" 20 "	108	18	6	132

The above rates are subject to revision at any time.

ALLOWANCE (TELEGRAPHY).—An allowance at the rate of £8 per annum may also be paid to Telegraph Messengers on passing a test in sending and receiving telegraph messages at the rate of twenty (20) words a minute.

CHANGE OF ADDRESS.—Any candidate changing his address after forwarding his application should at once advise the Secretary, Commonwealth Public Service Commissioner, Customs House, Melbourne.

SUBJECTS OF EXAMINATION.—The subjects of examination will be—

- Handwriting—To be judged from the candidate's papers in spelling. (Maximum marks, 100.)
- Spelling—To be tested by writing, from dictation, not less than 180 words. (Maximum marks, 150.)
- Arithmetic—First four rules, simple and money. (Maximum marks, 200.)

GENERAL PARTICULARS.—Candidates will pass this examination if they secure half marks in Handwriting and in Spelling only; but those who also gain half marks in Arithmetic will be eligible for promotion to a higher position in the General Division. Those who do not secure half marks in Arithmetic will be required to pass a further examination, after appointment, in that subject, in order to become qualified for promotion. A Telegraph Messenger on reaching the age of 18 years must retire from the Service unless he has qualified for promotion. Promotion examinations are held half-yearly.

Telegraph Messengers, upon being qualified for promotion, may be promoted to higher positions in the General Division, such as Telephonist, Postman, Assistant, Mail Driver, and, upon passing an examination in telegraphy, as Postal Assistant. Officers may advance from these positions to other and higher positions in the General and other Divisions.

Telegraph Messengers and other General Division officers of two years' service may qualify for transfer to the Clerical Division by passing competitive examinations that are held for that purpose from time to time as the requirements of the Service demand.

Appointments will be made in order of merit; but in cases where a successful candidate does not reside within a reasonable distance of an office at which a vacancy exists, the Commissioner reserves the right to appoint another boy who, though having obtained lower marks at the examination, resides in closer proximity to the post-office in question.

APPOINTMENT SUBJECT TO CONDITIONS.—A successful candidate upon appointment must produce evidence of the date of his birth and a medical certificate satisfying the Commissioner in such particulars as he may determine of sound bodily health and freedom from physical defects. Successful candidates should not undergo medical examination until instructed by the Commissioner to do so.

REFUSAL OF APPOINTMENT.—If a successful candidate decline to accept an appointment offered to him, or fail to reply within seven days to a communication respecting his nomination to the Public Service, his name may be removed from the "Register of Qualified Candidates."

NAVAL OR MILITARY TRAINING.—Before any successful candidate who is liable for training under the compulsory clauses of the *Defence Act 1903-18* can receive appointment, he must produce evidence from his Area Officer that he has rendered the personal service required, or has been granted a temporary exemption.

TEXT BOOKS.—No text books are prescribed, but booklet containing papers set at a previous examination (No. 997) may be obtained from the Government Printer, Melbourne, for 3d. (by post 4d.).

W. B. EDWARDS, Acting Commissioner.

H. A. EARL, Acting Secretary.

NOTIFICATION OF VACANCIES.

APPLICATIONS will be received from persons qualified for appointment to the positions specified below.

Applicants outside the Public Service are eligible for appointment to (1) the Administrative Division, (2) the Professional Division, and (3) to the General Division where indicated, but are not eligible for appointment to the Clerical Division unless qualified under the provisions of the Public Service Act.

Applications must be in the applicant's handwriting, should show fully qualifications for the position sought, and must, to insure consideration, be forwarded to the Public Service Inspector in the State in which the vacancy exists in time to reach the office of the Public Service Inspector not later than the date shown in each case.

In the case of officers of the Commonwealth Public Service applications should be forwarded through the Department to which the officer is attached.

In the case of applicants who are officers of the Public Service of the Commonwealth or of a State the following particulars should be set out at the foot of the application:—

Length of service (in years)

The range of salary indicates the classified value of a position, but appointments may be made at any salary within such range. Cost of living allowances are subject to review by the Arbitration Court from time to time. Successful appointees must comply with the life assurance provisions of the Public Service Act and Regulations.

Officers promoted to positions in the Fourth Class, which come within the scope of the award of the Australian Commonwealth Public Service Clerical Association, may be
