## Schedule 1—Amendments

(section 4)

### *Radiocommunications (Interpretation) Determination 2015 [F2015L00178]*

#### **1 Schedule 1—Dictionary (definition of *area-wide service*)**

Repeal the definition (including the note), substitute:

*area-wide service* means:

- (a) a radiocommunications service that is used for radiocommunications from any of the following:
  - (i) stations at fixed points;
  - (ii) mobile stations;to any of the following:
  - (iii) stations at fixed points;
  - (iv) mobile stations;
  - (v) space receive stations; or
- (b) a radiocommunications service that is used for reception of radio emissions by earth receive stations from space stations on space objects.

Note 1: An area-wide service may be used for radiocommunications to a space receive station on a space object, but that station on the space object will not be authorised by an area-wide licence.

Note 2: An area-wide service may be used for reception of radio emissions by an earth receive station from a space station on a space object, but that station on the space object will not be authorised by an area-wide licence.

#### **2 Schedule 1—Dictionary (definition of *earth receive licence*)**

Repeal the definition, substitute:

*earth receive licence* means an apparatus licence, other than an area-wide receive licence, that authorises the operation of an earth receive station.
