**COMMONWEALTH MOTOR VEHICLES (LIABILITY) AMENDMENT BILL  
1997**

**OUTLINE**

Under the Commonwealth's self-insurance arrangements embodied in the *Commonwealth Motor Vehicles (Liability) Act 1959*, the Commonwealth bears its own liability for third-party claims arising out of the use of uninsured motor vehicles owned by the Commonwealth or a Commonwealth authority. As a consequence of the sale and leaseback of DASFLEET's vehicles, this Bill amends that Act to extend the Commonwealth's liability to motor vehicles leased to the Commonwealth or a Commonwealth authority and not registered in a State or Territory. Taxation and registration issues arising out of the sale and leaseback of DASFLEET's vehicles are addressed in the *Commonwealth Vehicles (Registration and Exemption from Taxation) Bill 1997*.

**FINANCIAL IMPACT STATEMENT**
