

SUPPLEMENTARY EXPLANATORY STATEMENT

Approved by the Australian Communications and Media Authority

Radiocommunications Act 1992

Radiocommunications (Allocation of Transmitter Licences – Low Power Open Narrowcasting Licences) Determination 2025

Authority

The Australian Communications and Media Authority (the **ACMA**) has made the *Radiocommunications (Allocation of Transmitter Licences – Low Power Open Narrowcasting Licences) Determination 2025* (the **instrument**) under subsection 106(1) of the *Radiocommunications Act 1992* (the **Act**), and subsection 33(3) of the *Acts Interpretation Act 1901* (the **AIA**).

This supplementary explanatory statement amends the explanatory statement for the instrument as set out below.

Documents incorporated by reference

After the final paragraph under the heading “**Documents incorporated by reference**”, insert:

Incorporation of planning model

The instrument also incorporates a non-legislative instrument being the ACMA’s published planning model on the operation of LPON services (the **planning model**), as existing from time to time.

The planning model is available, free of charge, on the ACMA website at www.acma.gov.au.
