

COMMONWEALTH OF AUSTRALIA

*Environment Protection and Biodiversity Conservation Act 1999*

*Amendment of List of Exempt Native Specimens – South Australian Beach-cast Marine  
Algae Fishery, September 2021*

I, LAURA TIMMINS, Senior Director, Wildlife Trade Office, as Delegate of the Minister for the Environment, pursuant to subsection 303DC(1)(a) of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act), hereby amend the list of exempt native specimens established under section 303DB of the EPBC Act by **deleting** from the list specimens and any notations specified in **Schedule 1**, and by **including** in the list specimens and associated restrictions or conditions as set out in **Schedule 2**.

This instrument is a legislative instrument for the purposes of the *Legislation Act 2003*.

The instrument commences the day after it is registered.

Dated this     17th     day of             September     2021

.....  
Delegate of the Minister for the Environment

## SCHEDULE 1

Under the heading Freshwater and Marine Animals delete from the list the following items and any associated notations:

| Taxon/Item                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Common Name                                             | Notation                                                                                                                                                                                                                                                                                                        |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Specimens that are or are derived from fish or invertebrates taken in the South Australian Beach-cast Marine Algae Fishery as defined in the <i>Fisheries Management Act 2007</i> (SA), Fisheries Management (Miscellaneous Developmental Fishery) Regulations 2013 (SA), Fisheries Management (Miscellaneous Fishery) Regulations 2015 (SA), Fisheries Management (General) Regulations 2017 (SA), but not including:</p> <ul style="list-style-type: none"> <li>• specimens that belong to eligible listed threatened species, as defined under section 303BC of the EPBC Act, or</li> <li>• specimens that belong to taxa listed under section 303CA of the EPBC Act (Australia's CITES List).</li> </ul> | <p>South Australian Beach-cast Marine Algae Fishery</p> | <ul style="list-style-type: none"> <li>• the specimen, or the fish or invertebrate from which it is derived, was taken lawfully; and</li> <li>• the specimens are covered by the declaration of an approved wildlife trade operation under section 303FN of the EPBC Act in relation to the fishery.</li> </ul> |

## SCHEDULE 2

Under the heading Freshwater and Marine Animals include in the list the following items and associated notations:

| Taxon/Item                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Common Name                                             | Notation                                                                                                                                                                                                                                               |
