Section 170 of the *Income Tax Assessment Act 1936* does not prevent the amendment of an assessment if:

- (a) the assessment was made before the commencement of Schedule 3 (about CGT exemption for compensation and insurance) to this Act; and
- (b) the amendment is made for the purpose of giving effect to that Schedule; and
- (c) the amendment is made within 2 years after the day that Schedule commences.

Note: The 2-year period in paragraph (c) can be extended (see section 170A of the *Income Tax Assessment Act 1936*).

Schedule 1—Excess non-concessional superannuation contributions tax reforms

Income Tax Assessment Act 1997

1 Section 10-5 (table item headed “superannuation”)

Before:
benefits generally Divisions 301 to 306
insert:
associated earnings on non-concessional contributions ... Subdivision 292-B

2 Section 11-55 (table item headed “superannuation”)

Omit:
release authorities, payments from 303-15
303-20
304-15
substitute:
release authorities, payments from 303-15
303-17
303-20
304-15

3 Section 13-1 (table item headed “superannuation”)

After:
generally Divisions 301 and
302
insert:
associated earnings on non-concessional contributions ... Subdivision 292-B

4 Subsection 280-15(3)

Repeal the subsection, substitute:

- (3) If non-concessional contributions exceed an indexed cap, the individual can:

- (a) elect to release an amount corresponding to that excess, and 85% of the associated earnings on that excess, from the individual's superannuation interests; or
- (b) elect not to release such an amount if the value of the individual's superannuation interests is nil.

An amount corresponding to those associated earnings is then included in the individual's assessable income and gives rise to a tax offset.

- (4) The individual is taxed:
 - (a) if the amount released as described in paragraph (3)(a) fell short of that excess—on that shortfall; or
 - (b) on that excess, if the individual did not make either of those elections.

An amount equal to this tax liability must be released from the individual's superannuation interests.

5 Division 292 (heading)

Repeal the heading, substitute:

Division 292—Excess non-concessional contributions

6 Section 292-1

Repeal the section, substitute:

292-1 What this Division is about

This Division limits the superannuation contributions made in a financial year that receive concessional tax treatment.

You become liable for tax if:

- (a) your non-concessional contributions exceed an indexed cap; and
- (b) you do not release a corresponding amount from your superannuation interests;

unless the value of your superannuation interests is nil.

An amount will be included in your assessable income, and you will become entitled to a tax offset, if you release such an amount or if the value of your superannuation interests is nil.

7 After Subdivision 292-A

Insert:

Subdivision 292-B—Assessable income and tax offset

292-15 What this Subdivision is about

An amount is included in your assessable income, and you are entitled to a tax offset, if your non-concessional contributions exceed an indexed cap and:

- (a) as a result, you release an amount from your superannuation interests; or
- (b) the value of your superannuation interests is nil.

This amount included in your assessable income corresponds to your associated earnings on those excess contributions.

Table of sections

292-20	Amount in assessable income, and tax offset, relating to your non-concessional contributions
292-25	Amount included in assessable income
292-30	Amount of the tax offset

292-20 Amount in assessable income, and tax offset, relating to your non-concessional contributions

Your assessable income for an income year includes an amount, and you are entitled to a *tax offset for the income year, if:

- (a) you receive one or more *excess non-concessional contributions determinations for a *financial year that corresponds to the income year; and

- (b) you make one or more elections under paragraph 96-7(1)(a) or (b) in Schedule 1 to the *Taxation Administration Act 1953* in relation to those determinations.

292-25 Amount included in assessable income

- (1) The amount included in your assessable income for the income year is equal to the amount of associated earnings stated in the most recent of those determinations.
- (2) However, if:
- (a) the sum of any amounts paid to you in response to release authorities issued in relation to those determinations (the **total amount**) is less than the amount of the excess stated in the most recent of those determinations; and
- (b) section 292-467 does not apply to you for the *financial year; the amount included in your assessable income for the income year is equal to the amount of associated earnings that would have been stated in that most recent determination if the total amount had been the amount of the excess stated in that determination.

Note 1: The amount included in your assessable income may be nil.

Note 2: Any amounts paid to you in response to those release authorities are non-assessable non-exempt income (see section 303-17).

292-30 Amount of the tax offset

The *tax offset is equal to 15% of the amount included in your assessable income for the income year under section 292-25.

Note 1: This tax offset compensates for any tax liability of the superannuation provider on earnings from investments made with the contributions making up the excess amount stated in the most recent determination.

Note 2: This offset cannot be refunded, transferred or carried forward (see item 20 of the table in subsection 63-10(1)).

8 Subsection 292-85(1)

Repeal the subsection, substitute:

- (1) You have **excess non-concessional contributions** for a *financial year if:

- (a) you receive one or more *excess non-concessional contributions determinations for the financial year; and
 - (b) the excess amount stated in the most recent of those determinations exceeds the sum of any amounts paid to you in response to release authorities issued, in relation to those determinations, under section 96-12 in Schedule 1 to the *Taxation Administration Act 1953*; and
 - (c) section 292-467 of this Act does not apply to you for the financial year.
- (1A) The amount of your *excess non-concessional contributions* is:
- (a) if no amounts were paid to you as described in paragraph (1)(b)—the excess amount stated in that most recent determination; or
 - (b) otherwise—the amount of the excess worked out under paragraph (1)(b).

Note: Any excess non-concessional contributions determination you receive after the first one for a financial year is an amended determination.

9 Subsection 292-465(1)

After “for the purposes of this Division”, insert “and Subdivision 97-B in Schedule 1 to the *Taxation Administration Act 1953*”.

10 Paragraph 292-465(2)(b)

Repeal the paragraph, substitute:

- (b) if you receive one or more *excess non-concessional contributions determinations for the *financial year—before the end of:
 - (i) the period of 60 days starting on the day you receive the most recent of those determinations; or
 - (ii) a longer period allowed by the Commissioner.

11 Subsections 292-465(3) and (4)

Omit “the determination” (first occurring), substitute “a determination under subsection (1)”.

12 Subsection 292-465(7)

Omit “the determination”, substitute “a determination made under subsection (1)”.

13 Subsection 292-465(8)

Omit “under this section”, substitute “made under subsection (1)”.

14 Paragraph 292-465(9)(b)

Omit “this section”, substitute “subsection (1)”.

15 After section 292-465

Insert:

292-467 Direction that the value of superannuation interests is nil

- (1) The Commissioner must, by writing, direct that this section applies to you for a *financial year if:
- (a) you receive one or more *excess non-concessional contributions determinations for the financial year; and
 - (b) as a result of those determinations, you make one or more elections under paragraph 96-7(1)(a) or (b) in Schedule 1 to the *Taxation Administration Act 1953*; and
 - (c) in the case of elections under paragraph 96-7(1)(a) in that Schedule—the sum of any amounts paid to you in response to any release authorities issued in relation to those elections is less than the excess amount stated in the most recent of those determinations; and
 - (d) the Commissioner is satisfied that the *value of all of your remaining *superannuation interests is nil.

Note 1: The direction means you have no excess non-concessional contributions for the financial year (see paragraph 292-85(1)(c)), even though not all of the excess amount has been released to you.

Note 2: The direction does not prevent an amount from being included in your assessable income (see Subdivision 292-B).

Note 3: Any excess non-concessional contributions determination you receive after the first one for a financial year is an amended determination.

- (2) The Commissioner must give you a copy of the direction.

- (3) A direction under this section may be included in a notice of assessment.
- (4) To avoid doubt:
- (a) you may object under section 292-245 against an *excess non-concessional contributions tax assessment made in relation to you on the ground that a direction was not made under this section; and
 - (b) for the purposes of paragraph (e) of Schedule 1 to the *Administrative Decisions (Judicial Review) Act 1977*, not making a direction under this section is a decision forming part of the process of making an assessment of tax under this Act.

16 After section 303-15

Insert:

303-17 Payments from release authorities etc.—released non-concessional contributions and associated earnings

A *superannuation benefit is not assessable income and is not *exempt income if it is paid to you in response to a release authority issued under section 96-12 in Schedule 1 to the *Taxation Administration Act 1953*.

Note: A related amount may still be included in your assessable income (see Subdivision 292-B).

17 Subsection 995-1(1)

Insert:

excess non-concessional contributions determination has the meaning given by subsection 97-25(2) in Schedule 1 to the *Taxation Administration Act 1953*.

total release amount, in relation to an *excess non-concessional contributions determination, has the meaning:

- (a) given by paragraph 97-25(1)(c) in Schedule 1 to the *Taxation Administration Act 1953*; and
- (b) affected by subsection 96-7(2) in that Schedule.

 - (f) 2 or more taxation decisions that are taken to be a single taxation decision under subsection (2).

Decisions treated as single decision for common objection ground

- (2) If:
 - (a) a person makes a taxation objection at a particular time, on a particular ground, against a taxation decision to which this section applies; and
 - (b) at that time, the person also objects, or could also object, on that ground, against another taxation decision to which this section applies;then, for the purposes of this Part, those taxation decisions are taken to be a single taxation decision.

Limited objection rights because of earlier objection

- (3) A person cannot object under this Part against a taxation decision to which this section applies on a particular ground if:
- (a) the ground was a ground for an objection the person has made against another decision to which this section applies; or
 - (b) the ground could have been a ground for an objection the person has made against another decision to which this section applies.

19 After paragraph 14ZW(1)(aac)

Insert:

(aaca) if the taxation objection is made on a particular ground under any of the following provisions:

- (i) section 175A of the *Income Tax Assessment Act 1936*;

- (iii) section 292-245, 292-465 or 292-467 of the *Income Tax Assessment Act 1997*;

within the same period that the person must lodge a taxation objection on that ground under section 292-245 of the *Income Tax Assessment Act 1997*; or

Repeal the heading, substitute:

Part 2-35—Excess superannuation contributions

21 Section 96-1 in Schedule 1

Repeal the section, substitute:

96-1 What this Subdivision is about

<p>You may elect to release from your superannuation interests:</p> <ul style="list-style-type: none">(a) up to 85% of your excess concessional contributions for a financial year; and

- (b) your non-concessional contributions that exceed your non-concessional contributions cap for the financial year, and 85% of any associated earnings.

Superannuation providers will usually be required to pay an amount from the superannuation interests. However, for certain interests the provider may choose whether or not to pay.

Released concessional contributions are paid to the Commissioner. You get a credit for the released amount. Surplus credits are refunded to you under Division 3A of Part IIB.

Released non-concessional contributions and associated earnings are paid to you.

22 Section 96-5 in Schedule 1 (heading)

Repeal the heading, substitute:

96-5 Electing to release excess concessional contributions

23 Subsection 96-5(1) in Schedule 1

After “*excess concessional contributions determination”, insert “for a *financial year”.

24 Subsection 96-5(1) in Schedule 1 (note 1)

Omit “Division 97”, substitute “Subdivision 97-A”.

25 Paragraph 96-5(5)(b) in Schedule 1

Omit “section 96-40”, substitute “subsection 96-40(1)”.

26 After section 96-5 in Schedule 1

Insert:

96-7 Electing to release non-concessional contributions etc.

Original determinations

- (1) If you receive an *excess non-concessional contributions determination for a *financial year, you may:
- (a) elect to release the *total release amount stated in the determination from your *superannuation interests; or
 - (b) elect not to release that total release amount if the value of your superannuation interests is nil; or
 - (c) elect not to release that total release amount for some other reason.

Note 1: For excess non-concessional contributions determinations, see Subdivision 97-B.

Note 2: The released amount will be non-assessable non-exempt income (see section 303-17 of the *Income Tax Assessment Act 1997*), but an amount corresponding to your associated earnings on those excess contributions will be included in your assessable income (see Subdivision 292-B of that Act).

Note 3: If the value of your superannuation interests is between nil and that total release amount, you could first make an election under paragraph (a) and then a further election under paragraph (b) (see subsection (6)).

Note 4: An election purportedly made under paragraph (b) will be invalid if the value of your superannuation interests was not nil.

Amended determinations

- (2) However, if that determination is an amended determination that increased the *total release amount, any election under subsection (1) relating to the amended determination is to be made as if that new total release amount were reduced by:
- (a) if you made an election under paragraph (1)(a) for each earlier *excess non-concessional contributions determination you received for the *financial year—the sum of any amounts paid to you in response to release authorities issued in relation to those determinations; or
 - (b) otherwise—the total release amount stated in the most recent of those earlier determinations.

- (3) Receiving an amended determination does not prevent you from making an election under subsection (1) in relation to an earlier determination.

Requirements for election

- (4) You make an election under paragraph (1)(a) by identifying:
- (a) one or more superannuation providers who hold one or more *superannuation interests for you; and
 - (b) the amount each superannuation provider is to release.
- (5) An election under paragraph (1)(a), (b) or (c) relating to an *excess non-concessional contributions determination must:
- (a) be in the *approved form; and
 - (b) be given to the Commissioner within:
 - (i) 60 days after the Commissioner issued notice of that determination; or
 - (ii) a further period allowed by the Commissioner.

Unsuccessful release—making a further election

- (6) If:
- (a) you make a valid election under paragraph (1)(a); and
 - (b) the Commissioner gives you a notice under subsection 96-40(2) stating an amount (the **unpaid amount**) that a *superannuation provider did not pay in relation to the release authority issued in relation to that election;
- you may make a further election under paragraph (1)(a) or (b) for the release, or non-release, of the unpaid amount.

Note: That further election would be under paragraph (1)(b) if the value of your superannuation interests is now nil.

- (7) The further election must comply with subsection (4) and paragraph (5)(a), and must be given to the Commissioner within:
- (a) 60 days after the Commissioner issued the notice mentioned in paragraph (6)(b); or
 - (b) a further period allowed by the Commissioner.

Election is irrevocable

(8) An election under this section is irrevocable.

- (2) A release authority may be issued to:
 - (a) a *superannuation provider identified in the election; or
 - (b) any other superannuation provider who holds one or more *superannuation interests for you.
- (3) Each release authority must:
 - (a) state the total amount to be released by the *superannuation provider from *superannuation interests held by the provider for you; and
 - (b) be dated; and
 - (c) contain any other information that the Commissioner considers relevant.

30 Section 96-15 in Schedule 1

Omit “payment”, substitute “notice under section 96-35”.

31 Subsection 96-20(1) in Schedule 1

Omit “that has been”.

32 After subsection 96-20(1) in Schedule 1

Insert:

- (1A) A *superannuation provider issued with a release authority under section 96-12 must, within 21 days after the release authority is issued (or a further period allowed by the Commissioner), pay to the individual the lesser of:
- (a) the amount stated in the release authority; and
 - (b) the sum of the *maximum available release amounts for each *superannuation interest held by the superannuation provider for the individual in *superannuation plans.

Note 1: Subsection 288-95(3) provides for an administrative penalty for failing to comply with this section.

Note 2: For the taxation treatment of the payment, see section 96-60.

33 At the end of section 96-20 in Schedule 1

Add:

- (3) Despite paragraph (1A)(b), the *maximum available release amount for a *defined benefit interest is not to be included in the sum worked out under that paragraph.

Omit “that has been”.

36 Subsection 96-25(2) in Schedule 1

Repeal the subsection, substitute:

- (2) A *superannuation provider issued with a release authority under section 96-12 may, within 21 days after the release authority is issued (or a further period allowed by the Commissioner), pay to the individual the lesser of:
- (a) the amount stated in the release authority; and
 - (b) the sum of the *maximum available release amounts for each *defined benefit interest held by the superannuation provider for the individual in *superannuation plans.
- (3) For the purposes of paragraph (1)(a) or (2)(a), reduce the amount mentioned in that paragraph by any amount the provider pays under section 96-20 in relation to the release authority.

Division 2—Functions of the Inspector-General

7 Functions of the Inspector-General

- (1) The functions of the Inspector-General are as follows:
 - (a) to investigate action affecting a particular entity that:
 - (i) is taken by a tax official; and
 - (ii) relates to administrative matters under a taxation law; and

- (iii) is the subject of a complaint by that entity to the Inspector-General;
- (b) to investigate other action that:
 - (i) is taken by a tax official; and
 - (ii) relates to administrative matters under a taxation law;
- (c) to investigate systems established by the Australian Taxation Office, or Tax Practitioners Board, to administer taxation laws, including systems for dealing or communicating:
 - (i) with the public generally; or
 - (ii) with particular people or organisations;in relation to administrative matters under those laws;
- (d) to investigate systems established by taxation laws, but only to the extent that the systems deal with administrative matters;
- (e) to investigate action that is the subject of a part of a complaint:
 - (i) transferred to the Inspector-General by the Ombudsman under paragraph 6D(4)(b) of the *Ombudsman Act 1976*; or
 - (ii) that the Ombudsman advises, under paragraph 10(1)(b) of this Act, does not need to be transferred under subsection 10(1) of this Act;
- (f) to report on those investigations.

Note: Paragraphs (a) and (b) can cover action under a taxation law, and action relating to action under a taxation law.

Example: A taxpayer seeks compensation under an administrative scheme because of action by a tax official during the course of an audit that caused the taxpayer detriment. The Inspector-General can investigate the action that caused the detriment, and any action by a tax official under the scheme.

- (2) However, these functions do not include investigating:
 - (a) rules imposing or creating an obligation to pay an amount under a taxation law; and
 - (b) rules dealing with the quantification of such an amount.

8 Conducting investigations on Inspector-General's own initiative

- (1) The Inspector-General may conduct an investigation under paragraph 7(1)(b), (c) or (d) on his or her own initiative.

Note: For example, the Inspector-General may conduct an investigation into a systemic issue that has been drawn to his or her attention by taxpayers, tax practitioners, the Auditor-General or the Ombudsman.

- (2) The Inspector-General must conduct an investigation under paragraph 7(1)(c) or (d) if so directed by the Minister.
- (3) The Inspector-General may be requested to conduct an investigation under paragraph 7(1)(c) or (d) by:
- (a) the Minister; or
 - (b) the Commissioner or the Tax Practitioners Board; or
 - (c) a resolution of either House, or of both Houses, of the Parliament; or
 - (d) a resolution of a Committee of either House, or of both Houses, of the Parliament.

However, the Inspector-General is not required to comply with the request.

9 Discretion not to investigate certain complaints

The Inspector-General may, in his or her discretion:

- (a) decide not to conduct an investigation into a complaint; or
- (b) if he or she has started such an investigation—decide not to continue investigating the action complained about;

if the Inspector-General is of the opinion that:

- (c) the complaint is frivolous or vexatious or was not made in good faith; or
- (d) the complainant does not have a sufficient interest in the subject matter of the complaint; or
- (e) an investigation, or further investigation, of the action is not warranted having regard to all the circumstances; or
- (f) the complainant has not yet raised the complaint with the Commissioner or the Tax Practitioners Board (as applicable); or

- (g) the action came to the complainant's knowledge more than 12 months before the complaint was made; or
- (h) the complainant has not exercised a right to cause the action to which the complaint relates to be reviewed by a court or by a tribunal constituted by or under a law of the Commonwealth.

10 Transferring complaints to the Ombudsman

- (1) The Inspector-General must transfer the following to the Ombudsman:
 - (a) a complaint made to the Inspector-General that is wholly about action other than tax administration action, unless the Ombudsman advises otherwise;
 - (b) if part of a complaint made to the Inspector-General is not about tax administration action—that part of the complaint, unless the Ombudsman advises otherwise.
- (2) For a complaint made to the Inspector-General that is only partly about tax administration action, the Inspector-General:
 - (a) must consult the Ombudsman about the complaint or about complaints of that kind; and
 - (b) may transfer to the Ombudsman the part of the complaint that is about tax administration action if the Inspector-General is satisfied that the whole complaint could be more appropriately or effectively dealt with by the Ombudsman.
- (3) The Inspector-General must, for each complaint (or part of a complaint) transferred to the Ombudsman:
 - (a) notify the complainant in writing of that transfer; and
 - (b) give the Ombudsman any related information or documents (other than tax file numbers) that are:
 - (i) in the Inspector-General's possession; or
 - (ii) under the Inspector-General's control.
- (4) For the purposes of the *Ombudsman Act 1976* (other than subsection 6D(2), (3) or (4) of that Act), a complaint (or part of a complaint) transferred under this section is taken to be a complaint made to the Ombudsman under that Act.

Note: A similar provision for transferring to the Inspector-General complaints made to the Ombudsman is contained in section 6D of the *Ombudsman Act 1976*. Subsection 6D(6) of that Act deems transferred complaints to be complaints made to the Inspector-General under this Act.

- (5) This section does not apply to a complaint if:
- (a) the Inspector-General transfers the complaint under subsections 6(9) and (10), or section 6C, of the *Ombudsman Act 1976*; or
 - (b) subsection 6(17) of that Act applies in relation to the complaint.

Guide to Division 418

418-1 What this Division is about

Generally speaking, you are entitled to a tax offset for exploration credits issued to you, but exploration credits issued to corporate tax entities instead give rise to franking credits.

For the 2015-16, 2016-17 or 2017-18 income year, a greenfields minerals explorer can create, and then issue, exploration credits for the explorer's greenfields minerals expenditure for the previous income year. However, the total amount of exploration credits for an income year is limited to the explorer's maximum exploration credit amount.

The explorer is liable to pay excess exploration credit tax if the explorer issues exploration credits in excess of that maximum exploration credit amount.

Note: Excess exploration credit tax is imposed by the *Excess Exploration Credit Tax Act 2014*, and the amount of the tax is set out in that Act.

Subdivision 418-A—Object of this Division

Table of sections

418-5 Object of this Division

418-5 Object of this Division

The object of this Division is to encourage investment in minerals exploration in Australia by allowing the benefit of losses from minerals exploration to flow to shareholders who share in the risk of the exploration.

418-25 The amount of the tax offset

418-30 Reduced amount of the tax offset for certain trusts

Entitlement to exploration development incentive tax offset

418-10 Who is entitled to the tax offset—ordinary case

You are entitled to a *tax offset for an income year if:

- (a) an *exploration credit is issued to you under Subdivision 418-E for the income year; and
- (b) you are not:
 - (i) a *corporate tax entity; or
 - (ii) a trust (other than a trust in relation to which some or all of the liability of the trustee to tax is provided under subsection 98(1) or (2) or 99(2) or (3) of the *Income Tax Assessment Act 1936*); or
 - (iii) a partnership; or
 - (iv) an *exempt entity (other than an *exempt institution that is eligible for a refund); and
- (c) you are an Australian resident during the whole of that income year.

418-15 Who is entitled to the tax offset—life insurance company

(1) An entity is entitled to a *tax offset for an income year if:

- (a) the entity is a *life insurance company; and
- (b) an *exploration credit is issued to the entity under Subdivision 418-E for the income year; and
- (c) the entity is an Australian resident during the whole of that income year; and

 - (i) by the same entity that issued the credit; and
 - (ii) in the same circumstances in which the credit was issued;the exploration credit would be a distribution to which paragraph 207-110(1)(b) would apply.

(2) If:

- (a) an *exploration credit is issued to a *life insurance company; and

(b) paragraph (1)(d) applies in relation to only part of the exploration credit;

this Division applies as if that part of the exploration credit, and the part of the exploration credit in relation to which that paragraph does not apply, were 2 separate exploration credits issued to the life insurance company.

418-20 Entitlement of member of a trust or partnership to a share of exploration credits

Members taken to be issued with exploration credits

you are taken, for the purposes of this Subdivision, to have been issued with an exploration credit under Subdivision 418-E, for the income year, of an amount equal to your share of the exploration credits issued to the trust or partnership for the income year.

Effect of restrictions on distributions

- (2) Despite subsection (1), you are not taken, under that subsection, to have been issued with an *exploration credit under Subdivision 418-E to the extent that, if the exploration credit referred to in paragraph (1)(b) were a *franked distribution of the same amount made:
 - (a) at the time of the determination referred to in paragraph (1)(d); and

- (b) in relation to the interest, held by the trust or partnership, in relation to which the exploration credit referred to in paragraph (1)(b) is issued to the trust or partnership during the income year;

the terms and conditions under which the trust or partnership operates would not permit you to be paid the amount, or the proportion, of the franked distribution that would reflect your entitlement referred to in paragraph (1)(d).

Anti-avoidance

- (3) Despite subsection (1), you are not taken, under that subsection, to have been issued with an *exploration credit under Subdivision 418-E to the extent that, if the exploration credit were a distribution to you, from the trust or partnership, of a *franked distribution that:
- (a) was of the same amount as the amount of your share, referred to in paragraph (1)(d), of the exploration credit referred to in paragraph (1)(b); and
 - (b) was made:
 - (i) by the same entity that issued that exploration credit; and
 - (ii) in relation to the same interest in that entity; and
 - (iii) in the same circumstances in which that exploration credit was issued; and
 - (c) *flowed indirectly through one or more trusts or partnerships that were the same as the one or more trusts or partnerships that, apart from subparagraphs 418-10(b)(ii) and (iii), would have been entitled to a *tax offset under this Subdivision in relation to:
 - (i) that exploration credit; or
 - (ii) another exploration credit from which that exploration credit is directly or indirectly derived;
- you would not be entitled to a tax offset under Division 207 in relation to the franked distribution.

Statements to members

- (4) A statement referred to in paragraph (1)(e) must:
-

- (a) be in the *approved form; and
- (b) be given to you on or before the due date:
 - (i) if the trust or partnership is an *investment body for *Part VA investments—for giving to the Commissioner an *annual investment income report in respect of the *financial year corresponding to the income year; or
 - (ii) otherwise—for the trust or partnership to lodge its *income tax return for the income year.

Reports to the Commissioner

- (5) A trust or partnership that has given one or more statements under paragraph (1)(e) relating to *exploration credits for an income year must give to the Commissioner, on or before the due date referred to in paragraph (4)(b) in relation to that income year, a report that:

The amount of the entity's *tax offset apart from this section \times $\frac{\text{Income taxed under subsection 98(1) or (2) or 99(2) or (3)}}{\text{The *net income of the trust for the income year}}$

where:

income taxed under subsection 98(1) or (2) or 99(2) or (3) is the amount of the *net income of the trust, for the income year, in relation to which the trustee is liable to tax under subsection 98(1) or (2) or 99(2) or (3) of the *Income Tax Assessment Act 1936*.

(2) If:

- (a) an entity is a trust; and
- (b) one or more *members of the trust are taken under section 418-20 to have been issued with one or more *exploration credits for an income year;

the amount of the entity's *tax offset, under section 418-25 or subsection (1) of this section, for the income year is reduced by the sum of amounts of the exploration credits taken to be issued to those members.

 - (a) the entity has *greenfields minerals expenditure for the income year; and
 - (b) during the income year, the entity is a disclosing entity (within the meaning of section 111AC of the *Corporations Act 2001*); and
 - (c) during the income year, the entity is a *constitutional corporation; and

- (d) during the income year, and during the immediately preceding income year, neither:
- (i) the entity; nor
 - (ii) any other entity that is *connected with or is an *affiliate of the entity;
carried on any mining operations on a mining property for extracting *minerals (except *petroleum) from their natural site, for the *purpose of producing assessable income.
- (2) However, an entity is not a **greenfields minerals explorer** in an income year in which either or both of the following happens, or in any subsequent income year:
- (a) the entity fails to comply with a request of the Commissioner under subsection 418-80(5);
 - (b) a determination under section 418-185 has effect.
- Note 1: Under subsection 418-80(5), the Commissioner may request a report on an area in relation to which an entity has greenfields minerals expenditure.
- Note 2: Under section 418-185, the Commissioner may determine that an entity that is, or has been, liable to excess exploration credit tax is not to be treated as a greenfields minerals explorer.

418-80 Meaning of *greenfields minerals expenditure*

- (1) An entity's **greenfields minerals expenditure** for an income year is the sum of:
- (a) the amounts of any deductions to which the entity is entitled under section 40-25 for that income year in relation to declines in value that:
 - (i) are declines in value of *depreciating assets used for *exploration or prospecting for *minerals in an area to which subsection (3) of this section applies; and
 - (ii) are worked out under subsection 40-80(1); and
 - (b) the amounts of any deductions for that income year to which the entity is entitled in relation to expenditure:
 - (i) that is of a kind referred to in subsection 40-730(1); and
 - (ii) in relation to which the entity satisfies one or more of paragraphs 40-730(1)(a) to (c); and

- (iii) that is expenditure on exploration or prospecting for minerals in an area to which subsection (3) of this section applies.
- (2) For the purposes of subsection (1), disregard a deduction to the extent that it relates to:
- (a) matters other than:
 - (i) declines in value of *depreciating assets used for; or
 - (ii) expenditure on;
*exploration or prospecting for *minerals in an area to which subsection (3) of this section applies; or
 - (b) exploration or prospecting for *petroleum or oil shale; or
 - (c) activities (such as feasibility studies) undertaken to identify the viability of a mineral resource rather than its existence.
- (3) This subsection applies to an area:
- (a) that is in Australia; and
 - (b) in relation to which the entity *holds a *mining, quarrying or prospecting right at the time of incurring the expenditure; and
 - (c) that has not been identified as containing a mineral resource that is at least inferred in a report prepared in accordance with the requirements of:
 - (i) unless subparagraph (ii) applies—the document that is known as the Australasian Code for Reporting of Exploration Results, Minerals Resources and Ore Reserves and that took effect on 20 December 2012; or
- Note: This document is commonly referred to as the JORC Code (2012 Edition).
- (ii) such other document as the regulations prescribe; and
 - (d) that is not, and is not in, any of the following:
 - (i) the coastal sea of Australia (within the meaning of subsection 15B(4) of the *Acts Interpretation Act 1901*);
 - (ii) an offshore area for the purpose of the *Offshore Petroleum and Greenhouse Gas Storage Act 2006*;
 - (iii) the Joint Petroleum Development Area (within the meaning of the *Petroleum (Timor Sea Treaty) Act 2003*).
-

Note: An offshore area and the Joint Petroleum Development Area include the territorial sea, the exclusive economic zone and the continental shelf of Australia.

- (4) For the purposes of paragraph (3)(c), disregard any mineral resource, identified in a report of a kind referred to in that paragraph, that does not include *minerals the exploration or prospecting for which involved:
- (a) use of assets referred to in paragraph (1)(a); or
 - (b) expenditure referred to in paragraph (1)(b).
- (5) The Commissioner may request an entity that is a *greenfields minerals explorer in an income year to prepare, within the period specified in the request, a report that:
- (a) is of the kind referred to in paragraph (3)(c); and
 - (b) relates to an area in relation to which the entity has *greenfields minerals expenditure for the income year.
- The request may specify the manner in which, and the form in which, the report is to be prepared.

418-85 Exploration credits must not exceed maximum exploration credit amount

- (1) An entity must not create *exploration credits for an income year (the *current income year*) of a total amount that exceeds the entity's *maximum exploration credit amount for the income year.
- (2) The entity's *maximum exploration credit amount* for the current income year is worked out as follows:

Method statement

Step 1. Ascertain which of the following is the smallest amount:

- (a) the entity's estimated *tax loss for the previous income year, as stated in the entity's declaration under paragraph 418-70(1)(b);
- (b) the entity's actual tax loss for the previous income year;

- (c) the entity's estimated *greenfields minerals expenditure for the previous income year, as stated in the entity's declaration under paragraph 418-70(1)(b);
 - (d) the entity's actual greenfields minerals expenditure for the previous income year.
- Step 2. Multiply that smallest amount by the *corporate tax rate applying to the previous income year.
- Step 3. Multiply the result of step 2 by the modulation factor declared under section 418-90 for the current income year. The result of this step is the entity's **maximum exploration credit amount** for the current income year.

- (3) In working out the entity's actual *tax loss for the previous income year for the purposes of step 1 of the method statement in subsection (2), reduce that tax loss by the sum of:
- (a) all *recoupments that the entity receives in relation to the entity's *greenfields minerals expenditure for the previous income year; and
 - (b) any part of the entity's tax loss for the previous income year that would not be deductible in the current income year; and
 - (c) if:
 - (i) an amount has been included in the entity's assessable income because a *balancing adjustment event occurs for a *depreciating asset; and
 - (ii) all or part of the amount of the deduction to which the entity is entitled under section 40-25 for the previous income year in relation to the decline in value of the asset is included in the entity's greenfields minerals expenditure for that income year;so much of the amount of that deduction as was included in that greenfields minerals expenditure.
- (4) For the purposes of paragraph (3)(b), assume that the entity's assessable income for the current income year is sufficient to allow

the entity to utilise the whole of that tax loss in relation to the current income year.

- (5) In working out the entity's actual *greenfields minerals expenditure for the previous income year for the purposes of step 1 of the method statement in subsection (2), reduce that greenfields minerals expenditure by the sum of:
- (a) all *recoupments that the entity receives in relation to the entity's greenfields minerals expenditure for the previous income year; and
 - (b) if:
 - (i) an amount has been included in the entity's assessable income because a *balancing adjustment event occurs for a *depreciating asset; and
 - (ii) all or part of the amount of the deduction to which the entity is entitled under section 40-25 for the previous income year in relation to the decline in value of the asset is included in the entity's greenfields minerals expenditure for that income year;so much of the amount of that deduction as was included in that greenfields minerals expenditure.
- (6) A failure to comply with this section does not invalidate the creation of an *exploration credit.

418-90 Modulation factors

- (1) The Commissioner must, by legislative instrument, declare modulation factors in accordance with this section for each of the following:
- (a) the 2015-16 income year;
 - (b) the 2016-17 income year;
 - (c) the 2017-18 income year.
- (2) The modulation factor for an income year is to be one if the Commissioner is satisfied that the total amount of *exploration credits that could be created in respect of that income year will not exceed the following amount (the *exploration credit cap*) for the income year:
- (a) for the 2015-16 income year—\$25 million;

- (b) for the 2016-17 income year—\$35 million;
 - (c) for the 2017-18 income year—\$40 million.
- (3) If subsection (2) does not apply, the modulation factor for the income year is to be such a number as the Commissioner is satisfied would reduce the total amount of *exploration credits that could be created in that income year to the exploration credit cap for the income year.
 - (4) In ascertaining for the purposes of subsection (2) or (3) the total amount of *exploration credits that could be created in an income year (the *current income year*), the Commissioner is to:
 - (a) use the information provided in declarations under paragraph 418-70(1)(b) for the previous income year; and
 - (b) disregard the possible application of any modulation factor.
 - (5) A failure to comply with subsection (2), (3) or (4) does not invalidate the declaration of a modulation factor for an income year.
 - (6) A declaration made under subsection (1) is a legislative instrument, but section 42 (disallowance) of the *Legislative Instruments Act 2003* does not apply to the declaration.

418-95 Effect on tax losses of creating exploration credits

- (1) If an entity creates any *exploration credits in respect of a *loss year, the amount of the entity's *tax loss for the loss year is reduced by the amount worked out as follows:

$$\frac{\text{The sum of all the *exploration credits the entity creates in respect of the *loss year}}{\text{The *corporate tax rate}}$$

- (2) However, if the amount worked out under subsection (1) equals or exceeds what would (apart from this section) be the entity's *tax loss for the *loss year, that tax loss is taken to be nil.

Subdivision 418-E—Issuing exploration credits

 - (b) are held by the members.
- (2) The *exploration credits are issued by giving each of the *members a statement in the *approved form.
- (3) The issuing of *exploration credits is of no effect unless:
 - (a) the statements under subsection (2) are given to the *members on or before the first 30 June after the day on which the modulation factor in respect of the income year is declared under section 418-90; and
 - (b) the issuing of credits complies with section 418-120.

418-115 Restricting exploration credits to post 1 July 2014 shares

- (2) A choice under this section is irrevocable.

418-120 Exploration credits to be issued on a proportionate basis

- (1) An entity issuing *exploration credits for an income year must ensure that the total number of exploration credits issued to any *member of the entity for the year, expressed as a percentage of the total number of all exploration credits issued to the members of the entity for the year, is the same as:
 - (a) if the entity has made a choice under section 418-115—the total number of *shares in the entity that:
 - (i) are *equity interests held by the member; and
 - (ii) have come into existence on or after 1 July 2014; expressed as a percentage of the total number of the shares in the entity that:
 - (iii) are equity interests held by any members of the entity; and
 - (iv) have come into existence on or after that day; or
 - (b) otherwise—the total number of shares in the entity that are equity interests held by the member, expressed as a percentage of the total number of the shares in the entity that are equity interests held by any members of the entity.
- (2) For the purposes of this section, the number of *shares that a *member holds in the entity is taken to be the number that the member held on the day occurring 30 days before the *exploration credits were issued.

418-125 Expiry of exploration credits

An *exploration credit created by an entity for an income year expires if the entity does not issue the credit under this Subdivision on or before the first 30 June after the day on which the modulation factor in respect of the income year is declared under section 418-90.

418-130 Notifying the Commissioner of issuing or expiry of exploration credits

- (1) An entity that has created *exploration credits for an income year must notify the Commissioner of the issuing or expiry of the credits.

- (2) The notice must:
- (a) be in the *approved form; and
 - (b) be given to the Commissioner on or before the due date:
 - (i) if the entity is an *investment body for *Part VA investments—for giving to the Commissioner an *annual investment income report in respect of the *financial year corresponding to the income year; or
 - (ii) otherwise—for the entity to lodge its *income tax return for the income year.

- (2) The determination takes effect from:
 - (a) if, at the time the notice is given, the entity has not issued any *exploration credits for the income year in which the notice is given—that income year; or
 - (b) otherwise—the next income year.
