### Consultation

No public consultation was undertaken in relation to the currency determination. The effect of this instrument is to determine the denomination, weight, design and dimension of coins to enable the Royal Australian Mint to continue its production of circulating and numismatic coins. The Mint receives public submissions on coin designs and determines appropriate designs in accordance with its Coin Design Policy. The Mint used market based tools to identify interested parties and gauge interest in coin themes.

### Commencement

The determination commences on the day after it is registered.

### Statement of Compatibility with Human Rights

This instrument is compatible with the human rights and freedoms recognised or declared in the international instruments listed in section 3 of the *Human Rights (Parliamentary Scrutiny) Act 2011*. The purpose of the *Currency (Royal Australian Mint) Determination (No. 2) 2018* is to determine the denomination, weight, design and dimension of circulating and numismatic coins. This instrument does not engage any of the applicable rights or freedoms. This instrument is compatible with human rights as it does not raise any human rights issues. This determination has been made by the Assistant Minister to the Treasurer, in accordance with paragraph 13(2)(b) and subsection 13A(1) of the *Currency Act 1965*.
