Whereas We did by Royal Warrant under Our Sign Manual, dated 28th December, 1914, institute and create a new Decoration, entitled "The Military Cross," to be awarded to Officers of certain ranks in Our Army in recognition of distinguished and meritorious services in time of War, and did make, ordain, and establish certain rules and ordinances for the governance of the same, which rules and ordinances were subsequently amended by Royal Warrants, dated the 23rd day of August, 1916, and the 25th day of June, 1917:

And whereas it is expedient that our said Royal Warrants should be further amended:—

Now therefore We do hereby declare that the rules and ordinances contained in Our said Royal Warrants shall be abrogated, cancelled, and annulled, and We are pleased to make, ordain, and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

Firstly.—It is ordained that the Cross shall be designated "The Military Cross."

Secondly.—It is ordained that the Military Cross shall consist of a Cross of Silver having on each arm the Imperial Crown, and bearing in the centre the Royal and Imperial Cipher.

Thirdly.—It is ordained that the Military Cross may be awarded to a Captain, a Commissioned Officer of a lower grade, or a Warrant Officer, Class I. or II., in any of Our Military Forces, and that the Military Cross shall be awarded only to Officers of the above ranks for gallant and distinguished services in action, on a recommendation to us by Our Principal Secretary of State for War. Officers not above the substantive rank of Captain who hold the acting or temporary rank of Major, and acting or temporary Chaplains, 3rd Class, shall also be eligible.

Fourthly.—It is ordained that Foreign Officers of an equivalent rank to those abovementioned who have been associated in Military Operations with Our Military Forces shall be eligible for the award of the Military Cross.

Fifthly.—It is ordained that any one who, after having performed services for which the Military Cross is awarded, subsequently performs an approved act of gallantry in action which, if he had not received the Cross, would have entitled him to it, shall be awarded a Bar to be attached to the riband by which the Cross is suspended, and for every additional such act an additional Bar may be added.

Sixthly.—It is ordained—

- (1) that a Warrant Officer, Class I. or II., of any of Our Military Forces who has been awarded the Military Cross shall be paid a gratuity of £20 on promotion to a Commission, on transfer to Our Army Reserve, or on discharge without pension;
- (2) that if he is discharged with a pension he shall be eligible for the additional pension of 6d. a day for Europeans, and 3d. a day for non-Europeans, if not already in receipt of such additional pension;
- (3) that if he is awarded a Bar or Bars to his Military Cross, and he comes under sub-paragraph (1) of this clause, each Bar shall, for gratuity purposes, be regarded as an original award of the decoration. If, however, he comes under sub-paragraph (2) of this clause, no gratuity or further addition to pension shall be issuable in respect of a Bar or Bars; and
- (4) that awards of the Military Cross to officers of an Allied or associated Army, which may be granted under the fourth clause of this Our Royal Warrant, shall not entitle the recipient to any pension or gratuity in respect thereof.

- (i) that either Class of the Decoration may be conferred upon ladies (other than those referred to in the 4th and 5th clauses of this Our Royal Warrant), whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War, Our First Lord of the Admiralty, or Our Secretary of State for Air, as having voluntarily undertaken nursing duties and shown special devotion and competency in the performance of such duties, over a continuous and long period, in hospitals which have been specially established for the treatment of sick and wounded personnel of Our Naval, Military, or Air Forces—including our Indian Forces and the Forces of Our self-governing Dominions beyond the seas; but the First Class of the Decoration shall be conferred only upon a fully trained nurse;
- (ii) that any foreign lady upon whom the First Class of the Decoration is conferred under this Our Royal Warrant shall be regarded as an "Honorary Member," and that such person upon whom the Second Class is conferred shall be regarded as an "Honorary Associate"; and
- (iii) that the numbers of each class of the Decoration which may be conferred under this clause shall be additional to the Establishment ordained in the sixth clause of this Our Royal Warrant.

Tenthly.—It is ordained that if any one upon whom the First Class of the Decoration has been conferred is subsequently recommended for such approved service as would have rendered her eligible for the Decoration, had she not already received it, she shall be awarded a Bar, to be attached to the Decoration.

Eleventhly.—It is ordained that the names of those upon whom We may be pleased to confer the Decoration shall be published in the *London Gazette*, and a register thereof kept in the office of Our Secretary of State for War.

Twelfthly.—In order to make such additional provision as shall effectually preserve pure this honorable distinction, it is ordained—

- (1) that if any person upon whom such distinction shall be conferred shall, in the opinion of Our Army Council, Our Board of Admiralty, or Our Air Council, so conduct herself as to become unworthy of it, she shall forfeit the Decoration;

- (2) that if the recipient of this Decoration is convicted by the Civil Power, or is dealt with under the *Probation of Offenders Act 1907*, she shall be liable to a like forfeiture on the recommendation of Our Army Council;

#### THE DISTINGUISHED CONDUCT MEDAL.

GEORGE, R.I.

GEORGE THE FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India: To all to whom these Presents shall come. Greeting:

Whereas Her late Majesty Queen Victoria, by a Warrant under her Royal Sign Manual, dated 30th September, 1862, did institute and create a silver medal bearing the words "For Distinguished Conduct in the Field," to be granted to sergeants, corporals, and privates of the Regular Army, for individual acts of distinguished conduct in the Field in any part of the world:

And whereas the rules and ordinances for the governances of the same have been amended from time to time:

And whereas We deem it expedient that the said Royal Warrant, as well as amendments thereto, which have been heretofore promulgated, or are now to be promulgated, shall be incorporated in a Royal Warrant under Our Sign Manual:

Now therefore We do hereby declare that the rules and ordinances heretofore in force shall be abrogated, cancelled, and annulled, and We are pleased to make, ordain, and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

Firstly.—It is ordained that the medal, which shall be of silver, shall be designated "The Distinguished Conduct Medal," and shall bear on the obverse the Royal Effigy, and on the reverse the words, "For Distinguished Conduct in the Field."

Secondly.—It is ordained that the Distinguished Conduct Medal may be awarded on the recommendation of a Commander-in-Chief in the Field to Warrant Officers, Classes I. and II., Non-commissioned Officers, and Men, serving in any of Our Military Forces, for distinguished conduct in action in the Field.

Thirdly.—It is ordained that should any one who has been awarded the Distinguished Conduct Medal be subsequently recommended for such approved act or acts of distinguished conduct in action in the Field as would have rendered him eligible for the Medal, had he not already received it, may be awarded a Bar to be attached to the riband by which the Medal is suspended, and that for every additional such act or acts of distinguished conduct an additional Bar may be awarded.

Fourthly.—It is ordained that the Distinguished Conduct Medal shall not confer any individual precedence, but shall entitle the recipient to the addition after his name of the letters "D.C.M."

Fifthly.—It is ordained that the names of those upon whom We may be pleased to confer the Distinguished Conduct Medal shall be published in the *London Gazette*, and that a register thereof shall be kept in the office of Our Principal Secretary of State for War.

Sixthly.—It is ordained that the Distinguished Conduct Medal shall be worn before war medals in such order as We may from time to time assign to it, and that it shall be worn on the left breast pendent from a riband of one inch and one-quarter in width, which shall be in colour crimson, having in the centre a dark-blue stripe of a width equal to the crimson stripes on each side of it.

Seventhly.—It is ordained—

- (1) that a Warrant Officer, Class I. or II., Non-commissioned Officer, or Man belonging to any of Our Military Forces who has been awarded the Distinguished Conduct Medal shall be paid a gratuity of £20 on promotion to a Commission, on transfer to Our Army Reserve, or on discharge without pension;
- (2) that if he is discharged with a pension, he shall be eligible for an additional pension of 6d. a day for Europeans, and 3d. a day for non-Europeans, if not already in receipt of such additional pension;
- (3) that if he is awarded a Bar or Bars to his Distinguished Conduct Medal, and he comes under subparagraph (1) above, each bar shall, for gratuity purposes, be regarded as an original award of the Medal. If, however, he comes under subparagraph (2) above, no gratuity or further addition to pension shall be issuable in respect of a Bar or Bars; and
- (4) that soldiers of an Allied or Associated Army, of ranks equivalent to those of Our Military Forces specified in the second clause of this Our Royal Warrant, who have been associated in operations with Our Military Forces, shall be eligible for the award of the Distinguished Conduct Medal, but no pension or gratuity shall accompany such award.

Eighthly.—It is ordained—

- (1) that a recipient of the Distinguished Conduct Medal who suffers death by sentence of Court Martial, or, if an officer, is cashiered, dismissed, or removed from Our Naval, Military, or Air Forces for misconduct, or, if a soldier, sailor, or airman, is discharged from Our Naval, Military, or Air Forces with ignominy, or for misconduct, or on account of a conviction by the Civil Power, or for having been sentenced to penal servitude, shall forfeit the Distinguished Conduct Medal (unless otherwise recommended by Our Army Council);
- (2) that if a recipient of the Distinguished Conduct Medal is convicted by the Civil Power, or is dealt with under the *Probation of Offenders Act 1907*, he shall be liable to a like forfeiture at the discretion of Our Army Council;
- (3) that the forfeiture of the Distinguished Conduct Medal shall involve—
  - (a) the erasure of the recipient's name from the register of persons upon whom the Distinguished Conduct Medal has been conferred; and
  - (b) the cessation of any pension or gratuity to which the possession of the medal might entitle the recipient, but no such forfeiture shall extend to any sum of money which has already been paid;
- (4) That a forfeited Distinguished Conduct Medal and any forfeited annuity, pension, or gratuity attaching to it, may be restored to its former holder under regulations approved by Our Army Council:

Provided that We, Our Heirs, and Successors shall at all times have power to restore a forfeited Distinguished Conduct Medal, and with it such pension or gratuity as may have been forfeited;

- (5) that a notice of forfeiture and of restoration under this clause shall in every case be published in the *London Gazette*.

Lastly.—We reserve to Ourselves, Our Heirs, and Successors full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations, or any part thereof, by a notification under Our Royal Sign Manual.

Given at Our Court, at St. James', this 6th day of November, 1920, in the eleventh year of Our reign.

By His Majesty's Command,

W. S. CHURCHILL.

## THE MERITORIOUS SERVICE MEDAL.

GEORGE, R.I.

GEORGE THE FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India: To all to whom these Presents shall come, Greeting:

Whereas Her late Majesty, Queen Victoria, by a Warrant under Her Sign-Manual, dated 19th December, 1845, did ordain (a) that a certain sum of public money (£2,000) should be expended annually in awarding annuities of £20 to Sergeants of the Regular Army as a reward for their good, faithful, and efficient service; (b) that the recipients of these annuities should be selected by the Commander-in-Chief of the Army; and (c) that the Sergeants so selected to receive the annuities should also receive the Meritorious Service Medal: and did by Royal Warrant dated 10th June, 1884, apply the conditions of Her previous Royal Warrants regarding these medals and annuities to all soldiers above the rank of corporal.

And whereas the sum of £2,000 has been increased from time to time:

And whereas by a Warrant under Our Sign Manual dated 4th October, 1916, We did ordain that the grant of the Meritorious Service Medal should be extended to non-commissioned officers and men in our Military Forces below the rank of sergeant for valuable and meritorious service; and by Our Royal Warrant dated 23rd November, 1916, We did institute a bar or bars which might be awarded to recipients of the Meritorious Service Medal for subsequent approved acts of gallantry in the performance of military duty (not necessarily on active service), or in saving or attempting to save the life of an officer or soldier; and by Our Royal Warrant dated 3rd January, 1917, We did still further extend the conditions under which the Meritorious Service Medal might be awarded to soldiers in Our Military Forces who were duly recommended for acts of gallant conduct while performing military duty otherwise than in action or for devotion to duty in a theatre of war:

And whereas We deem it expedient that all the aforesaid Royal Warrants, as well as all amendments thereto which have been heretofore promulgated, or are now to be promulgated, shall be incorporated in a Warrant under Our Sign Manual:

Now therefore we do hereby declare that the rules and ordinances heretofore in force shall be abrogated, cancelled, and annulled, and We are pleased to make, ordain, and establish the following rules and ordinances in substitution for the same, which shall from henceforth be inviolably observed and kept:—

Firstly.—It is ordained that the medal shall be of silver and designated "The Meritorious Service Medal," and shall bear on the obverse the Royal Effigy, and on the reverse the words "For Meritorious Service" encircled by two laurel leaves and surmounted by the Imperial Crown.

Secondly.—It is ordained—

(a) That a fixed sum of £7,500, part of the public moneys for the upkeep of Our Army, shall be devoted to the purpose of awarding Meritorious Service Annuities of not more than £10 in any one case.

(b) That every Warrant Officer, Classes 1 and 2, and every non-commissioned officer above the rank of corporal who has served with the Colours in Our Regular Army for 21 years, or who has been invalided from Our Regular Army after 18 years' Colour Service, shall be eligible to be considered for the grant of a Meritorious Service Annuity provided:

- (i) that he served in or above the rank of Sergeant in a regular unit;
- (ii) that he is in possession of the medal for long service and good conduct, and has been awarded or is otherwise eligible for, an exemplary character on discharge; and
- (iii) that he is duly recommended for the annuity for good, faithful, valuable, and meritorious service in respect of the whole period of his Army engagement, by the Commanding Officer of the last Regular Unit with which he served, or by the Officer in Charge of his records.

(c) That instructions as to procedure in submitting such applications for registration for the medal and annuity shall be laid down in the "King's Regulations for the Army."

(d) That the names of candidates for the Meritorious Service Annuity who are recommended and accepted shall be entered, in the order in which such acceptance is approved, in a register which shall be kept in the office of Our Principal Secretary of State for War.

(e) That the Military Secretary to Our Principal Secretary of State for War shall select from the list of registered candidates the names of those whom he considers to be most deserving to receive any annuities that may fall vacant.

(f) That a Regular Warrant Officer or Non-Commissioned Officer who is thus selected for the grant of a Meritorious Annuity shall also be awarded the Meritorious Service Medal, except that a candidate who is already in possession of the Meritorious Service Medal shall receive the annuity only.

(g) That a Meritorious Service Annuity may be held in addition to ordinary pension, and in conjunction with any additional pension to which the annuitant may be entitled.

(h) That when a Meritorious Service annuitant is promoted to a Commission the annuity shall be surrendered, but he shall receive annually in lieu thereof pay equivalent to such annuity.

Thirdly.—It is ordained—

(a) That the Meritorious Service Medal may be awarded to Warrant Officers, Classes I. or II., non-commissioned officers and men of Our Military Forces who are duly recommended for the medal by a Commander-in-Chief for gallant conduct in the performance of military duty (not necessarily on active service) or in saving or attempting to save the life of an officer or soldier, or for devotion to duty in a theatre of war.

(b) That a Commander-in-Chief when recommending a soldier of Our Military Forces for the Meritorious Service Medal (or for a Bar to the same under (e) of this clause) for gallant conduct shall record his opinion whether the case merits the grant of an additional pension—6d. a day for Europeans and 3d. a day for non-Europeans—should the soldier be discharged with a pension.

(c) That the additional pension referred to in (b) of this clause may be awarded if the services are duly recommended by a Commander-in-Chief, and deemed to merit the additional pension; provided that this additional pension has not been previously awarded to the soldier.

(d) That in no circumstances shall the award of the Meritorious Service Medal for gallant conduct or devotion to duty carry with it any claim to the annuity granted under the second clause of this Our Royal Warrant.

(e) That should a soldier of any of Our Military Forces who has been awarded the Meritorious Service Medal (either with or without annuity) subsequently perform an approved act of gallantry (not necessarily on active service) in the performance of military duty or in saving or attempting to save the life of an officer or soldier, which, had he not already received the Meritorious Service Medal, would have rendered him eligible for it, may be awarded a Bar; and for every additional such act of gallantry an additional Bar may be awarded.

(f) That any soldier of Our Regular Army who is granted the Meritorious Service Medal for gallant conduct or devotion to duty in accordance with the conditions laid down in this clause of this Our Royal Warrant shall, if subsequently recommended and approved for an annuity in accordance with the second clause of this Our Royal Warrant, receive the annuity only. In such case he will receive the annuity as well as any additional pension which may have been awarded him under (c) of this clause.

(g) That soldiers of an Allied or Associated Army, of ranks equivalent to those of Our Military Forces specified in (a) of this clause, who have been associated in operations with Our Military Forces shall be eligible for the award of the Meritorious Service Medal, but no annuity or additional pension shall accompany such awards.

(h) That a Register of the recipients of the Meritorious Service Medal (and Bars) awarded under this clause shall be kept in the office of Our Principal Secretary of State for War, but such Register shall be separate and distinct from the Register referred to under (d) of the second clause of this Our Royal Warrant.

Fourthly.—It is ordained that the names of those upon whom We may be pleased to confer the Meritorious Service Medal without annuity under the third clause of this Our Royal Warrant shall be published in the *London Gazette*.

Fifthly.—It is ordained that the Meritorious Service Medal shall be worn after war medals, in such order as We may from time to time assign to it, and that it shall be worn on the left breast, pendent from a riband of one inch and a quarter in width, which shall in colour be crimson with white edges, and a white line down the centre.

Sixthly.—It is ordained—

(1) That if a recipient of the Meritorious Service Medal suffers death by sentence of Court Martial, or, being an officer, is cashiered, dismissed, or removed from Our Military Forces for misconduct, or, being a soldier, is discharged from Our Military Forces with ignominy, or for misconduct, or on account of a conviction by the civil power, or for having been sentenced to penal servitude, he shall forfeit the Meritorious Service Medal (unless otherwise recommended by Our Army Council).

(2) That is a recipient of the Meritorious Service Medal is convicted by the civil power, or is dealt with under the *Probation of Offenders Act 1907*, he shall be liable to a like forfeiture at the discretion of Our Army Council.

(3) That the forfeiture of the Meritorious Service Medal shall involve—

(a) The erasure of the recipient's name from the register of persons upon whom the Meritorious Service Medal has been conferred; and

(b) the cessation of any annuity or pension to which the possession of the medal might entitle the recipient; but no such forfeiture shall extend to any sum of money which has been already paid.

(4) That a forfeited Meritorious Service Medal and any forfeited annuity or pension attaching to it may be restored to its former holder under regulations approved by Our Army Council.

Provided that We, Our Heirs and Successors, shall at all times have power to restore a forfeited Meritorious Service Medal and with it such annuity or pension as may have been forfeited.

(5) That a notice of forfeiture and of restoration shall in every case be published in the *London Gazette*.

Lastly.—We reserve to Ourselves, Our Heirs and Successors full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations, or any part thereof, by a notification under Our Royal Sign Manual.

Given at Our Court of St. James' this 6th day of November, 1920, in the eleventh year of Our reign.

The following should be noted :—

- (1) The names will remain on the Register of Qualified Candidates for eighteen months, that is, until and including 2nd August, 1922, when they must, in accordance with the law, be removed therefrom.
- (2) A candidate, though successful, will cease to be eligible for appointment upon reaching the age of sixteen years, provided, however, that a successful candidate who has reached the age of sixteen years may be appointed to a vacancy which occurred prior to his reaching that age.
- (3) A candidate passes this examination if he secures at least half marks each in Handwriting and in Spelling; but those who have also gained half marks in Arithmetic at this examination will, if appointed, be eligible for promotion to a higher position in the General Division without further examination.
- (4) Those who have not secured at least 100 marks in Arithmetic will be required to pass a further examination in that subject after appointment, in order to become eligible for promotion. Promotion examinations are held half-yearly.
- (5) Unless a Telegraph Messenger qualifies for promotion to a higher position before reaching the age of eighteen years, he must retire from the Service on attaining that age.
- (6) Upon appointment, a successful candidate must produce evidence of the date of his birth, and a medical certificate satisfying the Commissioner in whatever particulars he may determine as to the appointee's sound bodily health and freedom from physical defects. A successful candidate should not undergo medical examination until instructed by the Commissioner to do so.
- (7) Before a successful candidate who is liable for training under the compulsory clauses of the Defence Act 1903-18 can receive appointment, he must produce evidence from his Area Officer that he has rendered the personal service required, or has been granted a temporary exemption.
- (8) If a successful candidate declines to accept an appointment offered to him, or fail to reply within seven days to a communication from the Commissioner or a Public Service Inspector, respecting his nomination to the Public Service, his name may be removed from the "Register of Qualified Candidates."
- (9) Where a successful candidate for appointment at Hobart and Suburbs does not reside within a reasonable distance of a suburban-office at which a vacancy exists, the Commissioner reserves the right to appoint another boy, who, though having obtained less marks at the examination, resides in closer proximity to the post-office referred to.
- (10) Should a successful candidate change his address, he should immediately notify the Secretary, Commonwealth Public Service Commissioner, Customs-house, Melbourne.

## THE PARLIAMENT OF THE COMMONWEALTH.

## HOUSE OF REPRESENTATIVES.

## Notification of Vacancy.

APPLICATIONS are invited from officers of the Commonwealth Public Service or of any State Parliamentary Service for appointment to the position of Clerk of the Papers, at a salary of £420 per annum.

Applications should be addressed to the Clerk of the House of Representatives, Melbourne, and should state the date of birth of the applicant and his qualifications for the position. Copies only of references, testimonials, or certificates should be forwarded. Date of appointment to the service, present position and salary, should be stated, and applications must be in applicants' handwriting.

Applicants must possess experience in accounts, correspondence, and general office work, and should state what experience they have had (if any) of proof reading. Preference will be given to a returned soldier. The applicants may obtain any further information at the office of the Clerk of the House.

The last day for receiving applications is the 28th February, 1921.

ELLIOT JOHNSON, Speaker.

## NOTIFICATION OF VACANCIES.

**A** PPLICATIONS will be received from persons qualified for appointment to the positions specified below.

Applicants outside the Public Service are eligible for appointment to the Administrative and Professional Divisions, but are not eligible for appointment to Clerical or General Division vacancies, unless they were in the service of a State on 1st January, 1901, or are at present permanent officers in the service of a State, or have retired from the service of the Commonwealth or of a State.

Applications must be in the applicant's handwriting, should show fully qualifications for the position sought, and must, to insure consideration, be forwarded to the Public Service Inspector in the State in which the vacancy exists in time to reach the office of the Public Service Inspector not later than the date shown in each case.

In the case of officers of the Commonwealth Public Service applications should be forwarded through the Department to which the officer is attached.

In the case of applicants who are officers of the Public Service of the Commonwealth or of a State the following particulars should be set out at the foot of the application:—

Designation .....  
Office or Branch .....  
Age last birthday (in years) .....  
Length of service (in years) .....  
Salary (per annum) .....  
Date of receipt of present salary .....

Applicants from outside the Service should state full name and date and year of birth. Copies only of diplomas, references, testimonials, or certificates should be forwarded. If the originals are required they will be asked for.

Minimum and maximum salaries where shown indicate the limits of the class or grade in which the position is classified.

Subject to the provisions of the Public Service Act appointments may be made at any salary within those limits. Cost of living allowances are subject to review by the Arbitration Court from time to time. Successful appointees must comply with the life assurance provisions of the Public Service Act and Regulations.

Officers of the Public Service should note that in any case where the minimum salary of a position in the Clerical Division is not the minimum salary of a Class, and the successful applicant is not eligible for the former by reason of not having received the salary of the next lower subdivision for twelve months, he will be granted an allowance equal to the difference between the salary for which he is eligible and the minimum salary of the position until he can be advanced by annual subdivisional increments to the latter salary.

Where vacancies are notified in positions which have been the subject of award, the minimum and maximum salaries shown are those prescribed by the award. If the officer appointed to any such position is eligible to become, but is not, a member of the organization which obtained the award, he can only be paid the rates of salary prescribed in the Public Service Act or Regulations for the position to which he has been appointed, unless and until he becomes a member of the organization, when the award rates shall apply.

Officers promoted to positions in the Fourth Class, which come within the scope of the award of the Australian Commonwealth Public Service Clerical Association, may be retained at the salary of £245 where, in the opinion of the Acting Commissioner, the fixing of that salary as a maximum is justified.

Officers who may be transferred without promotion or increase of salary, as the result of an application for an advertised vacancy, will be required to pay their own expenses of removal unless the transfer comes within the conditions prescribed in Public Service Regulation No. 54.

Particulars of existing quarters are furnished merely for the information of officers. It is not incumbent on Departments to provide quarters, which, if provided, may be wholly or partially withdrawn at any time.
