(2AB) The reference in subsection (2AA) to the Ranger Project agreement shall be construed as a reference to the agreement known as the Ranger Uranium Project Government Agreement that was made on 9 January 1979 between the Commonwealth, Peko-Wallsend Operations Ltd., Electrolytic Zinc Company of Australasia Limited and the Commission or, if that agreement is amended, that agreement as amended.

(2) Subject to subsection (3), where the person on whom an authority has been conferred under section 41 applies, or, in a case where an authority has been conferred under section 41 on 2 or more persons engaged in a joint venture, those persons apply, in writing to the Minister for the revocation of the authority, the Minister may, in his discretion, by instrument in writing under his hand, revoke the authority.

(3) The Minister shall not, under subsection (2), revoke an authority unless he is satisfied that the conditions or restrictions to which the authority is subject, being conditions or restrictions that relate to action to be taken by the person or persons on whom the authority has been conferred for the rehabilitation of the area affected by operations carried on under the authority, have been complied with and observed.

(4) Subject to subsection (5), where the person on whom an authority has been conferred under section 41 has, or, in a case where an authority has been conferred under section 41 on 2 or more persons engaged in a joint venture, the persons on whom the authority has been conferred have, refused or failed to comply with or observe a condition or restriction to which the authority is subject, the Minister may, by instrument in writing under his hand served on the person or each of those persons, as the case may be, vary the authority by imposing additional conditions or restrictions to which the authority is to be subject or by varying all or any of the conditions or restrictions to which the authority is subject, being additional conditions or restrictions or variations that have
the effect of prohibiting, either indefinitely or for such period as is specified in the instrument, the person or those persons, as the case may be, from carrying on, upon or under the land to which the authority relates, any operations for mining, recovering, treating or processing prescribed substances or other minerals or such operations of those kinds as are specified in the instrument.

(5) The Minister shall not, under subsection (4), vary an authority by reason that the person or persons on whom the authority has been conferred has or have refused or failed to comply with or observe a condition or restriction to which the authority is subject unless:

(b) he has, in the instrument, specified:

(i) the refusal or failure by reason of which he intends to exercise his powers under that subsection if the notice is not complied with; and

(ii) the action that the person is or those persons are, as the case may be, required to take in order to secure compliance with or observance of the relevant condition or restriction to which the authority is subject and the period within which the action is to be taken; and

(c) the person has not or those persons have not, as the case may be, at the expiration of that period, taken that action.

(6) An authority under section 41 may be varied under subsection (4) by reason that the person or persons on whom the authority has been conferred has or have refused or failed to comply with or observe a condition or restriction to which the authority is subject notwithstanding that the person has, or any one or more of those persons have, as the case may be, been convicted of an offence by reason of his or their refusal or failure to comply with or observe the condition or restriction, as the case may be.

(a) a person (in this subsection and in subsection (2) referred to as the *assignor*), being the person on whom an authority has been conferred under section 41 or, in a case where an authority has been conferred under section 41 on 2 or more persons engaged in a joint venture, one of those persons, applies in writing to the Minister for the Minister’s consent to the assignment by the assignor of the whole of his interest in the authority to a person named in the application (in this subsection and in subsection (2) referred to as the *assignee*), not being, in a case where the authority has been conferred on 2 or more persons engaged in a joint venture, the other person or one of the other persons, as the case may be, on whom the authority has been conferred;

(b) the Minister is satisfied that the assignee agrees to the assignment; and

(c) in a case where the authority has been conferred on 2 or more persons engaged in a joint venture, the Minister is satisfied that the assignor gave the other person or each of the other persons, as the case may be, on whom the authority has been conferred not less than 3 months’ notice of the assignor’s intention to make an application under this section;

the Minister may, in his discretion, by instrument in writing under his hand, consent to the assignment.
(2) Where the Minister consents, under subsection (1), to the assignment by a person of his interest in an authority under section 41, the name of the assignee shall be deemed, from the time of the signing of the instrument of consent, to be specified in the authority in lieu of the name of the assignor.

(3) Where:

(a) an authority has been conferred under section 41 on 2 or more persons engaged in a joint venture;

(b) one of those persons (in this subsection and subsection (4) referred to as the assignor) applies in writing to the Minister for the Minister’s consent to the assignment by the assignor of the whole of his interest in the authority to the other person or to one or more of the other persons, as the case may be;

(c) the Minister is satisfied that the person or persons to whom the interest is to be assigned agrees or agree to the assignment; and

the Minister may, in his discretion, by instrument in writing under his hand, consent to the assignment.

(4) Where the Minister consents, under subsection (3), to the assignment of an interest in an authority under section 41, the name of the assignor shall be deemed, from the time of the signing of the instrument of consent, to be omitted from the authority.

(5) A reference in this Act to the person or persons on whom an authority has been conferred under section 41 shall, in a case where the Minister has consented under subsection (1) or (3) to the assignment of an interest in the authority, be construed as a reference to the person or persons for the time being specified, or deemed by the operation of subsection (2) or (4) to be specified, in the authority as the person or persons on whom the authority has been conferred.
41C Further authority under section 41 in respect of Ranger Project Area

Commonwealth under the extended agreement or the
further agreement, as the case may be; and

(b) as soon as practicable, but not later than 6 months before the
expiration of the mining period, give to the applicants a

application, the Minister shall, before the expiration of the mining
period, by instrument in writing under his hand, revoke the current
authority with effect from the expiration of the mining period and
confer a new authority under section 41 on the applicants in
respect of the Ranger Project Area in accordance with
subsection (1), being a new authority that is subject to the
Section 41D

conditions and restrictions determined in accordance with subsection (4).
