Issued by the Authority of the Minister for Indigenous Australians

Higher Education Support Act 2003

*Higher Education Support (Maximum Payments for Indigenous Student Assistance Grants)
Amendment Determination 2024*

Purpose

This instrument varies the *Higher Education Support (Maximum Payments for Indigenous Student Assistance Grants) Determination 2016* (the 2016 Determination) to revise the total maximum payments to be made under Part 2-2A of the *Higher Education Support Act 2003* (the Act) in respect of the years 2025 to 2026. This instrument also amends the 2016 Determination to determine a new total maximum payment amount in respect of the year 2027.

Background

Part 2-2A of the Act provides for grants to higher education providers to assist Indigenous students. Grants under Part 2-2A of the Act are payable to higher education providers in respect of a year.

Subsection 38-45(1) of the Act provides that the total payments made under Part 2-2A in respect of a year must not exceed the amount determined by the Minister in respect of the year.

Subsection 38-45(2) provides that the Minister may, by legislative instrument, determine the total payments made under Part 2-2A in respect of a year. A legislative note to subsection 38-45(2) clarifies that a single legislative instrument may determine amounts for multiple years. Subsection 38-45(4) provides that the Minister may, by legislative instrument, at any time before the end of a year, vary a determination made under subsection 38-45(2) for the year.

STATEMENT OF COMPATIBILITY WITH HUMAN RIGHTS

Prepared in accordance with Part 3 of the Human Rights (Parliamentary Scrutiny) Act 2011

HIGHER EDUCATION SUPPORT (MAXIMUM PAYMENTS FOR INDIGENOUS STUDENT ASSISTANCE GRANTS) AMENDMENT DETERMINATION 2024

This legislative instrument is compatible with the human rights and freedoms recognised or declared in the international instruments listed in section 3 of the *Human Rights (Parliamentary Scrutiny) Act 2011*.

Overview of the Legislative Instrument

This instrument amends the *Higher Education Support (Maximum Payments for Indigenous Student Assistance Grants) Determination 2016* to revise the maximum total payments that may be made under Part 2-2A of the *Higher Education Support Act 2003* (the Act) in respect of the years 2025 to 2027.

Human rights implications

This instrument is mechanical in nature as it determines the maximum total payments that may be made under Part 2-2A of the Act. As such, this instrument does not engage any human rights.

However, this instrument does enable grants under Part 2-2A of the Act to be made to higher education providers. In this respect, the instrument facilitates the promotion of the right to education under Article 13 of the International Covenant on Economic, Social and Cultural Rights (ICESCR) and the right of equality and non-discrimination under Articles 2, 16, and 26 of the International Covenant on Civil and Political Rights (ICCPR), Article 2 of the ICESCR, and Article 5 of the International Convention on the Elimination of All Forms of Racial Discrimination (ICERD).

Right to education

Article 13 of the ICESCR, recognises the ‘right of everyone to education’.

This instrument facilitates the promotion of the right to education as it enables grants to be made to higher education providers. The purposes of the grants are to assist Indigenous students to undertake higher education and to increase the number of Indigenous students enrolling in, progressing in, and completing courses leading to higher education awards.

The instrument also provides for the maximum total payments that may be made to higher education providers under Part 2-2A of the Act for the years 2025 to 2027, inclusive. This gives higher education providers an indication of the funding that is expected to be available and will allow them to plan ahead for the provision of activities to assist First Nations students.

Right of equality and non-discrimination

The right of equality and non-discrimination is contained in Articles 2, 16 and 26 of the ICCPR, Article 2 of the ICESCR and Article 5 of the ICERD.

The right of equality and non-discrimination recognises that all human beings have the right to be treated equally and to not be discriminated against.

To the extent that measures in relation to Indigenous Student Assistance under Part 2-2A of the Act mean Indigenous persons are provided with a different level of assistance to access higher education than other persons, Part 2-2A is intended to be a ‘special measure’ within the meaning of Article 1(4) of the ICERD and subsection 8(1) of the *Racial Discrimination Act 1975*.

While this instrument itself is not a special measure, the instrument facilitates the provision of a special measure. The instrument facilitates the provision of grants to higher education providers to enable them to provide targeted assistance to First Nations students and allow these students to better access, progress in and complete higher education awards in order to address the disparity in access to, and completion of, higher education as exists between Indigenous persons and other persons.

The requirement for the Minister to determine maximum payments for grants under Part 2-2A by legislative instrument is also consistent with arrangements under section 41-45 of the Act for Other Grants under Part 2-3 and under section 46-40 of the Act for Commonwealth Scholarships under Part 2-4. This ensures that grants for Indigenous student assistance are dealt within the same way as grants for non-Indigenous student assistance.

Conclusion

The instrument is compatible with human rights.
