Migration Regulations 1994

Migration (PayPal Surcharge) Instrument (LIN 24/025) 2024

- 1 The instrument, departmental reference LIN 24/025, is made under paragraph 5.41B(1)(b) of the *Migration Regulations 1994* (the Migration Regulations).
- 2 The instrument repeals *Migration Regulations 1994 - Specification of Types of Fees and Charges 2016/083 - IMMI 16/083* (F2016L01414), in accordance with subsection 33(3) of the *Acts Interpretation Act 1901* (the Acts Interpretation Act). That subsection provides that a power to make a legislative instrument includes a power to amend or repeal that instrument in the same manner, and subject to the same conditions, as the power to make the instrument.
- 3 The instrument commences on the day after the instrument is registered. It is a legislative instrument for the *Legislation Act 2003* (the Legislation Act).

Purpose

- 4 The purpose of LIN 24/025 is to ensure PayPal surcharges apply to payments of fees and charges paid using the PayPal system. Subsection 5.41B(1) of the Migration Regulations provides that a person is liable to pay a PayPal surcharge if the person pays a fee or charge, or part of a fee or charge, which is of a kind specified by the Minister in a legislative instrument and the payment is made by the PayPal system. The instrument operates to specify that a PayPal surcharge is payable for payments made in relation to nomination applications, sponsorship applications, visa evidence, visa applications and visa pre-application process fees and charges, where these payments are made by PayPal.
- 5 The instrument repeals *Migration Regulations 1994 - Specification of Types of Fees and Charges 2016/083 - IMMI 16/083* (F2016L01414), to allow an additional payment type, visa pre-application process fees and charges, to also be specified as a type of payment for which a person may be liable to pay a surcharge if the payment is made by PayPal.

Background

- 6 The *Migration Amendment (Australia's Engagement in the Pacific and Other Measures) Act 2023* (the Amendment Act) commenced on 29 March 2024 and empowers the Minister to conduct a visa pre-application process (referred to as a ballot) which involves the random

selection of registered participants who will then be permitted to lodge an application for a relevant visa.

- 7 The *Migration (Visa Pre-application Process) Charge Act 2023* (the Charge Act) imposes a charge on the registration of a person as a registered participant in a visa pre-application process.
- 8 This instrument will ensure that when an applicant registers to participate in the ballot and makes payment for registration in the ballot by PayPal, the applicant will be liable to pay the PayPal surcharge. The instrument retains existing arrangements for the payment of PayPal surcharges in relation to other types of fees and charges.

Consultation

- 9 Consultation was previously undertaken with the Office of the Migration Agents Registration Authority before the *Migration Regulations 1994 - Specification of Types of Fees and Charges 2016/083 - IMMI 16/083* was made. Consultation in relation to the Amendment Act and the Charge Act was undertaken with the Department of Foreign Affairs and Trade. No further consultation was considered necessary as the instrument is of a minor or machinery nature and does not substantially alter existing arrangements. This consultation accords with subsection 17(1) of the Legislation Act.
- 10 The Office of Impact Analysis (OIA) was also consulted and considered that all impact analysis requirements have been acquitted. No further regulatory impact statement was required. The OIA reference number is OBPR22-02320.
