(3.) The Principal Ordinance, as amended by this Ordinance, may be cited as the *City Area Leases Ordinance 1936-1938*.

2. Section three of the Principal Ordinance is amended by inserting the following definition after the definition of "lessee":— Definitions.

" 'proper authority' means the proper authority appointed under the Canberra Building Regulations made under the *Building and Services Ordinance 1924*, or under that Ordinance as subsequently amended; "

3. After section nineteen of the Principal Ordinance the following section is inserted:—

" 19A.—(1.) "(3.) Where, between the date of the expiration of the term of a lease of land upon which there are improvements and the date of the grant of a further lease of that land or part thereof, the Commonwealth derives revenue, part or all of which is attributable to the improvements on that land or part thereof, the Commonwealth shall pay to the lessee, from time to time, as the Minister determines, the difference between such sum as the Minister determines is attributable to revenue from those improvements and the amount of such expenditure as the Minister determines has been incurred by the Commonwealth in maintenance and other costs in respect of those improvements.

"(4.) Notwithstanding anything contained in any lease, and subject to the covenants (if any) of the lease with respect to the erection of a building on the land having fully been observed or

‘improvements’ includes buildings and erections, but does not include improvements effected at the cost of the Commonwealth for which the Commonwealth has not received, or is not entitled to receive, payment;

‘lessee’, in relation to a lease the term of which has expired or which has been determined or surrendered, means the person who was the lessee under the lease at the date of the expiration of the term or at the date of the determination or surrender of the lease, as the case may be; and
