# Schedule 1—Continuation bonus amendments

## *Defence Determination 2016/19, Conditions of service*

### **1 Part 4 of Chapter 3**

Repeal the Part, substitute:

## **Part 4: Continuation bonus**

### **Division 1: General provisions**

#### **Subdivision 1: Preliminary**

##### **3.4.1 Simplified outline for this Part**

This Part provides a bonus to members who have reached particular career milestones to encourage them to remain in the ADF as a member of the Permanent Forces for an additional 3 years.

An offer of a continuation bonus may be made to a member up to 2 times. Generally, an offer of continuation bonus offer 1 is made after 4 years of service (Division 2) and an offer of continuation bonus offer 2 is made after 7 years of service (Division 3). Each offer has specific conditions.

To receive a continuation bonus, an offer is generally required to be accepted by the member. Specific rules apply to who is eligible and when an offer can be accepted (Division 4).

If a member accepts an offer of a continuation bonus, they may elect to receive the continuation bonus in one payment or in 2 separate payments (Section 3.4.21).

Associated with receiving the continuation bonus is a requirement to complete an agreed period of service (Section 3.4.2, definition). This is 1095 days of effective service in the Permanent Forces, which is the equivalent of 3 years.

Rules relating to how effective service is calculated are provided in subdivision 2 of this Division.

A member may cease to be eligible to receive an unpaid portion of the bonus if they do not complete the agreed period of service associated with the continuation bonus (Section 3.4.21). In some cases, they may have to repay the amount of the continuation bonus they have received (Section 3.4.23).
