CANBERRA, THURSDAY, 15TH NOVEMBER.

[1945.]

Government House,
Canberra.

8th November, 1945.

THE KING has been graciously pleased to confer the under-mentioned awards:—

AUSTRALIAN MILITARY FORCES.

For most conspicuous bravery:

VICTORIA CROSS (POSTHUMOUS).

Corporal John Bernard Mackey, NX20317.

Corporal Mackey was in charge of a section of "D" Company 2nd/3rd Australian Pioneer Battalion in the attack on the feature known as "Helen" to the east of Tarakan. This section was in the van moving along a narrow spur with scarcely width for more than one man when it came under fire from three well-sited positions near the top of a very steep razor-backed ridge.

Corporal Mackey led his men forward and charged the first light machine gun position but slipped, and after wrestling with one enemy bayoneted him and charged straight on to the heavy machine gun which was firing from a bunker six yards away. He rushed this post and killed the crew with grenades.

He then jumped back, and changing his rifle for a sub-machine gun attacked further up the steep slope to another light machine gun position. Whilst charging he fired his gun and reached within a few feet of the enemy position when he was killed, but not before accounting for two more enemy.

By his exceptional bravery and complete disregard for his own life, Corporal Mackey was responsible for the killing of seven Japanese and the eliminating of two machine gun posts, thus enabling his platoon to gain its objective.

For most conspicuous gallantry and extreme devotion to duty:

VICTORIA CROSS.

Private Leslie Thomas Starceviech, WX11519.

Private Starceviech was a member of "B" Company 2nd/43rd Australian Infantry Battalion during the capture of Beaufort, North Borneo.

In the approach along a thickly-wooded spur, the enemy was encountered at a position where movement off the single track leading into the enemy defences was difficult and hazardous. The leading section came under fire from two enemy machine gun posts and suffered casualties. Private Starceviech, who was Bren gunner, moved forward and assaulted each post in turn, killing five enemy and putting the remaining occupants of the posts to flight.

The advance continued until the section came under fire from two more machine gun posts. When a burst of gun fire wounded Starceviech's No. 2 gunner, he again advanced, fearlessly firing his Bren gun from the hip and ignoring hostile fire. He captured both posts single-handed, disposing of seven enemy.

These daring efforts enabled "B" Company to press its attack with speed and so relieve pressure on another company which was attacking from another direction.

Private Starceviech's unhesitating assaults carried out single-handed with great personal valour and complete disregard of danger speeded the attack, which proved decisive in the success of the action.

UNIVERSITY FREE PLACES FOR COMMONWEALTH OFFICERS.

APPLICATIONS are invited from eligible officers for nomination in 1946 for free places (limited in number) in such of the following courses leading to a degree or diploma as are available at the Canberra University College and at the Universities in Sydney, Melbourne, Adelaide, Perth and Hobart:—

- Architecture.

Arts.

Commerce.
Economics.
Engineering.
Law.
Public Administration.
Science.

To be eligible for consideration an officer must—

- (a) have had his probationary appointment confirmed on or prior to the latest date for the receipt of applications;
- (b) be permanently stationed in Canberra or in the metropolitan area of Sydney, Melbourne, Adelaide, Perth or Hobart, as the case may be;
- (c) be classified in the Third Division, or be qualified for transfer to that Division;
- (d) not have obtained a University degree or diploma with monetary assistance from the Commonwealth Government; and
- (e) not be a cadet engineer, Postmaster-General's Department, or a cadet meteorologist, Meteorological Branch, already undergoing the approved course of training.

Applicants must be qualified for admission to the University in the course upon which they desire to enter. Officers who have already entered upon one of the available courses may apply for a free place in respect of the uncompleted portion of the course.

The nominations will be made by the Public Service Board after receiving the recommendations of a Selection Committee. The recommendations of the Selection Committee will be based on the qualifications, ages and suitability of applicants, the reports of departmental heads, and personal interview with applicants if considered necessary.

Each officer nominated for a free place will be admitted without fee to lectures, practical work and examinations (except as stated hereinafter) in the subjects of his course, and will be granted where necessary, and subject to departmental convenience, leave of absence with pay to enable him to attend essential lectures, practical work and examinations. He will not, however, be granted any allowance for books, lecture notes, materials or other expenses involved in attending the University, and will be required to pay the fees for the diploma or for admission to the degree. If he fails to pass at an annual examination in any subject of his course, he will be required to enter and pay the examination fee for a supplementary or deferred examination in the subject or subjects for which the University will allow him to sit. In the event of the failure of the officer to obtain a pass in the subject or subjects at the supplementary or deferred examination, or of refusal by the University of permission for him to sit at a supplementary or deferred examination in any subject, the Board may, if it thinks fit, require as a condition of the continuance of the free place that any further expenditure in respect of the subject or subjects in which a pass was not obtained shall be borne by the officer; or, if it decides that the circumstances so warrant, the Board may approve of the inclusion of the subject or subjects in a subsequent year's programme of study under free place conditions. In no circumstances, however, will expense be borne by the Commonwealth in fees in respect of a subject for more than two years of the course.

Each officer nominated for a free place will be required to enter into an agreement with the Commonwealth, and to be guaranteed by an approved surety, that he will not relinquish his course without permission, that he will fulfil the conditions of his free place, and that, if required, he will remain and continue in the employment of the Commonwealth during the period of five years immediately following the termination of his free place. The amount of liability under the terms of this agreement will not exceed £250.

The continuance of the free place after the expiration of each calendar year will be dependent upon satisfactory reports by the Professorial Board or other competent authority of the University as to the officer's attendance, conduct and progress at the University, and by the Chief Officer or the principal officer of his department in Canberra or the State, as the case may be, as to his conduct, diligence and efficiency as an officer.

The Commonwealth may at any time cancel the free place if the Board is satisfied that—

- (a) the prescribed conditions of tenure are not being complied with; or
- (b) the conduct of the holder has been idle, unbecoming, disorderly, or otherwise improper; or
- (c) the holder has failed to make satisfactory progress; or
- (d) the exigencies of the Service so require;

and thereupon all advantages connected with such free place shall cease and determine.

A free place will be terminated by the removal of the officer from the capital city in which is located the University in respect of which the free place was granted, unless its continuance thereafter is specifically authorized by the Board.

Should an officer who is nominated by the Board for a free place have been granted, or while his free place is current be granted, leave of absence for war service, the free place will be suspended for the period of such leave of absence and for such further period as the Board deems reasonable.

Upon application and the production of satisfactory evidence any holder of a free place may have his free place suspended by the Public Service Board for a period not exceeding one year, and if necessary for a further period, but in normal circumstances suspension will not be granted within the first year of the course. If the circumstances are considered by the Board to require or to justify such action, it may, without application from the holder, suspend a free place for a period not exceeding one year.

Applications must be lodged before or on 13th December, 1945, by Canberra applicants with the Secretary, Public Service Board, Canberra, and by applicants in the State capital cities with the Commonwealth Public Service Inspector, Sydney, Melbourne, Adelaide, Perth or Hobart, as the case may be, from whom application forms are obtainable.

F. G. THORPE, Commissioner,
Public Service Board.

UNIVERSITY ASSISTED PLACES FOR COMMONWEALTH OFFICERS IN QUEENSLAND.

APPLICATIONS are invited from eligible officers for nomination in 1946 for assisted places (limited in number) in the following courses leading to a degree or diploma at the University of Queensland:—

Architecture.
Arts.
Commerce.
Engineering.
Law.
Science.

To be eligible for consideration an officer must—

- (a) have had his probationary appointment confirmed on or prior to the latest date for the receipt of applications;
- (b) be permanently stationed in the metropolitan area of Brisbane;
- (c) be classified in the Third Division, or be qualified for transfer to that Division;
- (d) not have obtained a University degree or diploma with monetary assistance from the Commonwealth Government; and
- (e) not be a cadet engineer, Postmaster-General's Department, or a cadet meteorologist, Meteorological Branch, already undergoing the approved course of training.

Applicants must be qualified for admission to the University in the course upon which they desire to enter. Officers who have already entered upon one of the available courses may apply in respect of the uncompleted portion of the course.

The nominations will be made by the Public Service Board after receiving the recommendations of a Selection Committee. The recommendations of the Selection Committee will be based on the qualifications, ages and suitability of applicants, the reports of departmental heads, and personal interview with applicants if considered necessary.

Each officer nominated will be assisted in his University course to the extent that fifty per centum of the fees payable for lectures, practical work and examinations (except as stated hereinafter) in the subjects of his course will be paid to the University by the Commonwealth (the officer is responsible for the payment to the University of the remaining portion of such fees), and he will be granted where necessary, and subject to departmental convenience, leave of absence with pay to enable him to attend essential lectures, practical work and examinations. He will not, however, be granted by the Commonwealth any allowance for books, lecture notes, materials or other expenses involved in attending the University, and will be required to pay the fee for the diploma or for admission to the degree. If he fails to pass at an annual examination in any subject of his course, he will be required to enter and pay the examination fee for a supplementary examination in the subject or subjects for which the University will allow him to sit. In the event of the failure of the officer to obtain a pass in the subject or subjects at the supplementary examination or of refusal by the University of permission for him to sit at a supplementary examination in any subject, the Board may, if it thinks fit, require as a condition of the continuance of the assisted place that any further expenditure in respect of the subject or subjects in which a pass was not obtained shall be borne by the officer; or if it decides that the circumstances so warrant, the Board may approve of the inclusion of the subject or subjects in a subsequent year's programme of study under assisted place conditions. In no circumstances, however, will expense be borne by the Commonwealth in fees in respect of a subject for more than two years of the course.

Each officer nominated for an assisted place will be required to enter into an agreement with the Commonwealth, and to be guaranteed by an approved surety, that he will not relinquish his course without permission, that he will fulfil the conditions of his assisted place, and that, if required, he will remain and continue in the employment of the Commonwealth during the period of three years immediately following the termination of his course. The amount of liability under the terms of this agreement will not exceed £125.

The continuance of the assistance by the Commonwealth Government after the expiration of each calendar year will be dependent upon satisfactory reports by the University as to the officer's attendance, conduct and progress at the University, and by the Chief Officer or the principal officer of his Department in the State as to his conduct, diligence and efficiency as an officer.

The Commonwealth may at any time discontinue its payment to the University on behalf of a selected officer if the Board is satisfied that—

- (a) the prescribed conditions of tenure are not being complied with; or
- (b) the conduct of the holder has been idle, unbecoming, disorderly, or otherwise improper; or
- (c) the holder has failed to make satisfactory progress; or
- (d) the exigencies of the Service so require;

and thereupon all advantages to an officer connected with his selection for a University course shall cease and determine. An assisted place will be terminated by the removal of the officer from Brisbane, unless its continuance thereafter is specifically authorized by the Board.

Should an officer who is nominated by the Board for an assisted place have been granted, or while his assisted place is current be granted, leave of absence for war service, the assisted place will be suspended for the period of such leave of absence and for such further period as the Board deems reasonable.

Upon application and the production of satisfactory evidence, any selected officer may have his course suspended by the Public Service Board for a period not exceeding one year, and if necessary for a further period, but in normal circumstances suspension will not be granted within the first year of the course. If the circumstances are considered by the Board to require or to justify such action, it may, without application from the holder, suspend an assisted place for a period not exceeding one year.

Applications must be lodged before or on 13th December, 1945, with the Commonwealth Public Service Inspector, Brisbane, from whom application forms are obtainable.

F. G. THORPE, Commissioner,
Public Service Board.

NOTIFICATION OF VACANCIES.

APPLICATIONS are invited from permanent officers of the Commonwealth Public Service for promotion or transfer to the positions named in the appended schedule. Where so indicated, applications will also be received from officers of the Public Service of the States and other persons.

Applicants should state fully their qualifications for the position sought, and must, to ensure consideration, forward their applications to the officer indicated in the last column in time to reach him not later than the appointed date.

Where an applicant desires to be considered for two or more vacancies a separate application should be forwarded in respect of each position sought except where the positions applied for are of similar classification and in the same Branch of a Department, e.g., positions of Postmaster, Lines Staff positions, &c., when one application covering such positions will be accepted.

In the case of applicants who are permanent officers of the Public Service of the Commonwealth or of a State, the following particulars should be set out at the foot of the application:—

- Full name (block letters)
- Designation
- Standard salary scale

Other applicants should state full names, date, year and place of birth, and whether they are natural born or naturalized British subjects. Returned soldiers should give particulars of war service. Copies only of diplomas, references, testimonials, or certificates should be forwarded. If the originals are required they will be asked for.

The range of salary indicates the classified value of a position, but appointments may be made at any salary within such range.

Successful applicants must comply with the provisions of the Superannuation Act.

At offices where quarters are shown, a deduction at the rate of 10 per cent. of the minimum salary of the position will be made, unless otherwise stated. Particulars of existing quarters are furnished merely for the information of officers. It is not incumbent on Departments to provide quarters, which, if provided, may be wholly or partially withdrawn at any time.

Officers of the Commonwealth Public Service, who may be transferred without promotion, as the result of an application for an advertised vacancy, will be required to pay their own expenses of removal unless the transfer comes within the conditions prescribed in Public Service Regulation No. 119.

Fares to locality of appointment of appointees who are not permanent officers of the Commonwealth Public Service will not be paid by the Commonwealth unless such fares (including, if the applicant is married, those of his wife and family) exceed £3, when such allowance as the circumstances justify may be granted.
