8	Period during which this instrument is in force.....	2

1 Name

This instrument is the *Biosecurity (Human Health Response Zone) (Swissotel Sydney) Determination 2020*.

2 Commencement

- (1) Each provision of this instrument specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

Commencement information		
Column 1	Column 2	Column 3
Provisions	Commencement	Date/Details
1. The whole of this instrument	Immediately after this instrument is registered.	11.07 pm (A.C.T.) 25 March 2020

Note: This table relates only to the provisions of this instrument as originally made. It will not be amended to deal with any later amendments of this instrument.

- (2) Any information in column 3 of the table is not part of this instrument. Information may be inserted in this column, or information in it may be edited, in any published version of this instrument.

3 Authority

This instrument is made under subsection 113(1) of the *Biosecurity Act 2015*.

4 Human health response zone

Swissotel, 68 Market Street, Sydney in New South Wales is a human health response zone.

5 Listed human disease to which this instrument relates

This instrument relates to human coronavirus with pandemic potential.

6 Requirement that specified classes of individuals must not enter the zone

An individual other than the following must not enter the zone specified in section 4:

- (a) an individual who enters Australian territory on an aircraft carrying passengers being transported to Australia due to the human coronavirus with pandemic potential;
- (b) an individual who is an accompanying person for an individual:
 - (i) who was a child or incapable person who entered Australian territory as mentioned in paragraph (a); or
 - (ii) who becomes a child or incapable person after entering Australian territory as mentioned in paragraph (a);

Section 7

- (c) an individual who is a biosecurity officer, human biosecurity officer, chief human biosecurity officer for New South Wales, biosecurity enforcement officer or the Director of Human Biosecurity;
- (d) an individual who is a member of the police force of New South Wales and is entering the zone in the course of the member's duty;
- (e) an individual who has authority from the person who has operational (but not clinical) control over the zone.

7 Requirement for certain individuals who are leaving the zone

- (1) An individual mentioned in paragraph 6(a) or (b) who is leaving the zone specified in section 4 must, before leaving the zone, communicate, or attempt to communicate, the individual's intention to leave the zone to the person who has operational (but not clinical) control over the zone.
- (2) This section does not apply to a child or incapable person.

8 Period during which this instrument is in force

This instrument is in force for 3 months beginning on the day it is registered.
