Canberra ACT 2006

Renewable Energy (Electricity) Amendment (Solar Zones and Other Measures) Regulation 2014 (F2014L01475) - amended Explanatory Statement.

Please find enclosed an amended explanatory statement for the legislative instrument F2014L01475 registered on 3 November 2014 that amends the Renewable Energy Target Regulations to update solar zones and update references to documentation and definitions following the passage of the *Clean Energy Legislation (Carbon Tax Repeal) Act 2014*.

The explanatory statement was amended to include information regarding consultation undertaken as required by the Senate Standing Committee on Regulations and Ordinances.

If you have any queries please contact Mark Scott on 6159 7287.

Yours sincerely

Shane Richardson
Legislation Liaison Officer
