**Civil Aviation Safety Authority**

---

Instrument number CASA EX65/20

I, SHANE PATRICK CARMODY, Director of Aviation Safety, on behalf of CASA, make this instrument under regulations 11.160 and 11.205 of the *Civil Aviation Safety Regulations 1998*.

**[Signed S. Carmody]**

Shane Carmody  
Director of Aviation Safety

9 April 2020

**CASA EX65/20 — Extension of Airworthiness Review Certificate  
(COVID-19) Exemption 2020**

---

**Part 1 — Preliminary**

**1 Name**

This instrument is *CASA EX65/20 — Extension of Airworthiness Review Certificate (COVID-19) Exemption 2020*.

**2 Duration**

This instrument:

- (a) commences on the day after it is registered; and
- (b) is repealed at the end of 31 March 2023.

**Part 2 — Third extension of airworthiness review certificate for aircraft**

**3 Application**

This Part applies if:

- (a) a continuing airworthiness management organisation (the *organisation*) for an aircraft has issued an airworthiness review certificate (the *certificate*) for the aircraft under regulation 42.840 of CASR; and
- (b) the organisation has, under regulation 42.875 of CASR, extended the time for which the certificate is in force for 2 consecutive periods; and
- (c) there remains a period of not more than 90 days before the certificate is due to expire; and
- (d) the organisation wishes, under regulation 42.875 of CASR, to further extend the time for which the certificate is in force.

## 4 Exemptions

- (1) The organisation is exempt from compliance with:
  - (a) subregulation 42.880 (4) of CASR to the extent the organisation further extends the time for which the certificate is in force; and
  - (b) regulation 42.885 of CASR to the extent:
    - (i) under subregulation 42.875 (3) of CASR, an individual extends, on behalf of the organisation, the time for which the certificate is in force; and
    - (ii) the requirement mentioned in subregulation 42.880 (4) of CASR is not met in relation to the extension.
- (2) An individual (the *individual*) who under subregulation 42.875 (3) of CASR extends, on behalf of the organisation, the time for which the certificate is in force is exempt from compliance with regulation 42.890 of CASR to the extent the requirement mentioned in subregulation 42.880 (4) of CASR is not met in relation to the extension.
- (3) The exemptions stated in subsection (1) are subject to the conditions stated in section 5.
- (4) The exemption stated in subsection (2) is subject to the condition stated in section 6.

*Note* Subject to Part 3 of this instrument, the requirement, under subregulation 42.880 (5) of CASR, that the aircraft must be airworthy still applies in relation to the extension of the time for which the certificate is in force.

## 5 Conditions — organisation

- (1) The organisation must only extend the time for which the certificate is in force once only and for a maximum period of 6 months.
- (2) The organisation must ensure the individual only extends the time for which the certificate is in force once only and for a maximum period of 6 months.

## 6 Condition — individual

The individual must only extend the time for which the certificate is in force once only and for a maximum period of 6 months.

*Note* As the certificate does not have a section for a third extension, under this Part, of the time for which the certificate is in force, the individual may comply with regulation 42.895 of CASR by:

- (a) signing anywhere on the certificate; and
- (b) recording anywhere on the certificate the date of the extension and the new date of expiry of the certificate.

## Part 3 — Extension of airworthiness review certificate for relevant aircraft

### 7 Definition for Part 3

In this Part:

*relevant aircraft* means an aircraft that:

- (a) is not in operation; and
- (b) is parked in accordance with the storage requirements in the instructions for continuing airworthiness for the aircraft.

## 8 Application

This Part applies if:

- (a) a continuing airworthiness management organisation (the *organisation*) for an aircraft has issued an airworthiness review certificate (the *certificate*) for the aircraft under regulation 42.840 of CASR; and
- (b) the aircraft is a relevant aircraft; and
- (c) the organisation wishes, under regulation 42.875 of CASR, to extend the time for which the certificate is in force.

## 9 Exemptions

- (1) The organisation is exempt from compliance with:
    - (a) subregulation 42.880 (5) of CASR to the extent the organisation extends the time for which the certificate is in force; and
    - (b) regulation 42.885 of CASR to the extent:
      - (i) under subregulation 42.875 (3) of CASR, an individual extends, on behalf of the organisation, the time for which the certificate is in force; and
      - (ii) the requirement mentioned in subregulation 42.880 (5) of CASR is not met in relation to the extension.
  - (2) An individual who under subregulation 42.875 (3) of CASR extends, on behalf of the organisation, the time for which the certificate is in force is exempt from compliance with regulation 42.890 of CASR to the extent the requirement mentioned in subregulation 42.880 (5) of CASR is not met in relation to the extension.
  - (3) To remove doubt, the exemptions stated in subsections (1) and (2) apply to a third extension, under Part 2, of the time for which the certificate is in force.
-
