

Commonwealth of Australia

Environment Protection and Biodiversity Conservation Act 1999
Section 269A

Instrument Adopting Recovery Plan

I, JOSH FRYDENBERG, Minister for the Environment and Energy, under subsection 269A(7) of the *Environment Protection and Biodiversity Conservation Act 1999*, hereby adopt as a recovery plan for the listed threatened species specified below, the plan made by Queensland:

Species	Recovery Plan
<i>Adclarkia dawsonensis</i>	Queensland Department of Environment and Heritage Protection 2017. Recovery plan for the boggomoss snail <i>Adclarkia dawsonensis</i> . Queensland Department of Environment and Heritage Protection, Brisbane.

This recovery plan replaces the recovery plan which was adopted under subsection 269A(7) of the *Environment Protection and Biodiversity Conservation Act 1999* [F2008L02578] for the species specified below:

Species	Recovery Plan
<i>Adclarkia dawsonensis</i>	Dr Stanistic, J., Queensland Museum (2008) Recovery Plan for the Boggomoss Snail <i>Adclarkia dawsonensis</i> .

The recovery plan will come into force on the day after it is registered on the Federal Register of Legislation.

Dated this 21 day of June 2017

Josh Frydenberg

Minister for the Environment and Energy
