COMMONWEALTH PUBLIC SERVICE.

Examination No. 1030.

FOR APPOINTMENT AS TELEGRAPH MESSENGER AT MELBOURNE AND SUBURBAN POST OFFICES.

Held 19th November, 1921.

THE candidates named hereunder were successful at the above examination.

The following should be noted:—

- (1) The names will remain on the Register of Qualified Candidates for eighteen months, that is, until and including 14th June, 1923, when they must, in accordance with the law, be removed therefrom.
- (2) A candidate, though successful, cannot be appointed after he attains the age of sixteen years.
- (3) A candidate passes this examination if he secures at least half marks each in Handwriting and in Spelling; but those who have also gained half marks in Arithmetic at this examination will, if appointed, be eligible for promotion to a higher position in the General Division without further examination.
- (4) Those who have not secured at least 100 marks in Arithmetic will be required to pass a further examination in that subject after appointment, in order to become eligible for promotion. Promotion examinations are held half yearly.
- (5) Unless a Telegraph Messenger qualifies for promotion to a higher position before reaching the age of eighteen years he must retire from the Service on attaining that age.
- (6) Where two or more candidates secure the same number of marks, their order of merit is determined by the number of marks obtained for (a) Arithmetic, and (b) Handwriting, and, where these numbers are also equal, then by ballot.

- (7) Upon appointment, a successful candidate must produce evidence of the date of his birth, and a medical certificate satisfying the Commissioner in whatever particulars he may determine as to the appointee's sound bodily health and freedom from physical defects. A successful candidate should not undergo medical examination until instructed by the Commissioner to do so.
- (8) Before a successful candidate who is liable for training under the compulsory clauses of the *Defence Act 1903-18* can receive appointment, he must produce evidence from his Area Officer that he has rendered the personal service required, or has been granted a temporary exemption.
- (9) Where a successful candidate does not reside within a reasonable distance of a suburban office at which the vacancy exists, the Commissioner reserves the right to appoint another boy, who, though having obtained less marks at the examination, resides in closer proximity to the post-office referred to.
- (10) If a successful candidate decline to accept an appointment offered to him, or fail to reply within seven days to a communication from the Commissioner or a Public Service Inspector, respecting his nomination to the Public Service, his name may be removed from the "Register of Qualified Candidates."
- (11) Should a successful candidate change his address, he should immediately notify the Secretary, Commonwealth Public Service Commissioner, Customs-house, Melbourne.

NOTIFICATION OF VACANCIES.

APPLICATIONS will be received from persons qualified for appointment to the positions specified below.

Applicants outside the Public Service are eligible for appointment to (1) the Administrative Division, (2) the Professional Division, and (3) to the General Division where indicated, but are not eligible for appointment to the Clerical Division unless qualified under the provisions of the Public Service Act.

Applications must be in the applicant's handwriting, should show fully qualifications for the position sought, and must, to insure consideration, be forwarded to the Public Service Inspector in the State in which the vacancy exists in time to reach the office of the Public Service Inspector not later than the date shown in each case.

In the case of officers of the Commonwealth Public Service applications should be forwarded through the Department to which the officer is attached.

In the case of applicants who are officers of the Public Service of the Commonwealth or of a State the following particulars should be set out at the foot of the application:—

Designation
Office or Branch
Age last birthday (in years)
Length of service (in years)
Salary (per annum)
Date of receipt of present salary

Applicants from outside the Service should state full name and date and year of birth, also place of birth and whether they are natural-born or naturalized British subjects. Copies only of diplomas, references, testimonials, or certificates should be forwarded. If the originals are required they will be asked for.

Fares to locality of appointment of persons appointed from outside the Service will not be paid by the Commonwealth unless such fare exceeds £3, when such allowance as the circumstances justify may be granted.

The range of salary indicates the classified value of a position, but appointments may be made at any salary within such range. Cost of living allowances are subject to review by the Arbitration Court from time to time. Successful appointees must comply with the life assurance provisions of the Public Service Act and Regulations.

Officers promoted to positions in the Fourth Class, which come within the scope of the award of the Australian Commonwealth Public Service Clerical Association, may be retained at the salary of £245 where, in the opinion of the Acting Commissioner, the fixing of that salary as a maximum is justified.

Officers who may be transferred without promotion or increase of salary, as the result of an application for an advertised vacancy, will be required to pay their own expenses of removal unless the transfer comes within the conditions prescribed in Public Service Regulation No. 54.

Particulars of existing quarters are furnished merely for the information of officers. It is not incumbent on Departments to provide quarters, which, if provided, may be wholly or partially withdrawn at any time.
