24 **26B Transfer of tax loss from transferring corporation to receiving**
25 **corporation**

26 In addition to its effect apart from this section, the *Income Tax*
27 *Assessment Act 1996* also has the effect it would have if
28 Subdivision 170-A (which is about transferring tax losses within

1 wholly-owned company groups) of that Act were replaced by
2 Subdivision 170-A (which is a modified version of the rules in that
3 Subdivision) in Schedule 1 to this Act.

4 **26C Deduction for tax loss—easing of restrictions on transferring**
5 **corporation**

6 If:

- 7 (a) this Act applies to one or more transfers by the transferring
8 corporation to the receiving corporation; and
9 (b) the transferring corporation is taken (otherwise than because
10 of a transfer of a tax loss under section 80G of the *Income*
11 *Tax Assessment Act 1936* or Subdivision 170-A of the
12 *Income Tax Assessment Act 1996*) to have incurred a tax loss
13 for a year of income (the *loss year*); and
14 (c) the loss year is the income year in which section 26 of this
15 Act commenced or an earlier income year; and
16 (d) Subdivision 165-A or 175-A, or both, of the *Income Tax*
17 *Assessment Act 1996* prevent the transferring corporation
18 from deducting an amount of that tax loss for an income year
19 (the *deduction year*); and
20 (e) the transferring corporation did not, at any time in the
21 deduction year, derive income from:
22 (i) a business of a kind that it did not carry on; or
23 (ii) a transaction of a kind that it had not entered into in the
24 course of its business operations;
25 before the transfer, or the earliest of the transfers, occurred;
26 neither Subdivision 165-A nor 175-A of that Act prevents the
27 transferring corporation from deducting that amount.

28 Note: Subdivision 165-A of the *Income Tax Assessment Act 1996* is about
29 the conditions that a company needs to satisfy before it can deduct a
30 tax loss from an earlier income year.

31 Subdivision 175-A of the *Income Tax Assessment Act 1996* is about
32 the Commissioner preventing a company from getting certain tax
33 benefits through its unused tax losses.

6 **170-1 What this Subdivision is about**

7 A transferring corporation (within the meaning of the *Financial*
8 *Corporations (Transfer of Assets and Liabilities) Act 1993*) can
9 transfer a tax loss to a receiving corporation (within the meaning of
10 that Act) so that the receiving corporation can deduct it. The
11 corporations must be related in such a way that that Act would
12 apply to a transfer of assets from the transferring corporation to the
13 receiving corporation.

14

170-5 Basic principles for transferring tax losses

15

(1) A transferring corporation (within the meaning of the *Financial*

16

Corporations (Transfer of Assets and Liabilities) Act 1993) can

17

transfer a tax loss to a receiving corporation (within the meaning of

18

that Act) so that the receiving corporation can deduct it.

19

(2) The corporations must be related in such a way that that Act would

20

apply to a transfer of assets from the transferring corporation to the

21

receiving corporation.

22

(3) The receiving corporation need not have enough assessable income

23

to offset the transferred tax loss.

24

(4) The tax loss is transferred by an agreement between the 2

25

corporations.

*To find the definition of this term, see the Dictionary, starting at section 995-1.

Schedule 4 Consequential amendments of the Financial Corporations (Transfer of Assets and Liabilities) Act 1993

Schedule 1 Tax losses and the Income Tax Assessment Act 1996

Subdivision 170-A Transfer of tax losses from a transferring corporation to a receiving corporation

Section 170-10

1 **Effect of transferring a tax loss**

2 **170-10 When a corporation can transfer a tax loss**

3 (1) A transferring corporation within the meaning of the *Financial*
4 *Corporations (Transfer of Assets and Liabilities) Act 1993* (the ***loss***
5 ***company***) can transfer an amount of its *tax loss for an income
6 year of the loss company (the ***loss year***) to a receiving corporation
7 within the meaning of that Act (the ***income company***) if the
8 conditions in this Subdivision are met.

9 (2) The amount transferred can be the whole or part of the *tax loss.

10 Note: A PDF cannot transfer a tax loss, except one for a period before it
11 became a PDF: see section 195-10.

12 (3) However, the *loss company cannot transfer so much of the *tax
13 loss as the loss company has deducted, or can deduct, for an
14 income year before the one in which the amount is transferred.

15 **170-15 Income company is taken to have incurred transferred loss**

16 (1) If an amount of a *tax loss is transferred, the *amount is taken to be
17 a tax loss incurred by the *income company in the *loss year.

18 (2) However, if the *loss year is the same as the income year of the
19 *income company for which the amount is transferred (the ***transfer***
20 ***year***), the *income company is taken to have incurred the *tax loss
21 in the income year before the loss year.

22 Note: This rule is needed because Division 36 allows a tax loss to be
23 deducted only if it was incurred in an *earlier* income year.

24 **170-20 Who can deduct transferred loss**

25 (1) If an amount of a *tax loss is transferred, the *income company can
26 deduct the amount in accordance with section 36-15 (which is

*To find the definition of this term, see the Dictionary, starting at section 995-1.

1 about how to deduct a tax loss), but only if Subdivision 165-A (as
2 modified by section 170-23) and Subdivision 175-A do not prevent
3 it from doing so.

4 Note: Subdivision 165-A is about the conditions that a company needs to
5 satisfy before it can deduct a tax loss from an earlier income year.

6 Subdivision 175-A is about the Commissioner preventing a company
7 from getting certain tax benefits through its unused tax losses.

- 8 (2) The *loss company can no longer deduct the transferred amount
9 and is taken not to have incurred the *tax loss to the extent of that
10 amount.

11 **170-23 When income company must maintain same owners and**
12 **control**

- 13 (1) Ordinarily, Subdivision 165-A prevents a company from deducting
14 for an income year (the *deduction year*) a tax loss if there has been
15 a change in the ownership or control of the company between the
16 *loss year* and the deduction year.

17 Note: Subdivision 165-A is about the conditions that a company needs to
18 satisfy before it can deduct a tax loss from an earlier income year.

- 19 (2) However, subsection (3) modifies that Subdivision so that the
20 *income company is prevented from deducting for the deduction
21 year a transferred amount of a *tax loss only if there has been a
22 change in ownership or control in the income company between
23 the *transfer year* and the deduction year.

- 24 (3) That Subdivision applies to the transferred amount as if all
25 references to “*loss year” in that Subdivision were references to
26 “*transfer year”.

Schedule 4 Consequential amendments of the Financial Corporations (Transfer of Assets and Liabilities) Act 1993

Schedule 1 Tax losses and the Income Tax Assessment Act 1996

Subdivision 170-A Transfer of tax losses from a transferring corporation to a receiving corporation

Section 170-25

1 **170-25 Tax treatment of payment for transferred tax loss**

2 (1) A payment received for an amount of a *tax loss is neither
3 assessable income nor exempt income of the *loss company.

4 (2) The *income company cannot deduct a payment it makes for an
5 amount of a *tax loss.

6 **Conditions for transfer**

7 **170-28 *Financial Corporations (Transfer of Assets and Liabilities) Act***
8 ***1993* must apply to asset transfer from loss company to**
9 **income company**

10 If it were assumed that:

11 (a) an asset (within the meaning of the *Financial Corporations*
12 *(Transfer of Assets and Liabilities) Act 1993*) had been
13 transferred by the *loss company to the *income company on
14 the last day of a particular income year of the *loss company
15 (the *notional transfer year*); and

16 (b) the requirements of paragraphs 7(6)(a) and (b) of that Act
17 were satisfied in relation to that transfer;

18 then it must be the case that that Act would have applied to that
19 transfer.

*To find the definition of this term, see the Dictionary, starting at section 995-1.

1

2 **170-32 The loss year**

3

The *loss year must be either:

4

(a) the income year in which the *Financial Corporations*

5

(*Transfer of Assets and Liabilities*) Act 1993 commenced; or

6

(b) an earlier income year.

7 **170-33 The transfer year**

8

(1) The *transfer year must either:

9

(a) end at the end of the *notional transfer year; or

10

(b) correspond to the income year of the *loss company that next

11

follows the *notional transfer year.

12

(2) Also, the *transfer year must be one of the 5 income years after the

13

income year in which the *Financial Corporations (Transfer of*

14

Assets and Liabilities) Act 1993 commenced.

15 **170-35 The loss company**

16

If the *loss year and the *transfer year are the same, it must be the
case that the *loss company was *not* required to calculate the *tax
loss under section 165-70 or 175-35.

17

18

19 **170-50 Transfer by written agreement**

20

(1) The transfer must be made by a written agreement between the

21

*loss company and the *income company.

22

(2) The agreement must:

23

(a) specify the *transfer year (which may be earlier than the

24

income year in which the agreement is made); and

25

(b) specify the amount of the *tax loss being transferred; and

Schedule 4 Consequential amendments of the Financial Corporations (Transfer of Assets and Liabilities) Act 1993

Schedule 1 Tax losses and the Income Tax Assessment Act 1996

Subdivision 170-A Transfer of tax losses from a transferring corporation to a receiving corporation

Section 170-55

- 1 (c) be signed by the public officer of each company; and
2 (d) be made on or before the day of lodgment of the *income
3 company's *income tax return for the *transfer year, or within
4 such further time as the Commissioner allows.

5 Note: The agreement will usually be made in the next income year *after* the
6 one in which the tax loss is transferred.

7 **170-55 Losses must be transferred in order they are incurred**

- 8 (1) If the *loss company has 2 or more *tax losses (other than *film
9 losses) that it can transfer in the *transfer year, it can transfer them
10 only in the order in which it incurred them.
11 (2) If the *loss company has 2 or more *film losses that it can transfer
12 in the *transfer year, it can transfer them only in the order in which
13 it incurred them.

14 **170-60 Income company cannot transfer transferred tax loss**

15 The *income company cannot transfer an amount of a *tax loss
16 transferred to it, or any part of the amount.

17 **Effect of agreement to transfer more than can be transferred**

18 **170-65 Agreement transfers as much as can be transferred**

- 19 (1) If the amount specified in an agreement exceeds the maximum
20 amount that the *loss company can transfer to the *income
21 company in the *transfer year, only that maximum amount is taken
22 to have been transferred.
23 (2) One reason why an agreement might specify more than can be
24 transferred is that an assessment has been amended since the
25 agreement.

*To find the definition of this term, see the Dictionary, starting at section 995-1.

1 **170-70 Amendment of assessments**

2 The Commissioner may amend an assessment to disallow a
3 deduction for a transferred amount of a *tax loss:

4 (a) if the agreement to transfer the tax loss is ineffective because
5 the *loss company did not actually incur the loss; or

6 (b) to the extent that section 170-65 reduces the transferred
7 amount of a tax loss because the loss company did not
8 actually incur some of it.

9 The Commissioner may do so despite section 170 (Amendment of
10 assessments) of the *Income Tax Assessment Act 1936*.
