

## **EXPLANATORY STATEMENT**

Issued by the authority of the Minister for Finance

*Public Governance, Performance and Accountability Act 2013*

*PGPA Act Determination (Health SOETM Special Account Amendment 2025)*

### ***Purpose of this determination***

This determination is made under subsection 78(3) of the *Public Governance, Performance and Accountability Act 2013* (**PGPA Act**) to vary the *PGPA Act Determination (Health SOETM Special Account 2021)* (**the principal determination**). The principal determination establishes the *Health SOETM Special Account 2021* (**the special account**). This determination amends the principal determination following the machinery of government changes which commenced on 13 May 2025 (Administrative Arrangements Order dated 13 May 2025 (**AAO**)).

The AAO renames the Department of Health and Aged Care to the Department of Health, Disability and Ageing, and transfers responsibility for matters such as services and policy for the National Disability Insurance Scheme from the Department of Social Services to the Department Health, Disability and Ageing.

The determination amends the principal determination to update the accountable authority responsible for the special account and reflect the change in its subject matter.

These minor administrative amendments to the principal determination reflect the AAO on 13 May 2025.

### ***The operating context of special accounts***

A special account may be established by a determination made by the Minister for Finance (under section 78 of the PGPA Act) or by an Act (see section 80 of the PGPA Act).

A special account is an appropriation mechanism that sets aside amounts within the Consolidated Revenue Fund (**CRF**) for spending on specified purposes. The purposes of a special account are set out in the establishing determination or Act.

In accordance with section 81 of the Constitution, all revenues or moneys raised or received by the Commonwealth Executive Government form one CRF. Section 83 of the Constitution provides that such money may not be drawn from the Treasury except under an appropriation made by law.

- A special account enables revenues or moneys raised or received to be set aside for the purposes of that special account.
- Expenditure for the purposes of a special account is supported by an appropriation in the PGPA Act: subsection 78(4) for a special account established by a determination or subsection 80(1) for a special account established by an Act.

### ***Special account determinations***

Special account determinations are legislative instruments for the purposes of the *Legislation Act 2003*. Special account determinations may be varied or revoked by a subsequent determination being made in accordance with subsection 78(3) of the PGPA Act.

In accordance with subsection 79(3) of the PGPA Act, the Finance Minister must table a copy of such determinations in each House of the Parliament. Subsection 79(4) of the PGPA Act

provides that special account determinations are subject to disallowance by either House of the Parliament.

The disallowance period starts on the day a special account determination is tabled in the House and ends on the fifth sitting day of the House after the determination was tabled in that House.

If neither House passes a resolution to disallow a special account determination, under subsection 79(5) it commences on the day immediately after the last day on which it could have been disallowed, or on a later day if specified in the determination. This determination specifies that it will commence on the day immediately after the last day on which it could have been disallowed.

### ***Human Rights***

A Statement of Compatibility with Human Rights is not required for this determination. Subsection 9(1) of the *Human Rights (Parliamentary Scrutiny) Act 2011* requires a Statement of Compatibility with Human Rights for all legislative instruments subject to disallowance under section 42 of the *Legislation Act 2003*. While determinations made or varied under subsections 78(1) or 78(3) of the PGPA Act are subject to disallowance under section 79 of the PGPA Act, subsection 79(2) provides that they are not subject to disallowance under section 42 of the *Legislation Act 2003*. As such, a Statement of Compatibility with Human Rights is not required.

### ***Consultation***

The Department of Health, Disability and Ageing was consulted in the preparation of this determination.
