FOR APPOINTMENT AS TELEGRAPH MESSENGER.

*Held on 13th November, 1915.*

THE candidates named hereunder were successful at the above examination, and have thereby qualified for appointment to the position of Telegraph Messenger at the places under which their names respectively appear.

The following should be noted:—

- (1) The names will remain on the Register of Qualified Candidates for eighteen months, that is, until and including 7th June, 1917, when they must, in accordance with the law, be removed therefrom.
- (2) A candidate, though successful, cannot be appointed after he attains his seventeenth birthday.
- (3) A candidate passes this examination if he secures at least half marks each in Handwriting and in Spelling; but those who have also gained half marks in Arithmetic at this Examination will, if appointed, be eligible for promotion to a higher position in the General Division without further examination.
- (4) Those who have not secured at least 100 marks in Arithmetic will be required to pass a further examination in that subject after appointment, in order to become eligible for promotion. Promotion examinations are held half-yearly.
- (5) Unless a Telegraph Messenger qualifies for promotion to a higher position before reaching the age of eighteen years, he must retire from the Service on attaining that age.
- (6) Where two or more candidates secure the same number of marks, their order of merit is determined by the number of marks obtained for (a) Arithmetic, and (b) Handwriting, and where these numbers are also equal, then by ballot.
- (7) Upon appointment, a successful candidate must produce evidence of the date of his birth, and a medical certificate, satisfying the Commissioner in whatever particulars he may determine as to the appointee's sound bodily health and freedom from physical defects. A successful candidate should not undergo medical examination until instructed by the Commissioner to do so.
- (8) Upon application being made by a successful candidate appointed away from home, an allowance of £1 per month will be paid during his service as Telegraph Messenger while living away from home.

- (10) If a successful candidate decline to accept an appointment offered him, or fail to reply within seven days to a communication from the Commissioner or a Public Service Inspector, respecting his nomination to the Public Service, his name may be removed from the "Register of Qualified Candidates."
- (11) Should a successful candidate change his address, he should immediately notify the Secretary, Commonwealth Public Service Commissioner, Customs-house, Melbourne.

D. C. McLACHLAN,  
Commissioner.

W. J. CLEMENS,  
Secretary.

Office of the Commonwealth Public Service Commissioner,  
Melbourne, 8th December, 1915.

## NOTIFICATION OF VACANCIES.

**A**PPPLICATIONS will be received by the Public Service Commissioner from persons qualified for appointment to the positions specified below.

Applicants outside the Public Service are eligible for appointment to the Administrative and Professional Divisions, but are not eligible for appointment to Clerical or General Division vacancies, unless they were in the service of a State on 1st January, 1901, or are at present permanent officers in the service of a State, or have retired from the service of the Commonwealth or of a State.

Applications must be in applicant's handwriting, and should show fully qualifications for the position sought.

In the case of applicants who are officers of the Public Service of the Commonwealth or of a State the following particulars should be set out at the foot of the application:—

Designation.....  
Office or Branch.....  
Age last birthday (in years).....  
Length of service (in years).....  
Salary (per annum).....  
Date of receipt of present salary.....

Applicants from outside the Service should state full name and date and year of birth. Copies only of diplomas, references, testimonials, or certificates should be forwarded. If the originals are required they will be asked for.

Applications should be addressed to the "Commonwealth Public Service Inspector" of the State in which the vacancy exists. If the applicant is an officer of the Commonwealth Public Service the application should be forwarded to the Inspector through the principal officer of the Department in the State in which the officer is located, *except when the vacancy is in another State, when the application should be forwarded direct by the applicant to the Inspector, a copy at the same time being forwarded to the principal officer of the Department.*

Minimum and maximum salaries where shown indicate the limits of the class or grade in which the position is

classified. Subject to the provisions of the Public Service Act appointments may be made at any salary within those limits. Successful appointees must comply with the life assurance provisions of the Public Service Act and Regulations.

Officers of the Public Service should note that in any case where the minimum salary of a position in the Clerical Division is not the minimum salary of a Class, and the successful applicant is not eligible for the former by reason of not having received the salary of the next lower subdivision for twelve months, he will be granted an allowance equal to the difference between the salary for which he is eligible and the minimum salary of the position until he can be advanced by annual subdivisional increments to the latter salary.

Officers who may be transferred without promotion or increase of salary, as the result of an application for an advertised vacancy, will be required to pay their own expenses of removal unless the transfer comes within the conditions prescribed in Public Service Regulation No. 54.

Particulars of existing quarters are furnished merely for the information of officers. It is not incumbent on Departments to provide quarters, which, if provided, may be wholly or partially withdrawn at any time.
