About this compilation

This compilation

This is a compilation of the *National Health (Listing of Pharmaceutical Benefits) Instrument 2024* that shows the text of the law as amended and in force on 1 June 2025 (the **compilation date**).

The notes at the end of this compilation (the **endnotes**) include information about amending laws and the amendment history of provisions of the compiled law.

Uncommenced amendments

The effect of uncommenced amendments is not shown in the text of the compiled law. Any uncommenced amendments affecting the law are accessible on the Register (www.legislation.gov.au). The details of amendments made up to, but not commenced at, the compilation date are underlined in the endnotes. For more information on any uncommenced amendments, see the Register for the compiled law.

Application, saving and transitional provisions for provisions and amendments

If the operation of a provision or amendment of the compiled law is affected by an application, saving or transitional provision that is not included in this compilation, details are included in the endnotes.

Editorial changes

For more information about any editorial changes made in this compilation, see the endnotes.

Modifications

If the compiled law is modified by another law, the compiled law operates as modified but the modification does not amend the text of the law. Accordingly, this compilation does not show the text of the compiled law as modified. For more information on any modifications, see the Register for the compiled law.

Self-repealing provisions

If a provision of the compiled law has been repealed in accordance with a provision of the law, details are included in the endnotes.

Note 2: The pharmaceutical benefit may be covered by a special arrangement under section 100 of the Act. The matters determined for the pharmaceutical benefit in this instrument relate to its general supply under Part VII of the Act, and may be modified in the special arrangement instrument. When the pharmaceutical benefit is supplied under the special arrangement, the modified matters will apply.

Note 3: This matter has not been determined for the pharmaceutical benefit in this instrument. The pharmaceutical benefit can only be supplied, or can only be supplied in the circumstances mentioned, under special arrangements under section 100 of the Act. The matter may be determined in a special arrangement instrument.

Note 4: The pharmaceutical benefit may be supplied only under the particular prescriber bag provisions of the Act indicated by the code or codes in the column headed 'Section 100/Prescriber Bag only'. It is not able to be prescribed as a pharmaceutical benefit. The maximum quantity of the pharmaceutical benefit that may be obtained by the particular prescriber for direct supply from their prescriber bag is determined in a legislative instrument made under the relevant prescriber bag provisions of the Act (sections 93, 93AA and 93AB).
