost point of the Great Barrier Reef Marine Park
40	Southerly and south-easterly along the outer limit of the Great Barrier Reef Marine Park to its intersection by the parallel of latitude 13° 18' 30.36" S
41	East along that parallel to the point of commencement

Note: AGD66 applies to the coordinate described in item 38 of this table.

1.7 Zone 3 of reserve—habitat protection zone (Coral Sea)

Zone 3 of the reserve consists of an area, excluding the zones described in clauses 1.8, 1.9 and 1.11, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Schedule 4 Coral Sea Commonwealth Marine Reserve

Clause 1.7

Zone 3 of reserve—habitat protection zone (Coral Sea)

Item	Description
1	The point of latitude 13° 18' 30.36" S, longitude 146° 25' 00" E
2	South along the meridian of longitude 146° 25' 00" E to its intersection by the parallel of latitude 13° 46' 00" S
3	South-easterly along the geodesic to the point of latitude 13° 48' 00" S, longitude 146° 32' 30" E
4	South-easterly along the geodesic to the point of latitude 13° 50' 00" S, longitude 146° 33' 42" E
5	South-westerly along the geodesic to the point of latitude 13° 52' 12" S, longitude 146° 33' 06" E
6	South along the meridian of longitude 146° 33' 06" E to its intersection by the parallel of latitude 13° 53' 33" S
7	South-easterly along the geodesic to the point of latitude 13° 54' 06" S, longitude 146° 33' 39" E
8	South-easterly along the geodesic to the point of latitude 13° 54' 50" S, longitude 146° 33' 58" E
9	South-easterly along the geodesic to the point of latitude 13° 55' 21" S, longitude 146° 34' 27" E
10	South-easterly along the geodesic to the point of latitude 13° 55' 54" S, longitude 146° 35' 09" E
11	South-easterly along the geodesic to the point of latitude 13° 56' 30" S, longitude 146° 35' 45" E
12	South-easterly along the geodesic to the point of latitude 13° 57' 21" S, longitude 146° 36' 00" E
13	South-easterly along the geodesic to the point of latitude 13° 57' 51" S, longitude 146° 36' 30" E
14	South-easterly along the geodesic to the point of latitude 13° 58' 36" S, longitude 146° 37' 27" E
15	South-easterly along the geodesic to the point of latitude 13° 59' 33" S, longitude 146° 38' 57" E
16	South-easterly along the geodesic to the point of latitude 13° 59' 54" S, longitude 146° 39' 42" E
17	South-easterly along the geodesic to the point of latitude 14° 01' 24" S, longitude 146° 40' 57" E
18	South-easterly along the geodesic to the point of latitude 14° 06' 36" S, longitude 146° 47' 12" E
19	South-easterly along the geodesic to the point of latitude 14° 07' 54" S, longitude 146° 48' 09" E
20	South-easterly along the geodesic to the point of latitude 14° 09' 57" S, longitude 146° 49' 06" E
21	South-easterly along the geodesic to the point of latitude 14° 18' 18" S, longitude 146° 55' 00" E
22	South along the meridian of longitude 146° 55' 00" E to its intersection by the parallel of latitude 14° 30' 00" S

Zone 3 of reserve—habitat protection zone (Coral Sea)

Item	Description
23	South-easterly along the geodesic to the point of latitude 15° 38' 00" S, longitude 149° 00' 00" E
24	South along the meridian of longitude 149° 00' 00" E to its intersection by the parallel of latitude 17° 11' 00" S
25	East along that parallel to its intersection by the meridian of longitude 151° 08' 00" E
26	South along that meridian to its intersection by the parallel of latitude 17° 54' 00" S
27	East along that parallel to its intersection by the meridian of longitude 152° 00' 00" E
28	South along that meridian to its intersection by the outer limit of the Great Barrier Reef Marine Park
29	Generally north-westerly along that outer limit to its intersection by the parallel of latitude 13° 18' 30.36" S
30	East along that parallel to the point of commencement

1.8 Zone 4 of reserve—marine national park zone

Zone 4 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—marine national park zone

Item	Description
1	The point of latitude 15° 28' 42" S, longitude 147° 05' 00" E
2	East along the parallel of latitude 15° 28' 42" S to its intersection by the meridian of longitude 147° 08' 12" E
3	South along that meridian to its intersection by the parallel of latitude 15° 31' 18" S
4	West along that parallel to its intersection by the meridian of longitude 147° 05' 00" E
5	North along that meridian to the point of commencement

1.9 Zone 5 of reserve—conservation park zone

Zone 5 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 5 of reserve—conservation park zone

Item	Description
1	The point of latitude 16° 21' 00" S, longitude 147° 46' 00" E
2	East along the parallel of latitude 16° 21' 00" S to its intersection by the meridian of longitude 148° 07' 00" E
3	South along that meridian to its intersection by the parallel of latitude 16° 34' 00" S
4	West along that parallel to its intersection by the meridian of longitude 147° 46' 00" E
5	North along that meridian to the point of commencement

Clause 1.10

1.10 Zone 6 of reserve—conservation park zone

Zone 6 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 6 of reserve—conservation park zone	
Item	Description
1	The point of latitude 15° 38' 00" S, longitude 149° 00' 00" E
2	East along the parallel of latitude 15° 38' 00" S to its intersection by the meridian of longitude 149° 48' 00" E
3	South-easterly along the geodesic to the point of latitude 16° 03' 00" S, longitude 150° 12' 00" E
4	South along the meridian of longitude 150° 12' 00" E to its intersection by the parallel of latitude 16° 23' 00" S
5	South-westerly along the geodesic to the point of latitude 16° 46' 00" S, longitude 149° 48' 00" E
6	West along the parallel of latitude 16° 46' 00" S to its intersection by the meridian of longitude 149° 00' 00" E
7	North along that meridian to the point of commencement

1.11 Zone 7 of reserve—conservation park zone

Zone 7 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 7 of reserve—conservation park zone	
Item	Description
1	The point of latitude 17° 17' 00" S, longitude 148° 08' 00" E
2	East along the parallel of latitude 17° 17' 00" S to its intersection by the meridian of longitude 148° 38' 00" E
3	South along that meridian to its intersection by the parallel of latitude 17° 55' 00" S
4	West along that parallel to its intersection by the meridian of longitude 148° 08' 00" E
5	North along that meridian to the point of commencement

1.12 Zone 8 of reserve—marine national park zone

Zone 8 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 8 of reserve—marine national park zone	
Item	Description
1	The point of latitude 18° 55' 36" S, longitude 152° 14' 24" E
2	East along the parallel of latitude 18° 55' 36" S to its intersection by the meridian of longitude 152° 18' 42" E
3	South-easterly along the geodesic to the point of latitude 19° 00' 09" S, longitude 152° 22'

Zone 8 of reserve—marine national park zone	
Item	Description
	33" E
4	South-easterly along the geodesic to the point of latitude 19° 01' 39" S, longitude 152° 23' 12" E
5	Southerly along the geodesic to the point of latitude 19° 04' 54" S, longitude 152° 23' 30" E
6	South-easterly along the geodesic to the point of latitude 19° 06' 30" S, longitude 152° 24' 12" E
7	Southerly along the geodesic to the point of latitude 19° 08' 57" S, longitude 152° 24' 36" E
8	Southerly along the geodesic to the point of latitude 19° 11' 18" S, longitude 152° 24' 12" E
9	South-westerly along the geodesic to the point of latitude 19° 15' 30" S, longitude 152° 21' 30" E
10	South-westerly along the geodesic to the point of latitude 19° 16' 36" S, longitude 152° 19' 36" E
11	South-westerly along the geodesic to the point of latitude 19° 18' 15" S, longitude 152° 16' 06" E
12	West along the parallel of latitude 19° 18' 15" S to its intersection by the meridian of longitude 152° 14' 12" E
13	North-westerly along the geodesic to the point of latitude 19° 17' 24" S, longitude 152° 12' 42" E
14	North-westerly along the geodesic to the point of latitude 19° 13' 18" S, longitude 152° 09' 30" E
15	North along the meridian of longitude 152° 09' 30" E to its intersection by the parallel of latitude 19° 06' 00" S
16	North-westerly along the geodesic to the point of latitude 19° 03' 30" S, longitude 152° 08' 00" E
17	North-easterly along the geodesic to the point of commencement

1.13 Zone 9 of reserve—multiple use zone

Zone 9 of the reserve consists of an area, excluding the zones described in clauses 1.12 and 1.15, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 9 of reserve—multiple use zone	
Item	Description
1	The point of latitude 24° 30' 00" S, longitude 154° 00' 00" E
2	East along the parallel of latitude 24° 30' 00" S to its intersection by the meridian of longitude 154° 51' 00" E
3	North along that meridian to its intersection by the parallel of latitude 21° 12' 00" S
4	West along that parallel to its intersection by the meridian of longitude 154° 03' 00" E
5	North along that meridian to its intersection by the parallel of latitude 20° 33' 00" S
6	East along that parallel to its intersection by the meridian of longitude 154° 24' 00" E
7	North along that meridian to its intersection by the parallel of latitude 17° 54' 00" S
8	West along that parallel to its intersection by the meridian of longitude 152° 00' 00" E

Clause 1.14

Zone 9 of reserve—multiple use zone

Item	Description
9	South along that meridian to its intersection by the outer limit of the Great Barrier Reef Marine Park
10	South-easterly along that outer limit to its intersection by the parallel of latitude 21° 08' 58.68" S
11	East along that parallel to its intersection by the meridian of longitude 153° 10' 00" E
12	South-easterly along the geodesic to the point of latitude 22° 59' 57.72" S, longitude 153° 44' 00" E
13	West along the parallel of latitude 22° 59' 57.72" S to its intersection by the outer limit of the Great Barrier Reef Marine Park
14	South-easterly along that outer limit to the point of commencement

Note: AGD66 applies to the coordinates described in item 1 of this table and to the latitude coordinate described in item 2 of this table.

1.14 Zone 10 of reserve—habitat protection zone (Seamount)

Zone 10 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 10 of reserve—habitat protection zone (Seamount)

Item	Description
1	The point of latitude 17° 54' 00" S, longitude 154° 24' 00" E
2	East along the parallel of latitude 17° 54' 00" S to its intersection by the meridian of longitude 155° 33' 00" E
3	South along that meridian to its intersection by the parallel of latitude 21° 37' 00" S
4	East along that parallel to its intersection by the meridian of longitude 155° 57' 00" E
5	South along that meridian to its intersection by the parallel of latitude 24° 30' 00" S
6	West along that parallel to its intersection by the meridian of longitude 154° 51' 00" E
7	North along that meridian to its intersection by the parallel of latitude 21° 12' 00" S
8	West along that parallel to its intersection by the meridian of longitude 154° 03' 00" E
9	North along that meridian to its intersection by the parallel of latitude 20° 33' 00" S
10	East along that parallel to its intersection by the meridian of longitude 154° 24' 00" E
11	North along that meridian to the point of commencement

Note: AGD66 applies to the coordinate described in item 5 of this table.

1.15 Zone 11 of reserve—conservation park zone

Zone 11 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 11 of reserve—conservation park zone

Item	Description
1	The point of latitude 21° 37' 00" S, longitude 153° 26' 00" E
2	East along the parallel of latitude 21° 37' 00" S to its intersection by the meridian of longitude 153° 50' 00" E
3	South along that meridian to its intersection by the parallel of latitude 22° 00' 00" S
4	West along that parallel to its intersection by the meridian of longitude 153° 26' 00" E
5	North along that meridian to the point of commencement

1.16 Zone 12 of reserve—general use zone

Zone 12 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 12 of reserve—general use zone

Item	Description
1	The point of latitude 21° 08' 58.68" S, longitude 153° 10' 00" E
2	South-easterly along the geodesic to the point of latitude 22° 59' 57.72" S, longitude 153° 44' 00" E
3	West along the parallel of latitude 22° 59' 57.72" S to its intersection by the outer limit of the Great Barrier Reef Marine Park
4	North-westerly along that outer limit to its intersection by the parallel of latitude 21° 08' 58.68" S
5	East along that parallel to the point of commencement

1.17 Zone 13 of reserve—multiple use zone

Zone 13 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 13 of reserve—multiple use zone

Item	Description
1	The point of latitude 21° 37' 00" S, longitude 155° 57' 00" E
2	South along the meridian of longitude 155° 57' 00" E to its intersection by the parallel of latitude 24° 30' 00" S
3	East along that parallel to its intersection by the line described by article 1 of the Maritime boundary (French Republic) Agreement
4	Generally north-westerly along that line to its intersection by the parallel of latitude 21° 37' 00" S
5	West along that parallel to the point of commencement

Note: AGD66 applies to the latitude coordinate described in item 2 of this table.

Clause 1.1

Schedule 5—Temperate East network of Commonwealth Marine Reserves

Note: See sections 5 to 11.

Part 1—Gifford Commonwealth Marine Reserve

1.1 Name of reserve

This reserve is the Gifford Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

1.2 IUCN category

The Gifford Commonwealth Marine Reserve is assigned to IUCN category IV (habitat/species management area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

1.3 Area of reserve

The Gifford Commonwealth Marine Reserve consists of an area in the South Pacific Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 27° 09' 00" S, longitude 159° 09' 00" E
2	North along the meridian of longitude 159° 09' 00" E to its intersection by the outer limit of the exclusive economic zone
3	Generally easterly along that outer limit to its intersection by the meridian of longitude 159° 39' 00" E
4	South along that meridian to its intersection by the parallel of latitude 27° 09' 00" S
5	West along that parallel to the point of commencement

Part 2—Norfolk Commonwealth Marine Reserve

2.1 Name of reserve

This reserve is the Norfolk Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

2.2 IUCN category

The Norfolk Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

2.3 Area of reserve

The Norfolk Commonwealth Marine Reserve consists of an area in the South Pacific Ocean, excluding Norfolk Island, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 27° 36' 00" S, longitude 166° 39' 00" E
2	North along the meridian of longitude 166° 39' 00" E to its intersection by the line described by article 1 of the Maritime boundary (French Republic) Agreement
3	Generally easterly along that line to its intersection by the meridian of longitude 168° 58' 00" E
4	South along that meridian to its intersection by the parallel of latitude 29° 12' 00" S
5	East along that parallel to its intersection by the meridian of longitude 170° 22' 00" E
6	South along that meridian to its intersection by the line described by article 2 of the Maritime boundary (New Zealand) Treaty
7	Generally south-westerly and westerly along that line to its intersection by the meridian of longitude 166° 05' 00" E
8	North along that meridian to its intersection by the parallel of latitude 31° 09' 00" S
9	East along that parallel to its intersection by the meridian of longitude 167° 07' 00" E
10	North along that meridian to its intersection by the parallel of latitude 27° 36' 00" S
11	West along that parallel to the point of commencement

2.4 Zones for reserve

- (1) The Norfolk Commonwealth Marine Reserve is divided into the following zones:
- (a) the marine national park zone described in clause 2.5 of this Part;

Clause 2.5

- (b) the multiple use zone described in clause 2.6 of this Part;
 - (c) the habitat protection zone described in clause 2.7 of this Part.
- (2) The marine national park zone is assigned to IUCN category II (national park).
 - (3) The multiple use zone is assigned to IUCN category VI (managed resource protected area).
 - (4) The habitat protection zone is assigned to IUCN category IV (habitat/species management area).

2.5 Zone 1 of reserve—marine national park zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—marine national park zone	
Item	Description
1	The point of latitude 27° 36' 00" S, longitude 166° 39' 00" E
2	North along the meridian of longitude 166° 39' 00" E to its intersection by the line described by article 1 of the Maritime boundary (French Republic) Agreement
3	Generally easterly along that line to its intersection by the meridian of longitude 168° 58' 00" E
4	South along that meridian to its intersection by the parallel of latitude 27° 36' 00" S
5	West along that parallel to the point of commencement

2.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area, excluding Norfolk Island, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 27° 36' 00" S, longitude 167° 07' 00" E
2	East along the parallel of latitude 27° 36' 00" S to its intersection by the meridian of longitude 168° 58' 00" E
3	South along that meridian to its intersection by the parallel of latitude 30° 36' 00" S
4	East along that parallel to its intersection by the meridian of longitude 170° 22' 00" E
5	South along that meridian to its intersection by the line described by article 2 of the Maritime boundary (New Zealand) Treaty
6	Generally south-westerly and westerly along that line to its intersection by the meridian of longitude 166° 05' 00" E
7	North along that meridian to its intersection by the parallel of latitude 31° 09' 00" S
8	East along that parallel to its intersection by the meridian of longitude 167° 07' 00" E
9	North along that meridian to the point of commencement

2.7 Zone 3 of reserve—habitat protection zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—habitat protection zone	
Item	Description
1	The point of latitude 29° 12' 00" S, longitude 168° 58' 00" E
2	East along the parallel of latitude 29° 12' 00" S to its intersection by the meridian of longitude 170° 22' 00" E
3	South along that meridian to its intersection by the parallel of latitude 30° 36' 00" S
4	West along that parallel to its intersection by the meridian of longitude 168° 58' 00" E
5	North along that meridian to the point of commencement

Part 3—Lord Howe Commonwealth Marine Reserve

3.1 Name of reserve

This reserve is the Lord Howe Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

3.2 IUCN category

The Lord Howe Commonwealth Marine Reserve is assigned to IUCN category IV (habitat/species management area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

3.3 Area of reserve

The Lord Howe Commonwealth Marine Reserve consists of an area in the South Pacific Ocean, excluding any State waters of New South Wales, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 28° 53' 00" S, longitude 158° 12' 00" E
2	East along the parallel of latitude 28° 53' 00" S to its intersection by the meridian of longitude 159° 54' 00" E
3	South along that meridian to its intersection by the outer limit of the exclusive economic zone
4	Generally westerly along that outer limit to its intersection by the meridian of longitude 158° 12' 00" E
5	North along that meridian to the point of commencement

3.4 Zones for reserve

- (1) The Lord Howe Commonwealth Marine Reserve is divided into the following zones:
 - (a) the multiple use zone described in clause 3.5 of this Part;
 - (b) the marine national park zones described in clauses 3.6, 3.9 and 3.10 of this Part;
 - (c) the recreational use zone described in clause 3.7 of this Part;
 - (d) the habitat protection zone (Lord Howe) described in clause 3.8 of this Part;
 - (e) the habitat protection zone described in clause 3.11 of this Part.

- (2) The multiple use zone is assigned to IUCN category VI (managed resource protected area).
- (3) The marine national park zones are each assigned to IUCN category II (national park).
- (4) The recreational use zone, habitat protection zone (Lord Howe) and habitat protection zone are each assigned to IUCN category IV (habitat/species management area).

3.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area, excluding the zones described in clauses 3.6 and 3.7, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—multiple use zone	
Item	Description
1	The point of latitude 28° 53' 00" S, longitude 158° 12' 00" E
2	East along the parallel of latitude 28° 53' 00" S to its intersection by the meridian of longitude 159° 54' 00" E
3	South along that meridian to its intersection by the parallel of latitude 31° 17' 00" S
4	West along that parallel to its intersection by the meridian of longitude 158° 12' 00" E
5	North along that meridian to the point of commencement

3.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone	
Item	Description
1	The point of latitude 29° 07' 00" S, longitude 158° 55' 00" E
2	East along the parallel of latitude 29° 07' 00" S to its intersection by the meridian of longitude 159° 24' 00" E
3	South along that meridian to its intersection by the parallel of latitude 29° 53' 00" S
4	West along that parallel to its intersection by the meridian of longitude 158° 55' 00" E
5	North along that meridian to the point of commencement

3.7 Zone 3 of reserve—recreational use zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—recreational use zone	
Item	Description
1	The point of latitude 29° 53' 00" S, longitude 158° 55' 00" E

Clause 3.8

Zone 3 of reserve—recreational use zone

Item	Description
2	East along the parallel of latitude 29° 53' 00" S to its intersection by the meridian of longitude 159° 24' 00" E
3	South along that meridian to its intersection by the parallel of latitude 30° 06' 35" S
4	West along that parallel to its intersection by the meridian of longitude 158° 55' 00" E
5	North along that meridian to the point of commencement

3.8 Zone 4 of reserve—habitat protection zone (Lord Howe)

Zone 4 of the reserve consists of an area, excluding any State waters of New South Wales and the zone described in clause 3.9, bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—habitat protection zone (Lord Howe)

Item	Description
1	The point of latitude 31° 46' 50" S, longitude 158° 48' 00" E
2	East along the parallel of latitude 31° 46' 50" S to its westernmost intersection by the outer limit of the State waters of New South Wales, adjacent to Ball's Pyramid
3	Generally northerly, easterly and south-easterly along that outer limit to its easternmost intersection by the parallel of latitude 31° 46' 50" S
4	East along that parallel to its intersection by the meridian of longitude 159° 54' 00" E
5	North along that meridian to its intersection by the parallel of latitude 31° 17' 00" S
6	West along that parallel to its intersection by the meridian of longitude 158° 48' 00" E
7	South along that meridian to the point of commencement

3.9 Zone 5 of reserve—marine national park zone

Zone 5 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 5 of reserve—marine national park zone

Item	Description
1	The point of latitude 31° 30' 40" S, longitude 159° 24' 00" E
2	South along the meridian of longitude 159° 24' 00" E to its intersection by the parallel of latitude 31° 35' 50" S
3	West along that parallel to its intersection by the outer limit of the State waters of New South Wales, adjacent to Lord Howe Island
4	Generally north-easterly and north-westerly along that outer limit to its intersection by the parallel of latitude 31° 30' 40" S
5	East along that parallel to the point of commencement

3.10 Zone 6 of reserve—marine national park zone

Zone 6 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 6 of reserve—marine national park zone	
Item	Description
1	The point of latitude 31° 46' 50" S, longitude 158° 48' 00" E
2	East along the parallel of latitude 31° 46' 50" S to its westernmost intersection by the outer limit of the State waters of New South Wales, adjacent to Ball's Pyramid
3	Generally south-easterly and north-easterly along that outer limit to its easternmost intersection by the parallel of latitude 31° 46' 50" S
4	East along that parallel to its intersection by the meridian of longitude 159° 54' 00" E
5	South along that meridian to its intersection by the parallel of latitude 32° 20' 00" S
6	West along that parallel to its intersection by the meridian of longitude 158° 48' 00" E
7	North along that meridian to the point of commencement

3.11 Zone 7 of reserve—habitat protection zone

Zone 7 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 7 of reserve—habitat protection zone	
Item	Description
1	The point of latitude 31° 17' 00" S, longitude 158° 12' 00" E
2	East along the parallel of latitude 31° 17' 00" S to its intersection by the meridian of longitude 158° 48' 00" E
3	South along that meridian to its intersection by the parallel of latitude 32° 20' 00" S
4	East along that parallel to its intersection by the meridian of longitude 159° 54' 00" E
5	South along that meridian to its intersection by the outer limit of the exclusive economic zone
6	Generally westerly along that outer limit to its intersection by the meridian of longitude 158° 12' 00" E
7	North along that meridian to the point of commencement

Part 4—Central Eastern Commonwealth Marine Reserve

4.1 Name of reserve

This reserve is the Central Eastern Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

4.2 IUCN category

The Central Eastern Commonwealth Marine Reserve is assigned to IUCN category IV (habitat/species management area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

4.3 Area of reserve

The Central Eastern Commonwealth Marine Reserve consists of an area in the South Pacific Ocean bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 27° 13' 00" S, longitude 154° 47' 00" E
2	East along the parallel of latitude 27° 13' 00" S to its intersection by the meridian of longitude 155° 20' 00" E
3	South-easterly along the geodesic to the point of latitude 28° 53' 00" S, longitude 156° 38' 00" E
4	South along the meridian of longitude 156° 38' 00" E to its intersection by the parallel of latitude 33° 34' 54" S
5	West along that parallel to its intersection by the meridian of longitude 155° 48' 00" E
6	North along that meridian to its intersection by the parallel of latitude 30° 25' 00" S
7	West along that parallel to its intersection by the meridian of longitude 153° 28' 00" E
8	North along that meridian to its intersection by the parallel of latitude 30° 21' 00" S
9	North-easterly along the geodesic to the point of latitude 30° 13' 30" S, longitude 153° 32' 30" E
10	North along the meridian of longitude 153° 32' 30" E to its intersection by the parallel of latitude 30° 00' 40" S
11	East along that parallel to its intersection by the meridian of longitude 155° 48' 00" E
12	North-westerly along the geodesic to the point of commencement

4.4 Zones for reserve

- (1) The Central Eastern Commonwealth Marine Reserve is divided into the following zones:
 - (a) the habitat protection zones described in clauses 4.5 and 4.8 of this Part;
 - (b) the multiple use zone described in clause 4.6 of this Part;
 - (c) the marine national park zone described in clause 4.7 of this Part.
- (2) The habitat protection zones are each assigned to IUCN category IV (habitat/species management area).
- (3) The multiple use zone is assigned to IUCN category VI (managed resource protected area).
- (4) The marine national park zone is assigned to IUCN category II (national park).

4.5 Zone 1 of reserve—habitat protection zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—habitat protection zone	
Item	Description
1	The point of latitude 27° 13' 00" S, longitude 154° 47' 00" E
2	East along the parallel of latitude 27° 13' 00" S to its intersection by the meridian of longitude 155° 20' 00" E
3	South-easterly along the geodesic to the point of latitude 28° 53' 00" S, longitude 156° 38' 00" E
4	South along the meridian of longitude 156° 38' 00" E to its intersection by the parallel of latitude 30° 17' 00" S
5	West along that parallel to its intersection by the meridian of longitude 155° 48' 00" E
6	North along that meridian to its intersection by the parallel of latitude 30° 00' 40" S
7	North-westerly along the geodesic to the point of commencement

4.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 30° 00' 40" S, longitude 153° 32' 30" E
2	East along the parallel of latitude 30° 00' 40" S to its intersection by the meridian of longitude 155° 48' 00" E
3	South along that meridian to its intersection by the parallel of latitude 30° 25' 00" S
4	West along that parallel to its intersection by the meridian of longitude 153° 28' 00" E
5	North along that meridian to its intersection by the parallel of latitude 30° 21' 00" S

Schedule 5 Temperate East network of Commonwealth Marine Reserves
Part 4 Central Eastern Commonwealth Marine Reserve

Clause 4.7

Zone 2 of reserve—multiple use zone

Item Description

6	North-easterly along the geodesic to the point of latitude 30° 13' 30" S, longitude 153° 32' 30" E
7	North along the meridian of longitude 153° 32' 30" E to the point of commencement

4.7 Zone 3 of reserve—marine national park zone

Zone 3 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—marine national park zone

Item Description

1	The point of latitude 30° 17' 00" S, longitude 155° 48' 00" E
2	East along the parallel of latitude 30° 17' 00" S to its intersection by the meridian of longitude 156° 38' 00" E
3	South along that meridian to its intersection by the parallel of latitude 31° 12' 00" S
4	West along that parallel to its intersection by the meridian of longitude 155° 48' 00" E
5	North along that meridian to the point of commencement

4.8 Zone 4 of reserve—habitat protection zone

Zone 4 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 4 of reserve—habitat protection zone

Item Description

1	The point of latitude 31° 12' 00" S, longitude 155° 48' 00" E
2	East along the parallel of latitude 31° 12' 00" S to its intersection by the meridian of longitude 156° 38' 00" E
3	South along that meridian to its intersection by the parallel of latitude 33° 34' 54" S
4	West along that parallel to its intersection by the meridian of longitude 155° 48' 00" E
5	North along that meridian to the point of commencement

Part 5—Solitary Islands Commonwealth Marine Reserve

5.1 Name of reserve

This reserve is the Solitary Islands Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

5.2 IUCN category

The Solitary Islands Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

5.3 Area of reserve

The Solitary Islands Commonwealth Marine Reserve consists of an area in the South Pacific Ocean, excluding any State waters of New South Wales, bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The intersection of the parallel of latitude 29° 40' 18.28" S by the coastline of New South Wales at mean low water
2	East along that parallel to its intersection by the line corresponding with the 50 metre isobath below mean high water on the coast of New South Wales
3	Generally southerly along that isobath to its intersection by the parallel of latitude 30° 18' 19.27" S
4	West along that parallel to its intersection by the coastline of New South Wales at mean low water
5	Generally northerly along that low water mark to the point of commencement

5.4 Zones for reserve

- (1) The Solitary Islands Commonwealth Marine Reserve is divided into the following zones:
 - (a) the multiple use zone described in clause 5.5 of this Part;
 - (b) the marine national park zone described in clause 5.6 of this Part;
 - (c) the special purpose zone described in clause 5.7 of this Part.
- (2) The multiple use zone and special purpose zone are each assigned to IUCN category VI (managed resource protected area).

Clause 5.5

- (3) The marine national park zone is assigned to IUCN category II (national park).

5.5 Zone 1 of reserve—multiple use zone

Zone 1 of the reserve consists of an area, excluding the zone described in clause 5.6 and any State waters of New South Wales, bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—multiple use zone

Item	Description
1	The intersection of the parallel of latitude 29° 40' 18.28" S by the coastline of New South Wales at mean low water
2	East along that parallel to its intersection by the line corresponding with the 50 metre isobath below mean high water on the coast of New South Wales
3	Generally southerly along that isobath to its intersection by the parallel of latitude 29° 46' 42" S
4	West along that parallel to its intersection by the coastline of New South Wales at mean low water
5	Generally northerly along that low water mark to the point of commencement

5.6 Zone 2 of reserve—marine national park zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—marine national park zone

Item	Description
1	The point of latitude 29° 41' 36" S, longitude 153° 23' 33" E
2	East along the parallel of latitude 29° 41' 36" S, to its intersection by the meridian of longitude 153° 24' 11" E
3	South along that meridian to its intersection by the parallel of latitude 29° 42' 09" S
4	West along that parallel to its intersection by the meridian of longitude 153° 23' 33" E
5	North along that meridian to the point of commencement

5.7 Zone 3 of reserve—special purpose zone

Zone 3 of the reserve consists of an area, excluding any State waters of New South Wales, bounded by the line commencing at the intersection described in item 1 of the following table and running progressively as described in the table.

Zone 3 of reserve—special purpose zone

Item	Description
1	The intersection of the parallel of latitude 29° 46' 42" S by the coastline of New South Wales at mean low water
2	East along that parallel to its intersection by the line corresponding with the 50 metre isobath below mean high water on the coast of New South Wales

Zone 3 of reserve—special purpose zone

Item Description

- | | |
|---|---|
| 3 | Generally southerly along that isobath to its intersection by the parallel of latitude 30° 18' 19.27" S |
| 4 | West along that parallel to its intersection by the coastline of New South Wales at mean low water |
| 5 | Generally northerly along that low water mark to the point of commencement |
-

Clause 6.1

Part 6—Cod Grounds Commonwealth Marine Reserve

6.1 Name of reserve

This reserve is the Cod Grounds Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

6.2 IUCN category

The Cod Grounds Commonwealth Marine Reserve is assigned to IUCN category II (national park).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

6.3 Area of reserve

The Cod Grounds Commonwealth Marine Reserve consists of an area in the Tasman Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 31° 40' 19" S, longitude 152° 53' 59" E
2	East along the parallel of latitude 31° 40' 19" S, to its intersection by the meridian of longitude 152° 55' 15" E
3	South along that meridian to its intersection by the parallel of latitude 31° 41' 25" S
4	West along that parallel to its intersection by the meridian of longitude 152° 53' 59" E
5	North along that meridian to the point of commencement

Part 7—Hunter Commonwealth Marine Reserve

7.1 Name of reserve

This reserve is the Hunter Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

7.2 IUCN category

The Hunter Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

7.3 Area of reserve

The Hunter Commonwealth Marine Reserve consists of an area in the Tasman Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 32° 01' 00" S, longitude 153° 12' 00" E
2	East along the parallel of latitude 32° 01' 00" S to its intersection by the meridian of longitude 153° 42' 00" E
3	South along that meridian to its intersection by the parallel of latitude 32° 41' 00" S
4	West along that parallel to its intersection by the outer limit of the State waters of New South Wales
5	Generally north-easterly and northerly along that outer limit to its intersection by the parallel of latitude 32° 20' 00" S
6	East along that parallel to its intersection by the meridian of longitude 153° 03' 30" E
7	North-easterly along the geodesic to the point of commencement

7.4 Zones for reserve

- (1) The Hunter Commonwealth Marine Reserve is divided into the following zones:
 - (a) the special purpose zone described in clause 7.5 of this Part;
 - (b) the multiple use zone described in clause 7.6 of this Part.
- (2) The special purpose zone and multiple use zone are each assigned to IUCN category VI (managed resource protected area).

Clause 7.5

7.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—special purpose zone	
Item	Description
1	The point of latitude 32° 20' 00" S, longitude 153° 03' 30" E
2	South-westerly along the geodesic to the point of latitude 32° 41' 00" S, longitude 152° 54' 00" E
3	West along the parallel of latitude 32° 41' 00" S to its intersection by the outer limit of the State waters of New South Wales
4	Generally north-easterly and northerly along that outer limit to its intersection by the parallel of latitude 32° 20' 00" S
5	East along that parallel to the point of commencement

7.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 32° 01' 00" S, longitude 153° 12' 00" E
2	East along the parallel of latitude 32° 01' 00" S to its intersection by the meridian of longitude 153° 42' 00" E
3	South along that meridian to its intersection by the parallel of latitude 32° 41' 00" S
4	West along that parallel to its intersection by the meridian of longitude 152° 54' 00" E
5	North-easterly along the geodesic to the point of latitude 32° 20' 00" S, longitude 153° 03' 30" E
6	North-easterly along the geodesic to the point of commencement

Part 8—Jervis Commonwealth Marine Reserve

8.1 Name of reserve

This reserve is the Jervis Commonwealth Marine Reserve.

Note: Section 7 states the purposes of the reserve, section 8 states the depth of any land that may be included in the reserve and section 9 states the depth of the seabed included in the reserve.

8.2 IUCN category

The Jervis Commonwealth Marine Reserve is assigned to IUCN category VI (managed resource protected area).

Note: Regulation 10.03H of the regulations lists each IUCN category and Schedule 8 to the regulations sets out the Australian IUCN reserve management principles for each IUCN category.

8.3 Area of reserve

The Jervis Commonwealth Marine Reserve consists of an area in the Tasman Sea bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Area of reserve	
Item	Description
1	The point of latitude 35° 00' 00" S, longitude 151° 12' 00" E
2	East along the parallel of latitude 35° 00' 00" S to its intersection by the meridian of longitude 151° 36' 00" E
3	South along that meridian to its intersection by the parallel of latitude 35° 24' 00" S
4	West along that parallel to its intersection by the meridian of longitude 151° 09' 00" E
5	North-westerly along the geodesic to the point of latitude 35° 21' 30" S, longitude 151° 00' 30" E
6	North-westerly along the geodesic to the point of latitude 35° 19' 00" S, longitude 150° 52' 00" E
7	North-easterly along the geodesic to the point of latitude 35° 03' 00" S, longitude 151° 01' 00" E
8	East along the parallel of latitude 35° 03' 00" S to its intersection by the meridian of longitude 151° 12' 00" E
9	North along that meridian to the point of commencement

8.4 Zones for reserve

- (1) The Jervis Commonwealth Marine Reserve is divided into the following zones:
 - (a) the special purpose zone described in clause 8.5 of this Part;
 - (b) the multiple use zone described in clause 8.6 of this Part.

Clause 8.5

- (2) The special purpose zone and multiple use zone are each assigned to IUCN category VI (managed resource protected area).

8.5 Zone 1 of reserve—special purpose zone

Zone 1 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 1 of reserve—special purpose zone	
Item	Description
1	The point of latitude 35° 03' 00" S, longitude 151° 01' 00" E
2	East along the parallel of latitude 35° 03' 00" S to its intersection by the meridian of longitude 151° 12' 00" E
3	South-westerly along the geodesic to the point of latitude 35° 21' 30" S, longitude 151° 00' 30" E
4	North-westerly along the geodesic to the point of latitude 35° 19' 00" S, longitude 150° 52' 00" E
5	North-easterly along the geodesic to the point of commencement

8.6 Zone 2 of reserve—multiple use zone

Zone 2 of the reserve consists of an area bounded by the line commencing at the point described in item 1 of the following table and running progressively as described in the table.

Zone 2 of reserve—multiple use zone	
Item	Description
1	The point of latitude 35° 00' 00" S, longitude 151° 12' 00" E
2	East along the parallel of latitude 35° 00' 00" S to its intersection by the meridian of longitude 151° 36' 00" E
3	South along that meridian to its intersection by the parallel of latitude 35° 24' 00" S
4	West along that parallel to the meridian of longitude 151° 09' 00" E
5	North-westerly along the geodesic to the point of latitude 35° 21' 30" S, longitude 151° 00' 30" E
6	North-easterly along the geodesic to the point of latitude 35° 03' 00" S, longitude 151° 12' 00" E
7	North along the meridian of longitude 151° 12' 00" E to the point of commencement
