- (1) For the purposes of subsection 42S(1) of the Act, the registrations specified in column 1 of the table are excluded from the operation of automatic deemed registration in Western Australia.
- (2) The statement set out in column 2 of the table explains, under subsection 42S(2) of the Act, the significant risk to consumer protection, the environment, animal welfare or the health or safety of workers or the public on which basis the Minister is satisfied that the exclusion of the registrations in column 1 is necessary.

Exempted registrations	
Column 1	Column 2
Registration	Statement explaining significant risk
1. Electrical contractor's licence, electrician's licence and restricted licence under the <i>Electricity (Licensing) Regulations 1991</i> of Western Australia	Automatic deemed registration in relation to these registrations would heighten the likelihood of a member of the public or worker suffering a fatality or serious injury arising from non-compliant electrical work due to specific features of the Western Australian electrical licensing system that do not apply elsewhere in Australia.
