

EXPLANATORY STATEMENT

Issued by authority of the Assistant Treasurer

Currency Act 1965

*Currency (Australian Coins) Amendment (2020 Royal Australian Mint No. 4) Determination
2020*

Subsection 13(2) and section 13A of the *Currency Act 1965* (the Act) provide that the Treasurer may, by legislative instrument, determine details of Australian coin characteristics including denomination, standard composition, standard weight, allowable variation from standard weight, design and dimensions.

The purpose of this legislative instrument is to determine the characteristics of 1 new circulating and 63 new non-circulating coins proposed to be issued by the Royal Australian Mint.

The Treasurer may authorise the making and issuing of coins specified, or taken to be specified, in the Schedule to the *Currency Act 1965*. A payment of money is a legal tender if it is made in coins that are made and issued under the *Currency Act 1965*. Through the issue of a currency determination, the Treasurer can add, remove and alter the coin characteristics specified, or taken to be specified, in the Schedule to the *Currency Act 1965*.

In accordance with section 19 of the *Acts Interpretation Act 1901*, any Minister in the Treasury portfolio may, by legislative instrument, determine details of Australian coin characteristics.

Details of the legislative instrument are set out in the Attachment.

The legislative instrument commenced on the day after it was registered on the Federal Register of Legislation.

The legislative instrument is subject to disallowance under section 42 of the *Legislation Act 2003*.

Consultation

No public consultation was undertaken in relation to this legislative instrument. The effect of this instrument is to determine details of new Australian coin characteristics which will enable the Royal Australian Mint to continue its production of circulating and numismatic coins.

Members of the public have the opportunity to contact the Royal Australian Mint to present any themes they would like to see commemorated on Australian legal tender. These concepts are then researched and assessed in accordance with the Royal Australian Mint's *Coin Design Policy*. The Royal Australian Mint also uses market based tools to identify interested parties and gauge interest in coin themes.

Statement of Compatibility with Human Rights

Prepared in accordance with Part 3 of the Human Rights (Parliamentary Scrutiny) Act 2011

***Currency (Australian Coins) Amendment (2020 Royal Australian Mint No. 4)
Determination 2020***

This Legislative Instrument is compatible with the human rights and freedoms recognised or declared in the international instruments listed in section 3 of the *Human Rights (Parliamentary Scrutiny) Act 2011*.

Overview of the Legislative Instrument

The purpose of this legislative instrument is to determine the characteristics of 1 new circulating and 63 new non-circulating coins proposed to be issued by the Royal Australian Mint.

Human rights implications

This Legislative Instrument does not engage any of the applicable rights or freedoms.

Conclusion

This Legislative Instrument is compatible with human rights as it does not raise any human rights issues.
