**Conservation Theme for Prioritising Nominations for Listing Threatened Species,
Threatened Ecological Communities and Key Threatening Processes for the
Assessment Period Commencing 1 October 2019 (210)**

I, MELISSA PRICE, Minister for the Environment under section 194D of the *Environment Protection and Biodiversity Conservation Act 1999* (Cth), determine that the following conservation theme should be given priority in relation to the assessment period commencing 1 October 2019:

Species and Ecological Communities that are severely affected by fire regimes

Melissa Price

Minister for the Environment

Dated 18/12/2018
