THIRD SUPPLEMENT, No. 29286, DATED MONDAY, 6TH SEPTEMBER, 1915, TO "LONDON GAZETTE," OF FRIDAY, 3RD SEPTEMBER, 1915.

War Office,  
6th September, 1915.

HIS MAJESTY THE KING has been graciously pleased to approve of the award of the Distinguished Conduct Medal to the undermentioned Warrant Officers, Non-commissioned Officers, and Men, for acts of gallantry and devotion to duty whilst serving with the Expeditionary Forces at the Dardanelles:—

Regimental No.	Rank.	Name.	Corps.	Action for which commended.
43	Lance-Corporal	BARKER, H. A. ..	7th Battalion, Australian Imperial Force	For conspicuous gallantry, ability, and resource on the 25th and 26th April, 1915, near Gaba Tepe (Dardanelles). During the operations on these two days, the officer, sergeant, and corporal of his Machine Gun Section, having been wounded, Corporal Barker assumed the command, and continued working the guns under a heavy shell fire. At one time the enemy actually succeeded in getting into machine gun trench, but were all killed. One after another the machine guns were rendered useless by shell fire, but he collected portions of useless guns, and built them up anew. Finally, he was working with two guns only, composed of parts of at least seven other guns.
874	Sergeant ..	BENSON, C. E. ..	9th Battalion, Australian Imperial Force	For gallant conduct and ability on the 25th April, 1915, at Gaba Tepe (Dardanelles). With great courage and presence of mind he, on two occasions, rallied and led forward again into the firing line men whose officers had all been killed or wounded, and who had suffered very heavy losses. His fine example and devotion to duty were conspicuous.
1250	Private ..	CAMPIGLI, D. H. ..	8th Battalion, Australian Imperial Force	For gallant conduct on the 25th and 26th April, 1915, near Gaba Tepe (Dardanelles), when, with a small detachment, which was retiring on the main body, he, on two occasions carried in a wounded man under heavy fire.
119	Lance-Corporal	CAWLEY, F. R. ..	15th Battalion Australian Imperial Force	For conspicuous gallantry on the night of the 9th-10th May, 1915, near Gaba Tepe (Dardanelles). During a sortie from Quinn's Post, Lance-Corporal Cawley, accompanied by another non-commissioned officer, advanced with great coolness and courage, past the first line of the enemy's trenches to a tent some distance in the rear. They killed all the occupants, and cut the telephone wires which connected it with the fire trenches, thus preventing communication from the rear.
733	Lance-Corporal	CRAVEN, J. ..	15th Battalion, Australian Imperial Force	For conspicuous gallantry on the 27th April, 1915, near Gaba Tepe (Dardanelles), when, under a heavy shell and machine gun fire, he carried water and food to the men in the front trenches. He also assisted four wounded men into shelter, and, later on, he exhibited the greatest coolness and courage in voluntarily carrying messages under heavy fire, and at great personal risk.
457	Lance-Corporal	DAVIS, C. ..	1st Battalion, Australian Imperial Force	For great gallantry on the 5th June, 1915, during the operations near Gaba Tepe (Dardanelles). He was one of a small party who, led by an officer, and under a heavy fire, made a direct attack on a machine gun, which was destroyed.
926	Private ..	DIAMOND, S. ..	6th Battalion, Australian Imperial Force	For conspicuous gallantry and ability on the 25th and 26th April, 1915, near Gaba Tepe (Dardanelles). When, on one occasion during the operations most of the officers having been killed or wounded, and part of the line having commenced to retire, Private Diamond showed the greatest courage and decision of character in assisting to stop the retirement, and in leading the men forward again under a heavy fire. He also frequently carried messages over open ground swept by a heavy fire, and exhibited a splendid example of devotion to duty.
744	Private ..	EDELSTEN, H. ..	15th Battalion, Australian Imperial Force	For conspicuous gallantry on the 25th April, 1915, near Gaba Tepe (Dardanelles). After the landing he passed frequently from the supports to the firing line under a very heavy fire, to keep the communications open. Later on he showed great bravery on three occasions in carrying wounded men to a place of safety.
151	Lance-Corporal	FARNHAM, G. C. ..	3rd Field Ambulance Australian Imperial Force	For great gallantry on the 25th April, 1915, and throughout the landing operations near Gaba Tepe (Dardanelles). In attending to the wounded under a heavy fire he showed the greatest zeal and disregard of danger, and at all times gave a fine exhibition of coolness and devotion to duty.

## DISTINGUISHED CONDUCT MEDALS—continued.

Regimental No.	Rank.	Name.	Corps.	Action for which commended.
499	Lance-Corporal	GAY, R. V. ..	6th Battalion, Australian Imperial Force	For conspicuous gallantry and ability on the 25th and 26th April, 1915, near Gaba Tepe (Dardanelles), when, on one occasion during the operations, most of the officers having been killed or wounded, and part of the line having commenced to retire, Corporal Gay showed great courage and decision of character in assisting to stop the retirement, and in leading the men forward again under a heavy fire. He also frequently carried messages over open ground swept by a heavy fire, and exhibited a splendid example of devotion to duty.
122	Private ..	GREEN, C. P. ..	10th Battalion, Australian Imperial Force	For conspicuous gallantry on the 25th April, 1915, during the landing at Gaba Tepe (Dardanelles). He had reached shelter when he saw a wounded man struggling in the surf, which was under heavy fire. Without hesitation, he turned back, reached the man in the water, and brought him successfully to shore, and subsequently to a place of shelter.
582	Lance-Corporal	GRIMSON, C. ..	1st Australian Light Horse Regiment	For conspicuous gallantry on the night of the 28th–29th May, 1915, near Gaba Tepe (Dardanelles). Owing to the explosion of a mine which destroyed a portion of our parapet, the enemy was enabled to occupy a portion of our trenches, thus dividing the defending force into two. Lance-Corporal Grimson crawled over the broken ground towards the enemy, capturing successively three Turks. He then, with the greatest courage, entered the remaining portion of the trench held by the enemy, about twelve in number, compelled them all to surrender, thus enabling the defending forces to re-unite.
493	Private ..	HEATON, C. R. ..	9th Battalion, Australian Imperial Force	For great bravery on the 25th April, 1915, near Gaba Tepe (Dardanelles), when he rescued and brought into shelter, under a very heavy shell and rifle fire, a wounded man.
371	Private ..	HITCHCOCK, E. P. ..	Australian Army Medical Corps (Attached 6th Battalion, Australian Imperial Force)	For conspicuous gallantry and devotion to duty on the 8th May, 1915, and following days, north of Cape Helles (Dardanelles). In assisting the wounded under constant heavy fire, Private Hitchcock exhibited a heroism beyond praise. Absolutely regardless of danger, he, in company with another man, attended to the wounded, leading up the stretcher bearers, and dressing the severe cases in the fire trenches, even before they were completed. Not only was he instrumental in saving many lives, but, by his coolness and courage, he set a splendid example of devotion to duty, and gave the greatest encouragement to all ranks.
556	Sergeant ..	HORSWILL, V. ..	11th Battalion, Australian Imperial Force	For great gallantry and devotion to duty near Gaba Tepe (Dardanelles). After two ammunition carriers had been wounded, he rendered invaluable service in assisting to carry up and distribute ammunition under a heavy shell and rifle fire.
518	Private ..	JAMES, W. S. ..	15th Battalion, Australian Imperial Force	For conspicuous bravery on the night of the 3rd–4th May, 1915, during the operations near Gaba Tepe (Dardanelles). During an attack by the enemy, he frequently picked up and threw back their own hand grenades, exhibiting the greatest coolness and courage at a critical time. Later on he assisted in carrying food and water to the firing line under a very heavy and continuous shell and machine gun fire.
323	Private ..	KIRKWOOD, A. M. ..	6th Battalion, Australian Imperial Force	For conspicuous gallantry and ability on the 8th May, 1915, during the operations north of Cape Helles (Dardanelles). During an advance, when the officers and non-commissioned officers had been killed or wounded, Private Kirkwood assumed the command, taking charge of the men in his immediate neighbourhood, directing their fire, and by his coolness and courage rendering valuable assistance in steadying all ranks at a critical moment. He led each advance in his section of the line, and finally performed most valuable service in consolidating the position gained.
611	Private ..	GREGG-MACGREGOR, J. V. F.	1st Field Ambulance, Australian Imperial Force	For conspicuous gallantry and devotion to duty on the 25th April, 1915, and subsequent days, after the landing at Gaba Tepe (Dardanelles). In company with another man, Private GREGG-MACGREGOR showed the greatest bravery and resource in attending to the wounded. Totally regardless of danger, he was for three consecutive days under a continuous and heavy shell and rifle fire, dressing and collecting the wounded from the most exposed positions. He allowed no personal risk or fatigue to interfere with the performance of his duties, and his gallant conduct and devotion offered a splendid example to all ranks.
1357	Lance-Corporal	MAHER, J. T. ..	15th Battalion, Australian Imperial Force	For gallant conduct and resource on several occasions during the operations at Quinn's Post (Dardanelles). Corporal MAHER particularly distinguished himself as a brave and expert bomb thrower, and always exhibited the highest courage and devotion to duty.
852	Private ..	MARTYR, H. C. ..	8th Battalion, Australian Imperial Force	For conspicuous bravery on the 26th April, 1915, near Gaba Tepe (Dardanelles), when he went out and carried a wounded man over 50 yards of open ground, swept by a heavy shell and rifle fire, to shelter. He exhibited great courage and coolness, and gave a fine example of devotion to duty.

927	Sergeant ..	MASON, G. F. ..	11th Battalion, Australian Imperial Force	For conspicuous gallantry and ability on the 25th April, 1915, and the three following days at Gaba Tepe (Dardanelles). During these days of continuous fighting, Sergeant MASON showed great courage and resource in holding his men together under constant fire, and when isolated parties which had advanced too far had to be withdrawn, he covered their retirement with conspicuous skill and bravery.
322	Corporal ..	MASON, R. A. ..	3rd Australian Light Horse Regiment	For conspicuous gallantry and resource between the 26th May and the 28th June, 1915, near Gaba Tepe (Dardanelles). During the mining operations he invariably performed exceptionally good work, and exhibited a complete disregard of danger. He took a leading part in loading and tamping numerous mines, and was always ready to undertake any work, however hazardous. He gave a splendid example of courage and devotion to duty.
697	Sergeant ..	McCLEERY, J. M. ..	11th Battalion, Australian Imperial Force	For conspicuous gallantry and ability on the 25th April, 1915. After the landing at Gaba Tepe (Dardanelles), he led an attack on a strongly held position, and by his bravery and the ability with which he handled his force, he succeeded in gaining the position.
1156	Corporal ..	McGREGOR, R. ..	3rd Battalion, Australian Imperial Force	For great bravery on the 27th April, 1915, subsequent to the landing at Gaba Tepe (Dardanelles). Ammunition in the firing trench having run short, and efforts to obtain supplies having failed, owing to the ammunition carriers having been killed, he volunteered to return to the support trench in the rear and obtain further supplies. This he succeeded in doing, although both in going and returning he was exposed to a very heavy shell fire.
370	Private ..	MORATH, A. A. ..	Australian Army Medical Corps (attached 6th Battalion, Australian Imperial Force)	For conspicuous gallantry and devotion to duty on the 8th May, 1915, and following days, north of Cape Helles (Dardanelles). In assisting the wounded under constant heavy fire, Private MORATH exhibited a heroism beyond praise. Absolutely regardless of danger, he, in company with another man, attended to the wounded, leading up the stretcher bearers, and dressing the severe cases in the fire trenches, even before they were completed. Not only was he instrumental in saving many lives, but by his coolness and courage he set a splendid example of devotion to duty, and gave the greatest encouragement to all ranks.
305	Private ..	PAPPAS, G. ..	13th Battalion, Australian Imperial Force	For great gallantry on the 4th May, 1915, near Gaba Tepe (Dardanelles). He volunteered to go out and bring in a wounded man, under heavy machine gun fire, and succeeded in carrying him to a place of safety.
543	Private ..	RICKETSON, S. ..	5th Battalion, Australian Imperial Force	For gallant conduct and great bravery on the 25th May, 1915 at Gaba Tepe (Dardanelles). When all his officers and non-commissioned officers had been killed or wounded, he showed great coolness and courage in rallying men under a very heavy fire, and his example and devotion to duty exercised the greatest influence over the men, and kept them steady under trying conditions. He also exhibited conspicuous bravery in digging in the open, and under a heavy fire, a shelter for a wounded officer.
178	Private ..	ROSSER, C. H. G. ..	3rd Field Ambulance, Australian Imperial Force	For conspicuous gallantry and devotion to duty on the 25th April, 1915, and subsequent days after the landing at Gaba Tepe (Dardanelles). Totally regardless of danger, he was for three consecutive days under a continuous and heavy shell and rifle fire, dressing and collecting the wounded from the most exposed positions. **DATE OF EXAMINATION.**—Saturday afternoon, 8th January, 1916.

**APPLICATIONS CLOSE.**—Applications must be lodged not later than Thursday, 6th January, 1916, with the Postmaster at the Post Office at which the candidate desires to be appointed, from whom printed forms of application may be obtained either by written or personal request.

**EXAMINATION CENTRES:—**

*Queensland.*—Aramac, Cloncurry, Dalby, Gayndah, Greenmount, Jandowae, Nambour, Normanton, Townsville.

*South Australia.*—Brinkworth, Darwin, Goolwa, Petersburg, Wallaroo.

Unless informed to the contrary, candidates should present themselves for examination at 1.45 p.m. on the date shown above, at the post-office at which they desire appointment.

C.18179.—B.

**EXAMINATION FEE.**—Each application must be accompanied by a crossed postal note for 5s.

**VACANCIES.**—Successful candidates will be eligible for appointment, in their order of merit, to existing vacancies at the centre at which they are examined only, and also to vacancies arising at such centre during the period of eighteen months ensuing the date of the entry of their names on the Register of Qualified Candidates. A successful candidate will, however, cease to be eligible for appointment upon attaining his seventeenth birthday (the maximum age for appointment).

**SALARY.**—The salary attached to the position is—1st year, £39; 2nd year, £52; with an increase, after a further twelve months, to £60 per annum conditional on passing a test in sending and receiving telegraph messages at the rate of twenty words a minute.

On reaching the age of 21 years, officers in the General Division may be paid a salary of £126 per annum.

**ALLOWANCE.**—Upon application being made by a successful candidate appointed away from home, an allowance will be paid at the rate of £1 per month during his services as Telegraph Messenger while living away from home.

**SUBJECTS OF EXAMINATION.**—The subjects of examination will be—

- (a) Handwriting—To be judged from the candidates' papers in Spelling. (Maximum marks, 100.)
- (b) Spelling—To be tested by writing, from dictation, not less than 180 words. (Maximum marks, 150.)
- (c) Arithmetic—First four rules, simple and money. (Maximum marks, 200.)

**GENERAL PARTICULARS.**—Candidates will pass this examination if they secure half marks in Handwriting and in Spelling only; but those who also gain half marks in Arithmetic will be eligible for promotion to a higher position in the General Division. Those who do not secure half marks in Arithmetic will be required to pass a further examination, after appointment, in that subject in order to become qualified for promotion. A Telegraph Messenger on attaining the age of 18 years must retire unless he has qualified for promotion. Promotion examinations are held half-yearly.

Telegraph messengers, upon being qualified for promotion, may be appointed to higher positions in the General Division, such as Telephonist, Postman, Assistant, Mail Driver, and Indoor Messenger. Officers may advance from these positions to other and higher positions in the General Division. Telegraph Messengers may also be appointed as Postal Assistants on passing an examination in Telegraphy.

Telegraph Messengers and other General Division officers may qualify for transfer to the Clerical Division by passing competitive examinations that are held for that purpose from time to time as the requirements of the Service demand.

**NAVAL OR MILITARY TRAINING.**—Before any successful candidate, who is liable for training under the compulsory clauses of the *Defence Act 1903-15*, can receive appointment, he must produce evidence from his Area Officer that he has rendered the personal service required or has been granted a temporary exemption.

**APPOINTMENT SUBJECT TO CONDITIONS.**—A successful candidate upon appointment must produce evidence of the date of his birth and a medical certificate, satisfying the Commissioner in such particulars as he may determine, of sound bodily health and freedom from physical defects. A successful candidate should not undergo medical examination until instructed by the Commissioner to do so.

## Examination No. 626.

FOR APPOINTMENT AS TELEGRAPH MESSENGER.

Held on 4th December, 1915.

THE candidates named hereunder were successful at the above examination, and have thereby qualified for appointment to the position of Telegraph Messenger at the places under which their names respectively appear.

The following should be noted:—

- (1) The names will remain on the Register of Qualified Candidates for eighteen months, that is, until and including 28th June, 1917, when they must, in accordance with the law, be removed therefrom.
- (2) A candidate, though successful, cannot be appointed after he attains his seventeenth birthday.
- (3) A candidate passes this examination if he secures at least half marks each in Handwriting and in Spelling; but those who have also gained half marks in Arithmetic at this Examination will, if appointed, be eligible for promotion to a higher position in the General Division without further examination.
- (4) Those who have not secured at least 100 marks in Arithmetic will be required to pass a further examination in that subject after appointment, in order to become eligible for promotion. Promotion examinations are held half-yearly.
- (5) Unless a Telegraph Messenger qualifies for promotion to a higher position before reaching the age of eighteen years, he must retire from the Service on attaining that age.
- (6) Where two or more candidates secure the same number of marks, their order of merit is determined by the number of marks obtained for (a) Arithmetic, and (b) Handwriting, and where these numbers are also equal, then by ballot.
- (7) Upon appointment, a successful candidate must produce evidence of the date of his birth, and a medical certificate, satisfying the Commissioner in whatever particulars he may determine as to the appointee's sound bodily health and freedom from physical defects. A successful candidate should not undergo medical examination until instructed by the Commissioner to do so.
- (8) Upon application being made by a successful candidate appointed away from home, an allowance of £1 per month will be paid during his service as Telegraph Messenger while living away from home.

- (10) If a successful candidate decline to accept an appointment offered to him, or fail to reply within seven days to a communication from the Commissioner or a Public Service Inspector, respecting his nomination to the Public Service, his name may be removed from the "Register of Qualified Candidates."
- (11) Should a successful candidate change his address, he should immediately notify the Secretary, Commonwealth Public Service Commissioner, Customs-house, Melbourne.

D. C. McLACHLAN,  
Commissioner.

W. J. CLEMENS,  
Secretary.

Office of the Commonwealth Public Service Commissioner,  
Melbourne, 29th December, 1915.

## NOTIFICATION OF VACANCIES.

**A**PPPLICATIONS will be received by the Public Service Commissioner from persons qualified for appointment to the positions specified below.

Applicants outside the Public Service are eligible for appointment to the Administrative and Professional Divisions, but are not eligible for appointment to Clerical or General Division vacancies, unless they were in the service of a State on 1st January, 1901, or are at present permanent officers in the service of a State, or have retired from the service of the Commonwealth or of a State.

Applications must be in applicant's handwriting, and should show fully qualifications for the position sought.

In the case of applicants who are officers of the Public Service of the Commonwealth or of a State the following particulars should be set out at the foot of the application:—

Designation.....  
Office or Branch.....  
Age last birthday (in years).....  
Length of service (in years).....  
Salary (per annum).....  
Date of receipt of present salary.....

Applicants from outside the Service should state full name and date and year of birth. Copies only of diplomas, references, testimonials, or certificates should be forwarded. If the originals are required they will be asked for.

Applications should be addressed to the "Commonwealth Public Service Inspector" of the State in which the vacancy exists. If the applicant is an officer of the Commonwealth Public Service the application should be forwarded to the Inspector through the principal officer of the Department in the State in which the officer is located, *except when the vacancy is in another State, when the application should be forwarded direct by the applicant to the Inspector, a copy at the same time being forwarded to the principal officer of the Department.*

Minimum and maximum salaries where shown indicate the limits of the class or grade in which the position is classified. Subject to the provisions of the Public Service Act appointments may be made at any salary within those limits. Successful appointees must comply with the life assurance provisions of the Public Service Act and Regulations.

Officers of the Public Service should note that in any case where the minimum salary of a position in the Clerical Division is not the minimum salary of a Class, and the successful applicant is not eligible for the former by reason of not having received the salary of the next lower subdivision for twelve months, he will be granted an allowance equal to the difference between the salary for which he is eligible and the minimum salary of the position until he can be advanced by annual subdivisional increments to the latter salary.

Where vacancies are notified in positions which have been the subject of award, the minimum and maximum salaries shown are those prescribed by the award. If the officer appointed to any such position is eligible to become, but is not, a member of the organization which obtained the award, he can only be paid the rates of salary prescribed in the Public Service Act or Regulations for the position to which he has been appointed, unless and until he becomes a member of the organization, when the award rates shall apply.

Officers who may be transferred without promotion or increase of salary, as the result of an application for an advertised vacancy, will be required to pay their own expenses of removal unless the transfer comes within the conditions prescribed in Public Service Regulation No. 54.

Particulars of existing quarters are furnished merely for the information of officers. It is not incumbent on Departments to provide quarters, which, if provided, may be wholly or partially withdrawn at any time.

the 1990s, the number of people in the world who are under 15 years of age is expected to increase by 1.5 billion (United Nations, 1994). The United Nations also predicts that the number of people in the world who are 65 years of age and older will increase by 1.5 billion in the next 20 years (United Nations, 1994). The rapid increase in the number of people in the world who are under 15 years of age and the rapid increase in the number of people in the world who are 65 years of age and older are two of the most significant demographic trends in the world today. These trends have important implications for the world's labor force and for the world's economy. The rapid increase in the number of people in the world who are under 15 years of age will lead to a rapid increase in the number of people in the world who are in the labor force. The rapid increase in the number of people in the world who are 65 years of age and older will lead to a rapid increase in the number of people in the world who are retired. The rapid increase in the number of people in the world who are in the labor force and the rapid increase in the number of people in the world who are retired will lead to a rapid increase in the world's labor force and to a rapid increase in the world's economy.
